Item 1.01 Entry into a Material Definitive Agreement.

On October 11, 2022, Arbor Realty SR, Inc., a Maryland corporation (the “Issuer”) and a subsidiary of Arbor Realty Trust, Inc., a Maryland corporation (the “Parent”), completed the issuance and sale of \$150 million aggregate principal amount of its 8.50% Senior Notes due 2027 (the “Notes”) pursuant to a purchase agreement (the “Purchase Agreement”), by and among the Issuer, the Parent and Piper Sandler & Co., as the initial purchaser (the “Initial Purchaser”), whereby the Issuer agreed to sell to the Initial Purchaser and the Initial Purchaser agreed to purchase from the Issuer, subject to and upon the terms and conditions set forth in the Purchase Agreement, the Notes (the “Offering”). The Notes were issued under an indenture, dated as of October 11, 2022 (the “Indenture”), among the Issuer, the Parent and UMB Bank, N.A., as trustee (the “Trustee”).

The Notes will be the senior, unsecured obligations of the Issuer and will be fully and unconditionally guaranteed on a senior, unsecured basis by the Parent. The Notes will bear interest at a rate equal to 8.50% per year, payable semiannually in arrears on April 15 and October 15 of each year, beginning on April 15, 2023 and will mature on October 15, 2027, unless earlier redeemed or repurchased.

At any time or from time to time prior to July 15, 2027 (the “Par Call Date”), the Issuer will have the right to redeem the Notes, in whole or in part, at a redemption price equal to the greater of (i) 100% of the aggregate principal amount of the Notes to be redeemed or (ii) the sum of the present values, determined as provided in the Indenture, of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, plus, in each case, accrued and unpaid interest thereon if any, to, but excluding, the redemption date. At any time or from time to time on or after the Par Call Date, the Issuer will have the right to redeem the Notes at a redemption price equal to 100% of the aggregate principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon to, but excluding, the redemption date.

The Indenture, among other things, requires the Parent to maintain a minimum net asset value, a consolidated unencumbered asset ratio, a senior debt service coverage ratio and a debt to equity ratio and requires the Issuer to maintain a rating on the Notes. The Indenture also restricts the Issuer’s and the Parent’s ability to transfer all or substantially all of its respective assets or merge into or consolidate with any person. These covenants are subject to a number of important qualifications and limitations.

In addition, if a Change of Control Triggering Event (as defined in the Indenture) occurs, each holder of the Notes may require the Issuer to purchase all or a portion of such holder’s Notes at a price equal to 101% of their principal amount, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase.

The Indenture also provides for customary events of default, including payment defaults, breaches of covenants following any applicable cure period, cross acceleration of certain debt and certain events relating to bankruptcy and insolvency. If one or more events of default occurs and continues beyond any applicable cure period, the Trustee or holders of not less than 25% in principal amount of the Notes may declare the principal amount of the Notes, and any accrued and unpaid interest thereon, to be due and payable immediately.

The net proceeds to the Issuer from the sale of the Notes, was approximately \$147.5 million, after deducting the Initial Purchaser’s discounts and commissions and estimated offering expenses payable by the Issuer. A portion of the net proceeds of the Offering were used to repurchase approximately \$46 million aggregate principal amount of the Parent’s outstanding 5.625% Senior Notes due 2023 in privately negotiated transactions, which was effected through the Initial Purchaser, as the Parent’s agent, and the remaining proceeds from the Offering will be used for general corporate purposes.

The Notes and related guarantee were offered and sold in a private offering that was exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”). The Offering was made only to persons reasonably believed to be “qualified institutional buyers” under Rule 144A, outside the United States to non-United States persons in compliance with Regulation S under the Securities Act and to institutional accredited investors pursuant to the Securities Act. The Notes and the related guarantee have not been and will not be registered under the Securities Act or the securities laws of any other jurisdiction. Unless so registered, the Notes and the related guarantee may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

Copies of the Indenture and the form of the Notes are attached hereto as Exhibit 4.1 and Exhibit 4.2, respectively, and are incorporated herein by reference. The foregoing summaries do not purport to be complete and are qualified in their entirety by reference to the Indenture and the form of the Notes.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 is incorporated herein by reference into this Item 2.03.

Item 8.01 Other Events.

On October 11, 2022, the Parent issued a press release to announce the closing of the Offering. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so sent, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Notices given by publication shall be deemed given on the first date on which publication is made; notices given by first-class mail, postage prepaid, shall be deemed given five calendar days after mailing; and notices given electronically shall be deemed given when sent.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Notwithstanding any other provision of this Indenture or any Note, where this Indenture or any Note provides for notice of any event (including any notice of redemption) to any Holder of a Global Note or beneficial owner of an interest therein (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depository for such Global Note (or its designee) according to the Applicable Procedures of the Depository.

Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 115. Counterparts. This Indenture may be executed in any number of counterparts, each of which shall be original, but such counterparts shall together constitute but one and the same instrument. One signed copy is enough to prove this Indenture. The exchange of copies of this Indenture and of signature pages by pdf transmission or other electronic means shall constitute effective execution and delivery of this Indenture for all purposes. Signatures of the parties hereto transmitted by pdf transmission or other electronic means shall be deemed to be their original signatures for all purposes.

Section 116. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

Section 117. U.S.A. Patriot Act. The Company acknowledges that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee is required to obtain, verify and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The Company agrees that it will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

ARTICLE TWO NOTE FORMS

Section 201. Form and Dating. Provisions relating to the Initial Notes and any Additional Notes are set forth in Appendix A attached hereto (the “*Appendix*”), which is hereby incorporated in, and expressly made part of, this Indenture. The Initial Notes and any Additional Notes issued in a transaction exempt from the registration requirements of the Securities Act and the Trustee’s certificate of authentication shall be substantially in the form of Exhibit 1 to Appendix A, which is hereby incorporated in, and expressly made a part of, this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form reasonably acceptable to the Company). Each Note shall be dated the date of its authentication. The respective terms of the Notes set forth in Appendix A are part of the terms of this Indenture.

Section 202. Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of the Company by any Officer. The signature of an Officer on the Notes may be manual or via pdf transmission or other electronic means of the present or any future such authorized Officer and may be imprinted or otherwise reproduced on the Notes.

Notes bearing the signature of an individual who was at any time a proper Officer of the Company shall bind the Company, notwithstanding that such individual ceased to hold such office prior to the authentication and delivery of such Notes or did not hold such office at the date of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Notes executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Notes, and the Trustee in accordance with such Company Order shall authenticate and deliver such Notes.

On the Issue Date, the Company shall deliver the Initial Notes executed by the Company in the aggregate principal amount of \$150,000,000 to the Trustee for authentication, together with a Company Order directing the Trustee to authenticate the Notes, and the Trustee in accordance with such Company Order shall authenticate and deliver such Initial Notes. At any time and from time to time after the Issue Date, the Company may deliver Additional Notes executed by the Company to the Trustee for authentication, together with (i) a Company Order for the authentication and delivery of such Additional Notes, directing the Trustee to authenticate the Additional Notes and certifying that all conditions precedent to the issuance of Notes contained herein have been fully complied with, and (ii) an Opinion of Counsel which shall state that such Additional Notes, when authenticated and delivered by the Trustee and issued by the Company, will constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles. Thereafter, the Trustee in accordance with such Company Order shall authenticate and deliver such Additional Notes.

Each Note shall be dated the date of its authentication.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for in Exhibit 1 to Appendix A, duly executed by the Trustee by manual signature of an authorized signatory, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture.

In case the Company, pursuant to Article Eight of this Indenture, shall be consolidated or merged with or into any other Person or shall sell, assign, transfer, lease or otherwise convey all or substantially all its properties and assets to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which the Company shall have been merged, or the Person which shall have received a sale, assignment, transfer, lease or other conveyance as aforesaid, shall have expressly assumed the obligations of the Company pursuant to Article Eight of this Indenture, any of the Notes authenticated or delivered prior to such consolidation, merger, sale, assignment, transfer, lease or other conveyance may, from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon Company Request of the successor Person, shall authenticate and deliver Notes as specified in such request for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time Outstanding for Notes authenticated and delivered in such new name.

ARTICLE THREE THE NOTES

Section 301. Title and Terms. The aggregate principal amount of Notes which may be authenticated and issued under this Indenture is not limited; provided, however that any Additional Notes issued under this Indenture shall rank pari passu with the Initial Notes, shall be issued in accordance with Sections 202 and 312 hereof, shall form a single series with the Initial Notes and (except as set forth in Section 312) shall have the same terms as to status, redemption or otherwise as the Initial Notes.

The Notes shall be known and designated as the “8.50% Senior Notes due 2027” of the Company. The Stated Maturity of the Notes shall be October 15, 2027, and the Notes shall bear interest at the rate set forth below from October 11, 2022, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, payable on April 15, 2023 and semi-annually thereafter on April 15 and October 15 in each year and at said Stated Maturity, until the principal thereof is paid or duly provided for and to the Person in whose name the Note (or any Predecessor Note) is registered at the close of business on the April 1 and October 1 immediately preceding such Interest Payment Date (each, a “*Regular Record Date*”).

The initial annual interest rate of 8.50% per annum is subject to adjustment from time to time based on changes to the ratings of the Notes by one or more “nationally recognized statistical rating organizations” within the meaning of Section 3(a)(62) of the Exchange Act that is designated as a “Credit Rating Provider” (or other similar designation) by the National Association of Insurance Commissioners (each, a “*Designated NRSRO*”).

The annual interest rate on the Notes will increase by 0.25% beginning on the first day of any Six-Month Interest Period if the Notes have a Triple-B Rating as of the last day of the immediately preceding Six-Month Interest Period, and likewise it will increase by 0.50% in excess of the initial rate beginning on the first day of any Six-Month Interest Period if as of the last day of the immediately preceding Six-Month Interest Period the Notes have either a Non-IG Rating (as defined below) or no rating from any Designated NRSRO. In the event that the annual interest rate on the Notes increases due to one or more downgrades, the rate will revert to the initial interest rate beginning on the first day of any Six-Month Interest Period if as of the last day of the immediately preceding Six-Month Interest Period the Notes have a Single-A Rating, and it will revert to 0.25% over the initial interest rate beginning on the first day of any Six-Month Interest Period if as of the last day of the immediately preceding Six-Month Interest Period the Notes have been upgraded from a Non-IG Rating to a Triple-B Rating.

