NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)
March 31, 2017

Note 1 — Description of Business

Arbor Realty Trust, Inc. (the "Company," "we," "us," or "our") is a Maryland corporation formed in 2003 and is externally managed and advised by Arbor Commercial Mortgage, LLC ("ACM" or our "Manager"). Through our Structured Loan Origination and Investment Business, or "Structured Business," we invest in a diversified portfolio of structured finance assets in the multifamily and commercial real estate markets, primarily consisting of bridge and mezzanine loans, including junior participating interests in first mortgages, preferred and direct equity. We may also directly acquire real property and invest in real estate-related notes and certain mortgage-related securities. Through our Agency Loan Origination and Servicing Business, or "Agency Business," we originate, sell and service a range of multifamily finance products through the Federal National Mortgage Association ("Fannie Mae") and the Federal Home Loan Mortgage Corporation ("Freddie Mac," and together with Fannie Mae, the government-sponsored enterprises, or the "GSEs"), the Government National Mortgage Association ("Ginnie Mae"), Federal Housing Authority ("FHA") and the U.S. Department of Housing and Urban Development (together with Ginnie Mae and FHA, "HUD") and the conduit/commercial mortgage-backed securities ("CMBS") programs. We retain the servicing rights and asset management responsibilities on substantially all loans we originate and sell under the GSE and HUD programs.

Substantially all of our operations are conducted through our operating partnership, Arbor Realty Limited Partnership ("ARLP"), for which we serve as the general partner, and ARLP's subsidiaries. We are organized to qualify as a real estate investment trust ("REIT") for U.S. federal income tax purposes.

Note 2 — Basis of Presentation and Significant Accounting Policies

Basis of Presentation

The accompanying unaudited consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP"), for interim financial statements and the instructions to Form 10-Q and Rule 10-01 of Regulation S-X. Accordingly, certain information and footnote disclosures normally included in the consolidated financial statements prepared under GAAP have been condensed or omitted. In the opinion of management, all adjustments considered necessary for a fair presentation of our financial position, results of operations and cash flows have been included and are of a normal and recurring nature. The operating results presented for interim periods are not necessarily indicative of the results that may be expected for any other interim period or for the entire year. These consolidated financial statements should be read in conjunction with our consolidated financial statements and notes thereto included in our 2016 Annual Report, which was filed with the SEC.

Principles of Consolidation

The accompanying unaudited consolidated financial statements include our financial statements and the financial statements of our wholly owned subsidiaries, partnerships and other joint ventures in which we own a controlling interest, including variable interest entities ("VIEs") of which we are the primary beneficiary. Entities in which we have a significant influence are accounted for under the equity method. See Note 16 — Variable Interest Entities for information about our VIEs. All significant inter-company transactions and balances have been eliminated in consolidation.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that could materially affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Significant Accounting Policies

We describe our significant accounting policies in our 2016 Annual Report. There have been no significant changes in our significant accounting policies since December 31, 2016.

ARBOR REALTY TRUST, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)
March 31, 2017

Recently Adopted Accounting Pronouncements

Description	Adoption Date	Effect on Financial Statements
In March 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standard Update ("ASU") 2016-09, Compensation - Stock Compensation: Improvements to Employee Share-Based Payment Accounting. This ASU is intended to simplify several aspects of the accounting for share-based payment award transactions, including income tax consequences, classification of awards as either equity or liabilities and classification on the statement of cash flows.	First quarter of 2017.	The adoption of this guidance did not have a material impact on our consolidated financial statements.
In March 2016, the FASB issued ASU 2016-07, Investments - Equity Method and Joint Ventures: Simplifying the Transition to the Equity Method of Accounting. This ASU, among other things, eliminates the requirement that when an investment qualifies for use of the equity method as a result of an increase in the level of ownership interest or degree of influence, an investor must adjust the investment, results of operations, and retained earnings retroactively on a step-by-step basis as if the equity method had been in effect during all previous periods the investment was held.	First quarter of 2017.	The adoption of this guidance did not have a material impact on our consolidated financial statements.
In November 2015, the FASB issued ASU 2015-17, Balance Sheet Classification of Deferred Taxes. This ASU requires deferred tax assets ("DTAs") and deferred tax liabilities ("DTLs") to be presented as noncurrent on the balance sheet.	First quarter of 2017, on a retrospective basis.	The adoption of this guidance did not have an impact on our consolidated financial statements.

Recently Issued Accounting Pronouncements

Description	Effective Date	Effect on Financial Statements
In January 2017, the FASB issued ASU 2017-04, Intangibles - Goodwill and Other: Simplifying the Test for Goodwill Impairment. This ASU eliminates step two from the goodwill impairment test, which measures a goodwill impairment loss by comparing the implied fair value with the carrying amount of goodwill.	First quarter of 2020 with early adoption permitted beginning in the first quarter of 2017.	We are evaluating the timing of our adoption and the impact this guidance may have on our consolidated financial statements.
In January 2017, the FASB issued ASU 2017-01, Business Combinations: Clarifying the Definition of a Business. This ASU provides a more robust framework to use in determining when a set of assets and activities constitutes a business. It also provides more consistency in applying the guidance, reduces the costs of application and makes the definition of a business more operable.	First quarter of 2018.	The potential impact of this new guidance will be assessed for future acquisitions or dispositions, but it is not expected to have a material impact on our consolidated financial statements.

Note 3 — Acquisition of Our Manager's Agency Platform

On July 14, 2016, we completed the previously announced acquisition of the agency platform of our Manager (the "Acquisition") pursuant to an asset purchase agreement ("Purchase Agreement") dated February 25, 2016. The aggregate purchase price was $275.8 million, which was paid with $138.0 million in stock, $87.8 million in cash and with the issuance of a $50.0 million seller financing instrument. The equity component of the purchase price was paid with 21,230,769 operating partnership units ("OP Units"), which was based on a stock price of $6.50 per share. The closing price of our common stock on the day of the Acquisition was $7.29 per share; therefore, the estimated fair value of the total consideration given to our Manager was $292.5 million. See Note 11 — Debt Obligations for further details about the seller financing and Note 17 — Equity for further details about the OP Units.

We finalized the purchase price allocation during the first quarter of 2017 based on the estimated fair values of the assets acquired and liabilities assumed as of the Acquisition date, which remained unchanged from the amounts disclosed in the 2016 Annual Report.

(1) "Weighted Average Pay Rate" is a weighted average, based on the unpaid principal balance ("UPB") of each loan in our portfolio, of the interest rate that is required to be paid monthly as stated in the individual loan agreements. Certain loans and investments that require an additional rate of interest "Accrual Rate" to be paid at the maturity are not included in the weighted average pay rate as shown in the table.
(2) The "First Dollar Loan-to-Value ("LTV") Ratio" is calculated by comparing the total of our senior most dollar and all senior lien positions within the capital stack to the fair value of the underlying collateral to determine the point at which we will absorb a total loss of our position.
(3) The "Last Dollar LTV Ratio" is calculated by comparing the total of the carrying value of our loan and all senior lien positions within the capital stack to the fair value of the underlying collateral to determine the point at which we will initially absorb a loss.

Concentration of Credit Risk

We are subject to concentration risk in that, at March 31, 2017, the UPB related to 33 loans with five different borrowers represented 15% of total assets. At December 31, 2016, the UPB related to 35 loans with five different borrowers represented 16% of total assets. During both the three months ended March 31, 2017 and the year ended December 31, 2016, no single loan or investment represented more than 10% of our total assets and no single investor group generated over 10% of our revenue.

Effective January 1, 2017, we revised our methodology used to assign a credit risk rating to each loan and investment to be consistent with the method used by our Agency Business. We now assign ratings of pass, pass/watch, special mention, substandard or doubtful to each loan and investment, instead of a one to five rating. Similar to our previous methodology, there are five ratings, each generally consistent with our prior ratings (i.e., pass is equivalent to a one rating, pass/watch is equivalent to a two rating, etc.), with a pass rating being the lowest risk and a doubtful rating being the highest.

The benchmark guidelines and other factors used in our revised methodology are substantially the same as our previous methodology. Each credit risk rating has benchmark guidelines that pertain to debt-service coverage ratios, LTV ratios, borrower strength, asset quality, and funded cash reserves. Other factors such as guarantees, market strength, remaining loan term and borrower equity are also reviewed and factored into determining the credit risk rating assigned to each loan. This metric provides a helpful snapshot of portfolio quality and credit risk. Given our asset management approach, however, the risk rating process does not result in differing levels of diligence contingent upon credit rating. That is because all portfolio assets are subject to the level of scrutiny and ongoing analysis consistent with that of a “high-risk” loan. Assets are subject to, at minimum, a thorough quarterly financial evaluation in which historical operating performance and forward-looking projections are reviewed.

Generally speaking, given our typical loan profile, risk ratings of pass, pass/watch and special mention suggest that we expect the loan to make both principal and interest payments according to the contractual terms of the loan agreement, and is not considered impaired. A risk rating of substandard indicates we anticipate the loan may require a modification of some kind. A risk rating of doubtful indicates we expect the loan to underperform over its term, and there could be loss of interest and/or principal. Further, while the above are the primary guidelines used in determining a certain risk rating, subjective items such as borrower strength, market strength or asset quality may result in a rating that is higher or lower than might be indicated by any risk rating matrix.

As a result of the loan review process at March 31, 2017 and December 31, 2016, we identified loans and investments that we consider higher-risk loans that had a carrying value, before loan loss reserves, of $147.9 million and $150.5 million, respectively, and a weighted average last dollar LTV ratio of 95% for both periods.

A summary of the loan portfolio’s weighted average internal risk ratings and LTV ratios by asset class is presented below. The internal risk ratings as of December 31, 2016 have been revised to reflect the revised methodology described above.

Geographic Concentration Risk

As of March 31, 2017, 24%, 15%, 14% and 13% of the outstanding balance of our loan and investment portfolio had underlying properties in New York, California, Florida and Texas, respectively. As of December 31, 2016, 25%, 15%, 14% and 13% of the outstanding balance of our loan and investment portfolio had underlying properties in New York, California, Florida and Texas, respectively.

Impaired Loans and Allowance for Loan Losses

We evaluate each loan in our portfolio quarterly to assess the performance of our loans and whether a reserve for impairment should be recorded. We measure our relative loss position for our mezzanine loans, junior participation loans and preferred equity investments by determining the point where we will be exposed to losses based on our position in the capital stack as compared to the fair value of the underlying collateral. We determine our loss position on both a first dollar LTV and a last dollar LTV basis, as defined above. A summary of the changes in the allowance for loan losses is as follows:

	Three Months Ended March 31, 2017	Three Months Ended March 31, 2016
Allowance at beginning of period	$ 83,711,575	$ 86,761,575
Recoveries of reserves	(695,653)	(15,000)
Allowance at end of period	$ 83,015,922	$ 86,746,575

The recoveries of reserves for both periods presented were related to multifamily loans and the ratio of recoveries to the average loans and investments outstanding during both the three months ended March 31, 2017 and 2016 was 0.0%.

At March 31, 2017 and December 31, 2016, we had a total of seven and eight loans, respectively, with an aggregate carrying value, before loan loss reserves, of $186.6 million and $187.4 million, respectively, for which impairment reserves have been recorded.

There were no loans for which the fair value of the collateral securing the loan was less than the carrying value of the loan for which we had not recorded a provision for loan loss as of March 31, 2017 and 2016.

We have six loans with a carrying value totaling $120.9 million at March 31, 2017, which mature in September 2017, that are collateralized by a land development project. The loans do not carry a current pay rate of interest, but five of the loans with a carrying value totaling $111.6 million entitle us to a weighted average accrual rate of interest of 8.39%. In 2008, we suspended the recording of the accrual rate of interest on these loans, as they were impaired and we deemed the collection of this interest to be doubtful. We have recorded cumulative allowances for loan losses of $49.1 million related to these loans as of March 31, 2017. The loans are subject to certain risks associated with a development project including, but not limited to, availability of construction financing, increases in projected construction costs, demand for the development's outputs upon completion of the project, and litigation risk. Additionally, these loans were not classified as non-performing as the borrower is in compliance with all of the terms and conditions of the loans.

At March 31, 2017, three loans with an aggregate net carrying value of $1.0 million, net of related loan loss reserves of $22.2 million, were classified as non-performing. At December 31, 2016, three fully reserved loans with an aggregate carrying value of $22.9 million were classified as non-performing. Income from non-performing loans is generally recognized on a cash basis when it is received. Full income recognition will resume when the loan becomes contractually current and performance has recommenced.

A summary of our non-performing loans by asset class is as follows:

At March 31, 2017 and December 31, 2016, we did not have any loans contractually past due 90 days or more that were still accruing interest.

A summary of loan modifications, refinancings and/or extensions by asset class that we considered to be troubled debt restructurings were as follows:

	Three Months Ended March 31, 2016				
Asset Class	Number of Loans	Original Unpaid Principal Balance	Original Wtd. Avg. Rate of Interest	Extended Unpaid Principal Balance	Extended Wtd. Avg. Rate of Interest
Multifamily	1	$ 14,646,456	5.24%	$ 14,646,456	5.24%

There were no loan modifications, refinancings and/or extensions during the three months ended March 31, 2017 that we considered troubled debt restructurings.

There were no loans in which we considered the modifications to be troubled debt restructurings that were subsequently considered non-performing as of March 31, 2017 and 2016 and no additional loans were considered to be impaired due to our troubled debt restructuring analysis for the three months ended March 31, 2017 and 2016. These loans were modified to increase the total recovery of the combined principal and interest from the loan.

Given the transitional nature of some of our real estate loans, we may require funds to be placed into an interest reserve, based on contractual requirements, to cover debt service costs. As of March 31, 2017, we had total interest reserves of $22.7 million on 76 loans with an aggregate UPB of $972.7 million. As of December 31, 2016, we had total interest reserves of $20.4 million on 75 loans with an aggregate UPB of $1.01 billion.

Note 6 — Capitalized Mortgage Servicing Rights

Our capitalized mortgage servicing rights ("MSRs") reflect commercial real estate MSRs derived from loans sold in our Agency Business. The discount rates used to determine the present value of our MSRs throughout the periods presented for all MSRs were between 8 - 15% (representing a weighted average discount rate of 13%) based on management's best estimate of market discount rates. The weighted average estimated life remaining of our MSRs was 7.0 years at March 31, 2017.

A summary of our capitalized MSR activity is as follows:

	Three Months Ended March 31, 2017		
	Acquired	Originated	Total
Balance at beginning of period	$ 194,800,754	$ 32,942,232	$ 227,742,986

During the three months ended March 31, 2017, we recorded $3.4 million of write-offs relating to specific MSRs, primarily due to prepayments of certain loans. Prepayment fees totaling $2.0 million were collected in the three months ended March 31, 2017 and are included as a component of servicing revenue, net on the consolidated statements of income. As of March 31, 2017 and December 31, 2016, we had no valuation allowance recorded on any of our MSRs.

The expected amortization of the capitalized MSRs recorded as of March 31, 2017 is shown in the table below. Actual amortization may vary from these estimates.

These escrows are maintained in separate accounts at two federally insured depository institutions, which may exceed FDIC insured limits.

Note 8 — Securities

Available-for-Sale

Our available-for-sale securities consist of equity securities and Agency Business commercial mortgage interest-only securities ("Agency IOs") from loans sold and securitized under the Freddie Mac Small Balance Loan Program ("SBL Program").

Equity Securities. We own common stock of CV Holdings, Inc., formerly Realty Finance Corporation, which is a commercial real estate specialty finance company. These securities are carried at their estimated fair value with unrealized gains and losses reported in accumulated other comprehensive income.

The following is a summary of the equity securities classified as available-for-sale:

	March 31, 2017		
	Amortized Cost	Cummulative Unrealized Gain	Carrying Value / Estimated Fair Value
2,939,465 common shares of CV Holdings, Inc	$ 58,789	$ 587,893	$ 646,682
	December 31, 2016		
2,939,465 common shares of CV Holdings, Inc	$ 58,789	$ 558,499	$ 617,288

Agency IOs. Through our Agency Business, we originate and sell loans to Freddie Mac under the SBL Program, which are then pooled and securitized. Prior to the Acquisition and upon securitization of SBL Program loans, our Manager received Agency IOs under the SBL Program that we acquired in the Acquisition. We elected the fair value option for the Agency IOs, which requires changes in fair value to be recognized through earnings. We record such gains and losses to gain on sales, including fee-based services, net in the consolidated statements of income. As a result of changes in the Freddie Mac SBL Program in 2016, we do not expect to receive Agency IOs from future securitizations.

A summary of our Agency IOs activity is as follows:

	Three Months Ended March 31, 2017
Balance at beginning of period	$ 4,786,175
Changes in fair value	(125,355)
Balance at end of period	$ 4,660,820

The UPB of our Agency IOs was $880.4 million and $904.4 million at March 31, 2017 and December 31, 2016, respectively, which mature between 2035 and 2036. During the three months ended March 31, 2017, we recognized $0.3 million of interest income related to these Agency IOs.

Held-to-Maturity

As part of the SBL Program securitizations described above, we are required to purchase the bottom tranche bond, generally referred to as the "B Piece," that represents the bottom 10%, or highest risk of the securitization. Prior to 2017, a third party investor agreed to purchase the B Piece of each SBL Program securitization at par. During the first quarter of 2017, we retained 49%, or $12.1 million face value of a B Piece bond, at a discount, for $7.8 million and sold the remaining 51% to the third party at par. These held-to-maturity securities are carried at cost, net of unamortized discounts and are collateralized by a pool of multifamily mortgage loans, bear interest at an initial weighted average variable rate of 3.50% and have an estimated weighted average maturity of 6.1 years. Approximately $1.8 million is estimated to mature within one year, $5.4 million is estimated to mature after one year through five years, $2.8 million is estimated to mature after five years through ten years and $1.7 million is estimated to mature after ten years.

The following is a summary of the held-to-maturity securities we held at March 31, 2017:

	Face Value	Carrying Value	Unrealized Gain	Estimated Fair Value
B Piece bonds	$ 12,067,682	$ 7,905,689	$ 360,673	$ 8,266,362

We do not intend to sell these investments and it is not more-likely-than-not that we will be required to sell the investments before recovery of its cost basis, which may be at maturity. These securities are evaluated periodically to determine whether a decline in their value is other-than-temporary, though such a determination is not intended to indicate a permanent decline in value. As of March 31 2017, no impairment was recorded on these held-to-maturity securities.

For the three months ended March 31, 2017 and 2016, our hotel properties had a weighted average occupancy rate of approximately 55% and 66%, respectively, a weighted average daily rate of approximately $134 and $97, respectively, and weighted average revenue per available room of approximately $73 and $65, respectively. The operation of a hotel property is seasonal with the majority of revenues earned in the first two quarters of the calendar year. During the second quarter of 2016, through site visits and discussion with market participants, we determined that the hotel property owned exhibited indicators of impairment and performed an impairment analysis. As a result of this impairment analysis, we recorded an impairment loss of $11.2 million. During the three months ended March 31, 2017, we received additional market analyses, including discussions with market participants, which resulted in a further impairment loss of $1.2 million.

At both March 31, 2017 and December 31, 2016, our office building was fully occupied by a single tenant. In April 2017, the lease expired and the building is currently vacant.

Our real estate assets had restricted cash balances totaling $0.7 million at both March 31, 2017 and December 31, 2016, due to escrow requirements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)
March 31, 2017

Structured Business. We utilize credit facilities and repurchase agreements with various financial institutions to finance our Structured Business loans and investments as noted in the table above.

At March 31, 2017 and December 31, 2016, the weighted average interest rate for the credit facilities and repurchase agreements of our Structured Business, noted in the above table, was 3.19% and 3.02%, respectively. Including certain fees and costs, such as structuring, commitment, non-use and warehousing fees, the weighted average interest rate was 3.53% and 3.42% at March 31, 2017 and December 31, 2016, respectively. The leverage on our loans and investment portfolio, excluding the $3.0 million master security agreement used to finance leasehold improvements at our corporate office, was 66% and 64% at March 31, 2017 and December 31, 2016, respectively.

In March 2017, we entered into a $10.0 million unsecured working capital line of credit that bears interest at a rate of 250 basis points over LIBOR. This line of credit is scheduled to mature in March 2018 and is renewable annually. As of March 31, 2017, we have not drawn down on this line of credit.

Agency Business. Our Agency Business utilizes credit facilities to finance its loans held-for-sale as noted in the table above.

We have a $500.0 million Multifamily As Soon as Pooled ® Plus ("ASAP") agreement with Fannie Mae, which, in March 2017, was increased from $400.0 million. The ASAP agreement has no commitment amount or expiration date and bears interest at a rate of 105 basis points over LIBOR (with a LIBOR Floor of 0.35%). ASAP provides us with a warehousing credit facility for mortgage loans that are to be sold to Fannie Mae and serviced under the Fannie Mae DUS program.

We have a $30.0 million letter of credit facility pursuant to which letters of credit have been issued to secure obligations under the Fannie Mae DUS program and the Freddie Mac SBL Program. The letter of credit facility bears interest at a fixed rate of 3.00%, matures in October 2018 and is primarily collateralized by our servicing revenue as approved by Fannie Mae and Freddie Mac. The letter of credit facility includes a sublimit of $5.0 million pertaining to letters of credit securing obligations under the Freddie Mac SBL Program. At March 31, 2017, the letters of credit outstanding include a $25.0 million letter of credit for the Fannie Mae DUS program and a $5.0 million letter of credit for the Freddie Mac SBL Program.

CLO VI — Issued three investment grade tranches in August 2016 with a replacement period through September 2019 and a stated maturity date in September 2026. CLO V — Issued three investment grade tranches in August 2015 with a replacement period through September 2018 and a stated maturity date in September 2025. Interest is variable based on one-month LIBOR; the weighted average note rate was 3.47% and 3.26% at March 31, 2017 and December 31, 2016, respectively.

CLO IV — Issued three investment grade tranches in February 2015 with a replacement period through September 2017 and a stated maturity date in March 2025. Interest is variable based on one-month LIBOR; the weighted average note rate was 3.27% and 3.06% at March 31, 2017 and December 31, 2016, respectively.

At March 31, 2017 and December 31, 2016, the aggregate weighted average note rate for our CLOs was 3.43% and 3.21%, respectively. Including certain fees and costs, the weighted average note rate was 3.93% and 3.71% at March 31, 2017 and December 31, 2016, respectively.

We account for our CLO transactions on our consolidated balance sheet as financing facilities. Our CLOs are VIEs for which we are the primary beneficiary and are consolidated in our financial statements. The investment grade tranches are treated as secured financings, and are non-recourse to us.

