Arbor Realty Trust, Inc.

April 18, 2022

Dear Fellow Stockholders:

On behalf of the Board of Directors, I cordially invite you to attend the annual meeting of stockholders of Arbor Realty Trust, Inc. (the "Company," "Arbor," "we," "our," and "us,"), which will be held in a virtual-only format on May 18, 2022, at 11:00 a.m., Eastern Time ("ET"). The instructions to attend the annual meeting and vote, as well as the matters to be considered by the stockholders at the annual meeting, are described in detail in the accompanying materials.

I want to thank Dr. Archie Dykes, who joined our Board in 2006 and who has decided to retire, effective as of our annual shareholder meeting. While Archie has served as a well-regarded director and chairman of numerous corporations, he is most well-known for his generous support of and service to educational institutions. This commitment to learning is evidenced through Archie's inquisitive nature and vibrant and enthusiastic participation. We are incredibly grateful to him for his service to Arbor and will truly miss Archie's contributions, practical advice, and enormous energy.

I also want to thank George Tsunis, a director since 2016, for his dedication and contributions to the Company. George has recently received the honor and distinction of being appointed the United States Ambassador to Greece and thereby had to resign from our Board. However, Arbor's loss will accrue to our country's benefit as George represents us in Greece. We wish him great success.

It is important that you be represented at the annual meeting regardless of the number of shares you own or whether you are able to attend. As always, we encourage you to vote your shares prior to the annual meeting.

Let me urge you to mark, sign and date your proxy card today and return it in the envelope provided.

Sincerely,

A handwritten signature in black ink, appearing to be "Ivan Kaufman", written in a cursive style.

IVAN KAUFMAN
Chairman and Chief Executive Officer and President

The mailing address of our executive office is 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. This proxy statement, the accompanying proxy card and the notice of annual meeting are first being mailed (or emailed solely with respect to the proxy card relating to the special voting preferred stock) on or about April 18, 2022 to holders of our common stock, par value \$0.01 per share, and special voting preferred stock, par value \$0.01 per share, of record at the close of business on April 6, 2022. The outstanding shares of common stock and special voting preferred stock are the only securities entitled to vote at the annual meeting, and we refer to these securities, collectively, as our voting securities. Along with this proxy statement, we are also sending our Annual Report to Stockholders for the year ended December 31, 2021 (“2021 Annual Report”).

A proxy may confer discretionary authority to vote with respect to any matter presented at the annual meeting. As of the date of this proxy statement, management has no knowledge of any business that will be presented for consideration at the annual meeting and that would be required to be set forth in this proxy statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the annual meeting for consideration, it is intended that the persons named in the enclosed proxy card and acting thereunder will vote in accordance with their discretion on any such matter.

Instructions to Attend and Vote at the Virtual Annual Meeting

Record Holders: If you were a stockholder of record as of the close of business on April 6, 2022 (i.e., you held your shares in your own name as reflected in the records of our transfer agent, American Stock Transfer & Trust Company (“AST”)), you can attend the annual meeting by accessing <https://web.lumiagm.com/286720334> and selecting the button “I have a Control Number.” You will then be directed to a screen where you will enter: (1) the 11-digit control number on the proxy card; and (2) the meeting password “arbor2022”. Please note the meeting password is case sensitive. Once you have completed these steps, select the “login” button, which will take you to the annual meeting page (“Meeting Page”) where you can vote, submit written questions and listen to the meeting. If you are a stockholder of record and misplaced your 11-digit control number, please call AST at (800) 937-5449.

Beneficial Owners: If you were a beneficial owner as of the close of business on April 6, 2022 (i.e., you hold your shares in “street name” through an intermediary, such as a bank, broker or other nominee), you must register in advance to attend the annual meeting. To register, please obtain a legal proxy from the bank, broker or other nominee that is the record holder of your shares and then submit the legal proxy, along with your name and email address, to AST to receive an 11-digit control number that may be used to access the annual meeting site provided above. Any control number that was provided with your proxy materials, likely a 16-digit number, will not provide access to the annual meeting site. Requests for registration and submission of legal proxies should be labeled as “Legal Proxy” and must be received by AST no later than 5 p.m., ET, on May 11, 2022. All such requests should be submitted (1) by email to proxy@astfinancial.com, (2) by facsimile to (718) 765-8730, or (3) by mail to American Stock Transfer & Trust Company, LLC, Attn: Proxy Tabulation Department, 6201 15th Avenue, Brooklyn, NY 11219. Obtaining a legal proxy may take several days and stockholders are advised to register as far in advance as possible. Once you have obtained your 11-digit control number from AST, please follow the steps set forth above for “Record Holders” to attend the annual meeting.

Attending as a Guest: If you are a record holder or beneficial owner and would like to enter the annual meeting as a guest in listen-only mode, go to <https://web.lumiagm.com/286720334> and select the button “I am a guest.” Please note you will not have the ability to ask questions or vote during the meeting if you participate as a guest.

Voting Shares: If you are attending the annual meeting as a stockholder of record or beneficial owner who has registered for the meeting, you can vote during the meeting by clicking the link “Proxy Voting Site” on the Meeting Page and following the prompts.

Voting

If you hold your shares of our voting securities in your own name as a holder of record, you may instruct the proxies to vote your shares by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your shares of our voting securities during the annual meeting.

If your shares are held on your behalf by a broker, bank or other nominee, you will receive instructions from such individual or entity that you must follow in order to have your shares voted at the annual meeting.

Authorization of your proxy via telephone or the Internet may also be available depending on how you hold your shares. Please reference your proxy card for instructions on how to authorize your proxy by these methods.

Right to Revoke Proxy

If you hold shares of our voting securities in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

- send written notice of revocation, prior to the annual meeting, to our Corporate Secretary, at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York 11553;
- sign and mail a new, later dated proxy card to our Corporate Secretary at the address specified above;
- authorize a later dated vote via the telephone or Internet at least 24 hours prior to the annual meeting; or
- attend the annual meeting and vote your shares during the meeting.

If your shares are held on your behalf by a broker, bank or other nominee, you must contact such broker, bank or other nominee to receive instructions as to how you may revoke your proxy instructions.

Matters to be Considered at the Annual Meeting

At the annual meeting, our stockholders will consider and vote upon:

- (1) The election of three Class I directors, each to serve until the 2025 annual meeting of stockholders and until their respective successors are duly elected and qualified;
- (2) The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2022; and
- (3) The transaction of any other business that may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

This proxy statement, form of proxy and voting instructions are being mailed starting on or about April 18, 2022.

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our Board of Directors (the “Board” or the “Board of Directors”). The expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby are paid for by the Company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone or otherwise. We will also

request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of voting securities held of record at the close of business on April 6, 2022 and will provide reimbursement for the cost of forwarding the material. In addition, we have engaged Alliance Advisors LLC to assist in soliciting proxies from brokers, banks and other nominee holders of our common stock at a cost of approximately \$7,000 plus reasonable out-of-pocket expenses.

Stockholders Entitled To Vote

As of the close of business on April 6, 2022, there were 160,203,912 shares of our common stock and 16,325,095 shares of our special voting preferred stock outstanding and entitled to vote. Each share of our common stock and special voting preferred stock entitles the holder to one vote. Stockholders of record at the close of business on April 6, 2022 are entitled to attend and vote at the annual meeting or any adjournment or postponement thereof.

Required Quorum/Vote

A quorum will be present if stockholders entitled to cast a majority of all the votes entitled to be cast at the annual meeting are present in the meeting or by proxy. If you have returned a valid proxy or if you hold your shares of our voting securities in your own name as a holder of record and you attend the annual meeting, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting may be adjourned by the chairman of the meeting or the stockholders entitled to vote at the annual meeting, present in the meeting or by proxy, to a date no more than 120 days after the record date without notice other than announcement at the annual meeting.

Abstentions and broker non-votes will be counted in determining the presence of a quorum. “Broker non-votes” occur when a bank, broker or other nominee holding shares for a beneficial owner returns a properly executed proxy but does not vote on a particular proposal because the bank, broker or other nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange (the “NYSE”), banks, brokers and other nominees who hold shares in “street name” may have the authority to vote on certain matters when they do not receive instructions from beneficial owners. Banks, brokers and other nominees that do not receive instructions are not entitled to vote on the election of directors contained in Proposal No. 1, but may vote on ratification of the appointment of the independent registered public accounting firm contained in Proposal No. 2.

Election of each of the director nominees named in Proposal No. 1 requires the affirmative vote of a majority of the votes cast in the election of directors at the annual meeting by holders of our voting securities, except in the case of contested elections, which would require the affirmative vote of a plurality of all the votes cast. In such latter case, the director nominees receiving the highest number of affirmative votes will be elected directors. Shares represented by properly executed and returned proxies will be voted, if authority to do so is not abstained, for the election of the Board of Directors’ nominees named in Proposal No. 1. Votes may be cast in favor of or against each of the director nominees. Abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors.

Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2022, as specified in Proposal No. 2, requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities. If this appointment is not ratified by holders of our voting securities, the Audit Committee and our Board of Directors may each reconsider its appointment and endorsement. Abstentions will not be counted as votes cast and will have no effect on the outcome of the vote for this proposal. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interest.

If the enclosed proxy is properly executed and returned to us in time to be voted at the annual meeting, it will be voted as specified on the proxy, unless it is properly revoked prior thereto. If no specification is made on the proxy as to any one or more of the proposals, the following action will be taken with respect to each share of our voting securities represented by the proxy:

- (1) A vote will be cast **FOR** the election of the three Class I directors, each to serve until the 2025 annual meeting of stockholders and until their respective successors are duly elected and qualified;
- (2) A vote will be cast **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2022; and
- (3) A vote will be cast in the discretion of the proxy holder on any other business that properly comes before the annual meeting or any adjournment or postponement thereof.

As of the date of this proxy statement, we are not aware of any other matter to be presented at the annual meeting.

Multiple Copies of Annual Report to Stockholders

A copy of our 2021 Annual Report will be mailed to stockholders entitled to vote at the annual meeting with this proxy statement and is also available without charge to stockholders upon written request to: Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553, Attn: Investor Relations. You may also access our 2021 Annual Report as filed with the Securities and Exchange Commission (the “SEC”) under the “Investor Relations — SEC Filings” link on our website at www.arbor.com.