The Company will notify the Trustee and Depository in writing within five Business Days of any change in the ratings of the Notes and any resulting change in annual interest rate and the effective dates thereof, and in no event will the Trustee be responsible for monitoring such changes. Further, in no circumstances will the annual interest rate exceed the initial rate by more than 0.50% due to changes in ratings of the Notes, and in no event will it ever be less than the initial rate.

For purposes of this Indenture, the following terms are defined thus:

“*Six-Month Interest Period*” means the period beginning on each Interest Payment Date for the Notes and ending on the day immediately preceding the commencement of the next following Interest Payment Date for the Notes. The initial Six-Month Interest Period will begin on the first Interest Payment Date for the Notes.

A “*Triple-B Rating*” will occur if, as of any date of determination:

- (1) assuming the Notes are rated by only one Designated NRSRO, the then most recent rating from such Designated NRSRO is no lower than a BBB- and no higher than a BBB+;
- (2) assuming the Notes are rated by only two Designated NRSROs, the then lower of the most recent ratings from such Designated NRSROs is no lower than a BBB- and no higher than a BBB+; or
- (3) assuming the Notes are rated by three or more Designated NRSROs, the then second lowest of the most recent ratings from such Designated NRSROs is no lower than a BBB- and no higher than a BBB+.

A “*Non-IG Rating*” will occur if, as of any date of determination:

- (1) assuming the Notes are rated by only one Designated NRSRO, the then most recent rating from such Designated NRSRO is a BB+ or lower;
- (2) assuming the Notes are rated by only two Designated NRSROs, the then lower of the most recent ratings from such Designated NRSROs is a BB+ or lower; or
- (3) assuming the Notes are rated by three or more Designated NRSROs, the then second lowest of the most recent ratings from such Designated NRSROs is a BB+ or lower.

A “*Single-A Rating*” will occur if, as of any date of determination:

- (1) assuming the Notes are rated by only one Designated NRSRO, the then most recent rating from such Designated NRSRO is at least an A-;
- (2) assuming the Notes are rated by only two Designated NRSROs, the then lower of the most recent ratings from such Designated NRSROs is at least an A-; or
- (3) assuming the Notes are rated by three or more Designated NRSROs, the then second lowest of the most recent ratings from such Designated NRSROs is at least an A-.

The ratings categories referred to in the preceding definitions are those used by Egan-Jones but are deemed to refer also to the equivalent ratings of any other Designated NRSRO.

The principal of (and premium, if any), and interest on the Notes shall be payable at the office or agency of the Company maintained for such purpose or, at the option of the Company, payment of interest may be made by check sent to the Holders at their respective addresses set forth in the Note Register; provided that all payments of principal, premium, if any, and interest with respect to Notes represented by one or more permanent Global Notes registered in the name of or held by the Depository or its nominee shall be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof, and all payments of principal, premium, if any, and interest with respect to one or more Certificated Notes at Stated Maturity shall be made against presentation of such Certificated Note at the office or agency of the Company maintained for such purpose.

Section 302. Denominations. The Notes shall be issuable only in registered form without coupons and only in minimum denominations of \$1,000 and any integral multiple of \$1,000 in excess thereof.

Section 303. Temporary Notes. Pending the preparation of definitive Notes, the Company may execute, and upon receipt of a Company Order, the Trustee shall authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Officer executing such Notes may determine, as conclusively evidenced by their execution of such Notes.

If temporary Notes are issued, the Company shall cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Company designated for such purpose pursuant to Section 1002 without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute and upon receipt of a Company Order the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as definitive Notes.

Section 304. Note Registrar; Paying Agent; Registration of Transfer and Exchange. The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency designated pursuant to Section 1002 being herein sometimes referred to as the “*Note Register*”) in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Notes and of transfers of Notes. The Note Register shall be in written form or any other form capable of being converted into written form within a reasonable time. At all reasonable times, the Note Register shall be open to inspection by the Trustee. The Trustee is hereby initially appointed as note registrar (the “*Note Registrar*”) for the purpose of registering Notes and transfers of Notes as herein provided. The Trustee is hereby initially appointed to act as the Paying Agent and to act as custodian with respect to the Global Notes.

Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 1002, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination or denominations or a like aggregate principal amount.

At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination and of a like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Notes are so surrendered for exchange, the Company shall execute, and upon receipt of a Company Order the Trustee shall authenticate and deliver, the Notes which the Holder making the exchange is entitled to receive.

All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Note Registrar) be duly endorsed, or be accompanied by written instruments of transfer, in form satisfactory to the Company and the Note Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange or redemption of Notes, but the Company may require payment of a sum sufficient to cover any transfer tax or other similar governmental charge that may be imposed in connection with any registration of transfer or exchange of Notes, other than exchanges pursuant to Sections 202, 303, 906 or 1110 not involving any transfer.

Section 305. Mutilated, Destroyed, Lost and Stolen Notes. If (1) any mutilated Note is surrendered to the Trustee, or (2) the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and there is delivered to the Company and the Trustee such security or indemnity as may be required to protect the Company, the Trustee and any Authenticating Agent or other agent of the Company or the Trustee from any loss that any of them may suffer if a Note is replaced, then, in the absence of notice to the Company or the Trustee that such Note has been acquired by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code) (a "*Protected Purchaser*"), the Company shall execute and upon its receipt of a Company Order the Trustee shall authenticate and deliver, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously Outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section, the Company may require the payment of a sum sufficient to cover any transfer tax or other similar governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Company and its counsel and the fees and expenses of the Trustee and its counsel) in replacing a Note.

Every new Note issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 306. Payment of Interest; Interest Rights Preserved.

(a) Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the Regular Record Date for such interest at the office or agency of the Company maintained for such purpose pursuant to Section 1002; provided, however, that, subject to Section 301 hereof, each installment of interest may at the Company's option be paid by (1) sending a check for such interest, payable to or upon the written order of the Person entitled thereto pursuant to Section 307, to the address of such Person as it appears in the Note Register or (2) transfer to an account located in the United States maintained by the payee.

(b) Any interest on any Note which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date shall forthwith cease to be payable to the Holder on the Regular Record Date by virtue of having been such Holder, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called "*Defaulted Interest*") may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Company shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Company shall promptly notify the Trustee of such Special Record Date, and cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given in the manner provided for in Section 107, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so given, such Defaulted Interest shall be paid to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to The Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

(c) Subject to the foregoing provisions of this Section, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 307. Persons Deemed Owners. Prior to the due presentment of a Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee shall treat the Person in whose name such Note is registered as the owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and (subject to Sections 304 and 306) interest on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Company, the Trustee or any agent of the Company or the Trustee shall be affected by notice to the contrary.

Section 308. Cancellation. All Notes surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Notes previously authenticated hereunder which the Company has not issued and sold, and all Notes so delivered shall be promptly cancelled by the Trustee. If the Company shall so acquire any of the Notes, however, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be disposed of by the Trustee in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act). Evidence of the cancellation of such Notes shall be delivered to the Company by the Trustee upon a Company Request. The Trustee shall maintain a record of all cancelled Notes. The Trustee shall provide the Company a list of all Notes that have been cancelled from time to time as requested by the Company.

Section 309. Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

Section 310. Transfer and Exchange. The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Note Registrar or a co-registrar with a request to register a transfer, the Note Registrar shall register the transfer as requested if the requirements of this Indenture and Section 8-401(a) of the Uniform Commercial Code are met. When Notes are presented to the Note Registrar or a co-registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Note Registrar shall make the exchange as requested if the same requirements are met.

The Company shall not be required, and without the prior written consent of the Company, the Note Registrar shall not be required, to register the transfer of or exchange of any Note (i) during a period beginning at the opening of business 15 days before provision of a notice of redemption of Notes and ending at the close of business on the day of such provision, (ii) selected for redemption in whole or in part and (iii) beginning at the opening of business on any record date and ending on the close of business on the related Interest Payment Date.

Neither the Note Registrar nor the Trustee shall have the obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 311. CUSIP Numbers. The Company in issuing the Notes may use “CUSIP” numbers, ISINs and “Common Code” numbers (in each case, if then generally in use) in addition to serial numbers, and, if so, the Trustee shall use such “CUSIP” numbers, ISINs and “Common Code” numbers in addition to serial numbers in notices of redemption, repurchase or other notices to Holders as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such “CUSIP” numbers, ISINs and “Common Code” numbers either as printed on the Notes or as contained in any notice of a redemption or repurchase and that reliance may be placed only on the serial or other identification numbers printed on the Notes, and any such redemption or repurchase shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in the “CUSIP” numbers, ISINs and “Common Code” numbers applicable to the Notes.

Section 312. Issuance of Additional Notes. From time to time the Company may, without notice to or the consent of the Holders, create and issue additional Notes having identical terms to the Initial Notes (other than the issue date, the issue price or the first payment of interest following the issue date of such additional Notes) (the “*Additional Notes*”). Such Additional Notes may be consolidated and form a single series with, and will vote together as one class on all matters with, the Initial Notes, provided that such Additional Notes shall be either fungible with the Initial Notes for U.S. Federal income tax purposes or issued under a different CUSIP or other identification number.

ARTICLE FOUR SATISFACTION AND DISCHARGE

Section 401. Satisfaction and Discharge of Indenture. Upon the direction of the Company to the Trustee by a Company Order, this Indenture shall cease to be of further effect, and the Trustee, on receipt of a Company Order, at the expense of the Company, shall execute such instruments reasonably requested by the Company acknowledging satisfaction and discharge of this Indenture as to such Notes, when

(1) either

(a) all Notes theretofore authenticated and delivered (other than (i) Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 305 and (ii) Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 1003) have been delivered to the Trustee for cancellation; or

(b) all Notes not theretofore delivered to the Trustee for cancellation:

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of clause (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose, money in an amount sufficient to pay and discharge the entire indebtedness on all Notes not theretofore delivered to the Trustee for cancellation, including the principal of, and any premium and interest on, such Notes, to the date of such deposit (in the case of Notes which have become due and payable) or to the Stated Maturity or Redemption Date thereof, as the case may be;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(3) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section, the obligations of the Trustee under Section 402 and the last paragraph of Section 1003 shall survive such satisfaction and discharge. In addition, nothing in this Section 401 shall be deemed to discharge the obligations of the Company to the Trustee under Section 607 and the obligations of the Company to any Authenticating Agent under Section 613 that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 402. Application of Trust Money. Subject to the provisions of the last paragraph of Section 1003, all money deposited with the Trustee pursuant to Section 401 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company to the extent it is acting as its own Paying Agent), to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee, but such money need not be segregated from other funds except to the extent required by law. The Company may direct by a Company Request the investment of any money deposited with the Trustee pursuant to Section 401 in Government Obligations with a maturity of one year or less. In the absence of any such Company Request, such funds will be held in cash.