Senior Unsecured Notes

The debt carrying value of our senior unsecured notes at March 31, 2017 and December 31, 2016 were $94.7 million and $94.5 million, respectively, which were net of $3.1 million and $3.3 million, respectively, of deferred financing fees. The notes are due in 2021; however, they can be redeemed by us after May 15, 2017. Including certain fees and costs, the weighted average note rate was 8.15% at both March 31, 2017 and December 31, 2016.

Convertible Senior Unsecured Notes

In October 2016, we issued $86.3 million aggregate principal amount of 6.50% convertible senior unsecured notes, including the underwriter’s over-allotment option of $11.3 million, and, in January 2017, we issued an additional $13.8 million, which brought the aggregate outstanding principal amount of the notes to $100.0 million. The additional issuance in January 2017 is fully fungible with, and ranks equally in right of payment with, the initial issuance. The notes pay interest semiannually in arrears. We received total proceeds of $95.8 million from the offerings, net of deferred financing fees, which are being amortized through interest expense over the life of the notes. The notes mature on October 1, 2019, unless earlier converted or repurchased by the holders pursuant to their terms, and are not redeemable by us prior to maturity.

ARBOR REALTY TRUST, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)
March 31, 2017

The notes are convertible into, at our election, cash, shares of our common stock or a combination of both, subject to the satisfaction of certain conditions and during specified periods. The notes have a conversion rate of 119.1895 shares of common stock per $1,000 principal amount of notes, which represents a conversion price of $8.39 per share of common stock at March 31, 2017. The conversion rate is subject to adjustment upon the occurrence of certain specified events and the holders may require us to repurchase all or any portion of their notes for cash equal to 100% of the principal amount of the notes, plus accrued and unpaid interest, if we undergo a fundamental change as specified in the agreement.

Accounting guidance requires that convertible debt instruments with cash settlement features, including partial cash settlement, account for the liability component and equity component (conversion feature) of the instrument separately. The initial value of the liability component reflects the present value of the discounted cash flows using the nonconvertible debt borrowing rate of 7.50% at the time of issuance. The debt discount represents the difference between the proceeds received from the issuance and the initial carrying value of the liability component, which is being accreted back to the notes principal amount through interest expense over the term of the notes, which was 2.50 years and 2.75 years at March 31, 2017 and December 31, 2016, respectively.

The principal balance, unamortized discount and net carrying value of the liability and equity components of the notes were as follows:

	Liability Component				Equity Component
Period	**Principle Balance**	**Unamortized Debt Discount**	**Unamortized Deferred Financing Fees**	**Net Carrying Value**	**Net Carrying Value**
March 31, 2017	$ 100,000,000	$ 2,261,837	$ 3,498,636	$ 94,239,527	$ 2,531,925
December 31, 2016	$ 86,250,000	$ 2,119,436	$ 3,470,526	$ 80,660,038	$ 2,178,647

During the three months ended March 31, 2017, we incurred total interest expense on the notes of $2.1 million, of which $1.6 million, $0.3 million and $0.2 million related to the 6.50% cash coupon, accretion of the deferred financing fees and of the debt discount, respectively. Including the amortization of the deferred financing fees and debt discount, our total cost of the notes is 8.74% per annum.

At both March 31, 2017 and December 31, 2016, the conversion option value of the notes does not exceed their principal amount since the average closing market price of our common stock does not exceed the conversion rate. In addition, we have the intent and ability to settle the notes in cash. Therefore, the notes had no impact on our diluted earnings per share.

Junior Subordinated Notes

In the first quarter of 2017, we purchased, at a discount, $20.9 million of our junior subordinated notes with a carrying value of $19.8 million and recorded a gain on extinguishment of debt of $7.1 million. As a result, we settled our related equity investment and extinguished $21.5 million of notes. The carrying value of borrowings under our junior subordinated notes was $139.1 million and $157.9 million at March 31, 2017 and December 31, 2016, respectively, which is net of a deferred amount of $12.9 million and $14.9 million, respectively, (which is being amortized into interest expense over the life of the notes) and $2.3 million and $3.1 million, respectively, of deferred financing fees. These notes have maturities ranging from March 2034 through April 2037 and pay interest quarterly at a fixed or floating rate of interest based on three-month LIBOR. The current weighted average note rate was 3.98% and 3.82% at March 31, 2017 and December 31, 2016, respectively. Including certain fees and costs, the weighted average note rate was 4.10% and 3.94% at March 31, 2017 and December 31, 2016, respectively.

Related Party Financing

In connection with the Acquisition, we entered into a $50.0 million preferred equity interest financing agreement with our Manager to finance a portion of the aggregate purchase price. The debt has a five year term with a preferred return of 7% through December 31, 2016, increasing by 1% per annum thereafter, with a maximum rate of 12%. In addition, after eighteen months, the principal balance due is scheduled to increase over time with $62.5 million due if the debt remained outstanding until the end of the five-year term. Interest expense associated with this financing is recorded using the effective yield method. At both March 31, 2017 and December 31, 2016, the outstanding principal balance was $50.0 million and, during the three months ended March 31, 2017, we recorded interest expense of $1.0 million.

Debt Covenants

Credit Facilities and Repurchase Agreements. The credit facilities and repurchase agreements contain various financial covenants, including, but not limited to, minimum liquidity requirements, minimum net worth requirements, as well as certain other debt service coverage ratios, debt to equity ratios and minimum servicing portfolio tests. We were in compliance with all financial covenants and restrictions at March 31, 2017.

CLOs. Our CLO vehicles contain interest coverage and asset overcollateralization covenants that must be met as of the waterfall distribution date in order for us to receive such payments. If we fail these covenants in any of our CLOs, all cash flows from the applicable CLO would be diverted to repay principal and interest on the outstanding CLO bonds and we would not receive any residual payments until that CLO regained compliance with such tests. Our CLOs were in compliance with all such covenants as of March 31, 2017, as well as on the most recent determination dates in April 2017. In the event of a breach of the CLO covenants that could not be cured in the near-term, we would be required to fund our non-CLO expenses, including management fees and employee costs, distributions required to maintain our REIT status, debt costs, and other expenses with (i) cash on hand, (ii) income from any CLO not in breach of a covenant test, (iii) income from real property and loan assets, (iv) sale of assets, or (v) or accessing the equity or debt capital markets, if available. We have the right to cure covenant breaches which would resume normal residual payments to us by purchasing non-performing loans out of the CLOs. However, we may not have sufficient liquidity available to do so at such time.

A summary of our CLO compliance tests as of the most recent determination dates in April 2017 is as follows:

Cash Flow Triggers	CLO IV	CLO V	CLO VI
Overcollateralization (1)			
Current	136.99%	130.72%	129.87%
Limit	135.99%	129.72%	128.87%
Pass / Fail	Pass	Pass	Pass
Interest Coverage (2)			
Current	274.30%	196.10%	249.34%
Limit	120.00%	120.00%	120.00%
Pass / Fail	Pass	Pass	Pass

(1) The overcollateralization ratio divides the total principal balance of all collateral in the CLO by the total principal balance of the bonds associated with the applicable ratio. To the extent an asset is considered a defaulted security, the asset's principal balance for purposes of the overcollateralization test is the lesser of the asset's market value or the principal balance of the defaulted asset multiplied by the asset's recovery rate which is determined by the rating agencies. Rating downgrades of CLO collateral will generally not have a direct impact on the principal balance of a CLO asset for purposes of calculating the CLO overcollateralization test unless the rating downgrade is below a significantly low threshold (e.g. CCC-) as defined in each CLO vehicle.

(2) The interest coverage ratio divides interest income by interest expense for the classes senior to those retained by us.

A summary of our CLO overcollateralization ratios as of the determination dates subsequent to each quarter is as follows:

Determination (1)	CLO IV	CLO V	CLO VI
April 2017	136.99%	130.72%	129.87%
January 2017	136.99%	130.72%	129.87%
October 2016	136.99%	130.72%	129.87%
July 2016	136.99%	130.72%	—
April 2016	136.99%	130.72%	—

(1) The table above represents the quarterly trend of our overcollateralization ratio, however, the CLO determination dates are monthly and we were in compliance with this test for all periods presented.

The ratio will fluctuate based on the performance of the underlying assets, transfers of assets into the CLOs prior to the expiration of their respective replenishment dates, purchase or disposal of other investments, and loan payoffs. No payment due under the junior subordinated indentures may be paid if there is a default under any senior debt and the senior lender has sent notice to the trustee. The junior subordinated indentures are also cross-defaulted with each other.

Subsequent Event. In April 2017, we completed a collateralized securitization vehicle ("CLO VII"), issuing to third party investors three tranches of investment grade CLOs through two newly-formed wholly-owned subsidiaries totaling $279.0 million. As of the CLO closing date, the notes were secured by a portfolio of loan obligations with a face value of $296.2 million, consisting primarily of bridge loans that were contributed from our existing loan portfolio. The financing has a three year replacement period that allows the principal proceeds and sale proceeds (if any) of the loan obligations to be reinvested in qualifying replacement loan obligations, subject to the satisfaction of certain conditions set forth in the indenture. Thereafter, the outstanding debt balance will be reduced as loans are repaid. Initially, the proceeds of the issuance of the securities also included $63.8 million for the purpose of acquiring additional loan obligations for a period of up to 120 days from the closing date of the CLO, which were subsequently utilized resulting in the issuer owning loan obligations with a face value of $360.0 million. We retained a residual interest in the portfolio with a notional amount of $81.0 million. The notes had an initial weighted average interest rate of 1.99% plus one-month LIBOR and interest payments on the notes are payable monthly.

Note 12 — Allowance for Loss-Sharing Obligations

A summary of our allowance for loss-sharing obligations related to the Fannie Mae DUS program is as follows:

	Three Months Ended March 31, 2017
Beginning balance	$ 32,407,554
Provisions for loss sharing	1,679,385
Charge-offs, net	(1,867,449)
Ending balance	$ 32,219,490

When we settle a loss under the DUS loss-sharing model, the net loss is charged-off against the previously recorded loss-sharing obligation. The settled loss is often net of any previously advanced principal and interest payments in accordance with the DUS program, which are reflected as reductions to the proceeds needed to settle losses. At both March 31, 2017 and December 31, 2016, we had outstanding advances of $0.3 million, which were netted against the allowance for loss-sharing obligations.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)
March 31, 2017

At March 31, 2017 and December 31, 2016, the maximum quantifiable liability associated with our guarantees under the Fannie Mae DUS agreement was $2.14 billion and $2.04 billion, respectively. The maximum quantifiable liability is not representative of the actual loss we would incur. We would be liable for this amount only if all of the loans we service for Fannie Mae, for which we retain some risk of loss, were to default and all of the collateral underlying these loans was determined to be without value at the time of settlement.

Note 13 — Derivative Financial Instruments

Structured Business. During the first quarter of 2017, our remaining two qualifying LIBOR cap hedges, with a notional value of $55.6 million, and our remaining two qualifying interest rate swap cash flow hedges, with a notional value of $41.5 million, matured. We entered into the LIBOR cap hedges due to certain CLO agreements requiring a LIBOR cap of 2% and 3% and we entered into the interest rate swaps to hedge the variable cash flows associated with existing variable-rate debt. As of March 31, 2017, the Structured Business did not have any derivative financial instruments. At December 31, 2016, the fair value of our LIBOR cap hedges and interest rate swaps was less than $0.1 million and $(0.2) million, respectively.

The following table presents the effect of our derivative financial instruments on the statements of income (dollars in thousands):

Designation / Cash Flow	Derivative	Loss Recognized In Other Comprehensive Income (Loss) (Effective Portion) For the Three Months Ended March 31, 2017	2016	Loss Reclassified from Accumulated Other Comprehensive Income (Loss) into Interest Expense (Effective Portion) For the Three Months Ended March 31, 2017	2016
Qualifying	Interest Rate Swaps/Cap	$ —	$ 210	$ (237)	$ (1,365)

As of December 31, 2016, losses recognized through the consolidated statements of income from our non-qualified derivative instruments for all period presented and the cumulative amount of other comprehensive income (loss) related to net unrealized losses on derivatives designated as qualifying hedges were deminimus.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)
March 31, 2017

We enter into contractual commitments to originate and sell mortgage loans at fixed prices with fixed expiration dates. The commitments become effective when the borrower "rate locks" a specified interest rate within time frames established by us. All potential borrowers are evaluated for creditworthiness prior to the extension of the commitment. Market risk arises if interest rates move adversely between the time of the rate lock by the borrower and the sale date of the loan to an investor. To mitigate the effect of the interest rate risk inherent in providing rate lock commitments to borrowers, we enter into a forward sale commitment with the investor simultaneous with the rate lock commitment with the borrower. The forward sale contract with the investor locks in an interest rate and price for the sale of the loan. The terms of the contract with the investor and the rate lock with the borrower are matched in substantially all respects, with the objective of eliminating interest rate risk to the extent practical. Sale commitments with the investors have an expiration date that is longer than our related commitments to the borrower to allow, among other things, for the closing of the loan and processing of paperwork to deliver the loan into the sale commitment.

These commitments meet the definition of a derivative and are recorded at fair value, including the effects of interest rate movements which are reflected as a component of other income, net in the consolidated statements of income. The estimated fair value of rate lock commitments also include the fair value of the expected net cash flows associated with the servicing of the loan which is recorded as income from MSRs in the consolidated statements of income. During the three months ended March 31, 2017, we recorded $1.0 million of net losses from changes in the fair value of these derivatives in other income, net and $20.0 million of income from MSRs. See Note 14 — Fair Value for further details.

Note 14 — Fair Value

Fair value estimates are dependent upon subjective assumptions and involve significant uncertainties resulting in variability in estimates with changes in assumptions. The following table summarizes the principal amounts, carrying values and the estimated fair values of our financial instruments:

Fair value is defined as the price at which an asset could be exchanged in a current transaction between knowledgeable, willing parties. A liability's fair value is defined as the amount that would be paid to transfer the liability to a new obligor, not the amount that would be paid to settle the liability with the creditor. Where available, fair value is based on observable market prices or parameters or derived from such prices or parameters. Where observable prices or inputs are not available, valuation models are applied. These valuation techniques involve some level of estimation and judgment, the degree of which is dependent on the price transparency for the instruments or market and the instruments' complexity.

Assets and liabilities disclosed at fair value are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Hierarchical levels directly related to the amount of subjectivity associated with the inputs to fair valuation of these assets and liabilities are as follows:

Level 1 — Inputs are unadjusted and quoted prices exist in active markets for identical assets or liabilities, such as government, agency and equity securities.

Level 2 — Inputs (other than quoted prices included in Level 1) are observable for the asset or liability through correlation with market data. Level 2 inputs may include quoted market prices for a similar asset or liability, interest rates and credit risk. Examples include non-government securities, certain mortgage and asset-backed securities, certain corporate debt and certain derivative instruments.

Level 3 — Inputs reflect our best estimate of what market participants would use in pricing the asset or liability and are based on significant unobservable inputs that require a considerable amount of judgment and assumptions. Examples include certain mortgage and asset-backed securities, certain corporate debt and certain derivative instruments.

Determining which category an asset or liability falls within the hierarchy requires significant judgment and we evaluate our hierarchy disclosures each quarter.

The following is a description of the valuation techniques used to measure fair value and the general classification of these instruments pursuant to the fair value hierarchy.

Loans and investments, net. Fair values of loans and investments that are not impaired are estimated using Level 3 inputs based on direct capitalization rate and discounted cash flow methodologies using discount rates, which, in our opinion, best reflect current market interest rates that would be offered for loans with similar characteristics and credit quality. Fair values of impaired loans and investments are estimated using Level 3 inputs that require significant judgments, which include assumptions regarding discount rates, capitalization rates, creditworthiness of major tenants, occupancy rates, availability of financing, exit plan and other factors.

Loans held-for-sale, net. Consists of originated loans that are generally transferred or sold within 60 days from the date that a mortgage loan is funded, and are valued using pricing models that incorporate observable inputs from current market assumptions or a hypothetical securitization model utilizing observable market data from recent securitization spreads and observable pricing of loans with similar characteristics (Level 2). Fair values of loans held-for-sale include the fair value allocated to the associated future MSRs and is calculated pursuant to the valuation techniques described below for capitalized mortgage servicing rights, net (Level 3).

Capitalized mortgage servicing rights, net. Fair values are estimated using Level 3 inputs based on discounted future net cash flow methodology. The fair value of MSRs carried at amortized cost are estimated using a process that involves the use of independent third-party valuation experts, supported by commercially available discounted cash flow models and analysis of current market data. The key inputs used in estimating fair value include the contractually specified servicing fees, prepayment speed of the underlying loans, discount rate, annual per loan cost to service loans, delinquency rates, late charges and other economic factors.

Available-for-sale securities. Fair values are estimated based on current market quotes received from active markets or financial sources that trade such securities. The fair values of available-for-sale equity securities traded in active markets are estimated using Level 1 inputs. The fair values of available-for-sale debt securities are estimated using the recent purchase price and subsequent sales price of the securities, which are deemed Level 2 inputs. The fair value of our Agency IOs were estimated using Level 3 inputs and are derived from third party proprietary models using discounted cash flows based on the underlying contractual cash flows and require significant judgements, including assumptions on discount rates and constant prepayment rates.

Securities held-to-maturity. Fair values are approximated based on current market quotes received from financial sources that trade such securities and are based on prevailing market data and, in some cases, are derived from third party proprietary models based on well recognized financial principles and reasonable estimates about relevant future market conditions.

Derivative financial instruments. The fair values of rate lock and forward sale commitments are estimated using valuation techniques, which include internally-developed models developed based on changes in the U.S. Treasury rate and other observable market data (Level 2). The fair value of rate lock commitments includes the fair value of the expected net cash flows associated with the servicing of the loans, see capitalized mortgage servicing rights, net above for further details on the applicable valuation technique (Level 3). We also consider the impact of counterparty non-performance risk when measuring the fair value of these derivatives. Given the credit quality of our counterparties, the short duration of interest rate lock commitments and forward sale contracts, and our historical experience, the risk of nonperformance by our counterparties is not significant.

Credit facilities and repurchase agreements: The fair values of credit facilities and repurchase agreements for the Structured Business are estimated at Level 3 using discounted cash flow methodology, using discount rates, which, in our opinion, best reflect current market interest rates for financing with similar characteristics and credit quality. The majority of our credit facilities for the Agency Business bear interest at rates that are similar to those available in the market currently and the fair values are estimated using Level 2 inputs. For these facilities, the fair values approximate the carrying values reported in the balance sheets.

Collateralized loan obligations. Fair values are estimated at Level 3 based on broker quotations, representing the discounted expected future cash flows at a yield that reflects current market interest rates and credit spreads.

Senior unsecured notes. Fair values are estimated at Level 1 based on current market quotes received from active markets.

Convertible senior unsecured notes, net. Fair values are estimated at Level 2 based on current market quotes received from inactive markets.

Junior subordinated notes and related party financing. Fair values are estimated at Level 3 based on broker quotations, representing the discounted expected future cash flows at a yield that reflects current market interest rates and credit spreads.

We measure certain financial assets and financial liabilities at fair value on a recurring basis. The fair value of these financial assets and liabilities was determined using the following input levels as of March 31, 2017:

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)
March 31, 2017

We measure certain financial and non-financial assets at fair value on a nonrecurring basis. The fair values of these financial and non-financial assets were determined using the following input levels as of March 31, 2017:

	Net Carrying Value	Fair Value	Fair Value Measurements Using Fair Value Hierarchy		
			Level 1	Level 2	Level 3
Financial assets:					
Impaired loans, net (1)	$ 103,560,499	$ 103,560,499	$ —	$ —	$ 103,560,499
Non-financial assets:					
Long-lived assets (2)	$ 13,200,000	$ 13,200,000	$ —	$ —	$ 13,200,000

(1) We had an allowance for loan losses of $83.0 million relating to seven loans with an aggregate carrying value, before loan loss reserves, of $186.6 million at March 31, 2017.
(2) During the second quarter of 2016, we determined that a real estate owned hotel property exhibited indicators of impairment and an impairment analysis was performed, which resulted in an impairment loss of $11.2 million. During the three months ended March 31, 2017, we received additional market analyses which resulted in a further impairment loss of $1.2 million.

Loan impairment assessments. Loans held for investment are intended to be held to maturity and, accordingly, are carried at cost, net of unamortized loan origination costs and fees, loan purchase discounts, and net of the allowance for loan losses, when such loan or investment is deemed to be impaired. We consider a loan impaired when, based upon current information, it is probable that we will be unable to collect all amounts due for both principal and interest according to the contractual terms of the loan agreement. We perform evaluations of our loans to determine if the value of the underlying collateral securing the impaired loan is less than the net carrying value of the loan, which may result in an allowance and corresponding charge to the provision for loan losses. These valuations require significant judgments, which include assumptions regarding capitalization and discount rates, revenue growth rates, creditworthiness of major tenants, occupancy rates, availability of financing, exit plan and other factors. The table above and below includes all impaired loans, regardless of the period in which the impairment was recognized.

Long-lived assets: We review our real estate owned assets when events or circumstances change indicating that the carrying amount of an asset may not be recoverable. We recognize impairment if the discounted estimated cash flows to be generated by the asset are less than the carrying amount of such asset. Measurement of impairment is based upon the estimated fair value of the asset. In the evaluation of a real estate owned asset for impairment, many factors are considered, including estimated current and expected operating cash flows from the asset during the projected holding period, costs necessary to extend the life or improve the asset, expected capitalization rates, projected stabilized net operating income, selling costs, and the ability to hold and dispose of the asset in the ordinary course of business.

Note 15 — Commitments and Contingencies

Debt Obligations. Our debt obligations have approximate maturities of $725.9 million for the remainder of 2017, $379.7 million in 2018, $274.2 million in 2019, $263.1 million in 2020, $171.2 million in 2021 and $194.4 million thereafter.

Agency Business Commitments. The Agency Business is subject to supervision by certain regulatory agencies. Among other things, these agencies require us to meet certain minimum net worth, operational liquidity and restricted liquidity collateral requirements, and compliance with reporting requirements. Our adjusted net worth and liquidity required by the agencies for all periods presented exceeded these requirements.

As of March 31, 2017, we were required to maintain at least $11.5 million of liquid assets in one of our subsidiaries to meet our operational liquidity requirements for Fannie Mae and we had operational liquidity in excess of this requirement.

We are generally required to share the risk of any losses associated with loans sold under the Fannie Mae DUS program and are required to secure this obligation by assigning restricted cash balances and/or a letter of credit to Fannie Mae. The amount of collateral required by Fannie Mae is a formulaic calculation at the loan level by a Fannie Mae assigned tier which considers the loan balance, risk level of the loan, age of the loan and level of risk-sharing. Fannie Mae requires restricted liquidity for Tier 2 loans of 75 basis points, 15 basis points for Tier 3 loans and 5 basis points for Tier 4 loans, which is funded over a 48-month period that begins upon delivery of the loan to Fannie Mae. A significant portion of our Fannie Mae DUS serviced loans for which we have risk sharing are Tier 2 loans. As of March 31, 2017, we met the restricted liquidity requirement with a $25.0 million letter of credit and $14.9 million of cash collateral.

