GENERAL INFORMATION CONCERNING SOLICITATION AND VOTING

This proxy statement, the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of Arbor Realty Trust, Inc., a Maryland corporation, for use at the annual meeting of stockholders to be held on May 20, 2015, at 4:00 p.m., local time, and any adjournments or postponements thereof.

“We,” “our,” “us,” and “the Company” each refers to Arbor Realty Trust, Inc. The Company is externally managed and advised by Arbor Commercial Mortgage, LLC, which we refer to as “Arbor Commercial Mortgage,” “our Manager” or “ACM.”

The mailing address of our executive office is 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. This proxy statement, the accompanying proxy card and the notice of annual meeting are first being mailed on or about April 10, 2015 to holders of our common stock, par value \$0.01 per share, of record at the close of business on April 2, 2015. Our outstanding shares of common stock are the only securities entitled to vote at the annual meeting and are referred to as our voting securities. Along with this proxy statement, we are also sending our Annual Report to Stockholders for the fiscal year ended December 31, 2014.

A proxy may confer discretionary authority to vote with respect to any matter presented at the annual meeting. As of the date of this proxy statement, management has no knowledge of any business that will be presented for consideration at the annual meeting and that would be required to be set forth in this proxy statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the annual meeting for consideration, it is intended that the persons named in the enclosed proxy card and acting thereunder will vote in accordance with their discretion on any such matter.

Matters to be Considered at the Annual Meeting

At the annual meeting, our stockholders will consider and vote upon:

- (1) the election of three Class III directors, each to serve until the 2018 annual meeting of stockholders and until their respective successors are duly elected and qualify;
- (2) the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for fiscal year 2015; and
- (3) the transaction of any other business that may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

This proxy statement, form of proxy and voting instructions are being mailed starting on or about April 10, 2015.

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our Board of Directors. The expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby will be borne by the Company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone or otherwise. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of voting securities held of record at the close of business on April 2, 2015 and will provide reimbursement for the cost of forwarding the material. In addition, we have engaged Alliance Advisors LLC to assist in soliciting proxies from brokers, banks and other nominee holders of our common stock at a cost of approximately \$6,500 plus reasonable out-of-pocket expenses.

Stockholders Entitled To Vote

As of the close of business on April 2, 2015, there were 50,943,002 shares of our common stock outstanding and entitled to vote. Each share of our common stock entitles the holder to one vote. Stockholders of record at the close of business on April 2, 2015 are entitled to attend and vote at the annual meeting or any adjournment or postponement thereof.

Required Quorum/Vote

A quorum will be present if stockholders entitled to cast a majority of all the votes entitled to be cast at the annual meeting are present, in person or by proxy. If you have returned a valid proxy or if you hold your shares of our voting securities in your own name as holder of record and you attend the annual meeting in person, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting may be adjourned by the chairman of the meeting or the stockholders entitled to vote at the annual meeting, present in person or by proxy, to a date not more than 120 days after the record date without notice other than announcement at the meeting.

Abstentions and broker non-votes will be counted in determining the presence of a quorum. “Broker non-votes” occur when a bank, broker or other nominee holding shares for a beneficial owner returns a properly executed proxy but does not vote on a particular proposal because it does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange (the “NYSE”), banks, brokers and other nominees who hold shares in “street name” may have the authority to vote on certain matters when they do not receive instructions from beneficial owners. Banks, brokers and other nominees that do not receive instructions are not entitled to vote on the election of directors contained in Proposal No. 1, but may vote on ratification of the appointment of the independent registered public accounting firm contained in Proposal No. 2.

Election of each of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of all the votes cast in the election of directors at the annual meeting by holders of our voting securities. The director nominees receiving the highest number of affirmative votes will be elected directors. Shares represented by properly executed and returned proxies will be voted, if authority to do so is not withheld, for the election of the Board of Directors’ nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors.

Ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for fiscal year 2015, as specified in Proposal No. 2, requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities. If this appointment is not ratified by holders of our voting securities, the Audit Committee and our Board of Directors may reconsider its appointment and endorsement, respectively. Abstentions will not be counted as having been cast and will have no effect on the outcome of the vote for this proposal. Even if the appointment is ratified, the Audit Committee of the Company’s Board of Directors, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company.

If the enclosed proxy is properly executed and returned to us in time to be voted at the annual meeting, it will be voted as specified on the proxy unless it is properly revoked prior thereto. If no

specification is made on the proxy as to any one or more of the proposals, the following action will be taken with respect to each share of our voting securities represented by the proxy:

(1) a vote will be cast **FOR** the election of the three Class III directors, each to serve until the 2018 annual meeting of stockholders and until their respective successors are duly elected and qualify;

(2) a vote will be cast **FOR** the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2015; and

(3) a vote will be cast in the discretion of the proxy holder on any other business that properly comes before the annual meeting or any adjournment or postponement thereof.

As of the date of this proxy statement, we are not aware of any other matter to be presented at the annual meeting.

Voting

If you hold your shares of our voting securities in your own name as a holder of record, you may instruct the proxies to vote your shares by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your shares of our voting securities in person at the annual meeting.

If your shares are held on your behalf by a broker, bank or other nominee, you will receive instructions from such individual or entity that you must follow in order to have your shares voted at the annual meeting.

Authorization of your proxy via telephone or the Internet may also be available depending on how you hold your shares. Please reference your proxy card for instructions on how to authorize your proxy by these methods.

Right to Revoke Proxy

If you hold shares of our voting securities in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

- send written notice of revocation, prior to the annual meeting, to our Corporate Secretary, at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York 11553;
- sign and mail a new, later dated proxy card to our Corporate Secretary at the address specified above;
- if authorization of your proxy is available via the telephone or the Internet, authorize your vote again via the telephone or Internet at least 24 hours prior to the annual meeting; or
- attend the annual meeting and vote your shares in person.

If your shares are held on your behalf by a broker, bank or other nominee, you must contact it to receive instructions as to how you may revoke your proxy instructions.

Multiple Copies of Annual Report to Stockholders

A copy of our Annual Report to Stockholders for the fiscal year ended December 31, 2014 will be mailed to stockholders entitled to vote at the annual meeting with this proxy statement and is also available without charge to stockholders upon written request to: Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553, Attn: Investor Relations. You may also access our Annual Report on Form 10-K as filed with the Securities and Exchange Commission (the "SEC") under the "Investor Relations—SEC Filings" link on our website at www.arborrealtytrust.com.

In order to reduce printing and postage costs, we have undertaken an initiative to deliver only one Annual Report and one proxy statement to multiple stockholders sharing an address. This delivery method, called “householding,” will not be used, however, if we receive contrary instructions from one or more of the stockholders sharing an address. If your household has received only one Annual Report and one proxy statement, we will deliver promptly a separate copy of the Annual Report and the proxy statement to any stockholder who sends a written request to the Corporate Secretary, Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. You may also contact our Corporate Secretary at (516) 506-4200. You may also notify us that you would like to receive separate copies of Arbor Realty Trust’s Annual Report and proxy statement in the future by writing to our Corporate Secretary. Even if your household has received only one Annual Report and one proxy statement, a separate proxy card has been provided for each stockholder account. If you are submitting a proxy by mail, each proxy card should be marked, signed, dated and returned in the enclosed self-addressed envelope.

If your household has received multiple copies of Arbor Realty Trust’s Annual Report and proxy statement, you can request the delivery of single copies in the future by marking the designated box on the enclosed proxy card.