If the Trustee or Paying Agent is unable to apply any money in accordance with Section 401 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 401 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 401; provided that if the Company has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE FIVE REMEDIES

Section 501. Events of Default. "*Event of Default*," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (1) default in the payment of any principal of, or premium, if any, on the Notes issued under this Indenture when due;
- (2) default in the payment of any interest on any Note when such interest becomes due and payable, and continuance of such default for a period of 30 days;
- (3) default in the performance, or breach, of any other covenant or warranty of the Parent, the Company or any Subsidiary Guarantor in this Indenture or any Note (other than a covenant or warranty for which the consequences of breach or nonperformance are addressed elsewhere in this Section 501), and continuance of such default or breach for a period of 60 days after the Company receives from the Trustee or the Company and the Trustee receives from the Holders of at least 25% in aggregate principal amount of the Outstanding Notes a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "*Notice of Default*" hereunder;
- (4) default in the payment of principal when due on, or any other default resulting in the acceleration of, other indebtedness of the Parent, the Company or any Significant Subsidiary for borrowed money where the aggregate principal amount with respect to which the default or acceleration has occurred exceeds \$50,000,000 or which constitutes a failure to pay when due (after expiration of any applicable grace period) such indebtedness for borrowed money in an aggregate principal amount exceeding \$50,000,000, but only if such indebtedness for borrowed money is not discharged or such acceleration is not rescinded or annulled within 30 days after written notice, given in accordance with Section 106, to the Company or the Parent by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Outstanding Notes;

(5) the entry by a court having jurisdiction in the premises of (i) a decree or order for relief in respect of the Parent, the Company or any Significant Subsidiary in an involuntary case or proceeding under any applicable Insolvency Laws or (ii) a decree or order adjudging the Parent, the Company or any Significant Subsidiary a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Parent, the Company or any Significant Subsidiary under any applicable Federal or State law, or appointing a custodian, receiver, conservator, liquidator, assignee, trustee, sequestrator or other similar official of the Parent, the Company or any Significant Subsidiary or of any substantial part of the property of the Parent, the Company or any Significant Subsidiary, or ordering the winding up or liquidation of the affairs of the Parent, the Company or any Significant Subsidiary, and the continuance of any such decree or order for relief unstayed and in effect for a period of 90 consecutive days;

(6) the commencement by the Parent, the Company or any Significant Subsidiary of a voluntary case or proceeding under any applicable Insolvency Laws or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by the Parent, the Company or any Significant Subsidiary to the entry of a decree or order for relief in respect of the Parent, the Company or any Significant Subsidiary in an involuntary case or proceeding under any applicable Insolvency Laws or to the commencement of any bankruptcy or insolvency case or proceeding against the Parent, the Company or any Significant Subsidiary, or the filing by the Parent, the Company or any Significant Subsidiary of a petition or answer or consent seeking reorganization or relief under any applicable Insolvency Laws, or the consent by the Parent, the Company or any Significant Subsidiary to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, conservator, liquidator, assignee, trustee, sequestrator or similar official of the Parent, the Company or any Significant Subsidiary or of any substantial part of the property of the Parent, the Company or any Significant Subsidiary, or the making by the Parent, the Company or any Significant Subsidiary of an assignment for the benefit of creditors, or the taking of corporate action by the Parent, the Company or any Significant Subsidiary in furtherance of any such action; or

(7) (i) any Note Guarantee ceases to be in full force and effect, other than in accordance with the terms of this Indenture; or (ii) any Guarantor denies or disaffirms in writing its obligations under any Note Guarantee other than in accordance with the terms thereof or upon release of such Note Guarantee in accordance with this Indenture; or (iii) any Note Guarantee is declared null and void.

Section 502. Acceleration of Maturity; Rescission and Annulment. If an Event of Default with respect to the Notes occurs and is continuing (other than an Event of Default specified in Section 501(5) or (6)), then either the Trustee or the Holders of not less than 25% of the aggregate principal amount of the Outstanding Notes may declare the principal of all the Notes, and accrued and unpaid interest, if any, thereon to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders), and the Trustee at the written direction of such Holders shall declare the principal of, premium, and accrued and unpaid interest, if any, on the Notes to be immediately due and payable. Upon any such declaration of acceleration, such principal and such accrued and unpaid interest shall become immediately due and payable. If an Event of Default under Section 501(5) or (6) occurs and is continuing, then the principal of all the Notes, and accrued and unpaid interest, if any, thereon shall be automatically due and payable. Upon payment of such amount, all obligations of the Company in respect of the payment of principal and interest of the Notes shall terminate.

If a Default occurs with respect to any of the covenants set forth in Sections 1010, 1011, 1012 and 1013, such Default and all consequences thereof will be annulled, waived and rescinded automatically, without any action by the Trustee or the Holders and without giving rise to an Event of Default, if within the 60-day cure period provided for in Section 501(3) following the giving of a Notice of Default to the Company respecting such Default, the Company delivers an Officer's Certificate to the Trustee stating that, as of a specified date subsequent to the end of the applicable fiscal quarter, such Default has been cured.

At any time after the Notes have been accelerated and before a judgment or decree for payment of the money due based on such acceleration has been obtained by the Trustee as hereinafter in this Article Five provided, the Holders of a majority of the aggregate principal amount of the Outstanding Notes, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

- (1) the Company has paid or deposited with the Trustee a sum of money sufficient to pay:
 - (a) all overdue installments of any interest on any Notes which have become due otherwise than by such declaration of acceleration;
 - (b) the principal of and any premium on any Notes which have become due otherwise than by such declaration of acceleration and, to the extent permitted by applicable law, interest thereon at the rate or respective rates, as the case may be, provided for in or with respect to such Notes, or, if no such rate or rates are so provided, at the rate or respective rates, as the case may be, of interest borne by such Notes;
 - (c) to the extent permitted by applicable law, interest upon installments of any interest, if any, which have become due otherwise than by such declaration of acceleration at the rate or respective rates, as the case may be, provided for in or with respect to such Notes, or, if no such rate or rates are so provided, at the rate or respective rates, as the case may be, of interest borne by such Notes, and
 - (d) all sums paid or advanced by the Trustee hereunder and the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and all other amounts due the Trustee under Section 607; and
- (2) all Events of Default, other than the non-payment of the principal of, any premium and interest on, Notes which shall have become due solely by such declaration of acceleration, shall have been cured or waived as provided in Section 513.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 503. Collection of Indebtedness and Suits for Enforcement by Trustee. If an Event of Default specified in Section 501(1) or (2) occurs and is continuing, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums due hereunder pursuant to this Article Five and unpaid, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel. The Trustee may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Notes, wherever situated.

If an Event of Default specified in Section 501(1) or (2) occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders under this Indenture by the judicial proceedings discussed above as the Trustee shall deem necessary to protect and enforce any such rights.

Section 504. Trustee May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor, upon the Notes or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal, premium, if any, or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise.

(1) to file and prove a claim for the whole amount of principal (and premium, if any) and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(2) to collect, receive and distribute any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 607.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 505. Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture, the Note Guarantees or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

Section 506. Application of Money Collected. Any money or property collected by the Trustee pursuant to this Article Five shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (or premium, if any) or interest, upon presentation of the Notes and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 607;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest on the Notes in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal (and premium, if any) and interest, respectively; and

THIRD: The balance, if any, to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 506.

Section 507. Limitation on Suits. Subject to Section 508, no Holder of any Notes shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, the Note Guarantees or the Notes, or for the appointment of a receiver or Trustee, or for any other remedy hereunder, unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in principal amount of the Outstanding Notes have made written request to the Trustee to pursue the remedy, and offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities incurred in compliance with such request;
- (3) the Trustee has not complied with such request within 60 days after the receipt thereof and such offer of security or indemnity; and
- (4) Holders of a majority in aggregate principal amount of the Outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period,

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders (it being further understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 508. Unconditional Right of Holders to Receive Principal, Premium and Interest. Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the contractual right, which is absolute and unconditional, to institute suit for the enforcement of any payment of the principal of (and premium, if any) and interest on, the Notes on the respective Stated Maturities expressed in such Note (or, in the case of redemption or repurchase, on the Redemption Date or Change of Control Payment Date, respectively) on or after such respective dates, and such rights shall not be changed without the consent of such Holder.

Section 509. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Guarantors, any other obligor of the Notes, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 510. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in the last paragraph of Section 305, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 511. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article Five or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 512. Control by Holders. The Holders of a majority in aggregate principal amount of the Outstanding Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, provided that:

- (1) such direction shall not be in conflict with any rule of law or with this Indenture;
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and
- (3) the Trustee need not take any action which might involve it in personal liability or be unduly prejudicial to the Holder's not consenting.

Section 513. Waiver of Default. Subject to Sections 508 and 902, the Holders of a majority in aggregate principal amount of the Outstanding Notes by written notice to the Trustee may on behalf of the Holders of all such Notes waive any Default or Event of Default hereunder and its consequences and may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Notwithstanding the foregoing, the Holders may not waive a continuing Default or Event of Default (1) in respect of the payment of interest on, premium, if any, or the principal of any such Note held by a non-consenting Holder, or (2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Note affected.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed waiver. It is sufficient if such consent approves the substance of the proposed waiver.

Section 514. Waiver of Stay or Extension Laws. Each of the Company, the Guarantors, and any other obligor on the Notes covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force that would prohibit or forgive the Company or the Guarantors from paying any portion of the principal of, and premium, if any, and interest on the Notes.

Section 515. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the reasonable costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 515 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 508 hereof, or a suit by Holders of more than 10% in principal amount of the then Outstanding Notes.

ARTICLE SIX
THE TRUSTEE

Section 601. Duties of the Trustee.

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions specifically required by any provision hereof to be provided to it, the Trustee shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture, but not to verify the contents thereof including, but not limited to, the accuracy of mathematical calculations.