ARBOR REALTY TRUST, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)
March 31, 2017

As of March 31, 2017, reserve requirements for the Fannie Mae DUS loan portfolio will require us to fund $25.6 million in additional restricted liquidity over the next 48 months, assuming no further principal paydowns, prepayments, or defaults within our at-risk portfolio. Fannie Mae periodically reassesses these collateral requirements and may make changes to these requirements in the future. We generate sufficient cash flow from our operations to meet these capital standards and do not expect any changes to have a material impact on our future operations; however, future changes to collateral requirements may adversely impact our available cash.

We are subject to various capital requirements in connection with seller/servicer agreements that we have entered into with secondary market investors. Failure to maintain minimum capital requirements could result in our inability to originate and service loans for the respective investor and, therefore, could have a direct material effect on our consolidated financial statements. As of March 31, 2017, we met all of Fannie Mae's quarterly capital requirements and our Fannie Mae adjusted net worth was in excess of the required net worth. We are not subject to capital requirements on a quarterly basis for Ginnie Mae or FHA, as such requirements for these investors are only required on an annual basis.

As an approved designated seller/servicer under Freddie Mac's SBL Program, we are required to post collateral to ensure that we are able to meet certain purchase and loss obligations required by this program. Under the SBL Program, we are required to post collateral equal to $5.0 million, which we utilize letters of credit to fund. At March 31, 2017, we had an outstanding letter of credit of $5.0 million in satisfaction of our requirements under this program.

See Note 11 — Debt Obligations for details about the $30.0 million letter of credit agreement we entered into for our restricted cash requirements for the Fannie Mae DUS and Freddie Mac SBL Programs.

We enter into contractual commitments with borrowers providing rate lock commitments while simultaneously entering into forward sale commitments with investors. These commitments are outstanding for short periods of time (generally less than 60 days) and are described in Note 13 — Derivative Financial Instruments and Note 14 — Fair Value.

Unfunded Commitments. In accordance with certain loans and investments, we have outstanding unfunded commitments of $59.3 million as of March 31, 2017 that we are obligated to fund as borrowers meet certain requirements. Specific requirements include, but are not limited to, property renovations, building construction and conversions based on criteria met by the borrower in accordance with the loan agreements.

Litigation. We currently are neither subject to any material litigation nor, to our knowledge, are any material litigation currently threatened against us other than the following:

On June 15, 2011, three related lawsuits were filed by the Extended Stay Litigation Trust (the "Trust"), a post-bankruptcy litigation trust alleged to have standing to pursue claims that previously had been held by Extended Stay, Inc. and the Homestead Village L.L.C. family of companies (together "ESI") (formerly Chapter 11 debtors, together the "Debtors") that have emerged from bankruptcy. Two of the lawsuits were filed in the U.S. Bankruptcy Court for the Southern District of New York, and the third in the Supreme Court of the State of New York, New York County. There were 73 defendants in the three lawsuits, including 55 corporate and partnership entities and 18 individuals. A subsidiary of ours and certain other entities that are affiliates of ours are included as defendants. The New York State Court action has been removed to the Bankruptcy Court. Our affiliates filed a motion to dismiss the three lawsuits.

The lawsuits all allege, as a factual basis and background certain facts surrounding the June 2007 leveraged buyout of ESI from affiliates of Blackstone Capital. Our subsidiary, Arbor ESH II, LLC, had a $115.0 million investment in the Series A1 Preferred Units of a holding company of Extended Stay, Inc. The New York State Court action and one of the two federal court actions name as defendants, Arbor ESH II, LLC, Arbor Commercial Mortgage, LLC and ABT-ESI LLC, an entity in which we have a membership interest, among the broad group of defendants. These two actions were commenced by substantially identical complaints. The defendants are alleged in these complaints, among other things, to have breached fiduciary and contractual duties by causing or allowing the Debtors to pay illegal dividends or other improper distributions of value at a time when the Debtors were insolvent. These two complaints also allege that the defendants aided and abetted, induced, or participated in breaches of fiduciary duty, waste, and unjust enrichment ("Fiduciary Duty Claims") and name a director of ours, and a former general counsel of Arbor Commercial Mortgage, LLC, each of whom had served on the Board of Directors of ESI for a period of time. We are defending these two defendants and paying the costs of such defense. On the basis of the foregoing allegations, the Trust has asserted claims under a number of common law theories, seeking the return of assets transferred by the Debtors prior to the Debtors' bankruptcy filing.

In the third action, filed in Bankruptcy Court, the same plaintiff, the Trust, has named Arbor Commercial Mortgage, LLC and ABT-ESI LLC, together with a number of other defendants and asserts claims, including constructive and fraudulent conveyance claims under state and federal statutes, as well as a claim under the Federal Debt Collection Procedure Act.

On June 28, 2013, the Trust filed a motion to amend the lawsuits, to, among other things, (i) consolidate the lawsuits into one lawsuit, (ii) remove 47 defendants, none of whom are related to us, from the lawsuits so that there are 26 remaining defendants, including 16 corporate and partnership entities and 10 individuals, and (iii) reduce the counts within the lawsuits from over 100 down to 17. The remaining counts in the amended complaint against our affiliates are principally state law claims for breach of fiduciary duties, waste, unlawful dividends and unjust enrichment, and claims under the Bankruptcy Code for avoidance and recovery actions, among others. The bankruptcy court granted the motion and the amended complaint has been filed. The amended complaint seeks approximately $139.0 million in the aggregate, plus interest from the date of the alleged unlawful transfers, from director designees, portions of which are also sought from our affiliates as well as from unaffiliated defendants. We have moved to dismiss the referenced actions and intend to vigorously defend against the claims asserted therein. During a status conference held on March 18, 2014, the Court heard oral argument on the motion to dismiss and adjourned the case pending a ruling. Subsequent to that hearing, a new judge was assigned to the case and, in November 2016, the new judge entered an order directing the parties to file supplemental briefs addressing new cases decided since the last round of briefing. Oral arguments regarding the motion to dismiss were heard at a hearing held on January 25, 2017. The Court reserved decision at that hearing.

We have not made a loss accrual for this litigation because we believe that it is not probable that a loss has been incurred and an amount cannot be reasonably estimated.

Due to Borrowers. Due to borrowers represents borrowers' funds held by us to fund certain expenditures or to be released at our discretion upon the occurrence of certain pre-specified events, and to serve as additional collateral for borrowers' loans. While retained, these balances earn interest in accordance with the specific loan terms they are associated with.

Note 16 — Variable Interest Entities

Our involvement with VIEs primarily affects our financial performance and cash flows through amounts recorded in interest income, interest expense, provision for loan losses and through activity associated with our derivative instruments.

Consolidated VIEs. We have determined that our operating partnership, ARLP, and our CLO subsidiaries, which are owned by ARLP, are VIEs. ARLP is already consolidated in our financial statements, therefore, the identification of this entity as a VIE had no impact on our consolidated financial statements.

Our CLO subsidiaries invest in real estate and real estate-related securities and are financed by the issuance of CLO debt securities. We, or one of our affiliates, are named collateral manager, servicer, and special servicer for all CLO collateral assets which we believe gives us the power to direct the most significant economic activities of the entity. We also have exposure to CLO losses to the extent of our equity interests and also have rights to waterfall payments in excess of required payments to CLO bond investors. As a result of consolidation, equity interests in these CLOs have been eliminated, and the consolidated balance sheets reflect both the assets held and debt issued by the CLOs to third parties. Our operating results and cash flows include the gross amounts related to CLO assets and liabilities as opposed to our net economic interests in the CLO entities.

We are not obligated to provide, have not provided, and do not intend to provide financial support to any of the consolidated CLOs.

Unconsolidated VIEs. We determined that we are not the primary beneficiary of 17 VIEs in which we have a variable interest as of March 31, 2017 because we do not have the ability to direct the activities of the VIEs that most significantly impact each entity's economic performance.

The following is a summary of our variable interests in identified VIEs, of which we are not the primary beneficiary, as of March 31, 2017:

Type	Carrying Amount (1)		Maximum Exposure to Loss (2)	
Loans	$	213,725,211	$	213,725,211

(1) Represents the carrying amount of loans and investments before reserves. At March 31, 2017, $150.3 million of loans to VIEs had corresponding loan loss reserves of $77.6 million. See Note 4 — Loans and Investments for further details.
(2) Our maximum exposure to loss as of March 31, 2017 would not exceed the carrying amount of its investment.

These unconsolidated VIEs have exposure to real estate debt of approximately $1.25 billion at March 31, 2017.

Note 17 — Equity

Preferred Stock. The Series A, B and C preferred stock may not be redeemed by us before February 2018, May 2018 and February 2019, respectively.

Noncontrolling Interest. The noncontrolling interest relates to the 21,230,769 OP Units issued to ACM to satisfy a portion of the aggregate purchase price of the Acquisition. The value of these OP units at the Acquisition date was $154.8 million. Each of these OP Units are paired with one share of our Special Voting Preferred Shares having a par value of $0.01 per share and is entitled to one vote each on any matter submitted for stockholder approval, which represents approximately 29.1% of the voting power of our outstanding stock at March 31, 2017. The OP Units are entitled to receive distributions if and when our Board of Directors authorizes and declares future common stock

Common Stock		Preferred Stock			
			Dividend (1)		
Declaration Date	Dividend	Declaration Date	Series A	Series B	Series C

These amounts reflect dividends from March 1, 2017 through May 31, 2017 and are payable on May 31, 2017 to preferred stockholders of record on May 15, 2017.

Deferred Compensation. In March 2017, we issued 299,750 shares of restricted common stock under the 2014 Omnibus Stock Incentive Plan (the "2014 Plan") to certain employees of ours and our Manager with a total grant date fair value of $2.4 million and recorded $0.4 million to employee compensation and benefits and $0.5 million to selling and administrative expense in our consolidated statements of income. One third of the shares vested as of the date of grant, one third will vest in March 2018, and the remaining third will vest in March 2019. In March 2017, we also issued 74,375 shares of fully vested common stock to the independent members of the Board of Directors under the 2014 Plan and recorded $0.6 million to selling and administrative expense in our consolidated statements of income.

We entered into an amended and restated annual incentive agreement (the "2017 annual incentive agreement") with our chief executive officer, effective January 1, 2017. The chief executive officer's annual cash bonus and value of his annual long-term equity awards under the 2017 annual incentive agreement each increased 10% as a result of the Company meeting the equity capitalization growth goals in his previous incentive agreement. In addition, the chief executive officer is also eligible to receive a $3.0 million performance-based award of restricted stock units annually for five years subject to meeting certain goals related to the integration of the Acquisition. Each $3.0 million award vests in full three years after the grant date and is subject to the chief executive officer's continued employment. All other terms of the 2017 incentive agreement are consistent with the chief executive officer's previous incentive agreement.

During the first quarter of 2017, we issued 74,830 shares of restricted common stock to our chief executive officer under his 2017 annual incentive agreement with a grant date fair value of $0.6 million and recorded $0.1 million to employee compensation and benefits in our consolidated statements of income. One quarter of the shares vested as of the date of grant and one quarter will vest on each of the first, second and third anniversaries of the date of grant. Our chief executive officer was also granted up to 448,980 performance-based restricted stock units that vest at the end of a four-year performance period based on our achievement of certain total stockholder return objectives. The restricted stock units had a grant date fair value of $1.0 million and we recorded $0.1 million to employee compensation and benefits in our consolidated statements of income.

Accumulated Other Comprehensive Income. At March 31, 2017, accumulated other comprehensive income was $0.6 million and represents an unrealized gain related to available-for-sale securities. At December 31, 2016, accumulated other comprehensive income was $0.3 million and consisted of a $0.6 million unrealized gain related to available-for-sale securities, partially offset by $0.2 million of net unrealized losses on derivatives designated as cash flow hedges and less than $0.1 million of net deferred losses on terminated interest swaps.

See Note 13 — Derivative Financial Instruments for the reclassifications out of accumulated other comprehensive income and into earnings.

Earnings Per Share ("EPS"). Basic EPS is calculated by dividing net income attributable to common stockholders by the weighted average number of shares of common stock outstanding during each period inclusive of unvested restricted stock with full dividend participation rights. Diluted EPS is calculated by dividing net income by the weighted average number of shares of common stock outstanding plus the additional dilutive effect of common stock equivalents during each period using the treasury stock method. Our common stock equivalents include the weighted average dilutive effect of performance-based restricted stock units granted to our chief executive officer and OP Units issued in connection with the Acquisition.

The following is a reconciliation of the numerator and denominator of the basic and diluted EPS computations:

	Three Months Ended March 31, 2017		Three Months Ended March 31, 2016	
	Basic	Diluted	Basic	Diluted
Net income attributable to common stockholders (1)	$ 15,613,674	$ 15,613,674	$ 1,134,896	$ 1,134,896

(1) Net of preferred stock dividends.
(2) We consider OP Units to be common stock equivalents as the holder has voting rights, the right to distributions and the right to redeem the OP Units for the cash value of a corresponding number of shares of common stock or a corresponding number of shares of common stock, at our election.
(3) Mr. Kaufman was granted restricted stock units in 2017, 2016 and 2015 which vest at the end of a four-year performance period based upon our achievement of total stockholder return objectives.

Note 18 — Income Taxes

As a REIT, we are generally not subject to U.S. federal income tax to the extent of our distributions to stockholders and as long as certain asset, income, distribution, ownership and administrative tests are met. To maintain our qualification as a REIT, we must annually distribute at least 90% of our REIT-taxable income to our stockholders and meet certain other requirements. We may also be subject to certain state, local and franchise taxes. Under certain circumstances, federal income and excise taxes may be due on our undistributed taxable income. If we were to fail to meet these requirements, we would be subject to U.S. federal income tax, which could have a material adverse impact on our results of operations and amounts available for distributions to our stockholders. We believe that all of the criteria to maintain our REIT qualification have been met for the applicable periods, but there can be no assurance that these criteria will continue to be met in subsequent periods.

ARBOR REALTY TRUST, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)
March 31, 2017

The Agency Business is operated through a taxable REIT subsidiary ("TRS"), which is a part of our TRS consolidated group (the "TRS Consolidated Group") and may be subject to U.S. federal, state and local income taxes. In general, our TRS entities may hold assets that the REIT cannot hold directly and may engage in real estate or non-real estate-related business. In the first quarter of 2017, we recorded a tax provision of $6.1 million, which consisted of a current provision of $4.3 million and a deferred provision of $1.8 million. Current and deferred taxes are recorded on the portion of earnings (losses) recognized by us with respect to our interest in the TRS's. Deferred income tax assets and liabilities are calculated based on temporary differences between our U.S. GAAP consolidated financial statements and the federal, state, local tax basis of assets and liabilities as of the consolidated balance sheets.

Note 19 — Agreements and Transactions with Related Parties

Management Agreement. We, ARLP and Arbor Realty SR, Inc. have a management agreement with our Manager, pursuant to which our Manager provides us with a variety of advisory and professional services vital to our operations, including underwriting, accounting and treasury, compliance, marketing, information technology and human resources and we pay our Manager a base management fee and, under certain circumstances, an annual incentive fee.

The base management fee is an arrangement whereby we reimburse our Manager for its actual costs incurred in managing our business based on the parties' agreement in advance on an annual budget with subsequent quarterly true-ups to actual costs.

The incentive management fee is measured on an annual basis and is calculated pursuant to the terms of the management agreement. The minimum return, or incentive fee hurdle to be reached before an incentive fee is earned, is a percentage applied on a per share basis to the greater of $10.00 or the average gross proceeds per share. In addition, 60% of any loan loss and other reserve recoveries are eligible to be included in the incentive fee calculation, which recoveries are spread over a three year period.

The management agreement also allows us to consider, from time to time, the payment of additional "success-based" fees to our Manager for accomplishing certain specified corporate objectives; has a termination fee of $10.0 million; and is renewable automatically for successive one-year terms, unless terminated with six months prior written notice. If we terminate or elect not to renew the management agreement without cause, we are required to pay the termination fee of $10.0 million. Pursuant to the Purchase Agreement entered into in connection with the Acquisition, we have an option, expiring in July 2018, to purchase the existing management agreement and fully internalize our management structure for $25.0 million (increasing to $27.0 million after July 2017). The exercise of this option is at the discretion of the special committee of our Board of Directors, which has no obligation to exercise its option.

The following table sets forth our base management fees and incentive fees:

	Three Months Ended March 31,	
Management Fees:	**2017**	**2016**
Base	$ 4,000,000	$ 2,700,000
Incentive	—	—
Total management fee	$ 4,000,000	$ 2,700,000

For the three months ended March 31, 2017 and 2016, no "success-based" fees were incurred.

Other Related Party Transactions. Due from related party was $37.0 million and $1.5 million at March 31, 2017 and December 31, 2016, respectively, and consisted primarily of payoffs to be remitted and escrows held by our affiliated servicing operations related to real estate transactions.

Due to related party were $2.3 million and $6.0 million at March 31, 2017 and December 31, 2016, respectively, and consisted primarily of base management fees due to our Manager that we remitted in the following quarter.

Related party financing was $50.0 million at both March 31, 2017 and December 31, 2016 and represents a $50.0 million preferred equity interest financing agreement we entered into with our Manager to finance a portion of the aggregate purchase price of the Acquisition. We incurred interest expense of $1.0 million in the three months ended March 31, 2017 from this debt. See Note 11 — Debt Obligations for further details.

In March 2017, a consortium of investors, including Mr. Kaufman and our Manager, invested $2.0 million for a 26.1% ownership interest in two portfolios of multifamily properties which has two bridge loans totaling $14.8 million originated by us in November 2016. The outstanding bridge loans have an interest rate of LIBOR plus 5.25% with a LIBOR floor of 0.50% and mature in November 2018. Interest income recorded from these loans totaled $0.2 million for the three months ended March 31, 2017.

In January 2017, Ginkgo Investment Company LLC, of which one of our directors is a 33% managing member, purchased a multifamily apartment complex which assumed an existing $8.3 million Fannie Mae loan that we service. We carry a maximum loss-sharing obligation with Fannie Mae on this loan of up to 20% of the original unpaid principal balance. Upon the sale, we received a 1% loan assumption fee which was governed by existing loan agreements that were in place when the loan was originated in 2015, prior to such purchase.

In September 2016, we originated $48.0 million of bridge loans on six multifamily properties owned by a consortium of investors consisting of certain of our officers, including Mr. Kaufman and our Manager, who together own interests ranging from approximately 7.8% to 9.0% in the borrowing entities. The loans have an interest rate of LIBOR plus 4.50% with a LIBOR floor of 0.25% and mature in September 2019. Interest income recorded from these loans totaled $0.7 million for the three months ended March 31, 2017.

In January 2016, we originated a $12.7 million bridge loan and a $5.2 million preferred equity investment on two multifamily properties owned by a consortium of investors consisting of certain of our officers, including Mr. Kaufman, who together own an interest of approximately 50% in the borrowing entity. The bridge loan has an interest rate of one-month LIBOR plus 4.50% with a LIBOR floor of 0.25% and matures in January 2019. The preferred equity investment has a fixed interest rate of 10% and matures in November 2017. Interest income recorded from these loans totaled $0.3 million for both the three months ended March 31, 2017 and 2016.

In January 2016, we originated a $19.0 million bridge loan on a multifamily property owned by a consortium of investors consisting of certain of our officers, including Mr. Kaufman, who together own an interest of approximately 7.5% in the borrowing entity. Interest income recorded from this loan totaled $0.3 million and $0.2 million for the three months ended March 31, 2017 and 2016, respectively.

In November 2015, we originated a $7.1 million bridge loan on a multifamily property owned by a consortium of investors consisting of certain of our officers, including Mr. Kaufman, who together own an interest of approximately 7.5% in the borrowing entity. The loan has an interest rate of LIBOR plus 4.50%, with a LIBOR floor of 0.25%, and matures in November 2018, with two one-year extension options. Interest income recorded from this loan totaled $0.1 million for both the three months ended March 31, 2017 and 2016.

In October 2015, we originated two bridge loans totaling $16.7 million secured by multifamily properties acquired by a third party investor. The properties had been owned and were sold by a consortium of investors, consisting of certain of our officers, including Mr. Kaufman, certain other related parties and certain unaffiliated persons. The loans have an interest rate of LIBOR plus 5.00% with a LIBOR floor of 0.25% and mature in October 2017. Interest income recorded from these loans totaled $0.3 million and $0.2 million for the three months ended March 31, 2017 and 2016, respectively.

In April 2015, we originated a $3.0 million mezzanine loan on a multifamily property that has a $47.0 million first mortgage initially originated by our Manager. The loan bears interest at a fixed rate of 12.5% and matures in April

2025. Interest income recorded from this loan totaled $0.1 million for both the three months ended March 31, 2017 and 2016.

In April 2015, we originated a $6.3 million bridge loan on a multifamily property owned by a consortium of investors consisting of certain of our officers, including Mr. Kaufman and our Manager, who together own an interest of approximately 90% in the borrowing entity. The loan had an interest rate of LIBOR plus 4.50% with a LIBOR floor of 0.25% and was to mature in April 2018. The loan was repaid in full during the fourth quarter of 2016. Interest income recorded from this loan totaled $0.1 million for the three months ended March 31, 2016.

In February 2015, we modified an $18.0 million preferred equity investment, increasing our balance to $23.0 million with a fixed interest rate of 10% and a maturity date in February 2018. To accomplish the modification, we formed a joint venture with a consortium of investors consisting of certain of our officers, including Mr. Kaufman, and other related parties, to invest an additional $2.0 million preferred equity investment that is generally subordinate to ours. During the second quarter of 2016, the preferred equity investment was repaid in full and we received proceeds of $1.0 million, which was allocated to the consortium of investors. Interest income recorded from this loan was $0.6 million for the three months ended March 31, 2016.

In 2015, we invested $9.6 million for 50% of our Manager's indirect interest in a joint venture with a third party that was formed to invest in a residential mortgage banking business. As a result of this transaction, we had an initial indirect interest of 22.5% in this entity. Since the initial investment, we invested an additional $15.8 million through this joint venture in non-qualified residential mortgages purchased from the mortgage banking business's origination platform (which $0.3 million was funded in the three months ended March 31, 2017) and we received cash distributions totaling $13.5 million (that were classified as returns of capital) as a result of the joint venture selling most of its mortgage assets (which $0.4 million was received in the three months ended March 31, 2017). We recorded income of $0.1 million and $1.6 million from these investments during the three months ended March 31, 2017 and 2016, respectively.