In order to reduce printing and postage costs, we have undertaken an initiative to deliver only one annual report and one proxy statement to multiple stockholders sharing an address. This delivery method, called “householding,” will not be used, however, if we receive contrary instructions from one or more of the stockholders sharing an address. If your household has received only one annual report and one proxy statement, we will deliver promptly a separate copy of the annual report and the proxy statement to any stockholder who sends a written request to the Corporate Secretary, Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. You may also contact our Corporate Secretary at (516) 506-4200. You may also notify us that you would like to receive separate copies of our annual report and proxy statement in the future by writing to our Corporate Secretary. Even if your household has received only one annual report and one proxy statement, a separate proxy card has been provided for each stockholder account. If you are submitting a proxy by mail, each proxy card should be marked, signed, dated and returned in the enclosed self-addressed envelope.

If your household has received multiple copies of Arbor’s annual report and proxy statement, you can request the delivery of a single copy in the future by marking the designated box on the enclosed proxy card.

If you own shares of common stock through a bank, broker or other nominee and receive more than one annual report and proxy statement, contact the holder of record to eliminate duplicate mailings.

Voting Results

AST, our independent tabulating agent, will have a representative present at the annual meeting and will tabulate the votes and act as the Inspector of Election. We will publish the voting results in a Current Report on Form 8-K, which will be filed within four business days of our annual meeting of stockholders.

Confidentiality of Voting

We will keep all proxies, ballots and voting tabulations confidential. We will permit only our Inspector of Election, AST, and our outside legal counsel to examine these documents, except: (i) as necessary to meet applicable legal requirements; (ii) if a stockholder writes comments on the proxy card directed to our Board of Directors or management; or (iii) in the event a proxy solicitation in opposition to the election of the nominees is initiated.

Recommendations of the Board of Directors

The Board of Directors recommends a vote:

- (1) **FOR** the election of Ms. Caryn Effron, Mr. Joseph Martello and Mr. Edward Farrell, as Class I

directors, each to serve until the 2025 annual meeting of stockholders and until their respective successors are duly elected and qualified;

- (2) **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2022; and
- (3) In the discretion of the proxy holder on any other business that properly comes before the annual meeting or any adjournment or postponement thereof.

Mr. Schwartz is the co-founder, Chief Executive Officer and General Counsel of Debt Recovery Solutions, LLC, a national accounts receivable management agency. Founded in 2002, the organization purchases and manages distressed consumer receivables in the financial, education, telecommunication and medical sectors. Mr. Schwartz manages all aspects of the company's operation as well as its compliance with city, state and federal rules and regulations that govern the industry. Prior to founding Debt Recovery Solutions, LLC, Mr. Schwartz served as Senior Vice President, General Counsel and Principal at Coldata, Inc., for more than a decade. The debt management company provided accounts receivable management services to various financial institutions as well as City, State and Federal governmental agencies throughout the United States. After Coldata was sold in 1999, Mr. Schwartz continued his responsibilities under the acquisition until 2002. Mr. Schwartz is a member of the Nassau County Bar Association, New York State Bar Association, Receivables Management Association and the American Collectors Association.

As the co-founder and Chief Executive Officer of an organization with a focus in distressed assets in various markets, Mr. Schwartz has a unique set of experience in debt management recovery services, which led the Board of Directors to conclude that he should serve as our director.

Corporate Governance Profile

We are committed to good corporate governance practices and, as such, we have adopted formal corporate governance guidelines to enhance our effectiveness. The guidelines address, among other things, Board member qualifications, responsibilities, education and management succession. A copy of our corporate governance guidelines may be found on our website at www.arbor.com under the heading “Investor Relations — Corporate Governance.”

The Board of Directors met on fifteen occasions and acted by unanimous written consent on twelve occasions during 2021. No incumbent director attended fewer than 75 percent of all meetings of our Board of Directors and the committees on which such director served during 2021.

Senior Officer Code of Ethics and Code of Business Conduct and Ethics

We have a senior officer code of ethics applicable to our Chief Executive Officer (“CEO”), Chief Financial Officer (“CFO”), Chief Accounting Officer, Chief Credit Officer and Controller. This senior officer code also applies to persons performing similar functions to the aforementioned officers. We also have a code of business conduct and ethics applicable to all employees, officers and directors. Both codes are available on our website at www.arbor.com under the heading “Investor Relations — Corporate Governance.” You may also obtain these documents, as well as our corporate governance guidelines, in print free of charge by writing us at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553, Attention: Investor Relations. Amendments to, and waivers from, the senior officer code of ethics and the code of business conduct and ethics for a director or officer will be disclosed at the same website address and heading as provided above. We have filed our 2021 Domestic Company Section 303A CEO Certification with the NYSE without any qualifications. Our Sarbanes-Oxley Section 302 Certification was filed as an exhibit to our 2021 Annual Report.

Combined Principal Executive Officer and Board Chair Positions

Mr. Kaufman serves as both our CEO and Chairman of the Board of Directors, which the Board has determined is the most appropriate governance structure for us. Mr. Kaufman has served in this capacity since Arbor’s formation in 2003. With over 30 years of experience in the real estate finance industry, Mr. Kaufman has a breadth of unique and specialized knowledge about our business operations. Mr. Kaufman solicits input from our Board of Directors regarding the Board agenda and processes. To facilitate coordination with the independent directors and the exercise of independent judgment by the Board of Directors, our non-management directors, each of whom are independent directors under the NYSE’s Corporate Governance Standards, meet regularly in executive session without any members of management present. The Lead Director chairs the executive sessions of our non-management directors facilitates communication between the independent directors and the Chairman of the Board, ensures appropriate information is sent to the Board and works with the Chairman to identify agenda and other discussion items for the Board.

Role of the Lead Director

In 2013, the Board created the position of Lead Director and appointed William C. Green to the position. The Lead Director is responsible for: (1) serving as a liaison between the Chairman and other members of the Board of Directors; (2) presiding at, and preparing the agenda for, all executive sessions of the independent, non-management directors; (3) working with the Chairman and members of management to schedule Board meetings and prepare agendas; (4) working with the Chairman and members of management to assure the adequacy and timing of information provided to the Board; (5) retaining outside advisors to the Board, if necessary or desirable; and (6) performing such other duties as may be requested by the Chairman or the Board.

Role of the Board of Directors in the Oversight of Risk Management

The Audit Committee takes the lead for the Board in oversight of our risk management activities. At least quarterly, the Audit Committee receives a review of our investment portfolio and quarterly results from our CFO and an internal audit report and a Sarbanes-Oxley compliance report from our internal auditor, DLA, LLC. The review of our investment portfolio and quarterly results covers a wide range of topics and potential issues that could impact us, including matters such as investment performance, investment risks, counterparty risks of asset management activities and balance sheet, results of operations, key financial metrics and operational and integration risks. The internal audit plan is approved by the Audit Committee and regular reports on the progress and results of the internal audit program are provided to the Audit Committee. Our independent registered public accounting firm, Ernst & Young, provides the audit report. Aspects of these reports are presented to the full Board at least quarterly by either the Chairman of the Audit Committee or the member of management responsible for the given subject area. In addition, the entire Board of Directors receives reports from our General Counsel with respect to any legal or regulatory matters that could materially affect us. The Compensation Committee takes the lead for the Board in oversight of risk relating to compensation matters. The Compensation Committee considers, in establishing and reviewing our executive compensation program, whether the program encourages unnecessary risk taking and has concluded that it does not.

Role of the Board of Directors in the Oversight of Environmental, Social and Governance (“ESG”) Matters

Arbor’s governance structure with respect to sustainability reflects a commitment across the organization, with oversight at the senior management and Board levels. Our governing Statement of ESG Principles can be found on our website at www.arbor.com. Our Board engages with senior management on short- and long-term strategies and reviews management’s performance in delivering on our plans as they relate to ESG matters. Several of our directors have experience in ESG matters, including managing these issues in senior leadership or advising roles in the financial services sector. During 2021, the Board monitored the Company’s initiative to integrate ESG into our business operations, as well as investment processes and strategies. The Board also received briefings from the Chairman of the Corporate Governance Committee, after presentations to the Committee by senior management and a member of the ESG Taskforce. Arbor created the ESG Taskforce in 2021, tasking it with the responsibility of executing, and disclosing, existing, short-term, and long-term initiatives that support Arbor’s ESG objectives. Arbor’s ESG Taskforce is comprised of employees across several areas of the business, including finance, human resources, loan production, legal, and marketing. The Corporate Governance Committee is directly responsible for overseeing Arbor’s ESG policy and strategy, including those initiatives spearheaded by the ESG Taskforce.

As the corporate community has, over the last few years, begun to recognize the importance and urgency of sustainability as an appropriate corporate objective, ESG has become a priority for. As indicated above, we have a commitment to reducing our impact on the environment, fostering social responsibilities, and maintaining openness and transparency with respect to our ESG initiatives, through our Statement of ESG Principles and the work of our ESG Taskforce. While our ESG Principles may change from time to time to address changing circumstances, Arbor’s culture will continuously support our ESG framework.

We have committed to a cleaner energy infrastructure by investing in the use and occupancy of office space, other facilities and equipment that support sustainability, carbon reduction, and energy management. Arbor’s commitment to driving positive change is most evidenced through our demonstrable participation in the green and affordable lending arenas.

This promise to support our surrounding community, and world at large, has also translated to certain initiatives, largely related to the ESG principles found in our Statement of ESG Principles. Our recent ESG initiatives include: (1) the launch of a domestic and international tree planting program, aimed at supporting two highly successful reforestation efforts, on behalf of Arbor’s customers; (2) a partnership with Project Destined, a real-estate finance focused internship program, providing underserved youth with the ability to gain and finetune technical, financial and leadership skills and giving us the opportunity to source diverse talent; (3) continued participation with Future Housing Leaders (“FHL”), which is a Fannie Mae-led recruiting service that helps companies create a more diverse workforce through intentional sourcing and recruiting; (4) the inauguration of a multi-faceted program spearheaded by Arbor’s Human

Resources Department, whereas DEI focused modules and educational curricula are integrated into our standard, Company-wide training; and (5) periodic review and revamping of Arbor's corporate and Board-directed governance to more clearly reflect its commitment to ESG. For more detailed information of our ESG initiatives, see our ESG Report on our website at www.arbor.com.