(b) If an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has actual knowledge or of which written notice in accordance with Section 106 of such Event of Default has been delivered to the Trustee, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. The Trustee shall not be deemed to have knowledge of, or be required to act (including the sending of any notice) based on, any event unless a Responsible Officer of the Trustee receives written notice of such an event or has obtained actual knowledge of such an event.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent or bad faith action, its own negligent or bad faith failure to act, or its own willful misconduct, except that

(1) this paragraph (c) shall not be construed to limit the effect of paragraph (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in aggregate principal amount of the Outstanding Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity or security against such risk or liability is not reasonably assured to it;

- (5) the permissive right of the Trustee to take any action enumerated in this Indenture shall not be construed as a duty; and
- (6) under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Notes.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 602. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall transmit notice of such Default or Event of Default within 90 days after it occurs unless such Default or Event of Default shall have been cured or waived. Except in the case of a Default or Event of Default in the payment of the principal of (or premium, if any, on) or interest on any Note, the Trustee shall be protected in withholding such notice if it determines that the withholding of such notice is in the interest of the Holders. In addition, the Trustee shall have no obligation to accelerate the Notes if in the best judgment of the Trustee acceleration is not in the best interest of the Holders of such Notes. Notice to Holders under this Section will be given in the manner and to the extent provided in Trust Indenture Act Section 313(c).

Section 603. Certain Rights of Trustee. Subject to Section 601:

- (1) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in original or pdf form) believed by it to be genuine and to have been signed or presented by the proper party or parties;
- (2) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;
- (3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate and/or an Opinion of Counsel;
- (4) the Trustee may consult with counsel of its own selection and the advice of such counsel or any opinion of counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the advice or opinion of such counsel;

(5) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses, losses and liabilities which might be incurred by it in compliance with such request or direction;

(6) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company during ordinary business hours, personally or by agent or attorney at the expense of the Company and shall incur no liability of any kind by reason of such inquiry or investigation;

(7) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(8) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(9) the rights, privileges, protections, immunities and benefits given to the Trustee pursuant to this Indenture, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(10) in no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(11) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

(12) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture;

(13) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references this Indenture and the Notes;

(14) the Trustee shall have the right to decline to take any action if the Trustee, being advised by counsel, determines that such action may not lawfully be taken; and

(15) the Trustee shall have no responsibility or liability for the acts or omissions of any other party, including the Paying Agent, Authenticating Agent or Depository (provided, however, that this protection shall not limit the responsibility or liability of UMB Bank, N.A., in its capacity as the initial Paying Agent).

Section 604. Trustee Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, except for the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder. The Trustee shall not be accountable for the use or application by the Company of any Notes or the proceeds thereof.

Section 605. May Hold Notes. The Trustee, any Paying Agent, the Note Registrar or any other agent of the Company or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company with the same rights it would have if it were not the Trustee, Paying Agent, Note Registrar or such other agent; provided, however, that, if it acquires any conflicting interest, it must eliminate such conflict within 90 days, apply to the SEC for permission to continue, or resign.

Section 606. Money Held in Trust. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company.

Section 607. Compensation and Reimbursement. The Company agrees:

(1) to pay to the Trustee from time to time such compensation as shall be agreed in writing between the Company and the Trustee for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as shall be determined to have been caused by its own negligence, bad faith or willful misconduct; and

(3) to indemnify the Trustee and any predecessor Trustee and their respective agents for, and to hold each of them harmless against, any and all losses, liabilities, claims, damages or reasonable out-of-pocket expenses, including taxes (other than the taxes based on the income of the Trustee), incurred without negligence, bad faith or willful misconduct on its part as finally adjudicated by a court of competent jurisdiction, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim regardless of whether the claim is asserted by the Company, a Holder or any other Person or liability in connection with the exercise or performance of any of its powers or duties hereunder or in connection with enforcing the provisions of this Section.

The obligations of the Company under this Section to compensate the Trustee, to pay or reimburse the Trustee for reasonable out-of-pocket expenses, disbursements and advances and to indemnify and hold harmless the Trustee shall survive the satisfaction and discharge of this Indenture and resignation or removal of the Trustee. As security for the performance of such obligations of the Company, the Trustee shall have a claim and lien prior to the Notes upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of (and premium, if any) or interest on particular Notes.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 501(5) or (6), the expenses (including the reasonable charges and expenses of its counsel) of and the compensation for such services are intended to constitute expenses of administration under any applicable Insolvency Laws.

The provisions of this Section shall survive the termination of this Indenture and resignation or removal of the Trustee.

Section 608. Corporate Trustee Required; Eligibility. There shall be at all times a Trustee hereunder which shall have a combined capital and surplus of at least \$50,000,000. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of Federal, State, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article Six.

Section 609. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article Six shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 610.

(b) The Trustee may resign at any time by giving written notice thereof within 30 days of such resignation to the Company. Upon receiving such notice of resignation, the Company shall promptly appoint a successor Trustee by written instrument executed by authority of the Board of Directors, a copy of which shall be delivered to the resigning Trustee and a copy to the successor Trustee, if the instrument of acceptance by a successor Trustee required by Section 610 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed with 30 days' notice at any time by Act of the Holders of a majority in aggregate principal amount of the Outstanding Notes, delivered to the Trustee and to the Company. If the instrument of acceptance by a successor Trustee required by Section 610 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Trustee.

(d) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Company shall promptly appoint a successor Trustee. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in aggregate principal amount of the Outstanding Notes delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Holders and accepted appointment in the manner hereinafter provided, any Holder of at least 10% in aggregate principal amount of the Notes who has been a bona fide Holder of a Note for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Holders in the manner provided for in Section 107. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

Section 610. Acceptance of Appointment by Successor.

(a) Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

(b) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article Six.

Section 611. Merger, Conversion, Consolidation or Succession to Business. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder (provided that such corporation shall be otherwise qualified and eligible under this Article Six) without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes. In case at that time any of the Notes shall not have been authenticated, any successor Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides for the certificate of authentication of the Trustee; provided, however, that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 612. Appointment of Co-Trustee.

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirement of any jurisdiction in which any part of the trust created under this Indenture may at the time be located, the Trustee shall have the power and may execute and deliver all instruments necessary to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of such trust, and to vest in such Person or Persons, in such capacity and for the benefit of the Holders, such title to the trust, or any part hereof, and subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate Trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 608 and no notice to Holders of the appointment of any co-trustee or separate trustee shall be required under Section 609 hereof.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the trust created by this Indenture or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection or rights (including the rights to compensation, reimbursement and indemnification hereunder) to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 613. Appointment of Authenticating Agent. At any time when any of the Notes remain Outstanding, the Trustee may appoint an authenticating agent or agents with respect to the Notes which shall be authorized to act on behalf of the Trustee to authenticate Notes (an “*Authenticating Agent*”) and the Trustee shall give written notice of such appointment to all Holders with respect to which such Authenticating Agent shall serve, in the manner provided for in Section 107. Notes so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Any such appointment shall be evidenced by an instrument in writing signed by a Responsible Officer of the Trustee, and a copy of such instrument shall be promptly furnished to the Company. Wherever reference is made in this Indenture to the authentication and delivery of Notes by the Trustee or the Trustee’s certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States, any state thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or state authority.

If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent (provided that such corporation shall be otherwise eligible under this Section) without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall give written notice of such appointment to all Holders, in the manner provided for in Section 107. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each Authenticating Agent from time to time such compensation for its services under this Section as shall be agreed in writing between the Company and such Authenticating Agent.

If an appointment is made pursuant to this Section, the Notes may have endorsed thereupon, in addition to the Trustee's certificate of authentication, an alternate certificate of authentication in the following form:

This is one of the Notes designated therein referred to in the within-mentioned Indenture.

Section 702. Disclosure of Names and Addresses of Holders. Every Holder, by receiving and holding Notes, agrees with the Company and the Trustee that none of the Company or the Trustee or any agent of either of them shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders, regardless of the source from which such information was derived.

ARTICLE NINE
AMENDMENT, SUPPLEMENT AND WAIVER

Section 901. Amendments or Supplements Without Consent of Holders. - (a) to evidence a successor to the applicable obligor and the assumption by that successor of such obligor's obligations, as applicable, under this Indenture and the Notes;

Section 902. Amendments or Supplements with Consent of Holders. With the consent of the Holders of a majority in aggregate principal amount of the Outstanding Notes (including consents obtained in connection with a purchase of, or tender offer for, the Notes), by Act of said Holders delivered to the Parent, the Company, any Subsidiary Guarantor and the Trustee, the Company, the Parent, any Subsidiary Guarantor and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, the Notes or any Note Guarantee, as applicable, or of modifying in any manner the rights of the Holders of such Notes under this Indenture; provided, that no such supplemental indenture, without the consent of the Holder of each Outstanding Note affected thereby, shall:

(a) change the Stated Maturity of the Notes, or reduce the principal amount thereof or the rate (or modify the calculation of such rate) of interest thereon or any premium payable upon the redemption or repurchase thereof or otherwise, or change the Place of Payment where or the currency in which the principal of, any premium or interest on, any Note is payable, or impair the right to institute suit for the enforcement of any payment on the Notes when due; or

Section 903. Execution of Supplemental Indentures. The Trustee shall sign any supplemental indenture authorized pursuant to this Article Nine if the supplemental indenture does not adversely affect the rights, duties, liabilities or immunities of the Trustee, and if such supplemental indenture adversely affects such rights, duties, liabilities or immunities, the Trustee may but need not sign it. In executing any supplemental indenture, the Trustee shall receive and (subject to Section 601 hereof) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 103 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that such supplemental indenture is the legal, valid and binding obligation of the Company, enforceable against it in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 905).

Section 904. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article Nine, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 905. Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article Nine may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE TEN
COVENANTS

Section 1001. Payment of Principal, Premium, if Any, and Interest. The Company shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in Section 301 and the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company, holds as of 11:00 a.m. (Eastern Time) on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Company shall pay interest on overdue principal at the rate equal to the then applicable interest rate on the Notes, and it shall pay interest on overdue installments of interest at the same rate, in any case to the extent lawful.