If you own shares of common stock through a bank, broker or other nominee and receive more than one Annual Report and proxy statement, contact the holder of record to eliminate duplicate mailings.

Voting Results

American Stock Transfer & Trust Company, our independent tabulating agent, will have a representative present at the annual meeting and will tabulate the votes and act as the Inspector of Election. We will publish the voting results in a Current Report on Form 8-K which will be filed within four business days of our annual meeting of stockholders.

Confidentiality of Voting

We will keep all proxies, ballots and voting tabulations confidential. We will permit only our Inspector of Election, American Stock Transfer & Trust Company, and our outside legal counsel to examine these documents except (i) as necessary to meet applicable legal requirements; (ii) if a stockholder writes comments on the proxy card directed to our Board of Directors or management; or (iii) in the event a proxy solicitation in opposition to the election of the nominees is initiated.

Corporate Governance Profile

We are committed to good corporate governance practices and, as such, we have adopted formal corporate governance guidelines to enhance our effectiveness. The guidelines address, among other things, board member qualifications, responsibilities, education and management succession. A copy of our corporate governance guidelines may be found at our corporate website at www.arborrealtytrust.com under the heading “Investor Relations—Corporate Governance.”

The Board of Directors met on thirteen occasions and acted by written consent on four occasions during 2014. No incumbent director attended fewer than 75 percent of all meetings of our Board of Directors and the committees on which such director served during 2014.

Senior Officer Code of Ethics and Code of Business Conduct and Ethics

We have adopted a senior officer code of ethics applicable to our Chief Executive Officer, Chief Financial Officer and Chief Credit Officer. This senior officer code also applies to persons performing similar functions to the aforementioned officers regardless of whether such persons (1) are employed directly by the Company or (2) are employed by our Manager. We have also adopted a code of business conduct and ethics applicable to all employees, officers and directors. Both codes are available on our website at www.arborrealtytrust.com under the heading “Investor Relations—Corporate Governance.” You may also obtain these documents, as well as our corporate governance guidelines, in print free of charge by writing the Company at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553; Attention: Investor Relations. Amendments to, and waivers from, the senior officer code of ethics and the code of business conduct and ethics for a director or officer will be disclosed at the same website address and heading provided above. We have filed our 2014 Domestic Company Section 303A CEO Certification with the NYSE without any qualifications. Our Sarbanes-Oxley Section 302 Certification was filed as an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2014.

Combined Principal Executive Officer and Board Chair Positions; Independent Director Committee

Mr. Kaufman serves as both the Company’s Chief Executive Officer and Chairman of the Board of Directors, which the Board of Directors has determined is the most appropriate governance structure for the Company. Mr. Kaufman has served in this capacity since the Company’s formation in June 2003. With over 30 years of experience in the real estate finance industry, Mr. Kaufman has a breadth of unique and specialized knowledge about our business operations. Mr. Kaufman solicits input from the Company’s Board of Directors regarding the Board agenda and processes. To facilitate coordination with the independent directors and the exercise of independent judgment by the Board of Directors, (1) the Board has established an Independent Director Committee (as described further below), of which Mr. Green currently Chairs as the Lead Director, and (2) our non-management directors, each of whom are independent directors under the NYSE’s Corporate Governance Standards, meet regularly in executive session without any members of management present. The Lead Director who chairs the executive sessions of the Company’s non-management directors facilitates communication between the independent directors and the Chairman of the Board, ensures appropriate information is sent to the Board and works with the Chairman to identify agenda and other discussion items for the Board.

Role of the Lead Director

In March 2013, the Board created the position of Lead Director and appointed William C. Green to the position. The Lead Director is responsible for (i) serving as a liaison between the Chairman and other members of the Board of Directors, (ii) presiding at, and preparing the agenda for, all executive sessions of the non-management directors and the independent directors, (iii) working with the Chairman and members of management to schedule Board meetings and prepare agendas, (iv) working with the Chairman and members of management to assure the adequacy and timing of information provided to the Board, (v) retaining outside advisors to the Board, if necessary or desirable and (vi) performing such other duties as may be requested by the Chairman or the Board.

Role of the Board of Directors in the Oversight of Risk Management

The Audit Committee takes the lead for the Board in oversight of the Company's risk management activities. At least quarterly the Audit Committee receives a review of the Company's investment portfolio and its quarterly results from the Company's Chief Financial Officer and an internal audit report and a Sarbanes-Oxley compliance report from the Company's internal auditor, David Landau & Associates, LLC. The review of the Company's investment portfolio and its quarterly results covers a wide range of topics and potential issues that could impact the Company, including matters such as investment performance, investment risks, counterparty risks of its asset management activities and balance sheet, results of operations, key financial metrics and operational and integration risks. The internal audit plan for the Company is approved by the Audit Committee and regular reports on the progress and results of the internal audit program are provided to the Audit Committee. The Company's independent registered public accounting firm, Ernst & Young LLP, provides the audit report. Aspects of these reports are presented to the full Board at least quarterly by either the Chairman of the Audit Committee or the member of management responsible for the given subject area. In addition, the entire Board of Directors receives reports from the General Counsel of the Manager with respect to any legal or regulatory matters that could materially affect the Company. The Compensation Committee takes the lead for the Board in oversight of risk relating to compensation matters. The Compensation Committee considers, in establishing and reviewing the Company's executive compensation program, whether the program encourages unnecessary risk taking and has concluded that it does not.

Director Independence

Of our eight current directors, six have been determined by our Board of Directors to be independent for purposes of the NYSE listing standards. Our independent directors are currently Messrs. Green, Lazar and Kreitman, Drs. Dykes and Helmreich and Ms. Edwards. In determining director independence, the Board of Directors reviewed, among other things, whether any transactions or relationships currently exist, or have existed in the past, between each director and the Company and its subsidiaries, affiliates and equity investors or independent registered public accounting firm. In particular, the Board reviewed current or recent business transactions or relationships or other personal relationships between each director and the Company, including such director's immediate family and companies owned or controlled by the director or with which the director was affiliated. The purpose of this review was to determine whether any such transactions or relationships failed to meet any of the objective tests promulgated by the NYSE for determining independence or were otherwise sufficiently material as to be inconsistent with a determination that the director is independent.

The Board also examined whether there were any transactions or relationships between each director and members of the senior management of the Company or their affiliates. In reviewing the independence of Dr. Helmreich, the Board carefully reviewed whether (1) Mr. Kaufman's and Dr. Helmreich's current and prior participation on the boards of North Shore Hebrew Academy, North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc., all of which are not-for-profit organizations, (2) Dr. Helmreich's engagement since the summer of 2000 as an external consultant by North Shore Hebrew Academy in the capacity of chairman of Academic Affairs of North Shore Hebrew Academy and (3) Dr. Helmreich's prior receipt of consulting fees from Arbor Management, LLC would, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Dr. Helmreich is independent. The Board, in particular, reviewed the materiality of the transactions to the parties involved, the compensation and timing of Dr. Helmreich's advisory role with North Shore Hebrew Academy and Arbor Management, LLC and the absence of any employment or compensatory capacity by Dr. Helmreich with NSH Affordable Housing of Indiana, Inc. In reviewing the independence of Mr. Green, the Board carefully reviewed whether certain transactions between the Company and Mr. Green as discussed in "Certain Relationships and Related

Transactions—Related Party Transactions,” would, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Mr. Green is independent. As a result of its review, the Board affirmatively determined that Messrs. Lazar, Green and Kreitman, Drs. Dykes and Helmreich and Ms. Edwards were independent under the NYSE listing standards.