In 2014, we invested $0.1 million for a 5% interest in a joint venture that owns two multifamily properties. The joint venture is comprised of a consortium of investors consisting of certain of our officers, including Mr. Kaufman, and other related parties, who together own an interest of 95%. In 2014, we originated two bridge loans totaling $5.0 million to the joint venture with an interest rate of 5.5% over one-month LIBOR and a maturity date extended as of right to September 2016. During the third quarter of 2016, one of the loans was repaid in full and we received proceeds of $3.3 million, which was allocated to the consortium of investors. The remaining loan was extended as of right to June 2017. Interest income recorded from these loans was less than $0.1 million for both the three months ended March 31, 2017 and 2016.

In 2014, we originated a $30.4 million bridge loan for an office property owned by a consortium of investors, including Mr. Kaufman and his affiliates, who together own an interest of approximately 24% in the borrowing entity. The loan has an interest rate of LIBOR plus 7.90% with a LIBOR floor of 0.50% and matures in July 2017. In January 2016, we also originated a $4.6 million mezzanine loan to this entity that has a fixed interest rate of 12% and a maturity date in July 2017. Interest income recorded from these loans totaled $0.8 million and $0.9 million for the three months ended March 31, 2017 and 2016, respectively.

In 2014, our Manager purchased a property subject to two loans originated by us, a first mortgage of $14.6 million and a second mortgage of $5.1 million, both with maturity dates of April 2016 and an interest rate of LIBOR plus 4.80%. During the first quarter of 2016, the $5.1 million second mortgage was repaid in full by our Manager and the $14.6 million first mortgage was extended to March 2018. Interest income recorded from these loans totaled $0.2 million and $0.3 million for the three months ended March 31, 2017 and 2016, respectively.

In 2011, we restructured a preferred equity investment on the Lexford Portfolio ("Lexford"), which is a portfolio of multifamily assets. In connection with this restructuring, we, along with an executive officer of ours and a consortium of independent outside investors, made an additional preferred and direct equity investment. Both of our preferred equity investments and our direct equity investment were repaid in full by the third quarter of 2015. As a result of the direct equity investment, we received distributions totaling $0.7 million and $0.3 million during the three months ended March 31, 2017 and 2016, respectively, which were recorded as income from equity affiliates.

In addition, under the terms of the restructuring, Lexford's first mortgage lender required a change of property manager for the underlying assets. The new management company is owned primarily by a consortium of affiliated investors including Mr. Kaufman and an executive officer of ours, and has a contract with the new entity for 7.5 years and is entitled to 4.75% of gross revenues of the underlying properties, along with the potential to share in the proceeds of a sale or refinancing of the debt should the management company remain engaged by the new entity at the time of such capital event. We have provided limited ("bad boy") guarantees for certain debt controlled by Lexford. The bad boy guarantees may become a liability for us upon standard "bad" acts such as fraud or a material misrepresentation by Lexford or us. At March 31, 2017, this debt had an aggregate outstanding balance of $847.3 million and is scheduled to mature between 2017 and 2025.

We are dependent upon our Manager with whom we have a conflict of interest, to provide services to us that are vital to our operations. Our chairman, chief executive officer and president, Mr. Kaufman, is also the chief executive officer and president of our Manager, and, our chief financial officer and treasurer, Mr. Elenio, is the chief financial officer of our Manager. In addition, Mr. Kaufman and his affiliated entities ("the Kaufman Entities") together beneficially own approximately 92% of the outstanding membership interests of our Manager and certain of our employees and directors also hold an ownership interest in our Manager. Furthermore, our general counsel is also the general counsel to our Manager and one of our directors serves as the trustee of one of the Kaufman Entities that holds a majority of the outstanding membership interests in our Manager and co-trustee of another Kaufman Entity that owns an equity interest in our Manager. Our Manager holds 5,349,053 of our common shares, and upon the closing of the Acquisition in July 2016, our Manager was issued 21,230,769 OP Units, each paired with one share of our Special Voting Preferred Shares, which, in total, represents approximately 36.4% of the voting power of our outstanding stock. Our Board of Directors approved a resolution under our charter allowing Mr. Kaufman and our Manager, (which Mr. Kaufman has a controlling equity interest in), to own more than the 5% ownership interest limit of our common stock as stated in our charter as amended.

Note 20 — Segment Information

As a result of the Acquisition, we currently evaluate our results from operations from two major business segments — our Structured Business and our Agency Business. See Note 1 — Description of Business for a detailed description of each segment.

The summarized statements of income and balance sheet data, as well as certain other data, by segment are included in the following tables. Specifically identifiable costs are recorded directly to each business segment. For items not specifically identifiable, costs have been allocated between the business segments using the most meaningful allocation methodologies, which was predominately direct labor costs (i.e., time spent working on each business segment). Such costs include, but are not limited to, compensation and employee related costs, selling and administrative expenses, management fees and stock-based compensation. All amounts are before amounts allocated to noncontrolling interest.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

You should read the following discussion in conjunction with the unaudited consolidated interim financial statements, and related notes and the section entitled "Forward-Looking Statements" included herein.

Overview

Through our Structured Business, we invest in a diversified portfolio of structured finance assets in the multifamily and commercial real estate markets, primarily consisting of bridge and mezzanine loans, including junior participating interests in first mortgages, preferred and direct equity. Through our Agency Business, we originate, sell and service a range of multifamily finance products through GSE, HUD and CMBS programs. We retain the servicing rights and asset management responsibilities on substantially all loans we originate and sell under the GSE and HUD programs. See Note 1 — Description of Business for additional details about our business segments and Note 3 — Acquisition of Our Manager's Agency Platform for further details about the Acquisition. We organize and conduct our operations to qualify as a REIT. A REIT is generally not subject to federal income tax on its REIT—taxable income that is distributed to its stockholders, provided that at least 90% of its REIT—taxable income is distributed and provided that certain other requirements are met.

Our operating performance is primarily driven by the following factors:

Net interest income earned on our investments. Net interest income represents the amount by which the interest income earned on our assets exceeds the interest expense incurred on our borrowings. If the yield on our assets increases or the cost or borrowings decreases, this will have a positive impact on earnings. However, if the yield earned on our assets decreases or the cost of borrowings increases, this will have a negative impact on earnings. Net interest income is also directly impacted by the size and performance of our asset portfolio. We recognize the bulk of our net interest income from our Structured Business. Additionally, we recognize net interest income from loans originated through our Agency Business, which are generally sold within 60 days of origination.

Fees and other revenue recognized from originating, selling and servicing mortgage loans through the GSE and HUD programs. Revenue recognized from the origination and sale of mortgage loans consists of commitment fees, broker fees, loan assumption fees, loan origination fees and gains on sale of loans, net of any direct loan origination costs incurred. These fees and gains are collectively referred to as gain on sales, including fee-based services, net. We record income from MSRs at the time of commitment to the borrower, which represents the fair value of the expected net future cash flows associated with the rights to service mortgage loans that we originate, with the recognition of a corresponding asset upon sale. We also record servicing revenue which consists of fees received for servicing mortgage loans, net of amortization on the MSR assets recorded. These origination, selling and servicing fees and other revenue began in the third quarter of 2016 as a result of the Acquisition and are included in our Agency Business results. Although we (through our Manager) have long-established relationships with the GSE and HUD agencies, our operating performance would be negatively impacted if our business relationships with these agencies deteriorate.

Income earned from our structured transactions. Our structured transactions are primarily comprised of investments in equity affiliates, which represent unconsolidated joint venture investments formed to acquire, develop and/or sell real estate-related assets. Income from these investments, principally our joint venture investment in a residential mortgage banking business, had comprised a significant portion of our operating results during 2016 and 2015. If interest rates continue to rise as we have seen over the past several months, it is likely that income from this investment will continue to be significantly impacted. In addition, we periodically receive distributions from our equity investments. It is difficult to forecast the timing of such payments, which can be substantial in any given quarter. We account for our structured transactions within our Structured Business.

Credit quality of our loans and investments, including our servicing portfolio. Effective portfolio management is essential to maximize the performance and value of our loan and investment and servicing portfolios. Maintaining the credit quality of the loans in our portfolios is of critical importance. Loans that do not perform in accordance with their terms may have a negative impact on earnings and liquidity.

Recent Developments. The following significant activity occurred during the three months ended March 31, 2017:

Capital Markets Activity.

- In January 2017, we issued an additional $13.8 million of the 6.50% convertible senior unsecured notes under the same terms as the original issuance in October 2016, which increased the aggregate outstanding principal amount to $100.0 million. We received net proceeds of $13.4 million from this additional offering; and
- In February 2017, we purchased, at a discount, $20.9 million of our junior subordinated notes with a carrying value of $19.8 million and recorded a gain on extinguishment of debt of $7.1 million.

Dividend. We raised our quarterly common dividend to $0.18 per share in the second quarter of 2017, which represents the third increase in the past four quarters and a 6% increase from last quarter.

Agency Business Activity.

- Loan originations and sales totaled $1.29 billion and $1.36 billion, respectively; and
- Our fee based servicing portfolio grew 6.7% to $14.47 billion in the first quarter of 2017 from $13.56 billion at December 31, 2016.

Structured Business Activity.

- Loan originations totaled $145.9 million with a weighted average interest rate of 6.51%;
- Loan payoffs were $190.4 million with a weighted average interest rate of 6.83%;
- We recognized income from equity investments totaling $0.8 million, primarily comprised of a $0.7 million cash distribution received from one of our equity investments. Income from our interest in a residential mortgage banking business was $0.1 million, as compared to $1.1 million in the fourth quarter of 2016, as a result of the rise in market interest rates; and
- We recorded an impairment loss of $1.2 million on our real estate owned hotel property based on additional market analyses performed.

Financing Activity. In March 2017, we entered into a $10.0 million unsecured working capital line of credit that bears interest at a rate of 250 basis points over LIBOR. This line of credit is scheduled to mature in March 2018 and is renewable annually.

Subsequent Event. In April 2017, we closed our seventh collateralized securitization vehicle (CLO VII) totaling $360.0 million of real estate related assets and cash, of which $279.0 million of investment-grade notes were issued and an $81.0 million equity interest in the portfolio was retained by us. The notes have an initial weighted average interest rate of 1.99% over LIBOR, 49 basis points lower than our last CLO in 2016.

Current Market Conditions, Risks and Recent Trends

Our ability to execute our business strategy, particularly the growth of our Structured Business portfolio of loans and investments, is dependent on many factors, including our ability to access capital and financing on favorable terms. The economic downturn that occurred a decade ago had a significant negative impact on both us and our borrowers and limited our ability for growth. If similar economic conditions recur in the future, it may limit our options for raising capital and obtaining financing on favorable terms and may also adversely impact the creditworthiness of our borrowers which could result in their inability to repay their loans.

We rely on the capital markets to generate capital for financing the growth of our Structured Business. We have been successful in generating capital through the debt markets over the past several quarters and completed the following transactions. In April 2017, we closed our seventh collateralized securitization vehicle, whereby we issued $279.0 million of investment-grade notes. Between October 2016 and January 2017, we issued a total of $100.0 million aggregate principal amount of 6.50% convertible senior unsecured notes. During 2016, we closed our sixth collateralized securitization offering, whereby we issued $250.3 million of investment-grade notes. While there can be no assurance that we will continue to have access to the equity and debt markets, we will continue to pursue these and other available market opportunities as a means to increase our liquidity and capital base. If we were to experience another prolonged downturn in the stock or credit markets, it could cause us to seek alternative sources of potentially less attractive financing, and may require us to adjust our business plan accordingly.

We are a national originator with Fannie Mae and Freddie Mac, and the GSEs remain the most significant providers of capital to the multifamily market. The Federal Housing Finance Agency (the "FHFA") released the GSE 2017 Scorecard ("2017 Scorecard,") which established Fannie Mae's and Freddie Mac's loan origination caps at $36.5 billion (the "2017 Caps") each for the multifamily finance market, no change from the 2016 loan origination caps. Affordable housing loans, loans to small multifamily properties, and manufactured housing rental community loans continue to be excluded from the 2017 Caps. Additionally, the definition of the affordable loan exclusion continues to encompass affordable housing in high- and very-high cost markets and allows for an exclusion from the 2017 Caps for the pro-rata portion of any loan on a multifamily property that includes affordable units. The 2017 Scorecard provides FHFA the flexibility to review the estimated size of the multifamily loan origination market on a quarterly basis and proactively adjust the 2017 Caps upward should the market be larger than expected. The 2017 Scorecard also provides exclusions for loans to properties in underserved markets including rural, small multifamily and senior assisted living and for loans to finance energy or water efficiency improvements. Our originations with the GSEs are highly profitable executions as they provide significant gains from the sale of our loans, non-cash gains related to MSRs and servicing revenues, therefore, a decline in our GSE originations would negatively impact our financial results. We do not know whether the FHFA will impose stricter limitations on GSE multifamily production volume in the future.

The Federal Reserve raised its targeted Fed Funds Rate by 25 basis points during the fourth quarter of 2016 and another 25 basis points in March 2017. To date we have not been significantly impacted by these increases and do not anticipate a significant decline in origination volume or profitability as a result of these increases as interest rates remain at historically low levels. However, we cannot be certain that such a trend will continue as the number, timing, and magnitude of additional increases by the Federal Reserve, combined with other macroeconomic factors, may have a different effect on the commercial real estate market.

The commercial real estate markets continue to improve, but uncertainty remains as a result of global market instability, the current political climate and other matters and their potential impact on the U.S. economy and commercial real estate markets. In addition, the growth in multifamily rental rates seen over the past few years are showing signs of stabilizing. If real estate values decline again and/or rent growth subsides, it may limit our new mortgage loan originations since borrowers often use increases in the value of, and revenues produced from, their existing properties to support the purchase or investment in additional properties. Declining real estate values may also significantly increase the likelihood that we will incur losses on our loans in the event of default because the value of our collateral may be insufficient to cover our cost on the loan. Any sustained period of increased payment delinquencies, foreclosures or losses could adversely affect both our net interest income from loans as well as our ability to originate, sell and securitize loans, which would significantly impact our results of operations, financial condition, business prospects and our ability to make distributions to our stockholders.

The economic environment over the past few years has seen continued improvement in commercial real estate values, which has generally increased payoffs and reduced the credit exposure in our loan and investment portfolio. We have made, and continue to make, modifications and extensions to loans when it is economically feasible to do so. In some cases, a modification is a more viable alternative to foreclosure proceedings when a borrower cannot comply with loan terms. In doing so, lower borrower interest rates, combined with non-performing loans, would lower our net interest margins when comparing interest income to our costs of financing. However, since 2013, the levels of modifications and delinquencies have generally declined as property values increase and borrowers' access to financing has improved. If the markets were to deteriorate and another prolonged economic downturn was to occur, we believe there could be additional loan modifications and delinquencies, which may result in reduced net interest margins and additional losses throughout our sector.

Changes in Financial Condition

Assets — Comparison of balances at March 31, 2017 to December 31, 2016:

Cash and cash equivalents decreased $33.8 million, primarily due to funding new loan originations and investments and the payment of distributions to our stockholders, partially offset by loan payoffs, proceeds from convertible notes, transferring loans into our CLO vehicles and interest and fees from our investments.

Restricted cash increased $85.9 million, primarily due to payoffs on our CLO loans in excess of loans transferred into our CLO vehicles, as well as an increase in cash collateral posted under the Fannie Mae DUS program. Restricted cash is kept on deposit with the trustees for our CLOs and primarily represents proceeds received from loan payoffs and paydowns that have not yet been disbursed to bondholders or redeployed into new assets, as well as unfunded loan commitments and interest payments received from loans. The restricted cash for the Agency Business acquired represents cash collateral for possible losses resulting from loans originated under the Fannie Mae DUS program in accordance with the terms of the loss-sharing agreements.

Our loan and investment portfolio balance from our Structured Business was $1.74 billion and $1.80 billion at March 31, 2017 and December 31, 2016, respectively. This decrease was primarily due to loan payoffs and other reductions exceeding loan originations by $44.5 million. See below for details.

Our portfolio had a weighted average current interest pay rate of 5.81% and 5.71% at March 31, 2017 and December 31, 2016, respectively. Including certain fees and costs associated with the loan and investment portfolio, the weighted average current interest rate was 6.45% and 6.39% at March 31, 2017 and December 31, 2016, respectively. Advances on our financing facilities totaled $1.38 billion and $1.35 billion at March 31, 2017 and December 31, 2016, respectively, with a weighted average funding cost of 3.95% and 3.91%, respectively, which excludes changes in the market value of certain interest rate swaps and financing costs. Including the financing costs, the weighted average funding rate was 4.51% and 4.45% at March 31, 2017 and December 31, 2016, respectively. Activity from our Structured Business portfolio was comprised of the following:

	Three Months Ended March 31, 2017
Loans originated	$ 145,917,885
Number of loans	14
Weighted average interest rate	6.51%
Loans paid-off	$ 190,408,741
Number of loans	13
Weighted average interest rate	6.83%
Loans extended	$ 96,710,938
Number of loans	10

Our loans held-for-sale, net from the Agency Business was $573.2 million and $673.4 million at March 31, 2017 and December 31, 2016, respectively. These loans are generally sold within 60 days from the loan origination date. The decrease was primarily related to loan sales exceeding loan originations by $74.0 million, as noted in the following table.

	Three Months Ended March 31, 2017	
	Loan Originations	Loan Sales
Fannie Mae	$ 896,549,225	$ 1,073,346,728
Freddie Mac	235,032,400	210,238,257
FHA	137,935,328	59,895,088
CMBS/Conduit	21,370,000	21,370,000
Total	$ 1,290,886,953	$ 1,364,850,073

Our capitalized mortgage servicing rights, net increased $11.2 million at March 31, 2017, primarily due to MSRs recorded on loans. Our capitalized mortgage servicing rights represents the estimated value of our rights to service mortgage loans for others. At March 31, 2017, the weighted average estimated life remaining of our MSRs was 7.0 years.

Our securities held-to-maturity, net totaling $7.9 million represents the retained portion of a bottom tranche bond, or "B Piece" of a Freddie Mac SBL Program securitization. This investment bears interest at a weighted average variable rate of 3.50%. See Note 8 — Securities for additional details.

Due from related party increased $35.6 million, primarily due to unremitted payoffs from our affiliated servicing operations related to real estate transactions.

Liabilities — Comparison of balances at March 31, 2017 to December 31, 2016:

Credit facilities and repurchase agreements decreased $51.6 million, primarily due to a $95.8 million decrease in financings on our loans held-for-sale as a result of loan sales exceeding loan originations for the quarter. This was partially offset by a $44.2 million increase in financings of new loan and investment portfolio activity.

Convertible senior unsecured notes, net increased $13.6 million, primarily due to the issuance of an additional $13.8 million of the 6.50% convertible senior unsecured notes (for net proceeds of $13.4 million) under the same terms as the original issuance in October 2016, which increased the aggregate outstanding principal amount to $100.0 million. The principal amount of the additional issuance, net of deferred financing fees, recorded as a liability was $13.0 million and the remaining $0.4 million was allocated to the conversion feature and recorded as a component of additional paid-in capital. See Note 11 — Debt Obligations for additional details.

Our junior subordinated notes decreased $18.8 million, primarily due to the repurchase of $20.9 million of our junior subordinated notes with a carrying value of $19.8 million. We recorded a gain of $7.1 million upon extinguishment of this debt.

Net Interest Income

Interest income increased $2.7 million, or 10%, for the three months ended March 31, 2017 as compared to the same period in 2016, excluding $5.0 million of interest income associated with the Agency Business acquired in the third quarter of 2016. The increase was primarily due to a 10% increase in our average core interest-earning assets from $1.64 billion to $1.80 billion and a 2% increase in the average yield on core interest-earning assets from 6.25% to 6.39% in the three months ended March 31, 2017, as compared to the same period in 2016. The impact of these increases was partially offset by higher rates on payoffs, as compared to originations, during the first quarter of 2017. The increase in our core interest-earning assets was primarily due to loan originations exceeding loan payoffs during 2016. The increase in the average yield on core interest-earning assets was primarily due to an increase in the average LIBOR rate.

Interest expense increased $2.5 million, or 20%, for the three months ended March 31, 2017 as compared to the same period in 2016, excluding $3.2 million of interest expense associated with the Agency Business. The increase was primarily due to a 12% increase in the average balance of our interest-bearing liabilities from $1.22 billion to $1.37 billion and an 8% increase in the average cost of our interest-bearing liabilities from 4.19% to 4.51% in the three months ended March 31, 2017, as compared to the same period in 2016. The increase in the average debt balance was due to an increase in our loan portfolio, as well as an increase in the average leverage rate on our portfolio. The increase in the average cost of our interest-bearing liabilities was due to a higher rate on the convertible senior unsecured notes issued, as compared to our overall portfolio, and an increase in the average LIBOR rate, partially offset by the runoff of swaps in the first quarter of 2017.

Agency Business Revenue

Gain on sales, including fee-based services, net was $19.2 million for the three months ended March 31, 2017. The agency loan sales for this period were $1.36 billion and the sales margin (gain on sales, including fee-based services, net as a percentage of loan sales volume) was 140 basis points.

Income from MSRs was $20.0 million for the three months ended March 31, 2017. The loan commitments volume was $1.15 billion and the MSR rate (income from MSRs as a percentage of loan commitments volume) was 174 basis points.

Servicing revenue, net was $4.8 million for the three months ended March 31, 2017, which was comprised of servicing revenue of $16.7 million, partially offset by amortization of MSRs of $11.9 million. The Agency Business servicing portfolio was $14.47 billion with a weighted average servicing fee of 48 basis points at March 31, 2017.

Other Revenue

Property operating results (income less expenses) decreased $0.4 million, or 42%, for the three months ended March 31, 2017 as compared to the same period in 2016, primarily due to the sale of several properties during 2016.

Other Expenses

Employee compensation and benefits expense decreased $0.5 million, or 11%, for the three months ended March 31, 2017 as compared to the same period in 2016, excluding $16.0 million of employee compensation and benefits expense associated with the Agency Business acquired. The decrease was primarily due to the portion of executive compensation related costs that were directly allocated to the Agency Business for services performed on that business.

Selling and administrative expenses increased $0.4 million, or 16%, for the three months ended March 31, 2017 as compared to the same period in 2016, excluding $4.6 million of selling and administrative expenses associated with the Agency Business acquired. The increase was primarily due to rent expense that was recorded directly by the Structured Business which was previously charged through the management fee prior to the Acquisition, as the lease contracts were assumed in connection with the Acquisition.

Acquisition costs of $3.1 million for the three months ended March 31, 2016 represent costs incurred related to the Acquisition, which was completed in July 2016. See Note 3 — Acquisition of Our Manager's Agency Platform for further details.

Depreciation and amortization decreased $0.4 million, or 43%, for the three months ended March 31, 2017 as compared to the same period in 2016, excluding $1.4 million of depreciation and amortization associated with the acquired assets of the Agency Business. The decrease was primarily due to the sale of several real estate owned properties during 2016.