Section 1002. Maintenance of Office or Agency. The Company shall maintain an office or agency in the United States where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Corporate Trust Office of the Trustee shall be the office or agency of the Company where Notes may be presented or surrendered for payment or for registration of transfer or exchange, unless the Company shall designate and maintain some other office or agency for one or more of such purposes. The office of the Company where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served at the office of the Company designated in Section 106. The Company shall give prompt written notice to the Trustee of any change in the location of any such office or agency.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation. The Company shall give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency.

Section 1003. Paying Agent to Hold Money in Trust. If the Company shall at any time act as its own Paying Agent, it shall, on or before each due date of the principal (or premium, if any) or interest on any of the Notes, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal of (or premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and shall promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for the Notes, it shall, prior to 11:00 a.m. (Eastern Time) on each due date of the principal of (or premium, if any) or interest on any Notes, deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Company shall promptly notify the Trustee in writing of such action or any failure so to act.

The Company shall cause each Paying Agent (other than the Trustee) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent shall:

- (1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest on Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (2) give the Trustee written notice of any Default by the Company (or any other obligor upon the Notes) in the making of any payment of principal (and premium, if any) or interest; and
- (3) at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such sums.

Subject to applicable laws relating to abandoned property, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of (or premium, if any) or interest on any Note and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as Trustee thereof, shall thereupon cease.

Section 1004. Corporate Existence. Subject to Article Eight, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence in accordance with the organizational documents (as the same may be amended from time to time) of the Company; *provided* that the Company shall not be required to preserve any such existence if the Company in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole.

Section 1005. Payment of Taxes and Other Claims. The Company shall pay or discharge or cause to be paid or discharged, before the same shall become delinquent, all material taxes, assessments and governmental charges levied or imposed upon the Company or upon the income, profits or property of the Company; *provided*, however, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment or charge whose amount, applicability or validity is being contested in good faith by appropriate proceedings or negotiations or where the failure to effect such payment is not adverse in any material respect to the Holders. Notwithstanding anything to the contrary contained in this Indenture, the Company may, to the extent required to do so by law, deduct or withhold income or other similar taxes imposed by the United States from principal, premium or interest payments under this Indenture.

Section 1006. Compliance Certificates; SEC Reports.

(a) The Company shall deliver to the Trustee within 60 days after the end of each of the first three quarters of its fiscal year an Officer's Certificate stating that, to the signing Officer's knowledge, the Company is in compliance with each of the covenants in Sections 1010, 1011, 1012 and 1013 as of the end of such quarter and, if a Default with respect to any such covenant had occurred as of the end of such quarter, the certificate shall specify such Default and state whether or not it is then continuing.

(b) The Company shall deliver to the Trustee within 120 days after the end of each fiscal year (which as of the date hereof, ends on December 31), an Officer's Certificate from a Senior Financial Officer stating that, to the signing Officer's knowledge, the Company during such preceding fiscal year has performed, and is in compliance with, each and every covenant (including those in Sections 1010, 1011, 1012 and 1013) and condition contained in this Indenture and at the date of such certificate there is no Default or Event of Default that has occurred and is continuing or, if such signer does know of such Default or Event of Default that is continuing, the certificate shall specify such Default or Event of Default, as applicable.

(c) So long as any Notes remain Outstanding, if the Parent is subject to Section 13(a) or 15(d) of the Exchange Act or any successor provision, the Parent shall deliver to the Trustee the annual reports, quarterly reports and other documents which the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act, within 15 days after the date that the Company is required to file the same with the SEC. Reports and other documents filed with the SEC via the EDGAR system will be deemed to be delivered to the Trustee as of the time of such filing via EDGAR for purposes of this covenant; provided, however, that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been filed via EDGAR.

Delivery of such reports, information and documents to the Trustee is for informational purposes only, and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

(d) When any Default or Event of Default has occurred under this Indenture, the Company shall deliver to the Trustee an Officer's Certificate specifying such event, notice or other action, and any actions that have been taken to cure such Default, within thirty Business Days of a Responsible Officer becoming aware of its occurrence. For the avoidance of doubt, the Company shall have no obligation under this Section 1006(d) to give notice of any Default under any of the covenants in Sections 1010 through 1013 prior to the end of the fiscal quarter to which such covenant relates.

Section 1007. Delivery of Rule 144A Information. So long as any Notes remain Outstanding, if at any time the Parent is not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, so long as the Notes constitute “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Parent will prepare and will furnish to the Trustee and, upon written request, furnish to any Holder of Notes, any beneficial owner of an interest in a Global Note and any prospective purchaser or other prospective transferee of Notes designated by a Holder of Notes or a beneficial owner of an interest in a Global Note, in each case, at the expense of the Company, the financial statements and other information specified in Rule 144A(d)(4) (or any successor provision thereto) under the Securities Act, in each case to the extent necessary to permit the resale or other transfer of Notes by such Holder or beneficial owner to be made in compliance with Rule 144A under the Securities Act. The Company shall take such further action as any Holder of Notes or beneficial owner of an interest in a Global Note may reasonably request to the extent from time to time required to enable such Holder of Notes or beneficial owner to sell such Notes or shares of the Company’s common stock in accordance with Rule 144A under the Securities Act, as such Rule may be amended from time to time.

Delivery of such reports, information and documents to the Trustee is for informational purposes only, and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer’s Certificate).

Section 1008. Subsidiary Guarantors.

(a) The Company will cause each of its Subsidiaries that guarantees or otherwise becomes liable at any time, whether as a borrower or an additional or co-borrower or otherwise, for or in respect of any Material Debt to concurrently therewith, execute and deliver to the Trustee:

(i) a supplemental indenture to this Indenture providing for the guarantee by such Subsidiary, on a joint and several basis with all other such Subsidiaries, of (x) the prompt payment in full when due of all amounts payable by the Company pursuant to the Notes (whether for principal, interest, premium or otherwise) and this Indenture, including all indemnities, fees and expenses payable by the Company thereunder and (y) the prompt, full and faithful performance, observance and discharge by the Company of each and every covenant, agreement, undertaking and provision required pursuant to the Notes or this Indenture to be performed, observed or discharged by it; and

(ii) an Officer’s Certificate and an Opinion of Counsel, each certifying that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary and constitutes a valid and legally binding and enforceable obligation of such Subsidiary, subject to customary exceptions.

Any such supplemental indenture may be in the form of such supplemental indenture attached as Appendix B hereto or such other form as agreed between the Company, the applicable Subsidiary Guarantor and the Trustees.

(b) At the election of the Company and by written notice to each holder of Notes, any Subsidiary Guarantor that has provided a Note Guarantee under subparagraph (a) of this Section 1008 may be discharged from all of its obligations and liabilities under its Note Guarantee and shall be automatically released from its obligations thereunder without the need for the execution or delivery of any other document by the Trustee, *provided* that (i) if such Subsidiary Guarantor is a guarantor or is otherwise liable for or in respect of any Material Debt, then such Subsidiary Guarantor has been released and discharged (or will be released and discharged concurrently with the release of such Subsidiary Guarantor under its Note Guarantee) under such Material Debt, (ii) at the time of, and after giving effect to, such release and discharge, no Default or Event of Default shall be existing, (iii) no amount is then due and payable under such Note Guarantee, and (iv) the Trustee shall have received a certificate of an Officer certifying as to the matters set forth in clauses (i) through (iii).

Section 1009. Change of Control Offer. Upon the occurrence of a Change of Control Triggering Event, each Holder shall have the right to require the Company to purchase all or any part (equal to \$1,000 or an integral multiple of \$1,000 in excess thereof) of the Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, up to, but excluding, the Change of Control Payment Date; provided, however, that if such date of purchase is after the taking of a record of the Holders on a record date and on or prior to the related Interest Payment Date, the accrued and unpaid interest shall be payable to the Person in whose name the repurchased Notes are registered on such record date. Notwithstanding the foregoing, the Company shall have no obligation to repurchase any Notes pursuant to this Section 1009 to the extent that the Company shall have exercised its right to redeem the Notes pursuant to Section 1101.

For purposes of this Section 1009, the term "*Change of Control*" means the occurrence of any one of the following:

(a) the sale, assignment, lease, transfer or other conveyance (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties and assets of the Parent and its Subsidiaries taken as a whole to any "person" (as that term is used in Section 13(d)(3) of the Exchange Act) other than to the Parent or one or more of its Subsidiaries or a combination thereof or a Person controlled by the Parent or one or more of its Subsidiaries or a combination thereof; or

(b) the consummation of any transaction (including any merger or consolidation) the result of which is that any "person" (as that term is used in Section 13(d)(3) of the Exchange Act) (other than any Subsidiary of the Parent) becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the outstanding Voting Stock of the Parent, measured by voting power rather than number of shares or the like.

Notwithstanding the foregoing, a transaction shall not be deemed to involve a "Change of Control" under clause (b) above if (i) the Parent becomes a direct or indirect Wholly-Owned Subsidiary of a holding company and (ii)(A) the direct or indirect holders of the Voting Stock of such holding company immediately following such transaction are substantially the same as the holders of the Voting Stock of the Parent immediately prior to such transaction or (B) immediately following such transaction no "person" (as that term is used in Section 13(d)(3) of the Exchange Act) (other than a holding company satisfying the requirements of this sentence) is the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the outstanding Voting Stock of such holding company, measured by voting power rather than number of shares or the like.

“*Change of Control Triggering Event*” means the Notes fail to have at least a Triple-B Rating on any date during the period commencing on the date of the first public announcement by the Parent of any Change of Control (or pending Change of Control) and ending 60 days following consummation of such Change of Control (which 60-day period will be extended for so long as the rating of the Notes is under publicly announced consideration for a possible downgrade as a result of the Change of Control by any Designated NRSRO). Notwithstanding the foregoing, no Change of Control Triggering Event will be deemed to have occurred in connection with any particular Change of Control unless and until such Change of Control has actually been consummated.