Board Committees

Our Board has established four standing committees, the principal functions of which are briefly described below. Matters put to a vote at any one of our four committees must be approved by a majority of the directors on the committee who are present at a meeting at which there is a quorum or by unanimous written consent of the directors on that committee. Our Board of Directors may from time to time establish certain other committees to facilitate the management of the Company.

Audit Committee

Our Board of Directors has established an Audit Committee, which is currently composed of four of our independent directors, Mr. Lazar, Dr. Dykes, Ms. Edwards and Mr. Green. During 2014, the Audit Committee met on five occasions. The Audit Committee selects and appoints the Company’s independent registered public accounting firm and assists the Board in overseeing (1) the integrity of the Company’s financial statements, (2) the Company’s independent registered public accounting firm’s qualifications and independence, (3) the performance of the Company’s independent registered public accounting firm and the Company’s internal audit function and (4) the Company’s compliance with legal and regulatory requirements.

Mr. Lazar currently serves as Chairman of the Audit Committee. The Board has determined that Mr. Lazar qualifies as an “Audit Committee financial expert” as defined by the rules of the SEC and that each member of the Audit Committee is “financially literate.” The Audit Committee is governed by a charter that has been adopted by the Board of Directors.

Compensation Committee

Our Board of Directors has established a Compensation Committee, which is currently composed of four of our independent directors, Messrs. Green, Lazar, Kreitman and Dr. Helmreich. The principal functions of the Compensation Committee are to (1) evaluate the performance of our officers and certain of the most highly compensated employees of Arbor Commercial Mortgage who provide services to us pursuant to the management agreement (as described further in “Executive Compensation”); (2) review the compensation payable to our officers and non-employee directors and certain of the most highly compensated employees of Arbor Commercial Mortgage who provide services to us pursuant to the management agreement; (3) evaluate the performance of Arbor Commercial Mortgage as our Manager; (4) review the compensation and fees payable to Arbor Commercial Mortgage under our management agreement; (5) review and discuss with management the compensation discussion and analysis disclosure included in this proxy statement; and (6) administer the issuance of any stock to our employees or the employees of Arbor Commercial Mortgage who provide services to us. The Compensation Committee is governed by a charter that has been adopted by the Board of Directors.

Nominating/Corporate Governance Committee

Our Board of Directors has established a Nominating/Corporate Governance Committee, which is currently composed of four of our independent directors, Drs. Helmreich and Dykes, Ms. Edwards and Mr. Kreitman. During 2014, the Nominating/Corporate Governance Committee met on three occasions. Dr. Helmreich currently serves as Chairman of the Nominating/Corporate Governance Committee. The

Nominating/Corporate Governance Committee is responsible for seeking, considering and recommending to the Board qualified candidates for election as directors and recommending a slate of nominees for election as directors at each annual meeting of stockholders. The Nominating/Corporate Governance Committee is also responsible for (1) preparing and submitting to the Board for adoption the committee's selection criteria for director nominees; (2) reviewing and making recommendations on matters involving general operation of the Board and our corporate governance; and (3) annually recommending to the Board nominees for each committee of the Board. In addition, the committee annually facilitates the assessment of the Board of Directors' performance as a whole and of the individual directors and reports thereon to the Board. The Nominating/Corporate Governance Committee is governed by a charter that has been adopted by the Board of Directors.

Copies of the charters of the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee are available on our website, www.arborrealtytrust.com, under the heading "Investor Relations—Corporate Governance." You may also obtain these documents in print free of charge by writing the Company at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553, Attention: Investor Relations.

Independent Director Committee

Our Board of Directors has established an Independent Director Committee, which is currently composed of our six independent directors, Messrs. Green, Lazar, Kreitman, Drs. Helmreich and Dykes and Ms. Edwards. Mr. Green currently serves as Lead Director and thereby chairs the Independent Director Committee.

The Independent Director Committee is responsible for, among other things, considering and voting upon matters as to which the Board of Directors determines Arbor Commercial Mortgage or its affiliates (other than the Company or its subsidiaries) or any of our directors (other than an independent director) or officers has a conflict of interest, including the approval of transactions between the Company and Arbor Commercial Mortgage.

Non-Management Directors

As required by the NYSE's Corporate Governance Standards, our non-management directors, each of whom are independent directors under the NYSE's Corporate Governance Standards, meet regularly in executive session without any members of management present. The Lead Director chairs these sessions.

Stockholder and Interested Party Communications with Directors

The Board of Directors has established a process to receive communications from stockholders and other interested parties. Interested parties and stockholders may contact any or all members of the Board, including non-management directors, by mail. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent in care of the Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553.

All communications received as set forth in the preceding paragraph will be opened by the office of the Company's Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the office of the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Director Nomination Procedures; Diversity

The Nominating/Corporate Governance Committee generally believes that, at a minimum, candidates for membership on the Board of Directors should demonstrate an ability to make a meaningful contribution to the Board of Directors' oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The Nominating/Corporate Governance Committee recommends director nominees to the Board of Directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to Board responsibilities. In making its recommendations to the Board of Directors, the Nominating/Corporate Governance Committee also seeks to have the Board nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

The Nominating/Corporate Governance Committee may identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above, especially business and civic leaders in the communities in which we operate. It may also engage firms, at our expense, that specialize in identifying director candidates. As described below, the Nominating/Corporate Governance Committee will also consider candidates recommended by stockholders.

The Nominating/Corporate Governance Committee anticipates that once a person has been identified by the committee as a potential candidate, the committee will collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating/Corporate Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the committee will contact the person. If the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating/Corporate Governance Committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate. In certain instances, members of the Nominating/Corporate Governance Committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to director nominations and other proposed business submitted by stockholders in accordance with our bylaws, as summarized below under "Stockholder Proposals for 2016," the Nominating/Corporate Governance Committee will consider written recommendations from stockholders of potential director candidates. Such recommendations should be submitted to the Nominating/Corporate Governance Committee in care of the Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. Director recommendations submitted by stockholders should include the following:

- the name, age, business address and residence address of the individual(s) recommended for nomination;
- the class, series and number of any shares of our stock that are beneficially owned by the individual(s) recommended for nomination;
- the date such shares of our stock were acquired by the individual(s) recommended for nomination and the investment intent of such acquisition; and
- all other information relating to such candidate that would be required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

Stockholder recommendations of director candidates must be delivered to the Corporate Secretary not earlier than the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders; provided, however, that if the date of mailing of the notice for the annual meeting is advanced more than thirty days prior to or delayed by more than thirty days after the anniversary of the mailing of the notice for the preceding year's annual meeting, the stockholder recommendation and information described above must be delivered not earlier than the 120th day prior to the mailing of the notice for the upcoming annual meeting and not later than the close of business on the later of (1) the 90th day prior to the mailing of the notice for the upcoming annual meeting of stockholders and (2) the 10th day following the date on which public announcement of the mailing of the notice for the upcoming annual meeting is first made.