Impairment loss on real estate owned was $1.2 million for the three months ended March 31, 2017. During the first quarter of 2017, we received additional market analyses which resulted in a further impairment loss on our hotel property.

Provision for loss sharing was $1.7 million for the three months ended March 31, 2017, representing our estimated total loss-sharing obligations needed to satisfy our partial guarantee for the performance of Agency Business loans sold under the Fannie Mae DUS program.

Management fee — related party increased $1.3 million, or 48%, for the three months ended March 31, 2017 as compared to the same period in 2016, primarily due to compensation related costs incurred by employees of our Manager in connection with services they performed related to the Agency Business acquired in the third quarter of 2016.

Gain on Extinguishment of Debt

During the three months ended March 31, 2017, we purchased, at a discount, $20.9 million of our junior subordinated notes with a carrying value of $19.8 million and recorded a gain on extinguishment of debt of $7.1 million.

Gain on Sale of Real Estate

During the three months ended March 31, 2016, we sold a hotel property for $9.7 million and recognized a gain of $0.6 million.

Income from Equity Affiliates

Income from equity affiliates decreased $1.1 million, or 60%, for the three months ended March 31, 2017 as compared to the same period in 2016. In the first quarter of 2017 and 2016, we recognized income of $0.1 million and $1.6 million, respectively, from our investment in a residential mortgage banking business. In the first quarter of 2017 and 2016, we also recognized income of $0.7 million and $0.2 million, respectively, from a distribution we received from one of our equity investments.

Provision for Income Taxes

The provision for income taxes was $6.1 million for the three months ended March 31, 2017 related to the income from our Agency Business, which is operated through our TRS Consolidated Group.

Net Income Attributable to Noncontrolling Interest

The noncontrolling interest relates to the 21,230,769 OP Units issued to our Manager to satisfy a portion of the aggregate purchase price of the Acquisition, which represents approximately 29.1% of our outstanding stock at March 31, 2017.

Liquidity and Capital Resources

Sources of Liquidity. Liquidity is a measurement of the ability to meet potential cash requirements. Our short-term and long-term liquidity needs include ongoing commitments to repay borrowings, satisfaction of collateral requirements under the Fannie Mae DUS risk-sharing agreement and as an approved designated seller/servicer of Freddie Mac's SBL Program, operational liquidity requirements of the GSE agencies, funding future loans and investments, funding operating costs and distributions to our stockholders as well as other general business needs. Our primary sources of funds for liquidity consist of proceeds from equity and debt offerings, debt facilities and cash flows from our operations. Our equity sources, depending on market conditions, consist of proceeds from capital market transactions including the issuance of common and/or preferred equity securities. Our debt sources include the issuance of floating rate notes resulting from our CLOs, the issuance of various forms of senior unsecured notes, convertible senior unsecured notes, junior subordinated notes and borrowings under credit facilities and repurchase agreements.

We believe our existing sources of funds will be adequate for meeting our short-term and long-term liquidity needs. A majority of our loans and investments are financed under existing debt obligations and their credit status is continuously monitored; therefore, these loans and investments are expected to generate a generally stable return. Our ability to meet our long-term liquidity and capital resource requirements is subject to obtaining additional debt and equity financing. Any decision by our lenders and investors to enter into such transactions with us will depend upon a number of factors, such as our financial performance, compliance with the terms of our existing credit arrangements, industry or market trends, the general availability of and rates applicable to financing transactions, such lenders' and investors' resources and policies concerning the terms under which they make such capital commitments and the relative attractiveness of alternative investment or lending opportunities.

While we have been successful in obtaining proceeds from debt and equity offerings, CLOs and certain financing facilities, current conditions in the capital and credit markets have and may continue to make certain forms of financing less attractive and, in certain cases, less available. Therefore we will continue to rely, in part, on cash flows provided by operating and investing activities for working capital.

To maintain our status as a REIT under the Internal Revenue Code, we must distribute annually at least 90% of our REIT—taxable income. These distribution requirements limit our ability to retain earnings and thereby replenish or increase capital for operations. However, we believe that our capital resources and access to financing will provide us with financial flexibility and market responsiveness at levels sufficient to meet current and anticipated capital requirements.

Cash Flows. Cash flows provided by operating activities totaled $73.2 million during the three months ended March 31, 2017. Our cash flows from operating activities consisted primarily of net cash inflows of $97.1 million, as a result of loan sales exceeding loan originations in our Agency Business, and net income, adjusted for noncash items, of $18.6 million, partially offset by a period-over-period increase in due from related party (which primarily consisted of payoffs to be remitted by our affiliated servicing operations related to real estate transactions). We had net cash inflows from loans-held-for-sale during the first quarter of 2017 due to the timing of agency loan sales, as agency loans are generally sold within 60 days of origination. At March 31, 2017, we had loans held-for-sale, net totaling $573.2 million that are expected to be sold in the second quarter of 2017.

Cash flows provided by investing activities totaled $44.4 million during the three months ended March 31, 2017. Loan and investment activity (originations and payoffs/paydowns) comprise the bulk of our investing activities. Loan payoffs and paydowns of $191.8 million, net of originations from our Structured Business totaling $139.0 million, resulted in a net cash inflow of $52.8 million. These cash inflows were partially offset by $7.8 million of cash used to purchase the B Piece of the SBL Program securitization. See Note 8 — Securities for additional details about our purchase of the B Piece.

Cash flows used in financing activities totaled $151.4 million during the three months ended March 31, 2017, and consisted primarily of $2.49 billion in paydowns of our debt facilities, an $86.0 increase in restricted cash, $14.2 million in distributions to our stockholders and OP Unit holder and a $12.7 million partial payoff of our junior subordinated notes, which was primarily offset by $2.44 billion of proceeds from the utilization of our debt facilities to fund new loan originations and $13.8 million of proceeds received from the issuance of convertible senior unsecured notes.

Agency Business Requirements. The Agency Business is subject to supervision by certain regulatory agencies. Among other things, these agencies require us to meet certain minimum net worth, operational liquidity and restricted liquidity collateral requirements, and compliance with reporting requirements. Our adjusted net worth and liquidity exceeded the agencies' requirements as of March 31, 2017. See Note 15 — Commitments and Contingencies for additional details about our performance regarding these requirements.

We also enter into contractual commitments with borrowers providing rate lock commitments while simultaneously entering into forward sale commitments with investors. These commitments are outstanding for short periods of time (generally less than 60 days) and are described in further detail in Note 13 — Derivative Financial Instruments and Note 14 — Fair Value.

Debt Facilities. We maintain various forms of short-term and long-term financing arrangements. Borrowings underlying these arrangements are primarily secured by a significant amount of our loans and investments.

The following is a summary of our debt facilities:

(3) The ASAP agreement we have with Fannie Mae has no expiration date.

These debt facilities, including their restrictive covenants, are described in further detail in Note 11 — Debt Obligations.

Contractual Obligations. For the three months ended March 31, 2017, we had all of the material contractual obligations referred to in our 2016 Annual Report. Since December 31, 2016, the following significant changes have been made to our contractual obligations:

- In March 2017, we entered into a $10.0 million unsecured working capital line of credit which matures in March 2018;
- In March 2017, the ASAP limit was increased to $500.0 million. In addition, two of our Agency Business credit facilities were temporarily increased by $200.0 million and $50.0 million, which expired in February 2017 and April 2017, respectively;
- In February 2017, we purchased, at a discount, $20.9 million of our junior subordinated notes with a carrying value of $19.8 million; and
- In January 2017, we issued an additional $13.8 million of our 6.50% convertible senior unsecured notes under the same terms as the original issuance in October 2016.

All of the contractual obligations identified above are described in more detail in Note 11 — Debt Obligations. Refer to Note 15 — Commitments and Contingencies for a description of our debt maturities by year and our unfunded commitments as of March 31, 2017.

Agreements and Transactions with Related Parties. We have a management agreement with our Manager, pursuant to which our Manager provides certain services and we pay our Manager a base management fee and under certain circumstances, an annual incentive fee. We incurred $4.0 million and $2.7 million of base management fees for services rendered in the three months ended March 31, 2017 and 2016, respectively.

The base management fee is an arrangement whereby we reimburse our Manager for its actual costs incurred in managing our business based on the parties' agreement in advance on an annual budget with subsequent quarterly true-ups to actual costs.

In addition, we have conducted several transactions with our Manager and other parties that are deemed related party transactions. The details of the management agreement and related party transactions are described in Note 19 —Agreements and Transactions with Related Parties of this report.

Derivative Financial Instruments

We enter into derivative financial instruments in the normal course of business through the origination and sale of mortgage loans and the management of potential loss exposure caused by fluctuations of interest rates. See Note 13— Derivative Financial Instruments for further details surrounding our derivative financial instruments.

Critical Accounting Policies

Please refer to Note 2 — Basis of Presentation and Significant Accounting Policies of the Notes to Consolidated Financial Statements in our 2016 Annual Report for a discussion of our critical accounting policies. During the three months ended March 31, 2017, there were no material changes to these policies.

Non-GAAP Financial Measures

Funds from Operations and Adjusted Funds from Operations

We present funds from operations ("FFO") and adjusted funds from operations ("AFFO") because we believe they are important supplemental measures of our operating performance in that they are frequently used by analysts, investors and other parties in the evaluation of REITs. The National Association of Real Estate Investment Trusts, or NAREIT, defines FFO as net income (loss) attributable to common stockholders (computed in accordance with GAAP), excluding gains (losses) from sales of depreciated real properties, plus impairments of depreciated real properties and real estate related depreciation and amortization, and after adjustments for unconsolidated ventures.

We define AFFO as funds from operations adjusted for accounting items such as non-cash stock-based compensation expense, income from MSRs, changes in fair value of certain derivatives that temporarily flow through earnings, amortization and write-offs of MSRs, deferred tax provisions and benefits and the convertible senior notes conversion option. We also add back one-time charges such as acquisition costs and impairment losses on real estate and gains/losses on sales of real estate. We are generally not in the business of operating real estate owned property and had obtained real estate by foreclosure or through partial or full settlement of mortgage debt related to our loans to maximize the value of the collateral and minimize our exposure. Therefore, we deem such impairment and gains/losses on real estate as an extension of the asset management of our loans, thus a recovery of principal or additional loss on our initial investment.

FFO and AFFO are not intended to be an indication of our cash flow from operating activities (determined in accordance with GAAP) or a measure of our liquidity, nor is it entirely indicative of funding our cash needs, including our ability to make cash distributions. Our calculation of FFO and AFFO may be different from the calculations used by other companies and, therefore, comparability may be limited.

FFO and AFFO are as follows:

	Three Months Ended March 31, 2017	Three Months Ended March 31, 2016

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We disclosed a quantitative and qualitative analysis regarding market risk in the Management's Discussion and Analysis of Financial Condition and Results of Operations included in our 2016 Annual Report. That information is supplemented by the information included above in Item 2 of this report. Other than the developments described thereunder, there have been no material changes in our quantitative and qualitative exposure to market risk since December 31, 2016.

The following table projects the potential impact on interest income and interest expense for a 12-month period, and the potential change in fair value of our derivative financial instruments as of March 31, 2017, assuming an instantaneous increase or decrease of both 25 and 50 basis points in LIBOR and forward interest rate curves, adjusted for the effects of our interest rate hedging activities.

(2) The quoted one-month LIBOR rate was 0.98% as of March 31, 2017.

Our Agency Business originates, sells and services a range of multifamily finance products with Fannie Mae, Freddie Mac and HUD. Our loans held-for-sale to Fannie Mae, Freddie Mac and HUD are not currently exposed to interest rate risk during the loan commitment, closing and delivery process. The sale or placement of each loan to an investor is negotiated prior to closing on the loan with the borrower, and the sale or placement is generally effectuated within 60 days of closing. The coupon rate for the loan is set after we established the interest rate with the investor.

In addition, the fair value of our MSRs is subject to market risk since a significant driver of the fair value of these assets is the discount rates. A 100 basis point increase in the weighted average discount rate would decrease the fair value of our MSRs by approximately $8.6 million as of March 31, 2017, while a 100 basis point decrease would increase the fair value by approximately $9.1 million.

Item 4. Controls and Procedures

Management, with the participation of our chief executive officer and chief financial officer, has evaluated the effectiveness of our disclosure controls and procedures at March 31, 2017. Based on this evaluation, our chief executive officer and chief financial officer have concluded that our disclosure controls and procedures were effective as of March 31, 2017.

There were no changes in our internal control over financial reporting during the quarter ended March 31, 2017 that have materially affected, or are reasonably likely to materially affect, our internal controls over financial reporting.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

(c) For each Due Period, the Scheduled Distribution on any Loan Obligation (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) or Eligible Investment shall be the sum of (i) the total amount of payments and collections in respect of such Loan Obligation or Eligible Investment (including all Sales Proceeds received during the Due Period and not reinvested in Replacement Loan Obligations or retained in the Principal Collection Account for subsequent reinvestment) that, if paid as scheduled, will be available in the Collection Accounts at the end of such Due Period for payment on the Notes and of expenses of the Issuer and the Co-Issuer pursuant to the Priority of Payments and (ii) any such amounts received in prior Due Periods that were not disbursed on a previous Payment Date and do not constitute amounts which have been used as reimbursement with respect to a prior Interest Advance pursuant to the terms of this Indenture. On any date of determination, the amount of any Scheduled Distribution due on any future date with respect to any Loan Obligation as to which any interest or other payment thereon is subject to withholding tax of any relevant jurisdiction shall be assumed to be made net of any such uncompensated withholding tax based upon withholding tax rates in effect on such date of determination.

(e) For purposes of calculating the Interest Coverage Ratio, (1) the expected interest income on the Loan Obligations and Eligible Investments and the expected interest payable on the Notes shall be calculated using the interest rates applicable thereto on the applicable Measurement Date, (2) accrued original issue discount on Eligible Investments shall be deemed to be Scheduled Distributions due on the date such original issue discount is scheduled to be paid, (3) with respect to each Defaulted Obligation as to which the Loan Obligation Manager has delivered written notice to the Issuer and the Trustee of its intent to engage in either (x) Credit Risk/Defaulted Obligation Cash Purchase or (y) an exchange for an Exchange Obligation, the Loan Obligation Manager will have 45 days to exercise such purchase or exchange and during such period such Loan Obligation will not be treated as a Defaulted Obligation, (4) there will be excluded all scheduled or deferred payments of interest on or principal of Loan Obligations and any payment that the Loan Obligation Manager has determined in its reasonable judgment will not be made in cash or received when due and (5) with respect to any Loan Obligation as to which any interest or other payment thereon is subject to withholding tax of any relevant jurisdiction, each payment thereon shall be deemed to be payable net of such withholding tax unless the related borrower is required to make additional payments to fully compensate the Issuer for such withholding taxes (including in respect of any such additional payments).

(f) Each Scheduled Distribution receivable with respect to a Loan Obligation or Eligible Investment shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the applicable Collection Account except to the extent the Loan Obligation Manager has a reasonable expectation that such Scheduled Distribution will not be received on the applicable Due Date. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the applicable Collection Account for transfer to the Payment Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture.

(g) All calculations required to be made and all reports which are to be prepared pursuant to this Indenture with respect to the Assets, shall be made on the basis of the date on which the Issuer makes a binding commitment to purchase or sell a Loan Obligation or Eligible Investment rather than the date upon which such purchase or sale settles.

Whenever any Note is surrendered for exchange, the Issuer and the Co-Issuer shall execute, and the Trustee shall authenticate and deliver, the Notes that the Noteholder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and the Co-Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Notes Registrar duly executed by the Holder thereof or his attorney duly authorized in writing.

None of the Notes Registrar, the Issuer or the Co-Issuer shall be required (i) to issue, register the transfer of or exchange any Note during a period beginning at the opening of business 15 days before any selection of Notes to be redeemed and ending at the close of business on the day of the mailing of the relevant notice of redemption, or (ii) to register the transfer of or exchange any Note so selected for redemption.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act and is exempt from the registration requirements under applicable state securities laws.

(c) No Note may be offered, sold, resold or delivered, within the United States or to, or for the benefit of, U.S. Persons except in accordance with Section 2.5(e) below and in accordance with Rule 144A to QIBs or, solely with respect to Definitive Notes, IAIs who are also Qualified Purchasers purchasing for their own account or for the accounts of one or more QIBs or IAIs who are also Qualified Purchasers, for which the purchaser is acting as fiduciary or agent. The Notes may be offered, sold, resold or delivered, as the case may be, in offshore transactions to institutions that are not U.S. Persons in reliance on Regulation S. None of the Issuer, the Co-Issuer, the Trustee or any other Person may register the Notes under the Securities Act or any state securities laws.

(d) Upon final payment due on the Stated Maturity Date of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee or at the office of the Paying Agent (outside the United States if then required by applicable law in the case of a Note in definitive form issued in exchange for a beneficial interest in a Regulation S Global Security pursuant to Section 2.10).

(e) Transfers of Global Securities. Notwithstanding any provision to the contrary herein, so long as a Global Security remains outstanding and is held by or on behalf of the Depository, transfers of a Global Security, in whole or in part, shall be made only in accordance with Section 2.2(c) and this Section 2.5(e).

(i) Except as otherwise set forth below, transfers of a Global Security shall be limited to transfers of such Global Security in whole, but not in part, to nominees of the Depository or to a successor of the Depository or such successor's nominee. Transfers of a Global Security to a Definitive Note may only be made in accordance with Section 2.10.

(ii) Regulation S Global Security to Rule 144A Global Security or Definitive Note. If a holder of a beneficial interest in a Regulation S Global Security wishes at any time to exchange its interest in such Regulation S Global Security for an interest in the corresponding Rule 144A Global Security or for a Definitive Note or to transfer its interest in such Regulation S Global Security to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Security or for a Definitive Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Security or for a Definitive Note. Upon receipt by the Trustee or the Notes Registrar of:

(1) if the transferee is taking a beneficial interest in a Rule 144A Global Security, instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Notes Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Security in an amount equal to the beneficial interest in such Regulation S Global Security, but not less than the minimum denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase and a duly completed certificate in the form of Exhibit D-2 attached hereto; or

(2) if the transferee is taking a Definitive Note, a duly completed transfer certificate in substantially the form of Exhibit D-3 hereto, certifying that such transferee is an IAI and a Qualified Purchaser,

then the Notes Registrar shall either (x) if the transferee is taking a beneficial interest in a Rule 144A Global Security, approve the instructions at DTC to reduce, or cause to be reduced, the Regulation S Global Security by the aggregate principal amount of the beneficial interest in the Regulation S Global Security to be transferred or exchanged and the Notes Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Security equal to the reduction in the principal amount of the Regulation S Global Security or (y) if the transferee is taking an interest in a Definitive Note, the Notes Registrar shall record the transfer in the Notes Register in accordance with Section 2.5(a) and, upon execution by the Issuers, the Authenticating Agent shall authenticate and deliver one or more Definitive Notes, as applicable, registered in the names specified in the instructions described above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Regulation S Global Security transferred by the transferor).

(iii) Definitive Note or Rule 144A Global Security to Regulation S Global Security. If a holder of a beneficial interest in a Rule 144A Global Security or a Holder of a Definitive Note wishes at any time to exchange its interest in such Rule 144A Global Security or Definitive Note for an interest in the corresponding Regulation S Global Security, or to transfer its interest in such Rule 144A Global Security or Definitive Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Security, such holder, provided such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction, may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Security. Upon receipt by the Trustee or the Notes Registrar of:

(1) instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee or the Notes Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Security, but not less than the minimum denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Security or Definitive Note to be exchanged or transferred, and in the case of a transfer of Definitive Notes, such Holder's Definitive Notes properly endorsed for assignment to the transferee,

(2) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase,

(3) in the case of a transfer of Definitive Notes, a Holder's Definitive Note properly endorsed for assignment to the transferee, and

(4) a duly completed certificate in the form of Exhibit D-1 attached hereto,

then the Trustee or the Notes Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Security (or, in the case of a transfer of Definitive Notes, the Trustee or the Notes Registrar shall cancel such Definitive Notes) and to increase the principal amount of the Regulation S Global Security by the aggregate principal amount of the beneficial interest in the Rule 144A Global Security or Definitive Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Security equal to the reduction in the principal amount of the Rule 144A Global Security (or, in the case of a cancellation of Definitive Notes, equal to the principal amount of Definitive Notes so cancelled).

(iv) Transfer of Rule 144A Global Securities to Definitive Notes. If, in accordance with Section 2.10, a holder of a beneficial interest in a Rule 144A Global Security wishes at any time to exchange its interest in such Rule 144A Global Security for a Definitive Note or to transfer its interest in such Rule 144A Global Security to a Person who wishes to take delivery thereof in the form of a Definitive Note in accordance with Section 2.10, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for a Definitive Note. Upon receipt by the Trustee or the Notes Registrar of (A) a duly complete certificate substantially in the form of Exhibit D-3 and (B) appropriate instructions from DTC, if required, the Trustee or the Notes Registrar shall approve the instructions at DTC to reduce, or cause to be reduced, the Rule 144A Global Security by the aggregate principal amount of the beneficial interest in the Rule 144A Global Security to be transferred or exchanged, record the transfer in the Register in accordance with Section 2.5(a) and upon execution by the Issuers authenticate and deliver one or more Definitive Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Rule 144A Global Security transferred by the transferor).

(v) Transfer of Definitive Notes to Rule 144A Global Securities. If a holder of a Definitive Note wishes at any time to exchange its interest in such Definitive Note for a beneficial interest in a Rule 144A Global Security or to transfer such Definitive Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Rule 144A Global Security, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such Definitive Note for beneficial interest in a Rule 144A Global Security (provided that no IAI may hold an interest in a Rule 144A Global Security). Upon receipt by the Trustee or the Notes Registrar of (A) a Holder's Definitive Note properly endorsed for assignment to the transferee; (B) a duly completed certificate substantially in the form of Exhibit D-2 attached hereto; (C) instructions given in accordance with DTC's procedures from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Rule 144A Global Securities in an amount equal to the Definitive Notes to be transferred or exchanged; and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account of DTC to be credited with such increase, the Trustee or the Notes Registrar shall cancel such Definitive Note in accordance herewith, record the transfer in the Notes Register in accordance with Section 2.5(a) and approve the instructions at DTC, concurrently with such cancellation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Security equal to the principal amount of the Definitive Note transferred or exchanged.

(vi) Other Exchanges. In the event that, pursuant to Section 2.10 hereof, a Global Security is exchanged for Definitive Notes, such Notes may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above (including certification requirements intended to ensure that such transfers are to a QIB who is also a Qualified Purchaser or are to institutions that are not U.S. Persons, or otherwise comply with Rule 144A or Regulation S, as the case may be) and as may be from time to time adopted by the Issuer, the Co-Issuer and the Trustee.