Within 10 Business Days following the date upon which the Change of Control Triggering Event has occurred, or, at the Company’s option, prior to any Change of Control but after the public announcement of the transaction that constitutes or may constitute the Change of Control, except to the extent that the Company shall have exercised its right to redeem the Notes pursuant to Section 1101, the Company shall send a notice (a “*Change of Control Offer*”) to each Holder with a copy to the Trustee, which notice will govern the terms of the Change of Control Offer, stating:

(1) that a Change of Control Triggering Event has occurred (or may occur) and that such Holder has (or, if a Change of Control Triggering Event has not been consummated, may have) the right to require the Company to purchase all or a portion of such Holder’s Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, up to, but excluding, the date of purchase (subject to the right of holders of record on the relevant record date to receive interest on the relevant Interest Payment Date as provided in the first paragraph of this Section 1009);

(2) the circumstances regarding such Change of Control Triggering Event;

(3) the purchase date (which shall be (i) no earlier than 30 days nor later than 60 days from the date such notice is sent, if sent after consummation of the Change of Control and (ii) on the date of the Change of Control, if such notice is sent prior to consummation of the Change of Control, in each case, other than as may be required by law) (such date, the “Change of Control Payment Date”); and

(4) the instructions that a Holder must follow in order to have its Notes purchased.

Holders electing to have Notes purchased pursuant to a Change of Control Offer must surrender their Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Note completed, to the Paying Agent at the address specified in the notice, or transfer their Notes to the Paying Agent by book-entry transfer pursuant to the applicable procedures of the Paying Agent for the Change of Control Offer, prior to the close of business on the third Business Day prior to the Change of Control Payment Date.

On the Change of Control Payment Date, all Notes purchased by the Company under this Section shall be delivered to the Trustee for cancellation, and the Company shall pay the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto.

The Company may make a Change of Control Offer in advance of a Change of Control and the Change of Control Payment Date, and its Change of Control Offer may be conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making the Change of Control Offer.

The Company shall have no obligation to make a Change of Control Offer if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements of this Section 1009 for such an offer made by the Company, and such third party purchases all Notes properly tendered and not withdrawn under its offer.

The Company, the Parent and the Subsidiary Guarantors, if any, shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 1009, the Company, the Parent and the Subsidiary Guarantors, if any, shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations by virtue thereof.

If Holders of not less than 90% in aggregate principal amount of the Outstanding Notes validly tender and do not withdraw their Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company shall have the right, upon not less than 15 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to such Change of Control Offer, to redeem all Notes that remain Outstanding following such purchase at a Redemption Price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, up to, but excluding, the Redemption Date (subject to the right of Holders on the relevant record date to receive interest on the relevant Interest Payment Date).

Section 1010. Maintenance of Minimum Net Asset Value. The Parent will not permit the Net Asset Value as of the close of business on the last day of each of the Parent's fiscal quarters to be less than \$350,000,000 plus the greater of (a) zero dollars and (b) 50% of Net Equity Capital Activity.

Section 1011. Maintenance of Consolidated Unencumbered Assets. The Parent will not permit the ratio of (i) the Consolidated Unencumbered Assets as of the close of business on the last day of each of the Parent's fiscal quarters to (ii) the aggregate principal amount of unsecured Debt of the Parent and its Subsidiaries as of such date to be less than 1.12 to 1.0.

Section 1012. Limitation on Debt.

(a) The Parent will not permit the Senior Debt Service Coverage Ratio as of the close of business on the last day of each of the Parent's fiscal quarters, calculated on a pro forma basis for the incurrence of any Debt by Parent or any of its Subsidiaries during the applicable Testing Period, to be less than 1.2 to 1.0.

(b) The Parent will not permit the Debt to Equity Ratio on the last day of each of the Parent's fiscal quarters to exceed 6.0 to 1.0.

(c) In giving pro forma effect to the incurrence of any Debt by the Parent or any of its Subsidiaries during the applicable Testing Period, with respect to the Senior Debt Service Coverage Ratio, (i) the Parent's Operating Cash Flow for the applicable Testing Period shall be increased by an amount equal to the product of (x) the principal amount of such Debt and (y) the average yield on the earning assets of Parent and its Subsidiaries during the applicable Testing Period and (ii) the Parent's Senior Debt Service shall be increased by the interest that would have been paid on such Debt had it been issued on the first day of the applicable Testing Period.

Section 1013. Rating. The Company will maintain a rating on the Notes from a Designated NRSRO at all times, and the Company will cause such rating to be updated on an annual basis. The Company will provide the Trustee with a copy of any rating letter or notification from a Designated NRSRO following receipt by the Company, in a form each Holder may share with their regulators, including the Securities Valuation Office of the National Association of Insurance Commissioners. Such form of rating letter or notification will identify the Notes to which such rating is applicable including the aggregate principal amount, initial interest rate, maturity date and CUSIP number, ISIN or "Common Code" number assigned to the Notes.

Section 1014. Conditional Waiver by Holders of Securities. Anything in this Indenture to the contrary notwithstanding, the Company may fail or omit in any particular instance to comply with a covenant or condition set forth herein with respect to the Notes (including the covenants set forth in Sections 1010, 1011, 1012 and 1013) if the Company shall have obtained and furnished to the Trustee, prior to the time of such failure or omission, evidence of the consent of the Holders of a majority in aggregate principal amount of the Notes of such series at the time Outstanding (except as to a covenant or condition which under Section 902 cannot be modified or amended without the consent of the Holder of each Outstanding Note affected, in which case the consent of the Holder of each Outstanding Note shall be required), either waiving such compliance in such instance or generally waiving compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, or impair any right consequent thereon and, until such waiver shall have become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

ARTICLE ELEVEN
REDEMPTION OF NOTES

Section 1101. Right of Redemption.

(a) At any time prior to the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time or from time to time, upon not less than 10 nor more than 60 days' prior notice to the Holders, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of the Notes to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 50 basis points, plus, in each case, accrued and unpaid interest, if any, to, but excluding, the Redemption Date. Notwithstanding the foregoing, if the relevant Redemption Date occurs on or after a record date for an Interest Payment Date, interest on Notes that is due and payable on such Interest Payment Date will be payable to the Holders of such Notes (or one or more Predecessor Notes) registered as such at the close of business on the relevant record dates according to their terms and the provisions of this Indenture. Any such redemption shall be effected in accordance with the terms and conditions set forth in this Indenture.

(b) From and after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time or from time to time, upon not less than 10 nor more than 60 days' prior notice to the Holders, at a Redemption Price equal to 100% of the aggregate principal amount of Notes to be redeemed, plus accrued and unpaid interest, if any, thereon to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date.

(c) The Company may redeem all of the Notes at its election pursuant to the provisions of the final paragraph of Section 1009 and subject to the conditions specified therein.

Section 1102. Mandatory Redemption; Open Market Purchases. The Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes. The Company or its Affiliates may from time to time acquire Notes by means other than a redemption, whether by lender offer, exchange offer, in open market purchases, through negotiated transactions or otherwise, in accordance with applicable securities laws, upon such terms and at such prices as the Company or its Affiliates may determine, which may be more or less than the consideration for which the Notes are being sold and may be less than the Redemption Price then in effect and could be for cash or other consideration.

Section 1103. Applicability of Article. Redemption of Notes at the election of the Company or otherwise, as permitted or required by any provision of this Indenture or the Notes, shall be made in accordance with such provision and this Article Eleven.

Section 1104. Election to Redeem; Notice to Trustee. If the Company elects to redeem Notes pursuant to Section 1101 hereof, it shall furnish to the Trustee, at least five Business Days before notice of redemption is required to be sent or mailed or caused to be sent or mailed to Holders pursuant to Section 1106 hereof (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of the Notes to be redeemed and (iv) the Redemption Price. Any notice to the Trustee delivered pursuant to this Section 1104 may be revoked by the Company prior to the delivery of any notice of redemption sent to Holders.

Section 1105. Selection by Depository or the Trustee of Notes to Be Redeemed. If less than all of the Notes are to be redeemed, and the Notes are Global Notes, the Notes to be redeemed will be selected by the Depository in accordance with the Depository's standard procedures. If the Notes to be redeemed are Certificated Notes, the particular Notes to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee from the Outstanding Notes not previously called for redemption, by lot or such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions of the principal amount of such Notes; provided, however, that no such partial redemption shall reduce the portion of the principal amount of a Note not redeemed to less than the minimum denomination for a Note established herein.

The Trustee shall promptly notify the Company and the Note Registrar in writing of the Certificated Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Notes shall relate, in the case of any Notes redeemed or to be redeemed only in part, to the portion of the principal of such Notes which has been or is to be redeemed.

Section 1106. Notice of Redemption. Notices of redemption shall be sent by first class mail, postage prepaid, or by email or other electronic means (or in the case of Notes held in book-entry form, by electronic transmission, or as otherwise provided in accordance with the procedures of the Depository), and sent at least 10 days but not more than 60 days before the Redemption Date to each Holder at such Holder's registered address, except that notices of redemption may be sent more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture. In connection with any redemption of Notes, any such redemption may, at the Company's discretion, be subject to one or more conditions precedent. All notices of redemption shall state:

- (1) the Redemption Date;
- (2) the Redemption Price and the amount of accrued interest to the Redemption Date payable as provided in Section 1108, if any;
- (3) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of a partial redemption, the principal amounts) of the particular Notes to be redeemed;
- (4) in case any Note is to be redeemed in part only, the notice which relates to such Note shall state that on and after the Redemption Date, upon surrender of such Note, the Holder shall receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed;
- (5) that on the Redemption Date the Redemption Price (and accrued and unpaid interest, if any, to, but excluding, the Redemption Date payable as provided in Section 1108) shall become due and payable upon each such Note, or the portion thereof, to be redeemed, and that interest thereon shall cease to accrue on and after said date, subject to any condition precedent in that notice;

- (6) the place or places where such Notes are to be surrendered for payment of the Redemption Price and accrued interest, if any;
- (7) the name and address of the Paying Agent;
- (8) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
- (9) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (10) the “CUSIP” number, ISIN or “Common Code” number and that no representation is made as to the accuracy or correctness of the “CUSIP” number, ISIN or “Common Code” number, if any, listed in such notice or printed on the Notes;
- (11) the paragraph of the Notes or Section of this Indenture pursuant to which the Notes are to be redeemed; and
- (12) any conditions precedent to which the redemption or notice is subject to and that, in the Company’s discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date so delayed.

If the Company so requests in the Officer’s Certificate delivered pursuant to Section 1104, the Trustee shall give the notice of redemption in the Company’s name and at its expense; provided that the Company shall have delivered to the Trustee, at least five Business Days before notice of redemption is required to be sent to Holders pursuant to this Section 1106 (unless a shorter notice shall be agreed to by the Trustee), a form of such notice setting forth the information specified in this Section 1106.