The Nominating/Corporate Governance Committee does not employ a specific policy, practice or formula for evaluating candidates to the Board of Directors recommended by stockholders and expects to use a similar process to evaluate candidates to the Board of Directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

Director Attendance at Annual Meeting

We do not currently maintain a policy requiring our directors to attend the annual meeting; however, attendance by our directors is encouraged. Seven of our directors attended the 2014 annual meeting of stockholders, of which six attended by teleconferencing.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Philosophy and Principles

The Compensation Committee acknowledges that the real estate finance industry is highly competitive and that experienced professionals have significant career mobility. The Company competes for executive talent with a large number of real estate investment companies and specialty finance companies, some of which are privately owned and some of which are publicly traded and have significantly larger market capitalization than the Company. We are a specialized company in a highly competitive industry and our ability to attract, retain and reward our “named executive officers” and other key employees is essential to maintaining our competitive position in the real estate finance industry. For 2014, our “named executive officers” are Mr. Kaufman, our Chief Executive Officer, Mr. Elenio, our Chief Financial Officer, and Messrs. Weber, Kilgore and Guzewicz, the three most highly compensated executive officers (other than our Chief Executive Officer and our Chief Financial Officer) who were serving as executive officers of the Company as of the end of 2014.

The Company is required to reimburse Arbor Commercial Mortgage for a portion of the base salaries and annual cash bonuses paid to employees of Arbor Commercial Mortgage who provide services to the Company in accordance with the terms of the management agreement, although the Compensation Committee has sole discretion to approve the Company’s portion of the annual cash bonus payable to the most highly compensated of these employees. Mr. Kaufman is being compensated directly by us as our employee as of January 1, 2014 because the Board of Directors believed that compensating Mr. Kaufman as a direct employee better reflects his role with the Company. This did not change his compensation for or on behalf of the Company. The cash compensation and benefits to be paid or provided to Mr. Elenio will continue to be provided by our Manager.

The Compensation Committee’s goal is to maintain compensation programs that are competitive within our industry, reward executives if the Company achieves its operational, financial and strategic goals and build stockholder value. In determining the form and amount of compensation payable by the Company to the named executive officers, the Compensation Committee is guided by the following objectives and principles:

- *Compensation levels should be sufficiently competitive to attract, motivate and retain key executives.* The Company aims to ensure its executive compensation program attracts, motivates and retains high performance talent and rewards them for the Company achieving and maintaining a competitive position in its industry. The Compensation Committee believes that total compensation should increase with position and responsibility.
- *Compensation should relate directly to performance and incentive compensation should constitute a substantial portion of total compensation.* The Company aims to promote a pay-for-performance culture, with a substantial portion of total compensation being “at risk.” Accordingly, a substantial portion of total compensation should be tied to and vary with the Company’s operational, financial and strategic performance, as well as individual performance. The Compensation Committee believes that executives with greater roles and the ability to directly impact the Company’s strategic goals and long-term results should bear a greater proportion of the risk if these goals and results are not achieved.
- *Long-term incentive compensation should align executives’ interests with the Company’s stockholders.* Awards of equity-based compensation encourage executives to focus on the Company’s long-term growth and prospects and motivate executives to manage the Company from the perspective of owners with a meaningful stake in the Company, as well as to focus on long-term career orientation.

The Compensation Committee does not employ a specific policy, practice or formula regarding an allocation between cash and non-cash compensation with respect to compensation paid to executives by the Company.

The Compensation Committee reviews at least annually the goals and objectives of the Company's executive compensation plans, incentive compensation plans, equity-based plans and other compensation and employee benefit plans. The Compensation Committee believes that the Company's benefits are competitive with its peers and provide adequate incentives for strong performance.

Compensation Setting Process

Management's Role in the Compensation-Setting Process

The Compensation Committee believes the Company's Chief Executive Officer, Mr. Kaufman, is in the best position to determine the responsibilities of each other named executive officer and observe how well each executive performs his responsibilities. Mr. Kaufman provides recommendations to the Compensation Committee regarding base salary levels and the form and amount of the annual cash incentive awards and stock-based compensation paid to all of the other named executive officers by the Company. Mr. Kaufman's recommendations are based on his evaluation of each other named executive officer's performance, contribution toward achieving operational, financial and strategic goals, current and historical compensation elements and the financial performance of the Company. The Compensation Committee has the ability to modify any of these recommendations and is solely responsible for ultimately determining and approving all compensation arrangements payable by the Company to these named executive officers. Additionally, Mr. Kaufman and other officers of the Company provide compensation and other information to the Compensation Committee upon its request.

Mr. Kaufman does not participate in any deliberations or approvals by the Compensation Committee with respect to any cash, equity-based or other incentive awards that our Compensation Committee may grant to him.

See "Determining Compensation Levels" below for more information about the Compensation Committee's process for determining the compensation of the named executive officers.

Compensation Consultants

The Compensation Committee's charter provides the committee with the sole authority to retain, terminate, obtain advice from, oversee and compensate any compensation consulting firm or other adviser as it deems appropriate. The Company has provided appropriate funding to the Compensation Committee to do so.

For 2014, the Compensation Committee again directly engaged the compensation consulting firm FPL Associates with respect to the compensation of certain of our executive officers and employees of our Manager which has continued into 2015. FPL Associates has no other relationships with us and is considered an independent third-party advisor. The Compensation Committee conducted a specific review of its relationship with FPL Associates and determined that its work for the Compensation Committee did not raise any conflicts of interest, consistent with the guidance provided under the Dodd-Frank Act of 2010, by the SEC and by the NYSE. The Compensation Committee continues to monitor the independence of its compensation consultant on a periodic basis.

Determining Compensation Levels

The Compensation Committee annually determines targeted total compensation levels, as well as the individual compensation components payable by the Company to the named executive officers. In making such determinations, the Compensation Committee reviews and considers (1) recommendations

of the Company's Chief Executive Officer, (2) historical compensation levels for each named executive officer, (3) industry and market conditions and the Company's future objectives and challenges, and (4) overall effectiveness of the executive compensation program. The Compensation Committee does not utilize specific performance-based goals and does not engage in benchmarking compensation, but reviews general industry trends as well as the overall performance of the Company in determining total compensation levels.

Based upon its review of the applicable factors described above, the Compensation Committee approved the total compensation payable to Mr. Kaufman and the Company's allocable portion of the total compensation payable to Mr. Elenio with respect to their service in 2014. In addition, the Company's independent directors approved the payment of cash bonuses to Messrs. Kaufman and Elenio of \$2,000,000 and \$50,000, respectively, with respect to their work on behalf of the Company for the year ended December 31, 2014. Based upon discussions and recommendations of the Company's Chief Executive Officer, and upon its review of the applicable factors described above, the Compensation Committee approved the base salary and incentive awards of each of Messrs. Weber, Kilgore and Guziewicz with respect to their service in 2014. The Compensation Committee believes these approved forms and levels of compensation are reasonable, appropriate and in line with the Company's compensation philosophy and principles.

Elements of Compensation

Total compensation for the named executive officers, as paid by the Company, is comprised of one or more of the following components:

- base salary;
- annual cash incentive awards;
- stock-based incentive awards; and
- retirement and other benefits.

Our named executive officers do not have employment, severance or change of control agreements, although their restricted stock award agreements provide for accelerated vesting upon our change of control as further described under "Stock-Based Incentive Awards—Stock Awards." Our named executive officers are employed at will, which enables the Company to terminate their employment at any time and for any reason. This is consistent with the Company's performance-based employment and compensation philosophy.