(f) Removal of Legend. If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in Exhibits A and B hereto, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Issuer and the Co-Issuer such satisfactory evidence, which may include an Opinion of Counsel of an attorney at law licensed to practice law in the State of New York (and addressed to the Issuer and the Trustee), as may be reasonably required by the Issuer and the Co-Issuer, if applicable, to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Regulation S, as applicable, the 1940 Act or ERISA. So long as the Issuer or the Co-Issuer is relying on an exemption under or promulgated pursuant to the 1940 Act, the Issuer or the Co-Issuer shall not remove that portion of the legend required to maintain an exemption under or promulgated pursuant to the 1940 Act. Upon provision of such satisfactory evidence, as confirmed in writing by the Issuer and the Co-Issuer, if applicable, to the Trustee, the Trustee, at the direction of the Issuer and the Co-Issuer, if applicable, shall authenticate and deliver Notes that do not bear such applicable legend.

(g) Each beneficial owner of Regulation S Global Securities shall be deemed to make the representations and agreements set forth in Exhibit D-1 hereto.

(h) Each beneficial owner of Rule 144A Global Securities shall be deemed to make the representations and agreements set forth in Exhibit D-2 hereto.

(i) Each Holder of Definitive Notes shall make the representations and agreements set forth in the certificate attached as Exhibit D-3 hereto.

(j) Any purported transfer of a Note not in accordance with Section 2.5(a) shall be null and void and shall not be given effect for any purpose hereunder.

(k) Notwithstanding anything contained in this Indenture to the contrary, neither the Trustee nor the Notes Registrar (nor any other Transfer Agent) shall be responsible or liable for compliance with applicable federal or state securities laws (including, without limitation, the Securities Act or Rule 144A or Regulation S promulgated thereunder), the 1940 Act, ERISA or the Code (or any applicable regulations thereunder); provided, however, that if a specified transfer certificate or Opinion of Counsel is required by the express terms of this Section 2.5 to be delivered to the Trustee or Notes Registrar prior to registration of transfer of a Note, the Trustee and/or Notes Registrar, as applicable, is required to request, as a condition for registering the transfer of the Note, such certificate or Opinion of Counsel and to examine the same to determine whether it conforms on its face to the requirements hereof (and the Trustee or Notes Registrar, as the case may be, shall promptly notify the party delivering the same if it determines that such certificate or Opinion of Counsel does not so conform).

(l) If the Trustee determines or is notified by the Issuer, the Co-Issuer or the Loan Obligation Manager that (i) a transfer or attempted or purported transfer of any interest in any Note was consummated in compliance with the provisions of this Section 2.5 on the basis of a materially incorrect certification from the transferee or purported transferee, (ii) a transferee failed to deliver to the Trustee any certification required to be delivered hereunder or (iii) the holder of any interest in a Note is in breach of any representation or agreement set forth in any certification or any deemed representation or agreement of such holder, the Trustee shall not register such attempted or purported transfer and if a transfer has been registered, such transfer shall be absolutely null and void *ab initio* and shall vest no rights in the purported transferee (such purported transferee, a "Disqualified Transferee") and the last preceding holder of such interest in such Note that was not a Disqualified Transferee shall be restored to all rights as a Holder thereof retroactively to the date of transfer of such Note by such Holder.

In addition, the Trustee may require that the interest in the Note referred to in (i), (ii) or (iii) in the preceding paragraph be transferred to any person designated by the Issuer or the Loan Obligation Manager at a price determined by the Issuer or the Loan Obligation Manager, as applicable, based upon its estimation of the prevailing price of such interest and each Holder, by acceptance of an interest in a Note, authorizes the Trustee to take such action. In any case, none of the Issuer, the Trustee nor the Loan Obligation Manager shall be held responsible for any losses that may be incurred as a result of any required transfer under this Section 2.5(l).

(m) Each Holder of Notes approves and consents to (i) the initial purchase of the Loan Obligations by the Issuer from Affiliates of the Loan Obligation Manager on the Closing Date and (ii) any other transaction between the Issuer and the Loan Obligation Manager or its Affiliates that are permitted under the terms of this Indenture or the Loan Obligation Management Agreement.

(n) As long as any Note is Outstanding, Notes held by Issuer Parent or an Issuer Parent Disregarded Entity may not be transferred (whether by means of actual transfer or transfer of beneficial ownership for U.S. federal income tax purposes), pledged or hypothecated to any other Person (except to Issuer Parent or an Issuer Parent Disregarded Entity) unless the Issuer receives a No Entity-Level Tax Opinion (or has previously received a No Trade or Business Opinion).

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Note.

If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Issuer, the Co-Issuer, the Trustee and the relevant Transfer Agent (each a "Specified Person") evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Specified Person such security or indemnity as may be required by each Specified Person to save each of them and any agent of any of them harmless (an unsecured indemnity agreement delivered to the Trustee by an institutional investor with a net worth of at least U.S.$200,000,000 being deemed sufficient to satisfy such security or indemnity requirement), then, in the absence of notice to the Specified Persons that such Note has been acquired by a bona fide purchaser, the Issuer and the Co-Issuer shall execute and, upon Issuer Request, the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a bona fide purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, any Specified Person shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and each Specified Person shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by such Specified Person in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Issuer and the Co-Issuer, if applicable, in their discretion may, instead of issuing a new Note, pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Issuer and the Co-Issuer, if applicable, may require the payment by the registered Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer and the Co-Issuer, if applicable, and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved.

(a) The Class A Notes shall accrue interest during each Interest Accrual Period at the Class A Rate. Interest on each Class A Note shall be due and payable on each Payment Date immediately following the related Interest Accrual Period in the proportion that the outstanding principal amount of such Class A Note bears to the Aggregate Outstanding Amount of all Class A Notes; provided, however, that the payment of interest on the Class A Notes is subordinated to the payment on each Payment Date of certain amounts in accordance with the Priority of Payments.

(b) The Class B Notes shall accrue interest during each Interest Accrual Period at the Class B Rate. Interest on each Class B Note shall be due and payable on each Payment Date immediately following the related Interest Accrual Period in the proportion that the outstanding principal amount of such Class B Note bears to the Aggregate Outstanding Amount of all Class B Notes; provided, however, that the payment of interest on the Class B Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Class A Notes (including any Class A Defaulted Interest Amount) and certain other amounts in accordance with the Priority of Payments.

(c) The Class C Notes shall accrue interest during each Interest Accrual Period at the Class C Rate. Interest on each Class C Note shall be due and payable on each Payment Date immediately following the related Interest Accrual Period in the proportion that the outstanding principal amount of such Class C Note bears to the Aggregate Outstanding Amount of all Class C Notes; provided, however, that the payment of interest on the Class C Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Class A Notes and the Class B Notes (including any Class A Defaulted Interest Amount and any Class B Defaulted Interest Amount) and certain other amounts in accordance with the Priority of Payments.

(d) Upon any Optional Redemption, Tax Redemption or Clean-up Call, all net proceeds remaining after the sale of the Loan Obligations in accordance with Article 12 hereof and Cash and proceeds from Eligible Investments (other than the Issuer's right, title and interest in the property described in clause (i) of the definition of "Excepted Assets"), after the payment of the amounts referred to in clauses (1) through (10) of Section 11.1(a)(i) and clauses (1) through (7) of Section 11.1(a)(ii) will be distributed by the Trustee to the Preferred Shares Paying Agent for distribution to the Holders of the Preferred Shares in accordance with the Preferred Share Paying Agency Agreement, whereupon the Preferred Shares will be cancelled and deemed paid in full for all purposes.

(e) Interest shall cease to accrue on each Class of Notes, or in the case of a partial repayment, on such part, from the date of repayment or the Stated Maturity Date, whichever occurs first, unless payment of principal is improperly withheld or unless a Default has occurred with respect to such payments of principal.

(f) The principal of each Class of Notes matures at par and is due and payable on the Stated Maturity Date, unless such principal has been previously repaid or unless the unpaid principal of such Class of Notes becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise; provided, however, that the payment of principal on the Class B Notes (other than payment of principal pursuant to Section 9.5) may only occur after the principal on the Class A Notes has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Class A Notes and other amounts in accordance with the Priority of Payments and any payment of principal on the Class B Notes which is not paid, in accordance with the Priority of Payments, on any Payment Date, shall not be considered "due and payable" solely for purposes of Section 5.1(b) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all of the Class A Notes have been paid in full; provided, further, that the payment of principal on the Class C Notes (other than payment of principal pursuant to Section 9.5) may only occur after the principal on the Class B Notes has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Class B Notes and other amounts in accordance with the Priority of Payments and any payment of principal on the Class C Notes which is not paid, in accordance with the Priority of Payments, on any Payment Date, shall not be considered "due and payable" solely for purposes of Section 5.1(b) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all of the Class B Notes have been paid in full. Payments of principal on the Notes in connection with a Clean-up Call, Tax Redemption or Optional Redemption will be made in accordance with Section 9.1 and the Priority of Payments.

(g) As a condition to the payment of principal of and interest on any Note without the imposition of U.S. withholding tax, the Issuer shall require certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee, the Preferred Shares Paying Agent and the Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Security under any present or future law or regulation of the United States or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. Such certification may include U.S. federal income tax forms (such as IRS Form W-8BEN (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding and Reporting (Individuals)), IRS Form W-8BEN-E (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding and Reporting (Entities)), IRS Form W-8IMY (Certificate of Foreign Intermediary, Foreign Flow-through Entity, or Certain U.S. Branches for United States Tax Withholding and Reporting), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certificate of Foreign Person's Claim that Income is Effectively Connected with the Conduct of a Trade or Business in the United States)) or any successors to such IRS forms. In addition, each of the Issuer, Co-Issuer, the Trustee, Preferred Shares Paying Agent or any Paying Agent may require certification acceptable to it to enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets. Each Holder and each beneficial owner of Notes agree to provide any certification requested pursuant to this Section 2.7(g) and to update or replace such form or certification in accordance with its terms or its subsequent amendments. Furthermore, (i) if a Holder is a "foreign financial institution" or other foreign financial entity subject to FATCA or Cayman FATCA Legislation (ii) if the Issuer is no longer a Qualified REIT Subsidiary or other disregarded entity of a REIT, but is instead a foreign corporation for U.S. federal income tax purposes, the Issuer shall require information to comply with FATCA or Cayman FATCA Legislation requirements pursuant to clause (xii) of the representations and warranties set forth under the third paragraph of Exhibit D-1 hereto, as deemed made pursuant to Section 2.5(g) hereto, or pursuant to clause (xii) of the representations and warranties set forth under the third paragraph of Exhibit D-2 hereto, as deemed made pursuant to Section 2.5(h) hereto, or pursuant to clause (ix) of the representations and warranties set forth under the third paragraph of Exhibit D-3 hereto, made pursuant to Section 2.5(i) hereto, as applicable. In the event a Holder fails to provide such information, or to the extent the Holder's ownership of Notes would otherwise cause the Issuer to be subject to any tax under FATCA, (A) the Issuer is authorized to withhold amounts otherwise distributable to the Holder as compensation for any tax imposed under FATCA as a result of such failure or the Holder's ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or the Holder's ownership, the Issuer will have the right to compel the Holder to sell its Notes, and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer, to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate CUSIP number or CUSIP numbers in the Issuer's sole discretion.

(h) Payments in respect of interest on and principal of the Notes shall be payable by wire transfer in immediately available funds to a Dollar account maintained by the Holder or its nominee; provided that the Holder has provided wiring instructions to the Trustee on or before the related Record Date or, if wire transfer cannot be effected, by a Dollar check drawn on a bank in the United States, or by a Dollar check mailed to the Holder at its address in the Notes Register. The Issuer expects that the Depository or its nominee, upon receipt of any payment of principal or interest in respect of a Global Security held by the Depository or its nominee, shall immediately credit the applicable Agent Members' accounts with payments in amounts proportionate to the respective beneficial interests in such Global Security as shown on the records of the Depository or its nominee. The Issuer also expects that payments by Agent Members to owners of beneficial interests in such Global Security held through Agent Members will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of the Agent Members. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee or at the office of the Paying Agent (outside of the United States if then required by applicable law in the case of a Definitive Note issued in exchange for a beneficial interest in the Regulation S Global Security) on or prior to such Maturity. None of the Issuer, the Co-Issuer, the Trustee or the Paying Agent will have any responsibility or liability with respect to any records maintained by the Holder of any Note with respect to the beneficial holders thereof or payments made thereby on account of beneficial interests held therein. In the case where any final payment of principal and interest is to be made on any Note (other than on the Stated Maturity Date thereof) the Issuer or, upon Issuer Request, the Trustee, in the name and at the expense of the Issuer, shall not more than 30 nor fewer than five Business Days prior to the date on which such payment is to be made, mail to the Persons entitled thereto at their addresses appearing on the Notes Register, a notice which shall state the date on which such payment will be made and the amount of such payment and shall specify the place where such Notes may be presented and surrendered for such payment.

(i) Subject to the provisions of Sections 2.7(a) through (h) and Section 2.7(l) hereof, Holders of Notes as of the Record Date in respect of a Payment Date shall be entitled to the interest accrued and payable in accordance with the Priority of Payments and principal payable in accordance with the Priority of Payments on such Payment Date. All such payments that are mailed or wired and returned to the Paying Agent shall be held for payment as herein provided at the office or agency of the Issuer and the Co-Issuer to be maintained as provided in Section 7.2 (or returned to the Trustee).

(j) Interest on any Note which is payable, and is punctually paid or duly provided for, on any Payment Date shall be paid to the Person in whose name that Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest.

(k) Payments of principal to Holders of the Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on such Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(l) Interest accrued with respect to the Notes shall be calculated as described in the applicable form of Note attached hereto.

(m) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date, Redemption Date or upon Maturity shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(n) Notwithstanding anything contained in this Indenture to the contrary, the obligations of the Issuer and the Co-Issuer under the Notes, this Indenture and the other Transaction Documents are limited-recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer payable solely from the Assets and following realization of the Assets, all obligations of the Co-Issuers and any claims of the Noteholders, the Trustee or any other parties to any Transaction Documents shall be extinguished and shall not thereafter revive. No recourse shall be had for the payment of any amount owing in respect of the Notes against any Officer, director, employee, shareholder, limited partner or incorporator of the Issuer, the Co-Issuer or any of their respective successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture (to the extent it relates to the obligation to make payments on the Notes) until such Assets have been realized, whereupon any outstanding indebtedness or obligation in respect of the Notes, this Indenture and the other Transaction Documents shall be extinguished and shall not thereafter revive. It is further understood that the foregoing provisions of this paragraph shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(o) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal that were carried by such other Note.

(p) Notwithstanding any of the foregoing provisions with respect to payments of principal of and interest on the Notes (but subject to Sections 2.7(f) and (l)), if the Notes have become or been declared due and payable following an Event of Default and such acceleration of Maturity and its consequences have not been rescinded and annulled and the provisions of Section 5.5 are not applicable, then payments of principal of and interest on such Notes shall be made in accordance with Section 5.7 hereof.

(q) Payments in respect of the Preferred Shares as contemplated by Sections 11.1(a)(i)(12) and 11.1(a)(ii)(8) shall be made by the Trustee to the Preferred Shares Paying Agent.

Section 2.8 Persons Deemed Owners.

The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee may treat as the owner of a Note the Person in whose name such Note is registered on the Notes Register on the applicable Record Date for the purpose of receiving payments of principal of and interest and other amounts on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer or the Trustee nor any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary; provided, however, that the Depository, or its nominee, shall be deemed the owner of the Global Securities, and owners of beneficial interests in Global Securities will not be considered the owners of any Notes for the purpose of receiving notices. With respect to the Preferred Shares, on any Payment Date, the Trustee shall deliver to the Preferred Shares Paying Agent the distributions thereon for distribution to the Preferred Shareholders.

Section 2.9 Cancellation.

All Notes surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and shall be promptly canceled by the Trustee and may not be reissued or resold. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Issuer and the Co-Issuer shall direct by an Issuer Order that they be returned to them. Notes of the most senior Class Outstanding (and no other Class of Notes) that are held by the Issuer, the Co-Issuer, the Loan Obligation Manager or any of their respective Affiliates may be submitted to the Trustee for cancellation at any time.

Section 2.10 Global Securities; Definitive Notes; Temporary Notes.

(a) Definitive Notes. Definitive Notes shall only be issued in the following limited circumstances:

(i) upon Transfer of Global Securities to an IAI in accordance with the procedures set forth in Section 2.5(e)(ii) or Section 2.5(e)(iii);

(ii) if a holder of a Definitive Note wishes at any time to exchange such Definitive Note for one or more Definitive Notes or transfer such Definitive Note to a transferee who wishes to take delivery thereof in the form of a Definitive Note in accordance with Section 2.10, such holder may effect such exchange or transfer upon receipt by the Trustee or the Notes Registrar of (A) a Holder's Definitive Note properly endorsed for assignment to the transferee, and (B) duly completed certificates in the form of Exhibit D-3, upon receipt of which the Trustee or the Notes Registrar shall then cancel such Definitive Note in accordance herewith, record the transfer in the Notes Register in accordance with Section 2.5(a) and upon execution by the Co-Issuers authenticate and deliver one or more Definitive Notes bearing the same designation as the Definitive Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Definitive Note surrendered by the transferor);

(iii) in the event that the Depository notifies the Issuer and the Co-Issuer that it is unwilling or unable to continue as Depository for a Global Security or if at any time such Depository ceases to be a "Clearing Agency" registered under the Exchange Act and a successor depository is not appointed by the Issuer within 90 days of such notice, the Global Securities deposited with the Depository pursuant to Section 2.2 hereof shall be transferred to the beneficial owners thereof subject to the procedures and conditions set forth in this Section 2.10.

(b) Any Global Security that is exchanged for a Definitive Note shall be surrendered by the Depository to the Trustee's Corporate Trust Office together with necessary instruction for the registration and delivery of a Definitive Note to the beneficial owners (or such owner's nominee) holding the ownership interests in such Global Security. Any such transfer shall be made, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of Definitive Notes of the same Class and authorized denominations. Any Definitive Notes delivered in exchange for an interest in a Global Security shall, except as otherwise provided by Section 2.5(f), bear the applicable legend set forth in Exhibits C-1 or C-2, as applicable, and shall be subject to the transfer restrictions referred to in such applicable legend. The Holder of each such registered individual Global Security may transfer such Global Security by surrendering it at the Corporate Trust Office of the Trustee, or at the office of the Paying Agent.

(c) Subject to the provisions of Section 2.10(b) above, the registered Holder of a Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in Section 2.10(a) above, the Issuer and the Co-Issuer shall promptly make available to the Trustee a reasonable supply of Definitive Notes.

Pending the preparation of Definitive Notes pursuant to this Section 2.10, the Issuer and the Co-Issuer may execute and, upon Issuer Order, the Trustee shall authenticate and deliver, temporary Class A Notes, Class B Notes or Class C Notes that are printed, lithographed, typewritten, mimeographed or otherwise reproduced, in any authorized denomination, substantially of the tenor of the Definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Officers executing such Definitive Notes may determine, as conclusively evidenced by their execution of such Definitive Notes.

If temporary Definitive Notes are issued, the Issuer and the Co-Issuer shall cause permanent Definitive Notes to be prepared without unreasonable delay. The Definitive Notes shall be printed, lithographed, typewritten or otherwise reproduced, or provided by any combination thereof, or in any other manner permitted by the rules and regulations of any applicable notes exchange, all as determined by the Officers executing such Definitive Notes. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the applicable temporary Class A Notes, Class B Notes or Class C Notes at the office or agency maintained by the Issuer and the Co-Issuer for such purpose, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Class A Notes, Class B Notes or Class C Notes, the Issuer and the Co-Issuer shall execute, and the Trustee shall authenticate and deliver, in exchange therefor the same aggregate principal amount of Definitive Notes of authorized denominations. Until so exchanged, the temporary Class A Notes, Class B Notes or Class C Notes shall in all respects be entitled to the same benefits under this Indenture as Definitive Notes.

Section 2.11 U.S. Tax Treatment of Notes and the Issuer.

(a) Each of the Issuer and the Co-Issuer intends that, for U.S. federal income tax purposes, the Notes (unless held by Issuer Parent or an Issuer Parent Disregarded Entity) be treated as debt and that the Issuer be treated as a Qualified REIT Subsidiary (unless the Issuer has received a No Entity-Level Tax Opinion). Each prospective purchaser and any subsequent transferee of a Note or any interest therein shall, by virtue of its purchase or other acquisition of such Note or interest therein, be deemed to have agreed to treat such Note in a manner consistent with the preceding sentence for U.S. federal income tax purposes.

(b) The Issuer and the Co-Issuer shall account for the Notes and prepare any reports to Noteholders and tax authorities consistent with the intentions expressed in Section 2.11(a) above.

(c) Each Holder of Notes shall timely furnish to the Issuer, the Co-Issuer or its agents any U.S. federal income tax form or certification (such as IRS Form W-8BEN (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding and Reporting (Individuals)), IRS Form W-8BEN-E (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding and Reporting (Entities)), IRS Form W-8IMY (Certificate of Foreign Intermediary, Foreign Flow-through Entity, or Certain U.S. Branches for United States Tax Withholding and Reporting), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certificate of Foreign Person's Claim that Income is Effectively Connected with the Conduct of a Trade or Business in the United States)) or any successors to such IRS forms that the Issuer, the Co-Issuer or its agents may reasonably request and shall update or replace such forms or certification in accordance with its terms or its subsequent amendments. Furthermore, if the Issuer is no longer treated as a Qualified REIT Subsidiary or other disregarded entity of a REIT but is instead a foreign corporation for U.S. federal income tax purposes or if a Noteholder is a "foreign financial institution" or other foreign financial entity subject to FATCA, Noteholders shall timely furnish any information required pursuant to Section 2.7(g).

Section 2.12 Authenticating Agents.

Upon the request of the Issuer and the Co-Issuer, the Trustee shall, and if the Trustee so chooses the Trustee may, pursuant to this Indenture, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5 hereof, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 2.12 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation or banking association into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation or banking association resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation. Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee, the Issuer and the Co-Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent, the Issuer and the Co-Issuer. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuer.

The Trustee agrees to pay to each Authenticating Agent appointed by it from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto and the Trustee shall be entitled to be reimbursed for such payments, subject to Section 6.7 hereof. The provisions of Sections 2.9, 6.4 and 6.5 hereof shall be applicable to any Authenticating Agent.

Section 2.13 Forced Sale on Failure to Comply with Restrictions.

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a Note or interest therein to a U.S. Person who is determined not to have been both a QIB and a Qualified Purchaser at the time of acquisition of the Note or interest therein shall be null and void and any such proposed transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If the Issuer determines that any Holder of a Note has not satisfied the applicable requirement described in Section 2.13(a) above (any such person a "Non-Permitted Holder"), then the Issuer shall promptly after discovery that such Person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice by the Trustee or the Co-Issuer to the Issuer, if either of them makes the discovery), send notice (or procure that notice is sent) to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within 30 days of the date of such notice. If such Non-Permitted Holder fails to so transfer its Note or interest therein, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Note or interest therein to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Trustee acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Note, and selling such Note to the highest such bidder. However, the Issuer or the Trustee may select a purchaser by any other means determined by it in its sole discretion. The Holder of such Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Note, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this Section 2.13(b) shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Note sold as a result of any such sale of exercise of such discretion.