Section 1107. Effect of Notice of Redemption. Once notice of redemption is provided in accordance with Section 1106 hereof, Notes called for redemption become irrevocably due and payable on the Redemption Date at the Redemption Price, subject to any condition precedent set forth in that notice. The notice, if provided in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 1108 hereof, on and after the Redemption Date, interest shall cease to accrue on Notes or portions of Notes called for redemption.

Section 1108. Deposit of Redemption Price. Prior to 11:00 a.m. (Eastern Time) on any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money sufficient to pay the Redemption Price of, and accrued and unpaid interest, if any, on, all the Notes that are to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the Redemption Price of, and accrued and unpaid interest, if any, on, all Notes to be redeemed or purchased. In addition, all money, if any, earned on funds held by the Trustee or the Paying Agent, if in excess of the amounts necessary to pay the Redemption Price of, and accrued and unpaid interest, if any, on, all Notes to be redeemed or purchased shall be remitted to the Company.

Section 1109. Notes Payable on Redemption Date.

(a) Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date and assuming the satisfaction of any conditions precedent, become due and payable at the Redemption Price therein specified (together with accrued and unpaid interest to, but excluding, the Redemption Date), and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Company at the Redemption Price, together with accrued and unpaid interest, if any, to, but excluding, the Redemption Date, and such Notes shall be canceled by the Trustee; provided, however, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Notes, or one or more Predecessor Notes, registered as such at the close of business on the relevant Regular Record Dates according to their terms and the provisions of Section 306.

(b) If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Notes.

Section 1110. Notes Redeemed in Part. Any Note which is to be redeemed only in part (pursuant to the provisions of this Article Eleven) shall be surrendered at the office or agency of the Company maintained for such purpose pursuant to Section 1002 (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Company shall execute, and upon receipt of a Company Order the Trustee shall authenticate and deliver to the Holder of such Note without service charge, a new Note or Notes, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered; provided that no Note of \$1,000 or less in principal amount will be redeemed in part.

ARTICLE TWELVE
NOTE GUARANTEE

Section 1201. Guarantee.

(a) Subject to the provisions of this Article Twelve, each of the Guarantors hereby jointly and severally, unconditionally guarantees to each Holder of a Note (which Note has been authenticated and delivered by the Trustee), and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes, or the obligations of the Company hereunder or thereunder, that: (i) the principal of, premium on, if any, and interest on the Notes will be promptly paid in full when due, whether at Stated Maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest on, the Notes, if lawful, and all other obligations of the Company to the Holders, or the Trustee hereunder or thereunder, will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article Five hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such obligations as provided in Article Five hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 1202. Limitation on Guarantor Liability. Each Guarantor and, by its acceptance of Notes, each Holder thereof, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Insolvency Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal, state or similar foreign law to the extent applicable to the Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article Twelve, result in the obligations of such other Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance under federal, state or similar foreign law.

Section 1203. Issuance and Delivery of Note Guarantee.

To evidence its Note Guarantee set forth in Section 1201, each Guarantor hereby agrees that this Indenture (or, a supplemental indenture to this Indenture) shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 1201 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

If an Officer whose signature is on this Indenture or on any supplemental indenture with respect to a Note Guarantee no longer holds that office at the time the Trustee authenticates the Notes on which such Note Guarantee is endorsed, such Note Guarantee will be valid nevertheless.

The delivery of any Notes by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors. Upon execution of a supplemental indenture to this Indenture by any Guarantor in the form of Appendix B hereto, the Note Guarantee set forth in this Indenture and such supplemental indenture shall be deemed duly delivered, without any further action by any Person, on behalf of such Guarantor. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

ARTICLE THIRTEEN LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 1301. Company's Option to Effect Legal Defeasance or Covenant Defeasance. The Company may, at its option, and at any time, elect to have either Section 1302 or Section 1303 be applied to all Outstanding Notes upon compliance with the conditions set forth below in this Article Thirteen.

Section 1302. Legal Defeasance and Discharge. Upon the Company's exercise of the above option applicable to this Section 1302, the Parent and the Company shall be deemed to have been discharged from their obligations with respect to all Outstanding Notes on the date the conditions set forth in Section 1304 are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, such Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by such Outstanding Notes, which shall thereafter be deemed to be "Outstanding" only for the purposes of Section 1305 and the other Sections of this Indenture referred to in clauses (i) through (iv) of this paragraph, and to have satisfied all of its other obligations under such Notes and this Indenture insofar as such Notes are concerned (and the Trustee, at the expense of the Company, shall execute such instruments reasonably requested by the Company acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the rights of Holders of such Outstanding Notes to receive, solely from the trust fund described in Section 1304 and as more fully set forth in this Article Thirteen, payments in respect of the principal of (and premium, if any) and interest on such Notes when such payments are due; (ii) the obligations of the Company and the Trustee with respect to such Notes under Sections 304, 305, 310, 1002 and 1003; (iii) the rights, powers, trusts and immunities of the Trustee hereunder; and (iv) this Article Thirteen. The Company may exercise its option under this Section 1302 notwithstanding the prior exercise of its option under Section 1303 with respect to such Note.

Section 1303. Covenant Defeasance. Upon the Company's exercise of the above option applicable to this Section 1303, the Company shall be released from its obligations under Sections 1004 through 1006 and Sections 1008 through 1013 with respect to such Outstanding Notes on and after the date the conditions set forth in Section 1304 are satisfied (hereinafter, "*Covenant Defeasance*"), and such Notes shall thereafter be deemed to be not "Outstanding" for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with any such covenant, but shall continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such Covenant Defeasance means that, with respect to such Outstanding Notes, the Parent and the Company may omit to comply with, and shall have no liability in respect of, any term, condition or limitation set forth in any such Section, whether directly or indirectly, by reason of any reference elsewhere herein to any such Section or by reason of reference in any such Section to any other provision herein or in any other document and such omission to comply shall not constitute a default or an Event of Default under Section 501(3) or otherwise, as the case may be, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby.

Section 1304. Conditions to Legal Defeasance or Covenant Defeasance. The following shall be the conditions to application of either Section 1302 or Section 1303 to the Outstanding Notes:

(1) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another Trustee satisfying the requirements of Section 608 who shall agree to comply with the provisions of this Article Thirteen applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Notes, (1) an amount in U.S. Dollars, or (2) Government Obligations applicable to such Notes which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment of principal of (and premium, if any) and interest, if any, on such Notes, money in an amount, or (3) a combination thereof, in any case, in an amount, sufficient, without consideration of any reinvestment of such principal and interest, in the opinion of a nationally-recognized firm of independent public accountants, investment bank or appraisal firm expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or other qualifying trustee) to pay and discharge, the principal of (and premium, if any) and interest on such Outstanding Notes on the Stated Maturity of such principal (or premium, if any) or installment of interest or the applicable Redemption Date, as the case may be.

(2) Such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture.

(3) No Event of Default or Default shall have occurred and be continuing on the date of such deposit, and, solely in the case of Legal Defeasance under Section 1302, no Event of Default or Default under clause (5) or (6) of Section 501 shall have occurred and be continuing at any time during the period ending on the 91st day after the date of such deposit (it being understood that this condition to Legal Defeasance under Section 1302 shall not be deemed satisfied until the expiration of such period).

The Rule 144A Global Note, the IAI Global Note and the Regulation S Global Note are collectively referred to herein as “Global Notes.” The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee as hereinafter provided.

(b) Book-Entry Provisions. This Section 2.1(b) shall apply only to a Global Note deposited with or on behalf of the Depository.

The Company shall execute and upon receipt of a Company Order the Trustee shall, in accordance with this Section 2.1(b), authenticate and deliver initially one or more Global Notes that (a) shall be registered in the name of the Depository or the nominee of the Depository and (b) shall be delivered by the Trustee to the Depository or pursuant to the Depository’s instructions or held by the Trustee as custodian for the Depository.

Members of, or participants in, the Depository (“Agent Members”) shall have no rights under the Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee as the custodian of the Depository or under such Global Note, and the Company, the Trustee and any agent of the Company or the Trustee shall be entitled to treat the Depository as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a Holder of a beneficial interest in any Global Note.

(c) Certificated Notes. Except as provided in Section 2.3 or 2.4, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Certificated Notes.

2.2 Authentication. The Trustee shall upon receipt of a Company Order (as specified in Section 202 of the Indenture) promptly authenticate and deliver: (1) on the Issue Date, 8.50% Senior Notes due 2027 in an aggregate principal amount of \$150,000,000; and (2) any Additional Notes for an original issue in an aggregate principal amount specified in such Company Order. Such Company Order shall specify the aggregate principal amount of the Notes to be authenticated and the date on which the original issue of such Notes is to be authenticated.

2.3 Transfer and Exchange.

(a) Transfer and Exchange of Certificated Notes. When Certificated Notes are presented to the Note Registrar with a request:

(x) to register the transfer of such Certificated Notes; or

(y) to exchange such Certificated Notes for an equal principal amount of Certificated Notes of other authorized denominations,

the Note Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Certificated Notes surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Note Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing; and

(ii) in the case of Transfer Restricted Notes, are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to Section 2.3(b) of this Appendix or otherwise in accordance with the Restricted Notes Legend, and are accompanied by a certification from the transferor in the form in Exhibit 2 to Appendix A for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto.

then the Trustee shall cancel such Certificated Note and cause, or direct the Notes Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Notes Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Certificated Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Certificated Note so canceled. If the Global Note is not then Outstanding, the Company shall issue and the Trustee shall authenticate, upon receipt of a Company Order, a new Global Note in the appropriate principal amount.

(c) Transfer and Exchange of Global Notes.

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with the Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver to the Note Registrar a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in the Global Note. The Note Registrar shall, in accordance with such instructions, instruct the Depository to credit to the account of the Person specified in such instructions a beneficial interest in the Global Note and to debit the account of the Person making the transfer the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Note Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Note Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix, a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(iv) Transfers by an owner of a beneficial interest in a Rule 144A Global Note or an IAI Global Note to a transferee who takes delivery of such interest through another Transfer Restricted Note shall be made in accordance with the Applicable Procedures and the Restricted Notes Legend and only upon receipt by the Trustee of a certification from the transferor in the form provided in Exhibit 2 to Appendix A for exchange or registration of transfers and, as applicable, delivery of such legal opinions, certifications and other information as may be requested pursuant thereto. In addition, in the case of a transfer of a beneficial interest in a Rule 144A Global Note or a Regulation S Global Note to an interest in an IAI Global Note, the transferee must furnish a signed letter substantially in the form of Exhibit 3 to Appendix A to the Trustee.