Base Salary

Salaries provide executives with a base level of income and help achieve the objectives outlined above by attracting and retaining strong talent with the skills and experience necessary to achieve our key business objectives. The Compensation Committee reviewed and approved, with respect to 2014, (i) the base salaries of Messrs. Kaufman, Weber, Kilgore and Guziewicz, and (ii) the Company's allocable portion of the base salary payable to Mr. Elenio. Generally, base salaries are not based upon specific measures of corporate performance, but are determined by (1) tenure of service, (2) scope and complexity of the position, including current job responsibilities, (3) an evaluation of each officer's individual performance and contribution to the Company's operational, financial and strategic goals and objectives, and (4) with respect to the named executive officers other than Mr. Kaufman, the recommendations of our Chief Executive Officer. Consistent with compensation practices commonly applied in the real estate finance industry, salaries generally consist of a lower percentage of an executive's total compensation, with a substantial portion of total compensation coming from incentive compensation that is tied to Company performance.

For a further description of the base salaries paid to the named executive officers in respect of their services to the Company in 2014, please refer to the Summary Compensation Table for 2014, below.

Annual Incentive Awards

The Company aims to promote a pay-for-performance culture, with a substantial portion of total compensation being “at risk.” The annual incentive award paid by the Company may be in the form of cash, stock-based awards or a combination thereof, at the discretion of the Compensation Committee. The Company does not have any specific policy, practice or formula regarding an allocation between the cash component and the stock-based component. These awards are designed to help achieve the objectives of the compensation program and may vary significantly from year to year. In 2014, the Compensation Committee did not establish any specific performance-based goals that must be met in order to receive the annual incentive award.

The Compensation Committee believes that the structure and ultimate payout amounts of the incentive awards are appropriate to attract, retain and reward the named executive officers, are competitive with those offered by our peers, provide a strong, long-term performance and retention incentive, support a pay-for-performance culture, and increase each named executive officer’s vested interest in the Company.

The Compensation Committee pays the annual incentive awards of the named executive officers in amounts relative to each individual’s contributions and responsibilities. Individuals with increased ability to directly impact the Company’s performance were allocated larger awards because they bear a greater proportion of the risk that compensation will decrease if the Company does not perform as expected. In early 2015, the Company paid cash incentive awards to the following executives with respect to their performance in 2014:

Mr. Weber received an annual cash incentive award of \$1,500,000 for managing our loan portfolio and origination platform.

Mr. Kilgore received an annual cash incentive award of \$800,000 for managing our securitization platform.

Mr. Guziewicz received an annual cash incentive award of \$350,000 for overseeing the underwriting process for our structured finance transactions.

The Company’s independent directors decided to reimburse the Manager \$380,000 in cash as the Company’s allocable portion of the annual cash incentive award payable by our Manager to Mr. Elenio, as well as the payment of an additional cash bonus of \$50,000 by the Company to Mr. Elenio with respect to his work on behalf of the Company for the year ended December 31, 2014.

The Company’s independent directors approved the payment of a cash bonus of \$2,000,000 by the Company to Mr. Kaufman with respect to his work on behalf of the Company for the year ended December 31, 2014.

Stock-Based Incentive Awards

Stock Awards. Since the Company’s formation in 2003, the Compensation Committee has granted the named executive officers (as well as other employees of the Company, employees of the Manager who provide services to the Company and the Company’s non-management directors) stock awards, consisting of shares of the Company’s common stock that may, in the discretion of the Compensation Committee, either (i) vest annually over a multi-year period, subject to the recipient’s continued service to the Company or (ii) vest immediately. The recipients of these awards realize value as the common stock underlying the awards vests, with the value increasing if the Company’s stock performance

increases after the date of grant. Additionally, all of the common stock underlying these restricted stock awards, whether or not vested, is entitled to cash dividends paid to the Company's stockholders because we feel that this further aligns the interests of the holders with those of our stockholders generally.

The Compensation Committee believes that stock-based awards must be sufficient in size and value to achieve our goals of both providing a strong, long-term performance and retention incentive for named executive officers and increasing their vested interest in the Company. In determining the equity component of a named executive officer's compensation, the Compensation Committee considers all relevant factors, including the Company's performance and relative stockholder return, the awards granted in past years and the relative value of the awards.

Stock-Based Awards for 2014. Consistent with its historical practice of granting annual stock-based awards to the named executive officers with respect to their service to the Company and performance in the most recently completed fiscal year, in 2015, the Compensation Committee granted certain of our named executive officers stock-based awards, consisting of restricted stock with a multi-year vesting schedule under our Stock Incentive Plan with respect to their service to the Company and performance in 2014. On March 19, 2015, the Compensation Committee granted an aggregate of 328,400 shares of restricted stock to certain employees of the Company and ACM with respect to their 2014 performance, of which 187,000 shares were granted to Messrs. Kaufman, Elenio, Weber, Kilgore and Guziewicz. One third of the shares vest as of the date of grant, one third will vest in March 2016, and the remaining third will vest in March 2017. Mr. Kaufman was also granted additional shares as well as restricted stock units in accordance with his 2015 Annual Incentive Agreement. See "Executive Compensation in 2015" below for further details.

The Company does not have a formal policy on timing equity compensation grants in connection with the release of material non-public information to affect the value of compensation. The Compensation Committee has generally granted stock-based awards once a year.

Future Grants of Stock Options. The Compensation Committee has traditionally viewed restricted stock awards as more effective than stock options in achieving the Company's compensation objectives. However, the Compensation Committee also considers stock options, in addition to restricted stock awards, as a viable tool to retain key employees. To the extent that the Compensation Committee decides to grant stock options in the future, (i) the exercise price for the stock options will be equivalent to the market price of the underlying common stock on the date of grant, (ii) the stock options will vest over a multi-year period, and (iii) the stock options will be exercisable for ten years from the date of grant. Stock options align employee incentives with the interests of stockholders because they have value only if the Company's stock price increases over time. The Compensation Committee believes that the ten-year term of the stock options will help focus employees on the Company's long-term growth. Given that the Company's stock options will vest over a multi-year period, stock options are intended to help retain key associates and keep employees focused on long-term performance. To date, no such options have been granted.

Retirement and Other Benefits

The Company maintains a 401(k) plan through an affiliate for its employees, including the named executive officers, as a source of retirement income by enabling participants to save on a pre-tax basis and by providing Company matching contributions. All of the named executive officers participated in the 401(k) plan in 2014. However, the Company only made matching contributions for Messrs. Kaufman, Weber, Kilgore and Guziewicz. Arbor Commercial Mortgage made a matching contribution for Mr. Elenio, and the Company reimbursed the Manager for an allocable portion of the total matching contribution pursuant to the cost reimbursement provisions of the management agreement.

The Company does not maintain any non-qualified deferred compensation plans that would allow executives to elect to defer receipt (and taxation) of their base salaries, bonuses or other compensation, nor does it maintain a defined benefit pension plan.

The named executive officers are eligible to participate in the Company's active employee flexible benefits plans, which are generally available to all Company employees. Under these plans, all employees are entitled to medical, dental, vision, life insurance and long-term disability coverage. Additionally, all of the Company's employees are entitled to vacation, sick leave and other paid holidays. The Compensation Committee believes that the Company's commitment to provide the employee benefits described above recognizes that the health and well-being of the Company's employees contribute directly to a productive and successful work life that enhances results for the Company and its stockholders.