Section 2.14 No Gross Up.

The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges.

Section 2.15 U.S. Credit Risk Retention.

Pursuant to the Loan Obligation Purchase Agreement, the Securitization Sponsor shall be required to timely deliver (or cause to be timely delivered) to the Trustee any notices contemplated by Section 10.11(i) of this Agreement.

(xii) each of the Accounts constitutes a Securities Account in respect of which U.S. Bank National Association has accepted to be Custodial Securities Intermediary pursuant to the Securities Account Control Agreement on behalf of the Trustee as secured party under this Indenture.

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default shall occur and be continuing (other than the Events of Default specified in Section 5.1(f) or 5.1(g)), the Trustee may (and shall at the direction of a Majority, by outstanding principal amount, of each Class of Notes voting as a separate Class (excluding any Notes owned by the Loan Obligation Manager or any of its Affiliates or by any accounts managed by them), declare the principal of and accrued and unpaid interest on all the Notes to be immediately due and payable (and any such acceleration shall automatically terminate the Replacement Period). Upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable thereunder in accordance with the Priority of Payments will become immediately due and payable (except that in the case of an Event of Default described in Section 5.1(f) or 5.1(g) above, such an acceleration shall occur automatically and without any further action and any such acceleration shall automatically terminate the Replacement Period). If the Notes are accelerated, payments shall be made in the order and priority set forth in Section 11.1(a) hereof. If the Notes are accelerated (whether such acceleration is automatic or otherwise), the Issuer (or the Loan Obligation Manager on its behalf) shall take the actions described in Section 18.1(c) herein.

(b) At any time after such a declaration of acceleration of Maturity of the Notes has been made, and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as hereinafter provided in this Article 5, a Majority of each Class of Notes (voting as a separate Class), other than with respect to an Event of Default specified in Section 5.1(d), 5.1(e), 5.1(h) or 5.1(i), by written notice to the Issuer, the Co-Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest on and principal on the Notes that would be due and payable hereunder if the Event of Default giving rise to such acceleration had not occurred;

(B) all unpaid taxes of the Issuer and the Co-Issuer, Company Administrative Expenses and other sums paid or advanced by or otherwise due and payable to the Trustee hereunder;

(C) with respect to the Advancing Agent and the Backup Advancing Agent, any amount due and payable for unreimbursed Interest Advances and Reimbursement Interest; and

(D) with respect to the Loan Obligation Management Agreement, any Loan Obligation Manager Fee then due and any Company Administrative Expense due and payable to the Loan Obligation Manager thereunder; and

(ii) the Trustee has determined that all Events of Default of which it has actual knowledge, other than the non-payment of the interest and principal on the Notes that have become due solely by such acceleration, have been cured and a Majority of the Controlling Class, by written notice to the Trustee, has agreed with such determination (which agreement shall not be unreasonably withheld or delayed) or waived as provided in Section 5.14.

At any such time that the Trustee, subject to Section 5.2(b), shall rescind and annul such declaration and its consequences as permitted hereinabove, the Trustee shall preserve the Assets in accordance with the provisions of Section 5.5 with respect to the Event of Default that gave rise to such declaration; provided, however, that if such preservation of the Assets is rescinded pursuant to Section 5.5, the Notes may be accelerated pursuant to the first paragraph of this Section 5.2, notwithstanding any previous rescission and annulment of a declaration of acceleration pursuant to this paragraph.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

(c) Subject to Sections 5.4 and 5.5, a Majority of the Controlling Class shall have the right to direct the Trustee in the conduct of any Proceedings for any remedy available to the Trustee or in the sale of any or all of the Assets; provided that (i) such direction will not conflict with any rule of law or this Indenture; (ii) the Trustee may take any other action not inconsistent with such direction; (iii) the Trustee determines that such action will not subject it to liability (unless the Trustee has received satisfactory indemnity or reasonable security against any such liability); and (iv) any direction to undertake a sale of the Assets may be made only as described in Section 5.17.

(d) As security for the payment by the Issuer of the compensation and expenses of the Trustee and any sums the Trustee may be entitled to receive as indemnification by the Issuer, the Issuer hereby grants the Trustee a lien on the Assets, which lien is senior to the lien of the Noteholders. The Trustee's lien shall be subject to the Priority of Payments and exercisable by the Trustee only if the Notes have been declared due and payable following an Event of Default and such acceleration has not been rescinded or annulled.

(e) A Majority of the Aggregate Outstanding Amount of Notes of the Controlling Class, may, prior to the time a judgment or decree for the payment of amounts due has been obtained by the Trustee, waive any past Default on behalf of the holders of all the Notes and its consequences in accordance with Section 5.14.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) The Issuer covenants that if a Default shall occur in respect of the payment of any interest on any Class A Note, the payment of principal on any Class A Note (but only after interest with respect to the Class A Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class B Note (but only after interest with respect to the Class A Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of principal on any Class B Note (but only after interest and principal with respect to the Class A Notes and interest with respect to the Class B Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class C Note (but only after interest with respect to the Class A Notes and Class B Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full) or the payment of principal on any Class C Note (but only after interest and principal with respect to the Class A Notes and the Class B Notes and interest with respect to the Class C Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the Issuer and Co-Issuer shall, upon demand of the Trustee or any affected Noteholder, pay to the Trustee, for the benefit of the Holder of such Note, the whole amount, if any, then due and payable on such Note for principal and interest or other payment with interest on the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable interest rate and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and such Noteholder and their respective agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as Trustee of an express trust, may institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer and the Co-Issuer or any other obligor upon the Notes and collect the amounts adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee shall proceed to protect and enforce its rights and the rights of the Noteholders by such Proceedings (x) as directed by a Majority of the Controlling Class or (y) in the absence of direction by a Majority of the Controlling Class, as deemed most effectual by the Trustee; provided, that (a) such direction must not conflict with any rule of law or with any express provision of this Indenture, (b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, (c) the Trustee has been provided with security or indemnity reasonably satisfactory to it, and (d) notwithstanding the foregoing, any direction to the Trustee to undertake a sale of Assets may be given only in accordance with the preceding paragraph, in connection with any sale and liquidation of all or a portion of the Assets, the preceding sentence, and, in all cases, the applicable provisions of this Indenture. Such Proceedings shall be used for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In the case where (x) there shall be pending Proceedings relative to the Issuer or the Co-Issuer under the Bankruptcy Code, any bankruptcy, insolvency, reorganization or similar law enacted under the laws of the Cayman Islands, or any other applicable bankruptcy, insolvency or other similar law, (y) a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or the Co-Issuer, or their respective property, or (z) there shall be any other comparable Proceedings relative to the Issuer or the Co-Issuer, or the creditors or property of the Issuer or the Co-Issuer, regardless of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration, or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, the Trustee shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(b) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(c) unless prohibited by applicable law and regulations, to vote on behalf of the Noteholders in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency proceedings or of a Person performing similar functions in comparable Proceedings; and

(d) to collect and receive any amounts or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Noteholders to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Noteholders, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of its own negligence, willful misconduct or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize, consent to, vote for, accept or adopt, on behalf of any Noteholder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceedings relative thereto, and any action or Proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, shall be applied as set forth in Section 5.7.

In any Proceedings brought by the Trustee on behalf of the Noteholders, the Trustee shall be held to represent all the Holders of the Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 unless the conditions specified in Section 5.5(a) are met.

Section 5.4 Remedies.

(a) If an Event of Default has occurred and is continuing, and the Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Issuer and the Co-Issuer agree that the Trustee may, after notice to the Noteholders, and shall, upon direction by a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture (whether by declaration or otherwise), enforce any judgment obtained and collect from the Assets any amounts adjudged due;

(ii) sell all or a portion of the Assets or rights of interest therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Secured Parties hereunder; and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, however, that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 unless either of the conditions specified in Section 5.5(a) is met.

The Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation with demonstrated capabilities in structuring and distributing notes or certificates similar to the Notes as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Notes and other amounts payable hereunder, which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(e) hereof shall have occurred and be continuing, the Trustee may, and at the request of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any Sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, any Noteholder, Preferred Shareholder or the Loan Obligation Manager or any of its Affiliates may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of Sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such Sale may, in paying the purchase money, turn in any of the Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Notes so turned in by such Holder (taking into account the Class of such Notes). Such Notes, in case the amounts so payable thereon shall be less than the amount due thereon, shall either be returned to the Holders thereof after proper notation has been made thereon to show partial payment or a new note shall be delivered to the Holders reflecting the reduced interest thereon.

Upon any Sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, the receipt of the Trustee or of the Officer making a sale under judicial proceedings shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase money and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such Sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall (x) bind the Issuer, the Co-Issuer, the Trustee, the Noteholders and the Preferred Shareholders, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold and (y) be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture or any other Transaction Document, none of the Advancing Agent, the Trustee or any other Secured Party, any other party to any Transaction Document or third party beneficiary of this Indenture may, prior to the date which is one year and one day, or, if longer, the applicable preference period then in effect (including any period established pursuant to the laws of the Cayman Islands) after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Permitted Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under federal or State bankruptcy or similar laws of any jurisdiction. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Advancing Agent, the Trustee or any other Secured Party or any other party to any Transaction Document (i) from taking any action prior to the expiration of the aforementioned one year and one day period, or, if longer, the applicable preference period then in effect (including any period established pursuant to the laws of the Cayman Islands) period in (A) any case or proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency proceeding filed or commenced by a Person other than the Trustee or any other Secured Party or any other party to any Transaction Document, or (ii) from commencing against the Issuer or the Co-Issuer or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

Section 5.5 Preservation of Assets.

(a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing when any of the Notes are Outstanding, the Trustee shall (except as otherwise expressly permitted or required under this Indenture) retain the Assets securing the Notes, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Articles 10, 12 and 13 and shall not sell or liquidate the Assets, unless either:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due and unpaid on the Notes, Company Administrative Expenses due and payable pursuant to the Priority of Payments, the Loan Obligation Manager Fees due and payable pursuant to the Priority of Payments and amounts due and payable to the Advancing Agent and the Backup Advancing Agent, in respect of unreimbursed Interest Advances and Reimbursement Interest, and the holders of a Majority of the Controlling Class agrees with such determination;

(ii) the Holders of at least 66-$^{2}/_{3}$% of the Aggregate Outstanding Amount of each Class of Notes (each voting as a separate Class) direct, subject to the provisions of this Indenture, the sale and liquidation of all or a portion of the Assets; or

(iii) an Event of Default as described in Section 5.1(j) occurs and is continuing, in which case the Loan Obligation Manager shall promptly proceed to liquidate the Assets (or such portion of the Assets as is necessary to cure such Event of Default).

In the event of a sale of a portion of the Assets pursuant to clause (ii) above, the Trustee shall sell those Assets identified by requisite Noteholders pursuant to a written direction in form and substance satisfactory to the Trustee and all proceeds of such sale shall be distributed in the order set forth in Section 11.1(a)(iii).

The Trustee shall give written notice of the retention of the Assets to the Issuer, the Co-Issuer, the Loan Obligation Manager and the Rating Agencies. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) above exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Notes if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) To assist the Trustee in determining whether the condition specified in Section 5.5(a)(i) exists, the Loan Obligation Manager shall obtain bid prices with respect to each Pledged Loan Obligation from two dealers (Independent of the Loan Obligation Manager and any of its Affiliates) at the time making a market in such Loan Obligations (or, if there is only one market maker, then the Loan Obligation Manager shall obtain a bid price from that market maker or, if no market maker, from a pricing service). The Loan Obligation Manager shall compute the anticipated proceeds of sale or liquidation on the basis of the lowest of such bid prices for each such Pledged Loan Obligation and provide the Trustee with the results thereof. For the purposes of determining issues relating to the market value of any Pledged Loan Obligation and the execution of a sale or other liquidation thereof, the Trustee may, but need not, retain at the expense of the Issuer and rely on an opinion of an Independent investment banking firm of national reputation in connection with a determination (notwithstanding that such opinion will not be the basis for such determination) as to whether the condition specified in Section 5.5(a)(i) exists.

The Trustee shall promptly deliver to the Noteholders a report stating the results of any determination required to be made pursuant to Section 5.5(a)(i). If requested by a Majority of the Controlling Class, the Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days of such request.

Section 5.6 Trustee May Enforce Claims Without Possession of Notes.

All rights of action and claims under this Indenture or under any of the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust. Any recovery of judgment in respect of the Notes shall be applied as set forth in Section 5.7 hereof.

In any Proceedings brought by the Trustee (and in any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) in respect of the Notes, the Trustee shall be deemed to represent all the Holders of the Notes.

Section 5.7 Application of Amounts Collected.

Any amounts collected by the Trustee with respect to the Notes pursuant to this Article 5 and any amounts that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied subject to Section 13.1 hereof and in accordance with the Priority of Payments set forth in Section 11.1 hereof, at the date or dates fixed by the Trustee.

Section 5.8 Limitation on Suits.

No Holder of any Notes shall have any right to institute any Proceedings (the right of a Noteholder to institute any proceeding with respect to this Indenture is subject to any non-petition covenants set forth in this Indenture), judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) except as otherwise provided in Section 5.9 hereof, the Holders of at least 25% of the then Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(c) the Trustee for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 hereof and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee in its sole discretion may determine what action, if any, shall be taken, notwithstanding any other provisions of this Indenture.

Section 5.9 Unconditional Rights of Noteholders to Receive Principal and Interest.

Notwithstanding any other provision in this Indenture (except for Section 2.7(e) and 2.7(n)), the Holder of any Class of Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Class of Note as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, and, subject to the provisions of Sections 5.4 and 5.8 to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder; provided, however, that the right of such Holder to institute proceedings for the enforcement of any such payment shall not be subject to the 25% threshold requirement set forth in Section 5.8(b).

Section 5.10 Restoration of Rights and Remedies.

If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then (and in every such case) the Issuer, the Co-Issuer, the Trustee, and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Noteholder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or a waiver of a subsequent Event of Default. Every right and remedy given by this Article 5 or by law to the Trustee, or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, or by the Noteholders, as the case may be.

Section 5.13 Control by the Controlling Class.

Notwithstanding any other provision of this Indenture, if an Event of Default shall have occurred and be continuing when any of the Notes are Outstanding, a Majority of the Controlling Class shall have the right to cause the institution of, and direct the time, method and place of conducting, any Proceeding for any remedy available to the Trustee and for exercising any trust, right, remedy or power conferred on the Trustee in respect of the Notes; provided that:

(a) such direction shall not conflict with any rule of law or with this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided, however, that, subject to Section 6.1, the Trustee shall not be required to take any action that it reasonably determines might subject it to liability;

(c) the Trustee shall have been provided with indemnity satisfactory to it; and

(d) any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders of Notes secured thereby representing at least 66-$^{2}/_{3}$% of the Aggregate Outstanding Amount of each Class of Notes.

Section 5.14 Waiver of Past Defaults.

Prior to the time a judgment or decree for payment of the amounts due has been obtained by the Trustee, as provided in this Article 5, a Majority of each and every Class of Notes (voting as a separate Class) may, on behalf of the Holders of all the Notes, waive any past Default in respect of the Notes and its consequences, except a Default:

(a) in the payment of principal of any Note;

(b) in the payment of interest in respect of the Controlling Class;

(c) in respect of a covenant or provision hereof that, under Section 8.2, cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note adversely affected thereby; or

(d) in respect of any right, covenant or provision hereof for the individual protection or benefit of the Trustee, without the Trustee's express written consent thereto.

In the case of any such waiver, the Issuer, the Co-Issuer, the Trustee, and the Holders of the Notes shall be restored to their respective former positions and rights hereunder, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Loan Obligation Manager and each Noteholder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by (x) the Trustee, (y) any Noteholder, or group of Noteholders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class or (z) any Noteholder for the enforcement of the payment of the principal of or interest on any Note or any other amount payable hereunder on or after the Stated Maturity Date (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws.

Each of the Issuer and the Co-Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force (including but not limited to filing a voluntary petition under Chapter 11 of the Bankruptcy Code and by the voluntary commencement of a proceeding or the filing of a petition seeking winding up, liquidation, reorganization or other relief under any bankruptcy, insolvency, reorganization, moratorium, receivership, conservatorship or other similar laws now or hereafter in effect), which may affect the covenants, the performance of or any remedies under this Indenture; and each of the Issuer and the Co-Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.17 Sale of Assets.

(a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 hereof shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until all amounts secured by the Assets shall have been paid or if there are insufficient proceeds to pay such amount until the entire Assets shall have been sold. The Trustee may, upon notice to the Securityholders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale; provided, however, that if the Sale is rescheduled for a date more than three Business Days after the date of the determination by the Trustee pursuant to Section 5.5(a)(i) hereof, such Sale shall not occur unless and until the Trustee has again made the determination required by Section 5.5(a)(i) hereof. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 hereof.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the SEC or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities. In no event shall the Trustee be required to register Unregistered Securities under the Securities Act.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a Sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or to see to the application of any amounts.

(e) In the event of any Sale of the Assets pursuant to Section 5.4 or Section 5.5, payments shall be made in the order and priority set forth in Section 11.1(a) in the same manner as if the Notes had been accelerated.

Section 5.18 Action on the Notes.

The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the application for or obtaining of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the

Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or the Co-Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE 6

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of manifest error, or bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's Certificate furnished by the Loan Obligation Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class (or other Noteholders to the extent provided in Article 5 hereof), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(c) If, in performing its duties under this Indenture, the Trustee is required to decide between alternative courses of action, the Trustee may request written instructions from the Loan Obligation Manager as to courses of action desired by it. If the Trustee does not receive such instructions within two Business Days after it has requested them, it may, but shall be under no duty to, take or refrain from taking such action. The Trustee shall act in accordance with instructions received after such two-Business Day period except to the extent it has already taken, or committed itself to take, action inconsistent with such instructions. The Trustee shall be entitled to rely on the advice of legal counsel, Independent accountants and experts in performing its duties hereunder and be deemed to have acted in good faith if it acts in accordance with such advice.

(d) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of Section 6.1(a);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer in accordance with this Indenture and/or the Controlling Class relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee in respect of any Note or exercising any trust or power conferred upon the Trustee under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it (if the amount of such funds or risk or liability does not exceed the amount payable to the Trustee pursuant to Section 11.1(a)(i)(3) and Section 11.1(a)(ii)(1) net of the amounts specified in Section 6.7(a)(i), the Trustee shall be deemed to be reasonably assured of such repayment) unless such risk or liability relates to its ordinary services under this Indenture, except where this Indenture provides otherwise; and

(v) the Trustee shall not be liable to the Noteholders for any action taken or omitted by it at the direction of the Issuer, the Co-Issuer, the Loan Obligation Manager, the Controlling Class and/or a Noteholder under circumstances in which such direction is required or permitted by the terms of this Indenture.

(e) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default described in Section 5.1(d), 5.1(f), 5.1(g), 5.1(h), 5.1(i) or 5.1(j) or any Default described in Section 5.1(e) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references, as applicable, the Notes generally, the Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of Sections 6.1(a), (b), (c), (d) and (e).

(g) The Trustee shall, upon reasonable prior written notice, permit the Issuer, the Co-Issuer, the Loan Obligation Manager or the Rating Agencies, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Person) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Notes, with the Trustee's officers and employees responsible for carrying out the Trustee's duties with respect to the Notes.

Section 6.2 Notice of Default.

Promptly (and in no event later than three Business Days) after the occurrence of any Default known to the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail to the Loan Obligation Manager, the Rating Agencies (for so long as any Class of Notes is Outstanding and rated by the Rating Agencies) and to all Holders of Notes as their names and addresses appear on the Notes Register, notice of all Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee.

Except as otherwise provided in Section 6.1:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants, investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel (including with respect to any matters, other than factual matters, in connection with the execution by the Trustee of a supplemental indenture pursuant to Section 8.3) shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper documents, but the Trustee, in its discretion, may and, upon the written direction of a Majority of the Controlling Class, shall make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed and shall have received indemnification reasonably acceptable to the Trustee, and, the Trustee shall be entitled, on reasonable prior notice to the Issuer, the Co-Issuer, the Loan Obligation Manager and the CLO Servicer, to examine the books and records relating to the Notes and the Assets, as applicable, at the premises of the Issuer, the Co-Issuer and the Loan Obligation Manager, personally or by agent or attorney during the Issuer's, the Co-Issuer's or the Loan Obligation Manager's normal business hours upon not less than three Business Days' prior written notice; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law by any regulatory authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder (except with respect to its duty to make any Interest Advance under the circumstances specified in Section 10.9) either directly or by or through agents or attorneys provided that the Trustee shall not be responsible for any willful misconduct or negligence on the part of any agent appointed and supervised, or attorney appointed, with due care by it hereunder (other than for affiliates of the Collateral Administrator); provided, however, that the Trustee in any event shall remain responsible for the performance of its duties hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably and prudently believes to be authorized or within its rights or powers hereunder;

(i) the Trustee shall not be responsible for the accuracy of the books or records of, or for any acts or omissions of, the Depository, any Transfer Agent (other than the Trustee itself acting in that capacity), Clearstream, Luxembourg, Euroclear, any Calculation Agent (other than the Trustee itself acting in that capacity) or any Paying Agent (other than the Trustee itself acting in that capacity);

(j) the Trustee and Custodian shall not be liable for the actions or omissions of the Loan Obligation Manager, the Issuer, the Co-Issuer, the CLO Servicer or the Advancing Agent; and without limiting the foregoing, the Trustee shall not (except to the extent, if at all, otherwise expressly stated in this Indenture) be under any obligation to monitor, evaluate or verify compliance by such Person with the terms hereof or the Transaction Documents, or to verify or independently determine the accuracy of information received by it from such Person (or from any selling institution, agent bank, trustee or similar source) with respect to the Loan Obligations;

(k) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles in the United States in effect from time to time ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the accountants appointed pursuant to Section 10.12 as to the application of GAAP in such connection, in any instance;

(l) neither the Trustee nor the Collateral Administrator shall have any responsibility to the Issuer or the Secured Parties hereunder to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Loan Obligation Manager on behalf of the Issuer); provided, however, that the Trustee shall be authorized, upon receipt of an Issuer Order directing the same, to execute any acknowledgement or other agreement with the Independent accountants required for the Trustee to receive any of the reports or instructions provided for herein, which acknowledgement or agreement may include, among other things, (i) acknowledgement that the Issuer has agreed that the "agreed upon procedures" between the Issuer and the Independent accountants are sufficient for its purposes, (ii) releases by the Trustee (on behalf of itself and the Holders) of claims and acknowledgement of other limitation of liability in favor of the Independent accounts, and (iii) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accounts (including to the Holders). Notwithstanding the foregoing, in no event shall the Trustee be required to execute any agreement in respect of the Independent accountants that the Trustee determines adversely affects it in its individual capacity;

(m) neither the Trustee nor the Collateral Administrator shall be responsible for determining if a Loan Obligation meets the criteria or eligibility restrictions imposed by this Indenture; and

(n) to help fight the funding of terrorism and money laundering activities, the Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee will ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(o) the Trustee is hereby authorized and directed to execute and deliver the other Transaction Documents to which it is a party;

(p) the Bank shall be entitled to all of the same rights, protections, immunities and indemnities afforded to it as Trustee as it serves in each capacity (as Trustee or otherwise) hereunder and under the Transaction Documents (including without limitation, as Paying Agent, Calculation Agent, Transfer Agent, Custodial Securities Intermediary, Backup Advancing Agent, Notes Registrar and Custodian);

(q) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 6.4 Not Responsible for Recitals or Issuance of Notes.