We are certain that these initiatives, among others we may develop from time to time, will make Arbor a better place to work, and a more impactful participant in the ever-evolving global markets.

Director Independence

Of our nine directors, seven have been determined by our Board of Directors to be independent for purposes of the NYSE's Corporate Governance Standards. Our independent directors are currently Ms. Effron, Messrs. Green, Lazar, Farrell, Schwartz and Bacon, and Dr. Dykes, who will be retiring from the Board following the annual meeting of shareholders. In determining director independence, the Board of Directors reviewed, among other things, whether any transactions or relationships currently exist, or have existed in the past, between each director and the Company and its subsidiaries, affiliates and equity investors or independent registered public accounting firm. In particular, the Board reviewed current or recent business transactions or relationships or other personal relationships between each director and the Company, including such director's immediate family and companies owned or controlled by the director or with which the director was affiliated. The purpose of this review was to determine whether any such transactions or relationships failed to meet any of the objective tests promulgated by the NYSE for determining independence or were otherwise sufficiently material as to be inconsistent with a determination that the director is independent. The Board also examined whether there were any transactions or relationships between each director and members of our senior management or our affiliates.

In reviewing the independence of Mr. Green, the Board considered that in 2017, Ginkgo, which Mr. Green is a 33% managing member of, purchased a multifamily apartment complex, which assumed a Fannie Mae loan that we service. Ginkgo subsequently sold the majority of its interest in this property and currently owns a 3.6% interest. Upon the purchase by Ginkgo, we received a 1% loan assumption fee which was governed by existing loan agreements that were in place when the loan was originated in 2015, prior to such purchase. Subsequent to the closing, in November of 2018, the Ginkgo sponsored entity obtained a supplemental loan from Fannie Mae on the same apartment complex, a loan which we also service. The majority of the proceeds were used for additional capital investment into the apartment complex and for a reimbursement of some of the capital invested by the Ginkgo sponsored entity.

As a result of its review, the Board affirmatively determined that Ms. Effron, Messrs. Green, Lazar, Farrell, Schwartz and Bacon, and Dr. Dykes were independent under the NYSE listing standards. Until his resignation on April 2, 2022, Mr. Tsunis had also been determined to be independent.

Board Committees

Our Board has established five standing committees, the principal functions of which are briefly described below. Matters put to a vote at any one of our five committees must be approved by a majority of the directors on the committee who are present at a meeting at which there is a quorum or by unanimous written consent of all the directors on that committee. Our Board of Directors may from time to time establish certain other committees to facilitate the management of the Company.

Audit Committee

Our Board of Directors has established an Audit Committee, which is currently composed of five of our independent directors, Messrs. Lazar, Green, Farrell and Bacon, and Dr. Dykes. During 2021, the Audit Committee met on four occasions and acted by unanimous written consent once. The Audit Committee selects and appoints our independent registered public accounting firm and assists the Board in overseeing: (1) the integrity of our financial statements; (2) our independent registered public accounting firm's qualifications and independence; (3) the performance of our independent registered public accounting firm and our internal audit function; and (4) our compliance with legal and regulatory requirements.

Mr. Lazar currently serves as Chairman of the Audit Committee. The Board has determined that Mr. Lazar qualifies as an "Audit Committee financial expert" as defined by the rules of the SEC and that

each member of the Audit Committee is “financially literate.” The Audit Committee is governed by a charter that has been adopted by the Board of Directors.

Compensation Committee

Our Board of Directors has established a Compensation Committee, which is currently composed of four of our independent directors, Ms. Effron and Messrs. Green, Lazar and Schwartz. The Compensation Committee is governed by a charter that has been adopted by the Board of Directors. The charter allows the Compensation Committee to delegate its authority to subcommittees, as appropriate. In addition, the Board has delegated to our Chief Executive Officer limited authority to grant common stock in connection with (1) the hiring of new employees in an amount up to the lesser of (i) \$250,000 or (ii) 25% of the employee’s base salary and (2) the retention of key employees up to a maximum annual aggregate amount of \$2,000,000.

Corporate Governance Committee

Our Board of Directors has established a Corporate Governance Committee, which is currently composed of five of our independent directors, Ms. Effron, Dr. Dykes and Messrs. During 2021, the Corporate Governance Committee met twice and acted by unanimous written consent once. Mr. Schwartz currently serves as the Chairman of the Corporate Governance Committee.

The Corporate Governance Committee is also responsible for: (1) preparing and submitting to the Board for adoption the committee’s selection criteria for director nominees; (2) reviewing and making recommendations on matters involving general operation of the Board and our corporate governance; (3) annually recommending to the Board nominees for each committee of the Board; and (4) overseeing Arbor’s ESG policy and strategy.

The committee annually facilitates the assessment of the Board of Directors’ performance as a whole and of the individual directors and reports thereon to the Board. The Corporate Governance Committee is governed by a charter that has been adopted by the Board of Directors.

Copies of the charters of the Audit Committee, the Compensation Committee and the Corporate Governance Committee are available on our website, www.arbor.com, under the heading “Investor Relations — Corporate Governance.” You may also obtain these documents in print free of charge by writing the Company at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553, Attention: Investor Relations.

Our Board of Directors has established a Special Financing Committee, which is currently composed of our Chairman, CEO and President, Lead Director and Chairman of the Audit Committee. During 2021, the Special Financing Committee acted by unanimous written consent on twenty-two occasions.

The Special Financing Committee is authorized to approve our guaranties of the following with respect to credit facilities to which our direct and indirect subsidiaries are a party: (i) a credit facility in an original principal amount of \$350 million or less, with an initial maturity date of three years or less or if the facility

finances only one underlying mortgage loan, for the term of the underlying mortgage loan; or (ii) an amendment to an existing credit facility relating to (1) an increase to the principal amount of the credit facility by an amount not to exceed \$350 million and for a period not to exceed three years; (2) any extension of the maturity dates or borrowing expiration dates for a period not to exceed three years at a time or if the facility finances only one underlying mortgage loan, for the term of the underlying mortgage loan; and (3) any other amendments, provided that any such amendment does not result in (x) an increase in the principal amount of the obligations under a credit facility by an amount and/or for a term exceeding that permitted by clause (i) above or (y) an extension of a maturity date or borrowing expiration date for a period exceeding that permitted by clause (ii) above.

Strategic/Regulatory Committee

Our Board of Directors has established a Strategic/Regulatory Committee, which throughout 2021 was composed of two of our independent directors, Messrs. Tsunis and Green, as well as Mr. Kaufman. The Strategic/Regulatory Committee is responsible for the oversight and facilitation of our short-term and long-term strategic plans, including: (1) the development and oversight of our strategic planning processes and framework; and (2) actively identifying and participating in the shaping of federal, state and regulatory policies.

Non-Management Directors

As required by the NYSE's Corporate Governance Standards, our non-management directors, each of whom is an independent director under the NYSE's Corporate Governance Standards, meet regularly in executive session without any members of management present. The Lead Director chairs these sessions.

Stockholder and Interested Party Communications with Directors

The Board of Directors has established a process to receive communications from stockholders and other interested parties. Interested parties and stockholders may contact any or all members of the Board, including non-management directors, by mail. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent in care of the Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553.

All communications received as set forth in the preceding paragraph will be opened by the office of our Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the office of the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Director Nomination Procedures; Diversity

The Corporate Governance Committee generally believes that, at a minimum, candidates for membership on the Board of Directors should demonstrate an ability to make a meaningful contribution to the Board of Directors' oversight of our business and affairs and have a record and reputation for honesty and ethical conduct. The Corporate Governance Committee recommends director nominees to the Board of Directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to Board responsibilities. In making its recommendations to the Board of Directors, the Corporate Governance Committee also seeks to have the Board nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

The Corporate Governance Committee may identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above, especially business and civic leaders in the communities in which we operate. It may also engage firms, at our expense, that specialize in identifying director candidates. As described below, the Corporate Governance Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Corporate Governance Committee as a potential candidate, the committee will collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Corporate Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the committee will contact the person. If the person expresses a willingness to be considered and to serve on the Board of Directors, the Corporate Governance Committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate. In certain instances, members of the Corporate Governance Committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's qualifications.

In addition to director nominations and other proposed business submitted by stockholders in accordance with our bylaws, as summarized below under "Stockholder Proposals for 2023," the Corporate Governance Committee will consider written recommendations from stockholders of potential director candidates. Such recommendations should be submitted to the Corporate Governance Committee in care of the Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. Director recommendations submitted by stockholders should include the following:

- the name, age, business address and residence address of the individual(s) recommended for nomination;
- the class, series and number of any shares of our stock that are beneficially owned by the individual(s) recommended for nomination;
- the date such shares of our stock were acquired by the individual(s) recommended for nomination and the investment intent of such acquisition; and
- all other information relating to such candidate that would be required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

Stockholder recommendations of director candidates must be delivered to the Corporate Secretary not earlier than the 150th day and not later than the close of business on the 120th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders.

The Corporate Governance Committee does not employ a specific policy, practice or formula for evaluating candidates to the Board of Directors recommended by stockholders and expects to use a similar process to evaluate candidates to the Board of Directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

Director Attendance at Annual Meeting

We do not currently maintain a policy requiring our directors to attend the annual meeting; however, attendance by our directors is encouraged. Eight of our directors attended the 2021 annual meeting of stockholders, all of which attended virtually.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Philosophy and Principles

The Compensation Committee is aware that the real estate finance industry is highly competitive and that experienced professionals have significant career mobility. We compete for executive talent with a large number of real estate investment companies and specialty finance companies, some of which are privately owned and some of which are publicly traded and have significantly larger market capitalization than us. We are a specialized company in a highly competitive industry and our ability to attract, retain and appropriately reward our “named executive officers” (“NEOs”) and other key employees is essential to maintaining our competitive position in the real estate finance industry. For 2021, our NEOs are Mr. Kaufman, our CEO, Mr. Elenio, our CFO, and Messrs. Weber, Caulfield and Kilgore, the three most highly compensated executive officers (other than our CEO and our CFO) who were serving as our executive officers as of the end of 2021.