The Company provided all named executive officers who were Company employees in 2014, consisting of, Messrs. Kaufman, Weber, Kilgore and Guzewicz, with (i) \$250,000 of life insurance coverage (\$300,000 for Mr. Kaufman) and (ii) long-term disability coverage with a maximum annual benefit of \$120,000. Arbor Commercial Mortgage provided similar coverage for Mr. Elenio in 2014, and the Company reimbursed the Manager for an allocable portion of the total coverage contribution pursuant to the cost reimbursement provisions of the management agreement.

For further information regarding the premiums paid on the named executive officers' insurance policy, please refer to the Summary Compensation Table for 2014 below.

Advisory Vote to Approve Named Executive Officer Compensation

At the 2011 annual meeting of stockholders, our stockholders voted to hold an advisory vote on the compensation of our named executive officers every three years. Consistent with that vote, the Board resolved to accept the stockholders' recommendation. Accordingly, we did not conduct an advisory vote on the compensation of our named executive officers at our 2012 or 2013 annual meetings of stockholders, but did provide our stockholders with the opportunity to vote on a non-binding, advisory resolution to approve the compensation of our named executive officers at our 2014 annual meeting of stockholders. Approximately 93% of the votes cast were in favor of this advisory proposal. The Compensation Committee considered this favorable outcome and believed it conveyed our stockholders' support of the Compensation Committee's decisions and the existing executive compensation programs. As a result, the Compensation Committee made no material changes in the structure of our compensation programs or pay for performance philosophy except with respect to Ivan Kaufman's Annual Incentive Agreement described in "Executive Compensation in 2015" below.

The Board and the Compensation Committee continue to expect to take the results of this vote and future votes into consideration when making future compensation decisions with respect to the named executive officers, but are not required to do so.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code generally limits the deductible amount of total annual compensation paid by a public company to each "covered employee" (the chief executive officer and three other most highly compensated executive officers of the Company other than the chief financial officer) to no more than \$1.0 million. Excluded from total compensation for this purpose is compensation that is "performance-based" within the meaning of Section 162(m) of the Internal Revenue Code. Unless an exception applies, compensation otherwise deductible in connection with equity-based awards will be subject to this limit. The Compensation Committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives. The

Committee has not adopted a formal policy that requires all compensation paid to the named executive officers to be fully deductible.

Executive Compensation in 2015

On March 5, 2015, the Company entered into an Annual Incentive Agreement with Ivan Kaufman. The agreement generally sets forth the agreement of the Company and Mr. Kaufman with respect to Mr. Kaufman's annual base salary and incentive compensation from the Company commencing in 2015 and continuing during his service as Chief Executive Officer. Under the terms of the agreement, Mr. Kaufman will have an annual base salary of \$1,000,000 and an annual performance bonus target opportunity of 200% of base salary (and a maximum annual bonus opportunity of 300% of base salary—with the opportunity to earn an additional \$500,000 annually in the event of extraordinary performance with respect to corporate capital growth goals). The goals applicable to the annual performance bonus will relate to the Company's adjusted funds from operations, corporate capital growth (as noted above), balance sheet-management and efficiency, the relative risk of the Company's portfolio and the Compensation Committee's assessment of Mr. Kaufman's leadership and achievement of subjective goals during the calendar year. These goals (and the other goals contemplated by the agreement) are to be set by the Compensation Committee of the Company's Board of Directors.

The agreement further provides for annual grants of three-year time-vesting restricted stock units with a value at grant of \$500,000 and performance-vesting restricted stock units with a value at grant of \$3,000,000. On March 19, 2015, the Compensation Committee granted Mr. Kaufman 74,294 shares in accordance with the agreement, of which one quarter of the shares vest as of the date of grant and one quarter will vest on each of the first, second and third anniversaries of the date of grant, as well as performance-vesting restricted stock units which vest at the end of a performance period based upon the Company's achievement of four-year total shareholder return objectives, and which entitle Mr. Kaufman to receive up to 445,765 shares of common stock.

The agreement also provides for the treatment of the various incentive awards upon a termination of Mr. Kaufman's employment. Among other things, the agreement provides that in the event of a termination of employment by the Company without cause or by Mr. Kaufman for good reason (as such terms are defined in the agreement), then the annual bonus for the year of termination will be paid out at the target level of performance (which is 200% of base salary), all unvested time-vesting restricted stock units will vest in full and performance-vesting restricted stock units will vest pro-rata based on the elapsed portion of the performance period (based upon actual performance).

In March 2015, the Compensation Committee approved the salaries of Messrs. Kaufman, Weber, Kilgore and Guziewicz for 2015, of which only Mr. Guziewicz's salary increased 8% from 2014. In March 2015, the Compensation Committee approved the portion of Mr. Elenio's salary that the Company is required to reimburse Arbor Commercial Mortgage pursuant to the management agreement, which increased 6% from 2014. Mr. Kaufman is being compensated directly by us as our employee as of January 1, 2014, rather than receiving compensation directly from our Manager with a portion reimbursed from us in accordance with the management agreement. This did not change his compensation for or on behalf of the Company.

The Compensation Committee intends to continue its strategy of compensating the Company's named executive officers through programs that emphasize incentive compensation, fostering a pay-for-performance culture. To that end, a majority of executive compensation will continue to be tied to Company and individual performance, while maintaining an appropriate balance between cash and non-cash compensation.

Management Agreement

We are externally managed and advised by Arbor Commercial Mortgage pursuant to the terms of the management agreement described below. We believe Arbor Commercial Mortgage's experience and reputation positions it to originate attractive investment opportunities for us. Our management agreement with Arbor Commercial Mortgage was developed to capitalize on synergies with Arbor Commercial Mortgage's origination infrastructure, existing business relationships and management expertise. Since we currently employ only five executive officers, excluding Mr. Elenio, and 37 employees in total, we rely to a significant extent on the facilities and resources of our Manager to conduct our operations.

Cost Reimbursement

For performing services under the management agreement, we reimburse Arbor Commercial Mortgage for its actual costs incurred to manage the Company's business and operations pursuant to the terms of an annual budget, which is subject to the review and approval of the Independent Director Committee of the Board on an annual basis and is also subject to quarterly reconciliation procedures. The Manager's annual budget includes an allocable portion of the base salaries, annual cash bonuses and employee benefits paid to employees of the Manager who provide services to the Company. We paid our Manager \$9.9 million pursuant to the agreed-upon budget of the Manager for 2014. A portion of this amount represented the Company's allocable portion of the base salary and annual cash bonus paid to Mr. Elenio with respect to his service in 2014.

Because our management agreement provides that Arbor Commercial Mortgage assumes principal responsibility for managing our affairs, certain of our executive officers, who are employees of our Manager, do not receive cash compensation or benefits directly from us for serving as our executive officers. However, pursuant to the terms of the management agreement, the Company reimburses the Manager for a portion of the base salaries, annual cash bonuses and employee benefits paid to employees of the Manager who provide services to the Company, which as of December 31, 2014, included only our Chief Financial Officer, Mr. Elenio. Such employees of the Manager are also eligible to receive grants of equity-based incentive awards under the Stock Incentive Plan. In their capacities as officers or employees of our Manager or its affiliates, they devote such portion of their time to our affairs as is required for the performance of the duties of our Manager under the management agreement.

As described above, Mr. Kaufman is being compensated directly by us as our employee as of January 1, 2014, rather than receiving compensation directly from our Manager with a portion reimbursed from us in accordance with the management agreement.