(v) During the Distribution Compliance Period, beneficial ownership interests in the Regulation S Global Note may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures, the Restricted Notes Legend on such Regulation S Global Note and any applicable securities laws of any state of the United States. Prior to the expiration of the Distribution Compliance Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through a Rule 144A Global Note or an IAI Global Note shall be made only in accordance with the Applicable Procedures and the Restricted Notes Legend and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided in Exhibit 2 to Appendix A for exchange or registration of transfers. Such written certification shall no longer be required after the expiration of the Distribution Compliance Period. Upon the expiration of the Distribution Compliance Period, beneficial interests in the Regulation S Global Note shall be transferable in accordance with applicable law and the other terms of the Indenture.

(vi) Upon the expiration of the Distribution Compliance Period, beneficial interests in the Regulation S Global Note may be exchanged for beneficial interests in an Unrestricted Global Note upon certification in the form provided in Exhibit 2 to Appendix A for an exchange from a Regulation S Global Note to an Unrestricted Global Note.

(vii) Beneficial interests in a Transfer Restricted Note that is a Rule 144A Global Note or an IAI Global Note may be exchanged for beneficial interests in an Unrestricted Global Note if the Holder certifies in writing to the Note Registrar that its request for such exchange is in respect of a transfer made in reliance on Rule 144 (such certification to be in the form set forth in Exhibit 2 to Appendix A) and/or upon delivery of such legal opinions, certifications and other information as the Company may reasonably request.

(viii) If no Unrestricted Global Note is Outstanding at the time of a transfer contemplated by the preceding clauses (vi) and (vii), the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the front of an Officer's Certificate, a new Unrestricted Global Note in the appropriate principal amount.

[FORM OF REVERSE SIDE OF INITIAL NOTE]

8.50% Senior Notes due 2027

Capitalized terms used herein but not defined herein shall have the meanings given to such terms in the Indenture.

1. Principal and Interest

Arbor Realty SR, Inc. (the "Company") shall pay the principal of this Note on October 15, 2027.

The Company promises to pay interest on the principal amount of this Note on each Interest Payment Date, as set forth below, at the rate set forth below.

Interest on the Notes shall accrue at the rate of 8.50% per annum and be payable in cash. Such rate is subject to adjustment as of the first day of any Six-Month Interest Period based on changes in the ratings of the Notes as provided in Section 301 of the Indenture.

Interest shall be payable semi-annually in arrears (to the Holders at the close of business on April 1 or October 1 immediately preceding the Interest Payment Date) on each Interest Payment Date, commencing April 15, 2023.

Interest on this Note shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from October 11, 2022. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

The Company shall pay interest on overdue principal at the rate equal to the then applicable interest rate on the Notes, and it shall pay interest on overdue installments of interest at the same rate, in any case to the extent lawful.

2. Method of Payment

The Company shall pay interest (except Defaulted Interest) on the principal amount of the Notes on each April 15 and October 15 to the Persons who are Holders (as reflected in the Note Register at the close of business on April 1 and October 1 immediately preceding the Interest Payment Date), in each case, even if the Note is transferred or exchanged after such Regular Record Date, except as provided in Section 306(b) of the Indenture with respect to Defaulted Interest; provided that with respect to the payment of principal, the Company shall make payment to the Holder that surrenders this Note to any Paying Agent on or after October 15, 2027.

The Company shall pay principal (and premium, if any) and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. However, the Company may pay principal (and premium, if any) and interest by its check payable in such money. The Company may pay interest on the Notes by check sent to the Holders at their respective addresses set forth in the Note Register; provided that all payments of principal (and premium, if any) and interest with respect to Notes represented by one or more Global Notes registered in the name of or held by the Depository or its nominee shall be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof. If a payment date is a Legal Holiday, payment may be made on the next succeeding day that is a Business Day as if made on the date that the payment was due, and no interest shall accrue for the intervening period.

3. Paying Agent and Note Registrar.

Initially, UMB Bank, N.A. (the “Trustee”) shall act as Paying Agent and Note Registrar. The Company may change any Paying Agent or Note Registrar upon written notice thereto and without notice to the Holders. The Company may act as Paying Agent, Note Registrar or co-registrar.

4. Indenture.

The Company issued the Notes under an Indenture dated as of October 11, 2022 (the “Indenture”) between the Company and the Trustee. The Notes are subject to all the terms stated in the Indenture, and Holders are referred to the Indenture for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture shall control.

The Notes are unsecured senior obligations of the Company. The Indenture does not limit the aggregate principal amount of the Notes. Subject to the conditions set forth in the Indenture, the Company may issue Additional Notes.

5. Mandatory Redemption.

The Company is not required to make any mandatory redemption or sinking fund payments with respect to the Notes.

6. Optional Redemption; Change of Control Offer.

(1) At any time prior to the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time or from time to time, upon not less than 10 nor more than 60 days' prior notice to the Holders, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of the Notes to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 50 basis points, plus, in each case, accrued and unpaid interest, if any, to, but excluding, the Redemption Date. Notwithstanding the foregoing, if the relevant Redemption Date occurs on or after a record date for an Interest Payment Date, interest on Notes that are due and payable on such Interest Payment Date will be payable to the Holders of such Notes (or one or more Predecessor Notes) registered as such at the close of business on the relevant record dates according to their terms and the provisions of the Indenture. Any such redemption shall be effected in accordance with the terms and conditions set forth in the Indenture. From and after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time or from time to time, upon not less than 10 nor more than 60 days' prior notice to the Holders, at a Redemption Price equal to 100% of the aggregate principal amount of Notes to be redeemed, plus accrued and unpaid interest, if any, thereon to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date.

(2) Upon the occurrence of a Change of Control Triggering Event, the Holder shall have the right to require the Company to purchase all or any part (equal to \$1,000 or an integral multiple of \$1,000 in excess thereof) of this Note, pursuant to a Change of Control Offer made in accordance with Section 1009 of the Indenture, at a purchase price in cash equal to 101% of the principal amount hereof, plus accrued and unpaid interest hereon, if any, up to, but excluding, the Change of Control Payment Date (subject to the right of the holder of record of this Note on the relevant record date to receive interest on the relevant Interest Payment Date as provided in Section 1009 of the Indenture), except to the extent that the Company shall have exercised its right to redeem this Note pursuant to the preceding paragraph (1).

(3) If Holders of not less than 90% in aggregate principal amount of the Outstanding Notes validly tender and do not withdraw their Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company shall have the right, upon not less than 15 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to such Change of Control Offer, to redeem this Note and all other Notes that remain Outstanding following such purchase at a Redemption Price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, up to, but excluding, the Redemption Date (subject to the right of the holder of record of this Note on the relevant record date to receive interest on the relevant Interest Payment Date as provided in Section 1009 of the Indenture).

7. Denominations; Transfer; Exchange.

The Notes are in registered form without coupons in minimum denominations of \$1,000 principal amount and integral multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Note Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any transfer tax or other similar governmental charges payable in connection therewith. The Company shall not be required, and without the prior written consent of the Company, the Note Registrar shall not be required, to register the transfer of or exchange of any Note (i) during a period beginning at the opening of business 15 days before provision of a notice of redemption of Notes and ending at the close of business on the day of such provision, (ii) selected for redemption in whole or in part and (iii) beginning at the opening of business on any record date and ending on the close of business on the related Interest Payment Date.

8. Persons Deemed Owners.

A registered Holder shall be treated as the owner of a Note for all purposes.

9. Unclaimed Money.

Subject to applicable laws relating to abandoned property, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of (or premium, if any) or interest on any Note and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

10. Defeasance Prior to Redemption or Maturity.

Subject to satisfaction of conditions set forth in the Indenture, the Company at any time may terminate some or all of its obligations under the Notes and the Indenture if the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. Dollars, Government Obligations or a combination thereof, in such amounts as shall be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption, as the case may be.

11. Amendment; Supplement; Waiver.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company, the Parent, any Subsidiary Guarantor, as applicable, and the rights of the Holders issued under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time Outstanding affected thereby. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company, the Parent, or any Subsidiary Guarantor, as applicable, with certain provisions of the Indenture and certain past defaults under the Indenture and its consequences. Any such consent or waiver shall be binding upon all future Holders of this Note and of any Notes issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note. The Indenture also permits the Company, the Parent, any Subsidiary Guarantor, as applicable, and the Trustee, without notice to or consent of the Holders, to enter into one or more indentures supplemental thereto for the purposes specified in the Indenture.

12. Restrictive Covenants.

The Indenture contains certain covenants, including covenants with respect to the following matters: (i) the maintenance of certain financial ratios and the maintenance of a rating; and (ii) merger, consolidation or conveyance of all or substantially all properties and assets. Within 120 days after the end of each fiscal year, the Company must certify to the Trustee as to its compliance with such covenants.

13. Successor Persons.

When a successor Person or other entity assumes all the obligations of its predecessor under the Notes and the Indenture, the predecessor Person shall be released from those obligations, subject to certain exceptions and conditions.

14. Remedies for Events of Default.

If an Event of Default with respect to the Notes in Section 501(5) or 501(6) of the Indenture has occurred, all Notes then Outstanding shall automatically become due and payable. If any other Event of Default has occurred and is continuing, then either the Trustee or the Holders of at least 25% of the aggregate principal amount of the Outstanding Notes may declare the principal of all the Notes, premium, if any, and accrued and unpaid interest, if any, thereon, to be due and payable immediately, as provided in Section 502 of the Indenture. At any time after the Notes have been accelerated, but before a judgment or decree based on acceleration has been obtained, the Holders of a majority of the aggregate principal amount of Outstanding Notes may, under certain circumstances provided in the Indenture, rescind and annul such acceleration.

15. Trustee Dealings with Company.

The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company with the same rights it would have if it were not the Trustee; provided, however, that if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue, or resign.

16. Authentication.

This Note shall not be valid until an authorized signatory of the Trustee signs the certificate of authentication on the other side of this Note.

17. Abbreviations.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A (= Uniform Gifts to Minors Act).

18. CUSIP and ISIN Numbers.

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP and ISIN numbers to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

19. Governing Law.

The Company shall furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York; Attention Chief Financial Officer.