The Compensation Committee’s goal is to maintain compensation programs that are competitive within our industry, reward executives if we achieve our operational, financial and strategic goals and build stockholder value. In determining the form and amount of compensation payable to the NEOs, the Compensation Committee is guided by the following objectives and principles:

- *Compensation levels should be sufficiently competitive to attract, motivate and retain key executives.* We aim to ensure our executive compensation program attracts, motivates and retains high performance talent and appropriately rewards them for the Company achieving and maintaining a competitive position in our industry. The Compensation Committee believes that total compensation should increase with position and responsibility.
- *Compensation related directly to performance and incentive compensation should constitute a substantial portion of total compensation.* We aim to promote a pay-for-performance culture, with a substantial portion of total compensation being “at risk.” Accordingly, a substantial portion of total compensation should be tied to and vary with our operational, financial and strategic performance, as well as individual performance. The Compensation Committee believes that executives with greater responsibility and thereby the ability to directly impact our strategic goals and long-term results should bear a greater proportion of the risk if these goals and results are not achieved.
- *Long-term incentive compensation should align executives’ interests with the Company’s stockholders.* Awards of equity-based compensation encourage executives to focus on our long-term growth and prospects and motivate executives to manage the Company from the perspective of owners with a meaningful stake in the Company, as well as to focus on long-term career orientation.

The Compensation Committee does not employ a specific policy, practice or formula regarding an allocation between cash and non-cash compensation with respect to compensation paid to our executives.

The Compensation Committee reviews, at least annually, the goals and objectives of our executive compensation plans, incentive compensation plans, equity-based plans and other compensation and employee benefit plans. The Compensation Committee believes that our compensation and benefits are competitive with our peers and provide appropriate incentives for strong performance.

Compensation Setting Process

Management’s Role in the Compensation-Setting Process

The Compensation Committee believes our CEO, Mr. Kaufman, is in the best position to determine the responsibilities of each other NEO and observe how well each executive performs their responsibilities. Mr. Kaufman provides recommendations to the Compensation Committee regarding base salary levels and the form and amount of the annual cash incentive awards and stock-based compensation paid to all our other NEOs. Mr. Kaufman’s recommendations are based on his evaluation of each other NEO’s performance, contribution toward achieving operational, financial and strategic goals, current and historical compensation

elements and our financial performance. The Compensation Committee has the ability to modify any of these recommendations and is solely responsible for ultimately determining and approving all of our compensation arrangements for these NEOs. Additionally, Mr. Kaufman and our other officers provide compensation and other information to the Compensation Committee upon its request.

Mr. Kaufman does not participate in any deliberations or approvals by the Compensation Committee with respect to his compensation.

See “Determining Compensation Levels” below for more information about the Compensation Committee’s process for determining the compensation of the NEOs.

Compensation Consultants

The Compensation Committee’s charter provides the committee with the sole authority to retain, terminate, obtain advice from, oversee and compensate any compensation consulting firm or other adviser as it deems appropriate. We have provided appropriate funding to the Compensation Committee to do so.

In 2021, the Compensation Committee engaged FPL Associates, its independent compensation consultant, to assist the Compensation Committee in evaluating the Company’s practices regarding non-employee director compensation, evaluating potential modifications to the Annual Incentive Agreement (see below) between the Company and Mr. Kaufman and other compensation related issues. FPL Associates has no other relationships with us and is considered an independent third-party advisor. The Compensation Committee conducted a specific review of its relationship with FPL Associates and determined that its work for the Compensation Committee did not raise any conflicts of interest, consistent with the guidance provided under the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), by the SEC and by the NYSE. The Compensation Committee continues to monitor the independence of its compensation consultant on a periodic basis.

Determining Compensation Levels

The Compensation Committee annually determines targeted total compensation levels, as well as the individual compensation components for the NEOs. In making such determinations, the Compensation Committee reviews and considers: (1) recommendations of our CEO (for the other NEOs); (2) historical compensation levels for each NEO; (3) industry and market conditions and our future objectives and challenges; and (4) overall effectiveness of the executive compensation program. Except with respect to Mr. Kaufman and his Annual Incentive Agreement, the Compensation Committee does not utilize specific performance-based goals and does not engage in benchmarking compensation but reviews general industry trends as well as our overall performance in determining targeted total compensation levels.

Based upon its review of the applicable factors described above, the Compensation Committee approved the total compensation payable to Mr. Kaufman with respect to his service in 2021. Based upon discussions and recommendations of our CEO, and upon its review of the applicable factors described above, the Compensation Committee approved the base salary and incentive awards of each of the other NEOs with respect to their service in 2021. The Compensation Committee believes these approved forms and levels of compensation are reasonable, appropriate and in line with our compensation philosophy and principles.

Elements of Compensation

Total compensation for the NEOs is generally comprised of the following components:

- base salary;
- annual cash incentive awards;
- stock-based incentive awards; and
- retirement and other benefits.

Other than Mr. Kaufman’s Annual Incentive Agreement described below in “Executive Compensation in 2022,” our NEOs do not have employment, severance or change of control agreements, although their restricted stock award agreements provide for accelerated vesting upon a change of control as further described

under “Stock-Based Incentive Awards — Stock Awards.” All the NEOs are employed at will, which enables us to terminate their employment at any time and for any reason. This is consistent with our performance-based employment and compensation philosophy.

Base Salary

Salaries provide executives with a base level of income and help achieve the objectives outlined above by attracting and retaining strong talent with the skills and experience necessary to achieve our key business objectives. The Compensation Committee reviewed and approved, with respect to 2021, the base salaries of the NEO group. Generally, base salaries are not based upon specific measures of corporate performance, but are determined by: (1) tenure of service; (2) scope and complexity of the position, including current job responsibilities; (3) an evaluation of each officer’s individual performance and contribution to our operational, financial and strategic goals and objectives; and (4) with respect to the NEOs other than Mr. Kaufman, the recommendations of our CEO. Consistent with compensation practices commonly applied in the real estate finance industry, salaries generally consist of a lower percentage of an executive’s total compensation, with a substantial portion of total compensation coming from incentive compensation that is tied to our performance. In March 2022, the Compensation Committee approved the salaries of the NEO group for 2022, all of which were unchanged.

Please refer to the “Summary Compensation Table for 2021” below for a further description of the base salaries paid to our NEOs with respect to their services during 2021.

Annual Incentive Awards

We aim to promote a pay-for-performance culture, with a substantial portion of total compensation being “at risk.” The annual incentive award may be in the form of cash, stock-based awards or a combination thereof, at the discretion of the Compensation Committee. We do not have a specific policy, practice or formula regarding an allocation between the cash component and the stock-based component. These awards are designed to help achieve the objectives of the compensation program and may vary significantly from year to year. Except with respect to Mr. Kaufman’s Annual Incentive Agreement, in 2021, the Compensation Committee did not establish any specific performance-based goals that must be met in order to receive the annual incentive award.

The Compensation Committee believes that the structure and ultimate payout amounts of the incentive awards are appropriate to attract, retain and reward the NEOs, are competitive with those offered by our peers, provide a strong, long-term performance and retention incentive, support a pay-for-performance culture and increase each NEO’s vested interest in the Company.

The Compensation Committee determines the annual incentive awards of the NEOs in amounts relative to each individual’s contributions and responsibilities. Individuals with increased ability to directly impact our performance were allocated larger awards because they bear a greater proportion of the risk that compensation will decrease if we do not perform as expected. We paid cash incentive awards to the following NEOs with respect to their performance in 2021:

Mr. Elenio received an annual cash incentive award of \$1,100,000 with respect to his work on behalf of the Company.

Mr. Kilgore received an annual cash incentive award of \$1,000,000 for managing our securitization platform.

Mr. Caulfield received an annual cash incentive award of \$900,000 for managing our agency origination production.

Mr. Weber received an annual cash incentive award of \$1,000,000 for managing our loan portfolio and origination platform.

Our independent directors approved the payment of a \$5,924,350 cash bonus to Mr. Kaufman with respect to his work on our behalf during 2021, in accordance with the terms of the Annual Incentive Agreement as described below in “Executive Compensation in 2022.”

Stock-Based Incentive Awards

Since the Company's formation in 2003, the Compensation Committee has granted our NEOs (as well as certain other employees of ours, employees of ACM who provided services to us and our non-management directors) stock awards, consisting of shares of our common stock that may, in the discretion of the Compensation Committee, either: (1) vest annually over a multi-year period, subject to the recipient's continued service to us; or (2) vest immediately. The recipients of these awards realize value as the common stock underlying the awards vests, with the value increasing if our stock performance increases after the date of grant. Additionally, all of the common stock underlying these restricted stock awards, whether or not vested, is entitled to cash dividends paid to our stockholders because we feel that this further aligns the interests of the holders with those of our stockholders generally.

The Compensation Committee believes that stock-based awards must be sufficient in size and value to achieve our goals of both providing a strong, long-term performance and retention incentive for NEOs and increasing their vested interest in the Company. In determining the equity component of an NEO's compensation, the Compensation Committee considers all relevant factors, including the Company's performance and relative stockholder return, the awards granted in past years and the relative value of the awards.