Incentive Management Fee

We also pay our Manager an incentive fee based on our performance as described in "Certain Relationships and Related Transactions—Management and Services Agreements."

The incentive fee is calculated as (1) 25% of the amount by which (a) our funds from operations per share, adjusted for certain gains and losses including gains from the retirement and restructuring of debt and 60% of any loan loss reserve recoveries (spread over a three year period), exceeds (b) the product of (x) 9.5% per annum or the Ten Year U.S. Treasury Rate plus 3.5%, whichever is greater, and (y) the greater of \$10.00 or the weighted average of book value of the net assets contributed by ACM to Arbor Realty Limited Partnership ("ARLP") per ARLP partnership unit, the offering price per share of our common equity in the private offering on July 1, 2003 and subsequent offerings and the issue price per ARLP partnership unit for subsequent contributions to ARLP, multiplied by (2) the weighted average of our outstanding shares.

The minimum return, or incentive fee hurdle, to be reached before an incentive fee is earned, is a percentage applied on a per share basis to the greater of \$10.00 or the average gross proceeds per share. In addition, 60% of any loan loss and other reserve recoveries are eligible to be included in the incentive fee calculation, which recoveries are spread over a three year period.

The incentive fee is measured on an annual basis. However, when applicable, our Manager receives quarterly installments of the incentive fee in advance. The quarterly installments are calculated based on the results for the period of twelve months ending on the last day of each quarter with respect to which such installment is payable. Each quarterly installment payment is deemed to be an advance of a portion of the incentive fee payable for the year, with an adjustment at year end to reflect the full year's results, and any overpayments are required to be repaid in accordance with the management agreement. Subject to the restrictions on ownership and transfer of our stock contained in our charter, at least 25% of this incentive compensation is payable to our Manager in shares of our common stock having a value equal to the average closing price per share for the last 20 days of the fiscal quarter for which the incentive fee is being paid. No incentive fees were earned for the year ended December 31, 2014 except with respect to the recognition of a previously paid but deferred incentive fee (see Note 14 to our audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2014).

The management agreement also allows us to consider, from time to time, the payment of additional "success-based" fees to our Manager for accomplishing certain specified corporate objectives in the sole discretion of our independent directors. No "success-based" payments were made for the year ended December 31, 2014.

Origination Fees

Under the terms of the management agreement, origination fees paid by borrowers for loans or investments made by us, less any payments to unaffiliated third party brokers or other unaffiliated third party costs in connection with the origination of these investments, are retained by us or otherwise reduce the base management fee installment for that month.

Term and Termination

The management agreement is renewable automatically for an additional one year period every year, unless terminated with six months' prior written notice. If we terminate or elect not to renew the management agreement without cause, we are required to pay a termination fee of \$10.0 million.

Annual Incentive Agreement

As of January 1, 2015, the management agreement was amended to include that all salary and bonus amounts payable by the Company to Mr. Kaufman shall be determined solely pursuant to the terms of the Annual Incentive Agreement with Mr. Kaufman for so long as it is in effect. See "Executive Compensation in 2015" above.

Compensation Committee Report on Executive Compensation

The Compensation Committee (the "Compensation Committee") of the Board of Directors (the "Board of Directors") of Arbor Realty Trust, Inc., a Maryland corporation (the "Company") has reviewed and discussed the "Compensation Discussion and Analysis" with the Company's management. Based upon this review and their discussions, the Compensation Committee recommended that the Board of Directors include the "Compensation Discussion and Analysis" in the Company's proxy statement for its 2015 annual meeting of stockholders. In addition, the Compensation Committee

considered whether the Company's executive compensation program encourages unnecessary risk taking and has concluded that it does not.

Potential Payments Upon Termination of Change in Control

Except for the Annual Incentive Agreement with Mr. Kaufman entered into on March 5, 2015, as described above in “Executive Compensation—Compensation Discussion and Analysis—Executive Compensation in 2015”, the Company does not maintain employment, severance or change in control agreements with any of the named executive officers and therefore, the Company is not obligated to pay cash severance to any of the named executive officers other than Mr. Kaufman upon a termination of their employment.

The restricted stock award agreements that govern the shares of restricted common stock granted to the named executive officers pursuant to the Company's 2014 Omnibus Stock Incentive Plan provides for the full vesting of such shares in the event of a "change of control" (as defined in the agreement) of the Company. If a change in control had occurred on December 31, 2014, the market value of the shares of restricted common stock held by each named executive officer that would have become vested, based on the closing price of the common stock on December 31, 2014 of \$6.77, was equal to: (i) Mr. Kaufman, \$406,207; (ii) Messrs. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of a class of our equity securities registered pursuant to Section 12 of the Exchange Act, to file reports of ownership on Forms 3, 4 and 5 with the SEC. Officers, directors and greater than 10% stockholders are required to furnish us with copies of all Forms 3, 4 and 5 that they file.

Based solely on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons that no filings were required for those persons, the Company believes that during and with respect to the fiscal year ended December 31, 2014 all filings required by Section 16(a) of the Exchange Act were timely made.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policy Regarding the Review, Approval or Ratification of Transactions with Related Persons

In recognition of the fact that transactions involving related parties can present potential or actual conflicts of interest or create the appearance that Company decisions are based on considerations other than the best interests of the Company and its stockholders, the Board of Directors has adopted a written policy, the “Policy and Procedures With Respect to Related Person Transactions,” which we refer to as our Related Persons Policy, which provides for the review and approval (or, if completed, ratification) by the Independent Director Committee (or, in certain circumstances, the Chair of the Independent Director Committee) of all transactions involving the Company in which a related party is known to have a direct or indirect interest, including transactions required to be reported under paragraph (a) of Item 404 of Regulation S-K promulgated by the SEC. All Related Persons are required to report to our Corporate Secretary, who is required to submit to our Independent Director Committee any such related party transaction prior to its completion.

Our Related Persons Policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant and the amount involved exceeds \$120,000, and in which any Related Person had, has or will have a direct or indirect material interest.

A “Related Person,” as defined in our Related Persons Policy, means any person who is, or at any time since the beginning of the Company’s last fiscal year was, a director or executive officer of the Company or a nominee to become a director of the Company; any person who is known to be the beneficial owner of more than 5% of any class of the Company’s voting securities; any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the director, executive officer, nominee or more than 5% beneficial owner, and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner; and any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest.

In reviewing any related person transaction, all of the relevant facts and circumstances must be considered, including (i) the related person’s relationship to us and his or her interest in the transaction, (ii) the proposed aggregate value of the transaction, or, in the case of indebtedness, the amount of principal that would be involved, (iii) the benefits to us, (iv) the availability of comparable products or services that would avoid the need for a related person transaction and (v) the terms of the transaction and the terms available to unrelated third parties or to employees generally.

Management and Services Agreements

We and our operating partnership have entered into a management agreement with Arbor Commercial Mortgage, pursuant to which Arbor Commercial Mortgage provides for the day to day management of our operations. Arbor Commercial Mortgage is also required to provide us with a right of first refusal with respect to all structured finance investment opportunities in the multi-family and commercial real estate markets that are identified by Arbor Commercial Mortgage or its affiliates as long as such investment opportunities are consistent with our investment objectives and guidelines and such investment opportunities would not adversely affect our status as a REIT. We have agreed not to pursue, and to allow Arbor Commercial Mortgage to pursue, any opportunity in structured finance investment opportunities in the multi-family and commercial real estate markets if the opportunity is rejected by our credit committee and a majority of our independent directors.