Stock-Based Awards for 2021 Performance. Consistent with its historical practice of granting annual stock-based awards to the NEOs with respect to their service and performance in the most recently completed calendar year, in 2022, the Compensation Committee granted certain of our NEOs stock-based awards, consisting of restricted stock with a multi-year vesting schedule under our Stock Incentive Plan with respect to their service and performance in 2021. In March 2022, the Compensation Committee granted an aggregate of 456,146 shares of restricted stock to certain of our employees with respect to their 2021 performance. Included in such granted awards was an aggregate of 96,645 shares of restricted stock that were granted to the NEO group, excluding Mr. Kaufman. One third of the shares were vested as of the date of grant and one third will vest on each of the first and second anniversaries of the date of grant (subject to continued employment). In addition, in March 2022, in connection with the Annual Incentive Agreement with Mr. Kaufman (see below), the Compensation Committee granted Mr. Kaufman 189,873 shares of time-based vesting restricted stock units ("Time-Based Vesting Stock") which will vest in full in March 2025. Mr. Kaufman has elected to defer receipt of the common stock, into which the restricted stock units are converted, until March 2027, or sooner in the case of termination, pursuant to a pre-established deferral election. See "Retirement and Other Benefits" below. In addition, in July 2021, Mr. Kaufman, in accordance with the Annual Incentive Agreement, was awarded 165,746 shares of restricted stock after the Company met certain performance-based goals related to the integration of our agency business that was acquired in 2016 (the "Acquisition"), which vest in full in July 2024 and represents the final award in connection with the integration of the Acquisition.

We do not have a formal policy on timing equity compensation grants in connection with the release of material non-public information to affect the value of compensation. The Compensation Committee generally grants stock-based awards once a year.

Future Grants of Stock Options. The Compensation Committee has traditionally viewed restricted stock awards as more effective than stock options in achieving our compensation objectives. However, the Compensation Committee also considers stock options, in addition to restricted stock awards, as a viable tool to retain key employees. To the extent that the Compensation Committee decides to grant stock options in the future, it is anticipated that: (1) the exercise price for the stock options will be equivalent to the market price of the underlying common stock on the date of grant; (2) the stock options will vest over a multi-year period; and (3) the stock options will be exercisable for a maximum of ten years from the date of grant. Stock options align employee incentives with the interests of stockholders because they have value only if our stock price increases over time. The Compensation Committee believes that the ten-year term of the stock options will help focus employees on our long-term growth. Given that stock options vest over a multi-year period, stock options are intended to help retain key associates and keep employees focused on long-term performance. To date, no such options have been granted.

Retirement and Other Benefits

We maintain a 401(k) plan for our employees, including the NEOs, as a source of retirement income by enabling participants to save on a pre-tax basis and by providing Company matching contributions. All the NEOs participated in the 401(k) plan in 2021.

During 2021, we did not maintain a defined benefit pension plan, however, we maintained an employee non-qualified deferred compensation plan which is offered to certain eligible employees (the “Employee Deferred Comp Plan”). The Employee Deferred Comp Plan can be modified or discontinued at any time and we modified the eligibility requirements in 2020 to allow participation to certain additional employees, including our NEOs. There were no contributions made or withdrawals received by any of the NEOs during 2021 under the Employee Deferred Comp Plan.

In December 2021, the Board of Directors approved a deferred compensation plan which is offered to all our directors, as well as Mr. Kaufman, which allows each individual to elect to defer some or all of their cash and/or equity awards (the “Director Deferred Comp Plan”). The Director Deferred Comp Plan also allows for an election, in the event of a deferral of equity, to either receive dividend equivalents in cash, or to defer the dividend equivalents and have them converted to additional deferred equity.

The NEOs are eligible to participate in our active employee flexible benefits plans, which are generally available to all employees. Under these plans, all employees are entitled to medical, dental, vision, life insurance and long-term disability coverage. Additionally, all employees are entitled to vacation, sick leave and other paid holidays. The Compensation Committee believes that our commitment to provide the employee benefits described above recognizes that the health and well-being of our employees contribute directly to a productive and successful work life that enhances results for the Company and its stockholders.

In 2021, we provided all NEOs with (1) \$250,000 of life insurance coverage and (2) long-term disability coverage with a maximum annual benefit of \$120,000. Messrs. Elenio, Caulfield and Weber were provided with an additional \$250,000 of life insurance coverage as a result of their participation in the Employee Deferred Comp Plan.

For further information regarding the premiums paid on the NEOs’ insurance policy, refer to the “Summary Compensation Table for 2021” below.

Advisory Vote to Approve NEO Compensation

In the 2011 annual meeting of stockholders, the Board resolved to accept the stockholders’ recommendation to hold an advisory vote on the compensation of our NEOs every three years. Accordingly, we conducted an advisory vote on the compensation of our NEOs at our 2014, 2017 and 2020 annual meetings of stockholders, at which 93%, 90% and 87%, respectively, of the votes cast were in favor of this advisory proposal. The Compensation Committee believes this favorable outcome conveyed our stockholders’ support of the Compensation Committee’s decisions and the existing executive compensation programs. As a result, the Compensation Committee made no material changes in the structure of our compensation programs or pay for performance philosophy, except with respect to Mr. Kaufman’s Annual Incentive Agreement described below.

The Board and the Compensation Committee continue to expect to take the results of the 2020 vote and future votes into consideration when making future compensation decisions with respect to the NEOs but are not required to do so.

Deductibility of Executive Compensation

The Tax Cuts and Jobs Act of 2017 (“Tax Act”), enacted in 2017, substantially modified Section 162(m) of the Internal Revenue Code. Beginning in 2018, the Tax Act generally no longer allows a tax deduction for “performance-based” compensation paid to each “covered employee” (individual who served as the CEO and three other most highly compensated executive officers other than the CFO) over \$1 million during any fiscal year. In addition, among the changes to Section 162(m) under the Tax Act, the “covered employees” was expanded to include the chief financial officer, and once one of our NEOs is considered a covered employee, the NEO will remain a covered employee as long as he or she receive compensation from us.

The American Rescue Plan Act (“ARPA”), enacted in March 2021, further expanded the definition of “covered employees” under the Tax Act. Effective for tax years beginning after December 31, 2026, the covered employees will be expanded to include an additional five highly compensated employees beyond the CEO, CFO and the three other highly compensated executive officers already covered by the Tax Act. However, unlike our NEOs, the additional five highly compensated employees identified pursuant to ARPA will not be considered covered employees indefinitely.

The Committee has not adopted a formal policy that requires all compensation paid to the NEOs to be fully deductible.

Executive Compensation in 2022

2020 Annual Incentive Agreement. During 2020, we had an Annual Incentive Agreement with Ivan Kaufman (the “2020 Incentive Agreement”), which set forth the agreement between Mr. Kaufman and us with respect to his annual base salary and incentive compensation. The 2020 Incentive Agreement also provided for certain incentive compensation dependent on our successful integration of the Acquisition. Under the terms of the 2020 Incentive Agreement, Mr. Kaufman had an annual base salary of \$1,000,000 and an annual cash performance bonus target opportunity of 266% of base salary (with a threshold annual bonus opportunity of 133% and a maximum annual bonus opportunity of 399% of base salary — with the opportunity to earn an additional \$665,500 annually in the event of extraordinary performance with respect to corporate capital growth goals). The goals applicable to the annual cash performance bonus related to our adjusted funds from operations, corporate capital growth (as noted above), balance sheet-management and efficiency, the relative risk of our portfolio, the growth of our agency servicing portfolio and the Compensation Committee’s assessment of Mr. Kaufman’s leadership and achievement of subjective goals during the year. These goals (and the other goals contemplated by the 2020 Incentive Agreement) were set by the Compensation Committee.

The 2020 Incentive Agreement further provided for: (1) annual grants of three-year time-vesting restricted stock with a value at grant of \$665,500; (2) annual grants, for a five-year period ending in 2021, of performance and time based-vesting restricted stock with an annual grant value of \$3,000,000, dependent on reaching certain goals relating to our integration of the Acquisition, including originations, growth in the servicing portfolio and the weighted average servicing fee (each an “Acquisition Related Grant”); and (3) performance-vesting restricted stock units with an annual value at grant of \$3,993,000, tied to our total shareholder return objectives. Each Acquisition Related Grant vests in full on the third anniversary of the grant date. The performance-vesting restricted stock units noted in clause (3) above vest, in whole or in part, based on the attainment of total shareholder return goals over a four-year period. In March 2019 and 2020, the Compensation Committee granted Mr. Kaufman performance-vesting restricted stock units under clause (3) above, which entitle Mr. Kaufman to receive up to 352,427 shares and 275,569 shares, respectively, of common stock which vest at the end of a four-year performance period based upon our achievement of total shareholder return objectives.

The 2020 Incentive Agreement also provided for the treatment of the various incentive awards upon a termination of Mr. Kaufman’s employment. Among other things, the 2020 Incentive Agreement provided that in the event of a termination of employment by the Company without cause or by Mr. Kaufman for good reason (as such terms are defined in the 2020 Incentive Agreement), then the annual bonus for the year of termination will be paid out at the target level of performance (which is 266% of base salary), all unvested restricted stock issued pursuant to clauses (1) and (2) in the preceding paragraph will vest in full and performance-vesting restricted stock units described in clause (3) of the preceding paragraph will vest pro-rata based on the elapsed portion of the performance period (based upon actual performance).

The 2020 Incentive Agreement also provided that the value of Mr. Kaufman’s annual cash bonus and equity incentive awards will increase by 10% for each increase of 25% in our GAAP equity capitalization, measured annually.

2021 Annual Incentive Agreement. On April 22, 2021, the Company and Mr. Kaufman entered into a Second Amended and Restated Annual Incentive Agreement (the “2021 Incentive Agreement”), with a term of five years and which generally follows the structure of the 2020 Agreement, with the modifications set forth below. Under the terms of the 2021 Incentive Agreement, Mr. Kaufman has: (1) an annual base salary

of \$1,200,000; (2) an annual cash bonus of \$800,000; and (3) annual performance cash bonus target opportunities of \$2,928,200 at target performance, \$1,464,100 at threshold performance and \$4,392,300 at maximum performance, with the opportunity to earn an additional \$732,050 annually in the event of extraordinary performance with respect to corporate capital growth goals. The goals applicable to the annual performance bonus relate to our distributable earnings per share, corporate capital growth, balance sheet-management and efficiency and the relative risk of our portfolio. These goals (and the other goals contemplated by the 2021 Incentive Agreement) were set by the Compensation Committee.

The 2021 Incentive Agreement further provides for: (1) one additional Acquisition Related Grant, with a value of \$3,000,000, to be made in July 2021, dependent on reaching certain goals relating to our integration of the Acquisition, including originations, growth in the servicing portfolio and the weighted average servicing fee; and (2) at Mr. Kaufman's option, to be exercised annually for the remainder of the term of the 2021 Incentive Agreement, either (x) a \$3,000,000 grant of Time-Based Vesting Stock, which will vest in full three years from the grant date or (y) performance-vesting restricted stock units with an annual value at grant of \$12,000,000, relating to our total shareholder return objectives. The Acquisition Related Grant will vest in full on the third anniversary of the grant date. The performance-vesting restricted stock units noted in clause (y) above will vest, in whole or in part, based on the attainment of total shareholder return goals over a five-year period. In April 2021, following the execution of the 2021 Incentive Agreement, the Compensation Committee granted Mr. Kaufman 184,729 shares of Time-Based Vesting Stock for 2021, which will vest in April 2024. In addition, the 2021 Incentive Agreement provides for immediate vesting of all time vesting restricted stock issued under the 2020 Incentive Agreement.

The 2021 Incentive Agreement also provides for the treatment of the various incentive awards upon a termination of Mr. Kaufman's employment. Among other things, the 2021 Incentive Agreement provides that in the event of a termination of employment by the Company without cause or by Mr. Kaufman for good reason (as such terms are defined in the 2021 Incentive Agreement), then (1) Mr. Kaufman would receive a lump sum payment equal to the remaining amount of his annual salary that would be payable for the balance of the term of the 2021 Incentive Agreement, (2) the annual cash bonus for the year of termination will be paid out at the target level of performance (3) all unvested Acquisition Related Grants issued pursuant to the 2020 Incentive Agreement or the 2021 Incentive Agreement will vest in full, (4) all performance-vesting restricted stock units issued under the 2020 Incentive Agreement will become vested, to the extent earned, based on the total shareholder return calculated to the date of termination of employment, (5) all performance-vesting restricted stock units issued under the 2021 Incentive Agreement will vest pro-rata based on the elapsed portion of the performance period (based upon actual performance) and (6) for the number of full years remaining under the 2021 Incentive Agreement, all Time-Based Vesting Stock grants will be accelerated and vested.

The 2021 Incentive Agreement also provides that the value of Mr. Kaufman's annual cash bonuses and equity incentive awards will increase by 10% for each increase of 25% in our GAAP equity capitalization, measured annually.

In March 2022, the Compensation Committee approved the salaries of the NEO group for 2022, all of which were unchanged.

The Compensation Committee intends to continue its strategy of compensating our NEOs through programs that emphasize incentive compensation, fostering a pay-for-performance culture. To that end, a majority of executive compensation will continue to be tied to Company and individual performance, while maintaining an appropriate balance between cash and non-cash compensation.

Compensation Committee Report on Executive Compensation

The Compensation Committee reviewed and discussed the “Compensation Discussion and Analysis” with management. Based upon this review and their discussions, the Compensation Committee recommended that the Board of Directors include the “Compensation Discussion and Analysis” in our proxy statement for the 2022 annual meeting of stockholders. In addition, the Compensation Committee considered whether our executive compensation program encourages unnecessary risk taking and has concluded that it does not.

The 627,996 performance-vesting restricted stock units granted to Mr. Kaufman will vest, in whole or in part, based on the attainment of total shareholder return goals over a four-year period. In addition, the performance-vesting restricted stock units excludes 445,765 shares, 421,348 shares, 448,980 shares and 381,503 shares that fully vested based on total shareholder return goals over the four-year period ended December 31, 2018, 2019, 2020 and 2021, respectively, which were net settled and paid with 203,492 shares, 215,014 shares, 229,083 shares and 186,772 shares, respectively, in February 2019, 2020, 2021 and 2022, respectively.

Vested Stock-Based Awards for 2021

The table below lists the number of shares of restricted common stock held by each of our NEOs that vested (pursuant to the terms of the related restricted stock award agreement and, with respect to Mr. Kaufman, the Annual Incentive Agreement) during 2021.

Name	Stock Awards	
	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting (\$) ⁽¹⁾
Ivan Kaufman ⁽²⁾	756,198	13,182,716
Paul Elenio	19,823	316,508
Fred Weber	15,548	247,504
John Caulfield	22,268	354,614
Gene Kilgore	16,991	271,290

- (1) Value realized equals the fair market value of the shares on the date the shares vested.
- (2) Includes 381,503 performance-vested restricted stock units that fully vested based on total shareholder return goals over the four-year period ended December 31, 2021, which was paid with 186,772 of net settled common shares in February 2022.

Potential Payments Upon Change in Control or Termination

Except for the 2021 Incentive Agreement with Mr. Kaufman, we do not maintain employment, severance or change in control agreements with any of the NEOs and, therefore, we are not obligated to pay cash severance to any of the NEOs, other than Mr. Kaufman, upon a termination of their employment.

Change in Control

The restricted stock award agreements that govern the shares of restricted common stock granted to the NEOs pursuant to our Stock Incentive Plan provide for the full vesting of such shares in the event of a “change of control” (as defined in the agreement) of the Company. If a change in control had occurred on December 31, 2021, the market value of the shares of restricted common stock held by each NEO that would have become vested, based on the closing stock price of \$18.32 on December 31, 2021, was equal to: (1) Mr. Kaufman, \$16,673,673; (2) Mr. Elenio, \$194,503; (3) Mr. Weber, \$265,860; (4) Mr. Caulfield, \$360,098; and (5) Mr. Kilgore, \$166,730.

Termination

If Mr. Kaufman’s employment was terminated on December 31, 2021: (i) by the Company without cause; or (ii) by Mr. Kaufman for “good reason” (as defined in the agreement), the unvested shares of restricted common stock he held would have become vested and he would have been entitled to the same value described under “Change in Control” above. In addition, the market value of the pro-rata performance-vesting restricted stock units that would have vested based on the terms of his 2021 Incentive Agreement was equal to \$14,355,699, based on the closing stock price of \$18.32 on December 31, 2021.

CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Act and Item 402(u) of Regulation S-K, we are required to disclose the ratio of our median employee’s annual total compensation to the annual total compensation of our principle executive officer.

To identify the median employee from our employee population in 2021, we compared the compensation amounts of our employees, excluding the compensation of our CEO, Mr. Kaufman, as reflected in our payroll records and reported to the Internal Revenue Service on Form W-2 for 2021. Since all our employees are located in the United States, we did not make any cost-of-living adjustments in identifying the median employee. The salaries for permanent employees who were hired during 2021 and were working for us as of December 31, 2021 were annualized.

For 2021, the total compensation of our median employee was \$97,246, and the annual total compensation of Mr. Kaufman was \$13,439,509, which is reported in the “Total” column of our 2021

Summary Compensation Table included in this proxy statement. As a result, Mr. Kaufman's annual total compensation was 138 times that of the annual total compensation of our median employee.

The pay ratio reported above is a reasonable estimate calculated in a manner consistent with SEC rules based on our internal records and the methodology described above. Since the rules used for identifying the median of the annual total compensation allows a variety of methodologies, application of certain exclusions and reasonable estimates and assumptions, the pay ratio reported by other companies may not be comparable to our pay ratio, as other companies have different employee populations and compensation practices and may have used different methodologies, exclusions, estimates and assumptions in calculating their pay ratios.

Director Compensation

The Compensation Committee's recommendations regarding compensation of our directors are reported to, and approved by, the full Board of Directors. In early 2021, we engaged FPL Associates to review, among other things, the Company's practices regarding director compensation. Following that review, the Board of Directors, upon a recommendation from the Compensation Committee, modified the director compensation program by increasing the annual fee to \$200,000 per year consisting of \$90,000 of cash and approximately \$110,000 in stock, which was effective in 2021. All other fees payable to our directors were unchanged.

In 2021, each non-management director was paid a director's fee with a value of \$200,000 per year consisting of \$90,000 of cash and approximately \$110,000 in stock. If the value of a director's equity ownership in Arbor, measured as of December 31 of the prior calendar year, equals or exceeds five times the cash compensation (including all committee fees) received in the prior calendar year, the director may elect to have all, or a portion of, the equity compensation to be granted the following March paid in cash in lieu of stock. The lead director is paid an additional cash fee of \$50,000 per year. The independent director who serves as the chairman of the: (1) Audit Committee is paid an additional cash fee of \$25,000 per year; (2) Strategic/Regulatory Committee is paid an additional cash fee of \$20,000 per year; and (3) Compensation Committee or Corporate Governance Committee is paid an additional cash fee of \$15,000 per year. Additionally, each independent director who serves on a committee is paid an additional cash fee per year of \$10,000 for the Audit Committee (other than the chairman), Compensation Committee (other than the chairman) and Strategic/Regulatory Committee (other than the chairman), and \$5,000 for the Corporate Governance Committee (other than the chairman). In addition, we reimburse all directors for reasonable out-of-pocket expenses incurred in connection with their services on the Board of Directors. We also reimburse all directors up to \$2,500 per year for continuing education costs incurred in connection with their services on the Board of Directors.

The updated compensation program also implemented a minimum level of equity ownership for each director, beginning in 2019. The required minimum level of equity ownership for each director as noted above is five times the level of total cash compensation received by each director in the prior calendar year. New directors have five years to reach the required level of equity ownership. If any director should fall below the required level of equity ownership, such director will have one year to come into compliance with the policy.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table indicates how many shares of our common stock and our special voting preferred stock are beneficially owned by: (1) each of our directors and each nominee for director; (2) each of our executive officers; and (3) all our directors and executive officers as a group. This table also indicates how many shares of our common stock and special voting preferred stock are beneficially owned by each person known to us to be the beneficial owner of more than five percent (5%) of the outstanding shares of our common stock and special voting preferred stock, in each case, based solely on, and as of the date of, such person's filing of a Schedule 13D or Schedule 13G with the SEC. Unless otherwise indicated, the persons named in the following table have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them.