The base management fee is an arrangement whereby we reimburse the Manager for its actual costs incurred in managing our business based on the parties' agreement in advance on an annual budget with subsequent quarterly true-ups to actual costs. The 2014 and 2013 base management fee was \$9.9 million and \$10.9 million, respectively. All origination fees on investments are now retained by us.

At December 31, 2014, due to related party was \$2.7 million and consisted primarily of base management fees due to ACM, which were remitted by us in the first quarter of 2015. At December 31, 2013, due to related party was \$2.8 million and consisted primarily of base management fees due to ACM, which were remitted by us in the first quarter of 2014.

The incentive fee is calculated as (1) 25% of the amount by which (a) our funds from operations per share, adjusted for certain gains and losses, including gains from the retirement and restructuring of debt and 60% of any loan loss reserve recoveries (spread over a three year period), exceeds (b) the product of (x) 9.5% per annum or the Ten Year U.S. Treasury Rate plus 3.5%, whichever is greater, and (y) the greater of \$10.00 or the weighted average of book value of the net assets contributed by ACM to ARLP per ARLP partnership unit, the offering price per share of our common equity in the private offering on July 1, 2003 and subsequent offerings and the issue price per ARLP partnership

unit for subsequent contributions to ARLP, multiplied by (2) the weighted average of our outstanding shares.

The minimum return, or incentive fee hurdle, to be reached before an incentive fee is earned, is a percentage applied on a per share basis to the greater of \$10.00 or the average gross proceeds per share. In addition, 60% of any loan loss and other reserve recoveries are eligible to be included in the incentive fee calculation, which recoveries are spread over a three year period.

The management agreement also allows us to consider, from time to time, the payment of additional fees to Arbor Commercial Mortgage for accomplishing certain specified corporate objectives; has a termination fee of \$10.0 million; and is renewable automatically for successive one-year terms, unless terminated with six months prior written notice.

We and our operating partnership have also entered into a services agreement with Arbor Commercial Mortgage pursuant to which our asset management group provides asset management services to Arbor Commercial Mortgage. In the event that the services provided by our asset management group pursuant to the agreement exceed by more than 15% per quarter the level of activity anticipated by our Board of Directors, we will negotiate in good faith with our Manager an adjustment to our Manager's base management fee under the management agreement, to reflect the scope of the services, the quantity of serviced assets or the time required to be devoted to the services by our asset management group.

Non-Competition Agreement

We have entered into a non-competition agreement with Mr. Kaufman pursuant to which he has agreed not to pursue any structured finance opportunities in the multi-family and commercial real estate markets unless a majority of our independent directors affirmatively approves the pursuit by Mr. Kaufman of such opportunity that a majority of our independent directors and our credit committee have rejected on our behalf. Mr. Kaufman has also agreed that if he is no longer an affiliate of Arbor Commercial Mortgage and, within the first five years of the term of the management agreement, he is no longer our Chief Executive Officer other than because of certain reasons specified in the non-competition agreement, he will not engage in the structured finance lending business for a period of one year after the earlier of his departure from us or the regular expiration of the one year origination period described in the management agreement. Mr. Kaufman's non-competition agreement also prohibits Mr. Kaufman from soliciting our customers or employees during its term.

Benefits Participation Agreement

We have also entered into a benefits participation agreement with Arbor Commercial Mortgage, pursuant to which our employees are able to participate in any employee benefit plans maintained by Arbor Management for the benefit of Arbor Commercial Mortgage employees. Arbor Management charges us an amount equal to its cost of providing benefits to each of our employees.

Related Party Transactions

In February 2015, we modified an \$18.0 million preferred equity investment, increasing it to a balance of \$25.0 million with a fixed interest rate of 10% and a maturity date of February 2018. In order to accomplish the modification, we formed a joint venture vehicle with a consortium of investors consisting of certain of our officers, including Mr. Ivan Kaufman, and other related parties, who together own a \$2.0 million interest in the preferred equity investment.

In the first quarter of 2015, we acquired 50% of our Manager's indirect interest in a residential mortgage banking company for approximately \$9.6 million. As a result of this transaction, we own a 22.5% indirect interest in this entity.

During the third quarter of 2014, we invested \$0.1 million for a 5% interest in a joint venture that owns two multifamily properties. The joint venture consists of a consortium of investors consisting of certain of our officers, including Mr. Ivan Kaufman, and other related parties, who together own an interest of approximately 95%. In August 2014, we originated two bridge loans totaling \$5.0 million to the joint venture with an interest rate of 5.5% over one-month LIBOR and a maturity date of August 2015.

In July 2014, we originated a \$30.4 million bridge loan for an office property owned by a consortium of investors including Mr. Ivan Kaufman and his affiliates, who together own an interest of approximately 24% in the borrowing entity. The loan has an interest rate of LIBOR plus 7.90% and a maturity date of January 2016.

In March 2014, we originated a bridge loan to a third party borrower for a portfolio of properties with an unpaid principal balance of \$70.1 million, of which, \$15.0 million was financed with junior loan participations to our Manager. The loan has a weighted average interest rate of 6.38% and a maturity date of March 2016. In May 2014, the junior loan participations to our Manager were paid off. The participations had a weighted average interest rate of 7.20% and a maturity date of March 2016.

We had two loans totaling \$22.4 million, which were secured by a property purchased in 2011 by a third party borrower from our Manager. In the first quarter 2014, our Manager purchased the property from the prior borrower subject to our loans. In connection with this purchase, our Manager paid down the loans by \$2.3 million and we restructured our remaining debt outstanding into a first mortgage of \$14.6 million with a maturity date of March 2016 and a second mortgage of \$5.1 million with a maturity date of April 2015, both with an interest rate of LIBOR plus 4.80%.

General

Every transaction entered into between us and an entity in which Arbor Commercial Mortgage holds equity interests raises a potential conflict of interest. Conflicts of interest with respect to these investments include, among others, decisions regarding (1) whether to waive defaults of such borrower, (2) whether to foreclose on the investment and (3) whether to permit additional financing on the properties securing our investments other than financing provided by us.

Arbor Commercial Mortgage may from time to time provide permanent mortgage loan financing to clients of ours, which will be used to refinance bridge financing provided by us. We and Arbor Commercial Mortgage may also make loans to the same borrower or to borrowers that are under common control. Additionally, our policies and those of Arbor Commercial Mortgage may require us to enter into intercreditor agreements in situations where loans are made by us and Arbor Commercial Mortgage to the same borrower.

In addition, we may enter into future transactions with Arbor Commercial Mortgage with the approval of our independent directors.

PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2015

The Audit Committee of our Board of Directors has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015. The Board has endorsed this appointment. Ernst & Young LLP audited our consolidated financial statements for the fiscal years ended December 31, 2014 and December 31, 2013. Stockholder ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, the Board of Directors is submitting the appointment of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate governance. Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2015 requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities.

If this appointment is not ratified by our stockholders, the Audit Committee and the Board may reconsider its recommendation and endorsement, respectively. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company.

The Audit Committee also reviews and pre-approves all audit services. In some cases, pre-approval of a particular category or group of

services, such as tax consulting services and audit services, is provided by the full Audit Committee for up to a year and is subject to a specific budget. In other cases, the Chairman of the Audit Committee has the delegated authority from the full Audit Committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee. All audit related fees were approved by the Audit Committee.