The following table lists separately the outstanding shares of our special voting preferred stock that are currently held by ACM and our executive officers as a separate class of our voting securities. These shares of special voting preferred stock entitle the holder to one vote on all matters submitted to a vote of our stockholders and are paired with an equal number of common units of our operating partnership ("OP Units"), each of which is currently redeemable by the holders for cash or, at our option, shares of our common stock on a one-for-one basis. Each share of special voting preferred stock will be redeemed and cancelled by us upon the redemption of its paired operating partnership unit for cash or shares of our common stock. In accordance with SEC beneficial ownership rules, the following table attributes to ACM (and to Mr. Kaufman, as the controlling owner of ACM) beneficial ownership of the: (1) 10,665,530 shares of special voting preferred stock currently held by ACM; and (2) 2,535,870 shares of common stock currently held by ACM.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of a class of our equity securities registered pursuant to Section 12 of the Exchange Act, to file reports of ownership on Forms 3, 4 and 5 with the SEC. Officers, directors and greater than 10% stockholders are required to furnish us with copies of all Forms 3, 4 and 5 that they file.

Based solely on our review of the copies of such forms received by it, or written representations from certain reporting persons that no filings were required for those persons, we believe that during and with respect to the year ended December 31, 2021, all filings required by Section 16(a) of the Exchange Act were made timely.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policy Regarding the Review, Approval or Ratification of Transactions with Related Persons

In recognition of the fact that transactions involving related parties can present potential or actual conflicts of interest or create the appearance that our decisions are based on considerations other than the best interests of the Company and its stockholders, the Board of Directors has adopted a written policy, the “Related Person Transactions Policy,” which we refer to as our RPT Policy, which provides for the review and approval (or, if completed, ratification) by independent directors of our Board of all transactions involving us and in which a related party is known to have a direct or indirect material interest, including transactions required to be reported under paragraph (a) of Item 404 of Regulation S-K promulgated by the SEC.

Our RPT Policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which we (including any of our subsidiaries) are, or will be, a participant and the amount involved exceeds \$120,000, and in which any Related Person had, has or will have a direct or indirect material interest.

A “Related Person,” as defined in our RPT Policy, means (1) any person who is, or at any time since the beginning of our last calendar year was, a director or executive officer of ours or a nominee to become a director of ours; (2) any person who is the beneficial owner of more than 5% of any class of our voting securities; and (3) any immediate family member of any of the foregoing persons, which means any child, step-child, parent, step-parent, spouse, sibling, mother in-law, father in-law, son in-law, daughter in-law, brother in-law or sister in-law, and any person (other than a tenant or employee) sharing the household of any such director, executive officer or 5% beneficial owner.

In reviewing any Related Person transaction, all of the relevant facts and circumstances must be considered, including (1) the Related Person’s relationship to us and his or her interest in the transaction, (2) the proposed aggregate value of the transaction, or, in the case of indebtedness, the amount of principal that would be involved, (3) the benefits to us, (4) the availability of comparable products or services that would avoid the need for a Related Person transaction, and (5) the terms of the transaction and the terms available to unrelated third parties or to employees generally.

Relationships with ACM

ACM’s Ownership Interest in the Company and Related Registration Rights

ACM currently owns 10,665,530 OP Units in our operating partnership, Arbor Realty Limited Partnership (the “Partnership”), representing approximately 6.0% of the partnership interests in our operating partnership. Each of the OP Units currently held by ACM are paired with one share of our special voting preferred stock, each of which entitles the holder to one vote on all matters submitted to a vote of our stockholders. Combined with its direct ownership of 2,535,870 shares of our common stock, ACM is currently entitled to a number of votes representing approximately 7.5% of the voting power of our outstanding voting securities. We have granted ACM shelf registration rights, or, if such rights are not available, demand registration rights with respect to the shares currently owned by it. ACM is also entitled to participate in primary or secondary offerings of our common stock with respect to these shares. We have also agreed to certain restrictions on the registration rights that we may grant to any other holder or prospective holder of our securities without the prior written consent of ACM so long as we are still obligated to register any of the shares currently owned by ACM pursuant to the registration rights agreement.

Mr. Ivan Kaufman, our Chairman and CEO, and entities controlled by Mr. Kaufman collectively own approximately 38% of the outstanding membership interests in ACM. In addition, certain of our executive officers and a trust set up for the benefit of Mr. Kaufman’s family collectively own approximately 62% of the outstanding membership interest in ACM.

Non-Competition Agreements

In connection with the closing of the Acquisition, we entered into a non-competition agreement with ACM and Mr. Kaufman pursuant to which ACM and Mr. Kaufman agree not to pursue loans and similar

investments in commercial mortgage backed securities (“CMBS”), the multifamily agency business, permanent and bridge commercial and multifamily mortgage loans and mezzanine and preferred equity investments in commercial and multifamily real estate (“Company Target Investments”). We agreed not to pursue investments in any areas other than Company Target Investments. Each party to the non-competition agreement agreed to not solicit the other parties’ employees.

Related Party Transactions

We have a support agreement and a secondment agreement with ACM and certain of its affiliates and certain affiliates of a relative of Mr. Kaufman (“Service Recipients”) where we provide support services to the Service Recipients. The Service Recipients reimburse us for the costs of performing such services. During 2021, 2020 and 2019, we incurred \$3.2 million, \$2.4 million and \$2.7 million, respectively, of costs for services provided to the Service Recipients, all of which were reimbursed to us.

In December 2021, we invested \$4.2 million for 49.3% interest in a limited liability company (“LLC”) which purchased a retail property for \$32.5 million and assumed an existing \$26.0 million CMBS loan. A portion of the property can potentially be converted to office space, of which we obtain the right to occupy, in part. An entity owned by an immediate family member of our CEO also made an investment in the LLC for a 10.0% ownership, is the managing member and holds the right to purchase our interest in the LLC.

In October 2021, we entered into a \$40.0 million promissory note with ACM to fund a portion of a \$67.0 million bridge loan we originated to a third-party to purchase a multifamily property. The promissory note has an interest rate of LIBOR plus 3.0% and was scheduled to mature in April 2022. In December 2021, the borrower repaid the bridge loan in full and we repaid the promissory note. In December 2021, the promissory note was amended to include the funding of an additional asset and the maturity date was extended to May 2022. Currently, we have no outstanding borrowings under the promissory note.

In March 2021, we originated a \$63.4 million bridge loan to a third-party to purchase a multifamily property from a multifamily-focused commercial real estate investment fund sponsored and managed by our CEO and one of his immediate family members, which fund has no continued involvement with the property following the purchase. The loan has an interest rate of LIBOR plus 3.75% with a LIBOR floor of 0.25% and matures in March 2024.

In 2020, we committed to fund a \$32.5 million bridge loan (of which \$3.2 million was funded as of December 31, 2021) and made a \$3.5 million preferred equity investment in a single-family rental (“SFR”) build-to-rent construction project. An entity owned by an immediate family member of our CEO also made an equity investment in the project and owns a 21.8% equity interest in the borrowing entity. The bridge loan has an interest rate of LIBOR plus 5.5% with a LIBOR floor of 0.75% and matures in October 2023 and the preferred equity investment has a fixed rate of 12.0% and matures in October 2023.

In 2020, we committed to fund a \$30.5 million bridge loan and we made a \$4.6 million preferred equity investment in a SFR build-to-rent construction project. ACM and an entity owned by an immediate family member of our CEO also made equity investments in the project and own an 18.9% equity interest in the borrowing entity. The bridge loan (\$3.5 million was funded at December 31, 2021) has an interest rate of LIBOR plus 5.5% with a LIBOR floor of 0.75% and matures in May 2023 and the preferred equity investment has a fixed rate of 12.0% and matures in April 2023.

We have a \$35.0 million bridge loan and a \$8.2 million preferred equity interest on an office building. The property is controlled by a third party. The day-to-day operations were previously managed by an entity owned by an immediate family member of our CEO. In September 2021, we entered into a forbearance agreement with the borrower on the outstanding bridge loan to defer all interest owed to payoff.

In certain instances, our business requires our executives to charter privately owned aircraft in furtherance of our business. In 2019, we entered into an aircraft time-sharing agreement with an entity controlled by our CEO that owns a private aircraft. Pursuant to the agreement, we reimburse the aircraft owner for the required costs under Federal Aviation Administration regulations for the flights our executives’ charter.

In 2019, we, along with ACM, certain executives of ours and a consortium of independent outside investors, formed AMAC III, a multifamily-focused commercial real estate investment fund sponsored and managed by our CEO and one of his immediate family members. We committed to a \$30.0 million investment (\$20.3 million was funded at December 31, 2021) for an 18% interest in AMAC III. During 2021 and 2020, we received cash distributions totaling \$3.8 million and \$0.1 million, respectively, and recorded a loss of \$1.3 million and \$0.9 million, respectively, related to this investment. In 2019, AMAC III originated a \$7.0 million mezzanine loan to a borrower with which we have an outstanding \$34.0 million bridge loan. In June 2020, for full satisfaction of the mezzanine loan, AMAC III became the owner of the property. In August 2020, the \$34.0 million bridge loan was refinanced with a \$35.4 million bridge loan, which bears interest at a rate of LIBOR plus 3.5% and matures in August 2022. We also originated a \$15.6 million private label loan in 2019 to a borrower which is 100% owned by AMAC III, which bears interest at a fixed rate of 3.735% and matures in January 2030. In May 2020, we sold the private label loan to an unconsolidated affiliate of ours.

In 2018, we originated a \$61.2 million bridge loan on a multifamily property owned in part by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers and our CEO) which owns 10% of the borrowing entity. The loan had an interest rate of LIBOR plus 4.5% with a LIBOR floor of 2.0% and was scheduled to mature in October 2021. In 2019, the related party investors liquidated their equity investment.

In 2018, we originated a \$37.5 million bridge loan, which was used to purchase several multifamily properties. In 2019, an entity owned, in part, by an immediate family member of our CEO, purchased a 23.9% interest in the borrowing entity. The loan had an interest rate of LIBOR plus 4.25% with a LIBOR floor of 2.375% and was scheduled to mature in October 2020. In May 2020, the borrower repaid this loan in full.

In 2018, we acquired a \$19.5 million bridge loan originated by ACM. The loan was used to purchase several multifamily properties by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers and our CEO) which owns 85% of the borrowing entity. The loan had an interest rate of LIBOR plus 4.0% with a LIBOR floor of 2.125% and was scheduled to mature in July 2021. In January 2021, the borrower repaid this loan in full.

In 2018, we originated a \$17.7 million bridge loan to an entity owned, in part, by an immediate family member of our CEO, who owns a 10.8% interest in the borrowing entity. The loan was used to purchase several undeveloped parcels of land. The loan had a fixed interest rate of 10.0% and was scheduled to mature in February 2020. In 2019, the borrower made a \$4.7 million partial paydown of principal and the remaining balance was paid off in January 2020.

In 2018, we originated a \$21.7 million bridge loan on a multifamily property owned in part by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers and our CEO) which owns 75% in the borrowing entity. The loan has an interest rate of LIBOR plus 4.75% with a LIBOR floor of 1.25% and was scheduled to mature in June 2021, which was extended to August 2023.

In 2018, we acquired a \$9.4 million bridge loan originated by ACM. The loan was used to purchase several multifamily properties by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers and our CEO) which owns 75% of the borrowing entity. The loan had an interest rate of LIBOR plus 5.0% with a LIBOR floor of 1.25% and was scheduled to mature in January 2021, which was extended to January 2022 and, in September 2021, this loan paid off in full.

In 2017, we acquired a \$32.8 million bridge loan originated by ACM. The loan was used to purchase several multifamily properties by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers and our CEO) which owned 90% of the borrowing entity. The loan had an interest rate of LIBOR plus 5.0% with a LIBOR floor of 1.13% and was scheduled to mature in June 2020. In 2019, the borrower repaid this loan in full.

In 2017, we originated two bridge loans totaling \$28.0 million on two multifamily properties owned in part by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers and our CEO) which owns 45% of the borrowing entity. The loans had an interest rate of LIBOR plus 5.25% with LIBOR floors ranging from 1.24% to 1.54% and were scheduled to mature in the fourth quarter

of 2020. The borrower refinanced these loans with a \$31.1 million bridge loan we originated in 2019 with an interest rate of LIBOR plus 4.0%, a LIBOR floor of 1.8% and a maturity date in October 2021, which was extended to October 2022.

In 2017, we originated a \$46.9 million Fannie Mae loan on a multifamily property owned in part by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers) which owns a 17.6% interest in the borrowing entity. We carry a maximum loss-sharing obligation with Fannie Mae on this loan of up to 5% of the original UPB.

In 2017, Ginkgo, of which one of our directors is a 33% managing member, purchased a multifamily apartment complex which assumed an existing \$8.3 million Fannie Mae loan that we service. Ginkgo subsequently sold the majority of its interest in this property and owned a 3.6% interest at December 31, 2021. We carry a maximum loss-sharing obligation with Fannie Mae on this loan of up to 20% of the original UPB. Upon the sale, we received a 1% loan assumption fee which was governed by existing loan agreements that were in place when the loan was originated in 2015, prior to such purchase.

In 2016, we originated \$48.0 million of bridge loans on six multifamily properties owned in part by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers and our CEO) which owns interests ranging from 10.5% to 12.0% in the borrowing entities. The loans had an interest rate of LIBOR plus 4.5% with a LIBOR floor of 0.25% and were scheduled to mature in September 2019. Between 2017-2018, five property loans totaling \$35.1 million paid off in full and in January 2019, \$10.9 million of the \$12.9 million remaining loan paid off, with the \$2.0 million remaining UPB converting to a mezzanine loan with a fixed interest rate of 10.0% and a January 2024 maturity.

In 2016, we originated a \$12.7 million bridge loan and a \$5.2 million preferred equity investment on two multifamily properties owned in part by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers and our CEO) which owns a 50% interest in the borrowing entity. The bridge loan had an interest rate of LIBOR plus 4.5% with a LIBOR floor of 0.25% and the preferred equity investment had a fixed interest rate of 10.0%. The bridge loan and the preferred equity investment paid off in full in 2019. In 2020, we originated a \$14.8 million private label loan and a \$3.4 million mezzanine loan on two multifamily properties owned in part by a consortium of investors (which includes, among other unaffiliated investors, certain of our officers and our CEO) which owns a 50% interest in the borrowing entity. The private label loan bears interest at a fixed rate of 3.1% and the mezzanine loan bears interest at a fixed rate of 9.0% and both loans mature in April 2030. In 2020, we sold the private label loan to an unconsolidated affiliate of ours.

In 2015, we invested \$9.6 million for 50% of ACM's indirect interest in a joint venture with a third-party that was formed to invest in a residential mortgage banking business. As a result of this transaction, we had an initial indirect interest of 22.5% in this entity. In January 2021, an equity investor in the underlying residential mortgage banking business exercised their right to purchase an additional interest in this investment, which decreased our indirect interest to 12.3%. We recorded income from these investments of \$34.6 million, \$75.7 million and \$7.2 million for 2021, 2020 and 2019, respectively. During 2021 and 2020, we also received cash distributions totaling \$28.0 million and \$43.2 million, respectively, which were classified as returns of capital.

We, along with an executive officer of ours and a consortium of independent outside investors, hold equity investments in a portfolio of multifamily properties referred to as the "Lexford" portfolio, which is managed by an entity owned primarily by a consortium of affiliated investors, including our CEO and an executive officer of ours. Based on the terms of the management contract, the management company is entitled to 4.75% of gross revenues of the underlying properties, along with the potential to share in the proceeds of a sale or restructuring of the debt. In 2018, the owners of Lexford restructured part of its debt and we originated 12 bridge loans totaling \$280.5 million, which were used to repay in full certain existing mortgage debt and to renovate 72 multifamily properties included in the portfolio. The loans were originated in 2018, had interest rates of LIBOR plus 4.0% and were scheduled to mature in June 2021. During 2019, the borrower made payoffs and partial paydowns of principal totaling \$250.0 million and in March 2020, the remaining balance of the loans were refinanced with a \$34.6 million private label loan, which bears interest at a fixed rate of 3.3% and matures in March 2030. In May 2020, we sold the private label loan to an unconsolidated affiliate of ours. Further, as part of this 2018 restructuring, \$50.0 million in unsecured

financing was provided by an unsecured lender to certain parent entities of the property owners. ACM owns slightly less than half of the unsecured lender entity and, therefore, provided slightly less than half of the unsecured lender financing. In connection with our equity investment, we received distributions totaling \$1.1 million and \$3.5 million during 2020 and 2019, respectively, which were recorded as income from equity affiliates. Separate from the loans we originated in 2018, we provide limited (“bad boy”) guarantees for certain other debt controlled by Lexford. The bad boy guarantees may become a liability for us upon standard “bad” acts such as fraud or a material misrepresentation by Lexford or us. At December 31, 2021, this debt had an aggregate outstanding balance of \$612.9 million and is scheduled to mature between 2022 through 2029.

General

Every transaction entered into between us and an entity in which ACM holds equity interests raises a potential conflict of interest. Conflicts of interest with respect to these investments include, among others, decisions regarding (1) whether to waive defaults of such borrower, (2) whether to foreclose on the investment, and (3) whether to permit additional financing on the properties securing our investments other than financing provided by us.

Other Relationships and Related Transactions

Arbor Management, LLC, the managing member of ACM, and ACM have outstanding loans to two of our executive officers, summarized as follows:

The largest aggregate outstanding principal balance to Mr. Caulfield during the two-year period ended December 31, 2021 was \$509,500 and the total outstanding balance was \$509,500 as of December 31, 2021. Mr. Caulfield did not make any principal payments during 2021 and 2020. In March 2022, Mr. Caulfield made a principal payment of \$75,000. There is no interest being charged on the aggregate loan balance.

Our current policies and procedures do not allow for the lending of funds to any of our directors or officers.

PROPOSAL NO. 1**ELECTION OF DIRECTORS**

The Board of Directors, following the recommendation of the Corporate Governance Committee, has nominated Ms. Caryn Effron, Mr. Joseph Martello and Mr. Edward Farrell, each to serve on the Board of Directors until our annual meeting of stockholders for 2025 and until their respective successors are duly elected and qualified. Each nominee has consented to being named in this proxy statement and to serve if elected. If, prior to the annual meeting, any nominee should become unavailable to serve, the shares of voting securities represented by a properly executed and returned proxy will be voted for such additional nominee as shall be designated by the Board of Directors, unless the Board of Directors determines to reduce the number of directors in accordance with our charter and bylaws. Election of each of the director nominees named in this Proposal No. 1 requires the affirmative vote of a majority of the votes cast in the election of directors at the annual meeting by holders of our voting securities. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the Board of Directors' nominees. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES FOR DIRECTORS IDENTIFIED ABOVE

PROPOSAL NO. 2**RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2022**

The Audit Committee of our Board of Directors has appointed Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2022. The Board has endorsed this appointment. Ernst & Young audited our consolidated financial statements for the years ended December 31, 2021 and 2020. A representative of Ernst & Young is expected to be present at the annual meeting and will be available to respond to appropriate questions from our stockholders and will be given an opportunity to make a statement if he or she desires to do so.

Stockholder ratification of the appointment of Ernst & Young as our independent registered public accounting firm is not required by our bylaws or otherwise. However, the Board of Directors is submitting the appointment of Ernst & Young to the stockholders for ratification as a matter of good corporate governance. Ratification of the appointment of Ernst & Young as our independent registered public accounting firm for 2022 requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities.

If this appointment is not ratified by our stockholders, the Audit Committee and the Board may each reconsider its recommendation and endorsement. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interest.

The Audit-Related Fees were for professional services rendered relating to agreed-upon procedures for 2021 and 2020.

Audit Committee Pre-Approval Policy

In accordance with applicable laws and regulations, the Audit Committee reviews and pre-approves any non-audit services to be performed by Ernst & Young to ensure that the work does not compromise its independence in performing audit services. The Audit Committee also reviews and pre-approves all audit services. In some cases, pre-approval of a particular category or group of services, such as tax consulting services and audit services, is provided by the full Audit Committee for up to a year and is subject to a specific budget. In other cases, the Chairman of the Audit Committee has the delegated authority from the full Audit Committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee. All audit related fees were approved by the Audit Committee.

The policy contains a de minimis provision that operates to provide retroactive approval for permissible non-audit services under certain circumstances. No services were provided by Ernst & Young during 2021 and 2020 under such provision.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2022