The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Issuer and the Co-Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Issuer or the Co-Issuer of the Notes or the proceeds thereof or any amounts paid to the Issuer or the Co-Issuer pursuant to the provisions hereof.

Section 6.5 May Hold Notes.

The Trustee, the Paying Agent, the Notes Registrar or any other agent of the Issuer or the Co-Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer and the Co-Issuer with the same rights it would have if it were not Trustee, Paying Agent, Notes Registrar or such other agent.

Section 6.6 Amounts Held in Trust.

Amounts held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any amounts received by it hereunder except as otherwise agreed upon with the Issuer and except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Trustee in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement.

(a) Subject to the Priority of Payments, the Issuer agrees:

(i) to pay the Trustee on each Payment Date in accordance with the Priority of Payments reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee and Custodian (subject to any written agreement between the Issuer and the Trustee) in a timely manner upon its request for all reasonable expenses, disbursements and advances (except as otherwise provided herein with respect to Interest Advances) incurred or made by the Trustee and Custodian in accordance with any provision of this Indenture (including securities transaction charges to the extent not waived due to the Trustee's receipt of payments from a financial institution with respect to certain Eligible Investments, as specified by the Loan Obligation Manager and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 10.11 or 10.13 hereof, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith);

(iii) to indemnify the Trustee and Custodian and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 hereof.

(b) The Issuer may remit payment for such fees and expenses to the Trustee or, in the absence thereof, the Trustee may from time to time deduct payment of its fees and expenses hereunder from amounts on deposit in the Payment Account in accordance with the Priority of Payments.

(c) The Trustee, in its capacity as Trustee, Paying Agent, Calculation Agent, Transfer Agent, Custodial Securities Intermediary, Backup Advancing Agent, Custodian and Notes Registrar, hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Permitted Subsidiary until at least one year and one day (or, if longer, the applicable preference period then in effect) after the payment in full of all Notes issued under this Indenture. This Section 6.7 shall survive termination of this Indenture or the resignation or removal of the Trustee (or Custodian).

(d) The Trustee agrees that the payment of all amounts to which it is entitled pursuant to Sections 6.7(a)(i), (a)(ii), (a)(iii) and (a)(iv) shall be subject to the Priority of Payments, shall be payable only to the extent funds are available in accordance with such Priority of Payments, shall be payable solely from the Assets and following realization of the Assets, any such claims of the Trustee against the Issuer, and all obligations of the Issuer, shall be extinguished. The Trustee will have a lien upon the Assets to secure the payment of such payments to it in accordance with the Priority of Payments; provided that the Trustee shall not institute any proceeding for enforcement of such lien except in connection with an action taken pursuant to Section 5.3 hereof for enforcement of the lien of this Indenture for the benefit of the Noteholders.

Fees shall be accrued on the actual number of days in the related Interest Accrual Period. The Trustee shall receive amounts pursuant to this Section 6.7 and Section 11.1(a) only to the extent that such payment is made in accordance with the Priority of Payments and the failure to pay such amounts to the Trustee will not, by itself, constitute an Event of Default. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due to it hereunder. No direction by a Majority of the Controlling Class shall affect the right of the Trustee to collect amounts owed to it under this Indenture.

If on any Payment Date when any amount shall be payable to the Trustee pursuant to this Indenture is not paid because there are insufficient funds available for the payment thereof, all or any portion of such amount not so paid shall be deferred and payable on any later Payment Date on which a fee shall be payable and sufficient funds are available therefor in accordance with the Priority of Payments.

Section 6.8 Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any State thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or State authority, having a rating of at least "Baa1" by Moody's and "A" by DBRS or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)) (or such other lower rating as may be approved by the Rating Agencies from time to time) and having an office within the United States. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

Section 6.9 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee (or Custodian) and no appointment of a successor Trustee (or Custodian) pursuant to this Article 6 shall become effective until the acceptance of appointment by such successor Trustee (or Custodian) under Section 6.10.

(b) The Trustee (or Custodian) may resign at any time by giving written notice thereof to the Issuer, the Co-Issuer, the Loan Obligation Manager, the Noteholders and the Rating Agencies. Upon receiving such notice of resignation, the Issuer and the Co-Issuer shall promptly appoint a successor trustee or trustees (or custodian or custodians), by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee (or Custodian) so resigning and one copy to the successor Trustee or Trustees (or Custodian or Custodians), together with a copy to each Noteholder and the Loan Obligation Manager; provided that such successor Trustee (or Custodian) shall be appointed only upon the written consent of a Majority of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders) or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee (or Custodian) has been appointed pursuant to Section 6.10, by Act of a Majority of the Controlling Class. If no successor Trustee (or Custodian) shall have been appointed and an instrument of acceptance by a successor Trustee (or Custodian) shall not have been delivered to the Trustee (or Custodian) within 30 days after the giving of such notice of resignation, the resigning Trustee (or Custodian), the Controlling Class of Notes or any Holder of a Note, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee (or Custodian) may be removed (i) at any time by Act of at least 66-$^{2}/_{3}$% of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders) or (ii) at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee (or Custodian) has been appointed pursuant to Section 6.10, by Act of a Majority of the Controlling Class, in each case, upon written notice delivered to the Trustee (or Custodian) and to the Issuer and the Co-Issuer.

(d) If at any time:

(i) the Trustee (or Custodian) shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Issuer, the Co-Issuer, or by any Holder; or

(ii) the Trustee (or Custodian) shall become incapable of acting or there shall be instituted any proceeding pursuant to which it could be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee (or Custodian) or of its respective property shall be appointed or any public officer shall take charge or control of the Trustee (or Custodian) or of its respective property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (a) the Issuer or the Co-Issuer, by Issuer Order, may remove the Trustee (or Custodian) or (b) subject to Section 5.15, a Majority of the Controlling Class or any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee (or Custodian) and the appointment of a successor Trustee (or Custodian).

(e) If the Trustee (or Custodian) shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason, the Issuer and the Co-Issuer, by Issuer Order, subject to the written consent of the Loan Obligation Manager, shall promptly appoint a successor Trustee (or Custodian). If the Issuer and the Co-Issuer shall fail to appoint a successor Trustee (or Custodian) within 60 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee (or Custodian) may be appointed by Act of a Majority of the Controlling Class delivered to the Issuer, the Co-Issuer, the Loan Obligation Manager and the retiring Trustee (or Custodian). The successor Trustee (or Custodian) so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee (or Custodian) and supersede any successor Trustee (or Custodian) proposed by the Issuer and the Co-Issuer. If no successor Trustee (or Custodian) shall have been so appointed by the Issuer and the Co-Issuer or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the Controlling Class or any Holder may, on behalf of itself or himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee (or Custodian).

(f) The Issuer and the Co-Issuer shall give prompt notice of each resignation and each removal of the Trustee (or Custodian) and each appointment of a successor Trustee (or Custodian) by mailing written notice of such event by first class mail, postage prepaid, to the Rating Agencies, the Preferred Shares Paying Agent, the Loan Obligation Manager and to the Holders of the Notes as their names and addresses appear in the Notes Register. Each notice shall include the name of the successor Trustee (or Custodian) and the address of its Corporate Trust Office. If the Issuer or the Co-Issuer fail to mail such notice within ten days after acceptance of appointment by the successor Trustee (or Custodian), the successor Trustee (or Custodian) shall cause such notice to be given at the expense of the Issuer or the Co-Issuer, as the case may be.

Section 6.10 Acceptance of Appointment by Successor.

Every successor Trustee (or Custodian) appointed hereunder shall execute, acknowledge and deliver to the Issuer, the Co-Issuer, the Loan Obligation Manager, the CLO Servicer and the retiring Trustee (or Custodian) an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee (or Custodian) shall become effective and such successor Trustee (or Custodian), without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee (or Custodian); but, on request of the Issuer and the Co-Issuer or a Majority of the Controlling Class or the Loan Obligation Manager or the successor Trustee (or Custodian), such retiring Trustee (or Custodian) shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee (or Custodian) all the rights, powers and trusts of the retiring Trustee (or Custodian), and shall duly assign, transfer and deliver to such successor Trustee (or Custodian) all property and amounts held by such retiring Trustee (or Custodian) hereunder, subject nevertheless to its lien, if any, provided for in Section 6.7(d). Upon request of any such successor Trustee (or Custodian), the Issuer and the Co-Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee (or Custodian) all such rights, powers and trusts.

No successor Trustee (or Custodian) shall accept its appointment unless (a) at the time of such acceptance such successor shall be qualified and eligible under this Article 6, (b) such successor shall have long-term debt rated within the four highest rating categories by the Rating Agencies, and (c) the Rating Agency Condition is satisfied.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee (or Custodian).

Any corporation or banking association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or banking association resulting from any merger, conversion or consolidation to which the Trustee (or Custodian) shall be a party, or any corporation or banking association succeeding to all or substantially all of the corporate trust business of the Trustee (or Custodian), shall be the successor of the Trustee hereunder; provided such corporation or banking association shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees and Separate Trustee.

At any time or times, including for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Issuer, the Co-Issuer and the Trustee shall have power to appoint, one or more Persons to act as co-trustee jointly with the Trustee of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders of the Notes as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

Each of the Issuer and the Co-Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Issuer and the Co-Issuer do not both join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have power to make such appointment on its own.

Should any written instrument from the Issuer or the Co-Issuer be required by any co-trustee, so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuer or the Co-Issuer, as the case may be. The Issuer agrees to pay (but only from and to the extent of the Assets) to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee, shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly in the case of the appointment of a co-trustee as shall be provided in the instrument appointing such co-trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by a co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuer and the Co-Issuer evidenced by an Issuer Order, may accept the resignation of, or remove, any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuer or the Co-Issuer. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Securityholders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds.

In the event that in any month the Trustee shall not have received a Scheduled Distribution, (a) the Trustee shall promptly notify the Issuer and the Loan Obligation Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the obligor of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of Section 6.1(d)(iv), shall take such action as the Loan Obligation Manager reasonably shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Loan Obligation Manager requests a release of an Asset in connection with any such action under the Loan Obligation Management Agreement, such release shall be subject to Section 10.12 and Article 12 of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Representations and Warranties of the Trustee.

The Trustee represents and warrants that:

(a) the Trustee is a national banking association with trust powers, duly and validly existing under the laws of the United States of America, with corporate power and authority to execute, deliver and perform its obligations under this Indenture, and is duly eligible and qualified to act as trustee under this Indenture;

(b) this Indenture has been duly authorized, executed and delivered by the Trustee and constitutes the valid and binding obligation of the Trustee, enforceable against it in accordance with its terms except (i) as limited by bankruptcy, fraudulent conveyance, fraudulent transfer, insolvency, reorganization, liquidation, receivership, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and by general equitable principles, regardless of whether considered in a proceeding in equity or at law, and (ii) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought;

(c) neither the execution or delivery by the Trustee of this Indenture nor the performance by the Trustee of its obligations under this Indenture requires the consent or approval of, the giving of notice to or the registration or filing with, any governmental authority or agency under any existing law of the United States of America governing the banking or trust powers of the Trustee;

(d) neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Trustee to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, or any judgment, order, writ, injunction or decree that is binding upon the Trustee or any of its properties or assets, (ii) will violate the provisions of the Governing Documents of the Trustee or (iii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Trustee is a party or by which it or any of its property is bound, the violation of which would have a material adverse effect on the Trustee or its property; and

(e) there are no proceedings pending or, to the best knowledge of the Trustee, threatened against the Trustee before any Federal, state or other governmental agency, authority, administrator or regulatory body, arbitrator, court or other tribunal, foreign or domestic, which could have a material adverse effect on the Assets or the performance by the Trustee of its obligations under this Indenture.

Section 6.15 Requests for Consents.

In the event that the Trustee receives written notice of any proposed amendment, consent or waiver under the Underlying Instruments of any Loan Obligation (before or after any default) or in the event any action is required to be taken in respect to an Underlying Instrument, the Trustee shall promptly contact the Issuer and the Loan Obligation Manager. The Loan Obligation Manager may, on behalf of the Issuer, instruct the Trustee pursuant to an Issuer Order to, and the Trustee shall, with respect to which a Loan Obligation as to which a consent or waiver under the Underlying Instruments of such Loan Obligation (before or after any default) has been proposed or with respect to action required to be taken in respect of an Underlying Instrument, give consent, grant a waiver, vote or exercise any or all other rights or remedies with respect to any such Loan Obligation in accordance with such Issuer Order. In the absence of any instruction from the Loan Obligation Manager, the Trustee shall not engage in any vote or take any action with respect to such a Loan Obligation.

Section 6.16 Withholding.

If any amount is required to be deducted or withheld from any payment to any Noteholder, such amount shall reduce the amount otherwise distributable to such Noteholder. The Trustee is hereby authorized to withhold or deduct from amounts otherwise distributable to any Noteholder sufficient funds for the payment of any tax that is legally required to be withheld or deducted (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate proceedings and legally withholding payment of such tax, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Noteholder shall be treated as Cash distributed to such Noteholder at the time it is deducted or withheld by the Issuer or the Trustee, as applicable, and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Trustee may in its sole discretion withhold such amounts in accordance with this Section 6.16. If any Noteholder wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Noteholder in making such claim so long as such Noteholder agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

ARTICLE 7

COVENANTS

Section 7.1 Payment of Principal and Interest.

The Issuer and the Co-Issuer shall duly and punctually pay the principal of and interest on each Class of Notes in accordance with the terms of this Indenture. Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Noteholder of interest and/or principal shall be considered as having been paid by the Issuer and the Co-Issuer, and, with respect to the Preferred Shares, by the Issuer, to such Preferred Shareholder for all purposes of this Indenture.

The Trustee shall, unless prevented from doing so for reasons beyond its reasonable control, give notice to each Securityholder of any such withholding requirement no later than ten days prior to the related Payment Date from which amounts are required (as directed by the Issuer (or the Loan Obligation Manager on behalf of the Issuer)) to be withheld, provided that, despite the failure of the Trustee to give such notice, amounts withheld pursuant to applicable tax laws shall be considered as having been paid by the Issuer and the Co-Issuer, as provided above.

Section 7.2 Maintenance of Office or Agency.

The Issuer and the Co-Issuer hereby appoint the Trustee as a Paying Agent for the payment of principal of and interest on the Notes and where Notes may be surrendered for registration of transfer or exchange and the Issuer and the Co-Issuer hereby appoint CT Corporation System, 111 Eighth Avenue, 13th Floor, New York, New York 10011, as their agent where notices and demands to or upon the Co-Issuer in respect of the Notes or this Indenture, or the Issuer in respect of the Notes or this Indenture, may be served.

The Issuer or the Co-Issuer may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided, however, that the Issuer and the Co-Issuer, if applicable, will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Issuer and the Co-Issuer in respect of the Notes and this Indenture may be served, and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented and surrendered for payment; provided, further, that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax. The Issuer or the Co-Issuer, as the case may be, shall give prompt written notice to the Trustee, the Rating Agencies and the Noteholders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Issuer and the Co-Issuer, if applicable, shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Issuer and the Co-Issuer, and Notes may be presented and surrendered for payment to the appropriate Paying Agent at its main office and the Issuer and the Co-Issuer hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3 Amounts for Note Payments to be Held in Trust.

(a) All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer and the Co-Issuer by the Trustee or a Paying Agent (in each case, from and to the extent of available funds in the Payment Account and subject to the Priority of Payments) with respect to payments on the Notes.

When the Paying Agent is not also the Notes Registrar, the Issuer and the Co-Issuer shall furnish, or cause the Notes Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders of Notes and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Paying Agent is not also the Trustee, the Issuer, the Co-Issuer, and such Paying Agent shall, on or before the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due pursuant to the terms of this Indenture (to the extent funds are then available for such purpose in the Payment Account, and subject to the Priority of Payments), such sum to be held for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuer and the Co-Issuer shall promptly notify the Trustee of its action or failure so to act. Any amounts deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article 11. Any such Paying Agent shall be deemed to agree by assuming such role not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Permitted Subsidiary for the non-payment to the Paying Agent of any amounts payable thereto until at least one year and one day (or, if longer, the applicable preference period then in effect) after the payment in full of all Notes issued under this Indenture.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order of the Issuer and Issuer Order of the Co-Issuer with written notice thereof to the Trustee; provided, however, that so long as any Class of the Notes are rated by a Rating Agency and with respect to any additional or successor Paying Agent for the Notes, either (i) such Paying Agent has a long-term debt rating of "Aa3" or higher by Moody's, "AA-"or higher by Fitch and "AA-" or higher by S&P and "AA (low)" or higher by DBRS (or, if not rated by DBRS, an equivalent rating by any two other NRSROs (which may include Moody's)) or a short-term debt rating of "P-1" by Moody's, "F1+" by Fitch and "A-1+" by S&P or (ii) each of the Rating Agencies confirms that employing such Paying Agent shall not adversely affect the then-current ratings of the Notes. In the event that such successor Paying Agent ceases to have a long-term debt rating of "Aa3" or higher by Moody's, "AA-"or higher by Fitch, "AA-" or higher by S&P or "AA (low)" or higher by DBRS (or, if not rated by DBRS, an equivalent rating by any two other NRSROs (which may include Moody's)) or a short-term debt rating of at least "P-1" by Moody's, "F1+" by Fitch and "A-1+" by S&P, the Issuer and the Co-Issuer shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Issuer and the Co-Issuer shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Issuer and the Co-Issuer shall cause the Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and Redemption Date among such Holders in the proportion specified in the applicable report or Redemption Date Statement, as the case may be, in each case to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any Default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held by such Paying Agent.

The Issuer or the Co-Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct the Paying Agent to pay, to the Trustee all sums held by the Issuer or the Co-Issuer or held by the Paying Agent for payment of the Notes, such sums to be held by the Trustee in trust for the same Noteholders as those upon which such sums were held by the Issuer, the Co-Issuer or the Paying Agent; and, upon such payment by the Paying Agent to the Trustee, the Paying Agent shall be released from all further liability with respect to such amounts.

Except as otherwise required by applicable law, any amounts deposited with the Trustee in trust or deposited with the Paying Agent for the payment of the principal of or interest on any Note and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Issuer on request; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts and all liability of the Trustee or the Paying Agent with respect to such amounts (but only to the extent of the amounts so paid to the Issuer or the Co-Issuer, as applicable) shall thereupon cease. The Trustee or the Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer or the Co-Issuer, as the case may be, any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in amounts due and payable but not claimed is determinable from the records of the Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of the Issuer and Co-Issuer.

(a) So long as any Note is Outstanding, the Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect its existence and rights as an exempted company incorporated with limited liability under the laws of the Cayman Islands and shall obtain and preserve its qualification to do business as a foreign limited liability company in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; provided that the Issuer shall be entitled to change its jurisdiction of registration from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) such change is not disadvantageous in any material respect to the Holders of the Notes or the Preferred Shares, (ii) written notice of such change shall have been given by the Trustee to the Holders of the Notes or Preferred Shares, the Preferred Shares Paying Agent and the Rating Agencies 15 Business Days prior to such change and (iii) on or prior to the 15th Business Day following such notice the Trustee shall not have received written notice from a Majority of the Controlling Class or a Majority of Preferred Shareholders objecting to such change. So long as any Note is Outstanding, the Issuer will maintain at all times at least one director who is Independent of the Loan Obligation Manager and its Affiliates.

(b) So long as any Note is Outstanding, the Co-Issuer shall maintain in full force and effect its existence and rights as a limited liability company organized under the laws of Delaware and shall obtain and preserve its qualification to do business as a foreign limited liability company in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture or the Notes; provided, however, that the Co-Issuer shall be entitled to change its jurisdiction of formation from Delaware to any other jurisdiction reasonably selected by the Co-Issuer so long as (i) such change is not disadvantageous in any material respect to the Holders of the Notes, (ii) written notice of such change shall have been given by the Trustee to the Holders of the Notes and the Rating Agencies 15 Business Days prior to such change and (iii) on or prior to the 15th Business Day following such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change. So long as any Note is Outstanding, the Co-Issuer shall maintain at all times at least one manager who is Independent of the Loan Obligation Manager and its Affiliates.

(c) So long as any Note is Outstanding, the Issuer shall ensure that all corporate or other formalities regarding its existence are followed (including correcting any known misunderstanding regarding its separate existence). So long as any Note is Outstanding, the Issuer shall not take any action or conduct its affairs in a manner that is likely to result in its separate existence being ignored or its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. So long as any Note is Outstanding, the Issuer shall maintain and implement administrative and operating procedures reasonably necessary in the performance of the Issuer's obligations hereunder, and the Issuer shall at all times keep and maintain, or cause to be kept and maintained, separate books, records, accounts and other information customarily maintained for the performance of the Issuer's obligations hereunder. Without limiting the foregoing, so long as any Note is Outstanding, (i) the Issuer shall (A) pay its own liabilities only out of its own funds and (B) use separate stationery, invoices and checks, (C) hold itself out and identify itself as a separate and distinct entity under its own name and (ii) the Issuer shall not (A) have any subsidiaries (other than a Permitted Subsidiary and, in the case of the Issuer, the Co-Issuer), (B) have any employees (other than its directors), (C) engage in any transaction with any shareholder that is not permitted under the terms of the Loan Obligation Management Agreement, (D) pay dividends other than in accordance with the terms of this Indenture, its governing documents and the Preferred Share Paying Agency Agreement, (E) conduct business under an assumed name (i.e., no "DBAs"), (F) commingle its funds or assets with those of any other Person, or (G) enter into any contract or agreement with any of its Affiliates, except upon terms and conditions that are commercially reasonable and substantially similar to those available in arm's-length transactions; provided that the foregoing shall not prohibit the Issuer from entering into the transactions contemplated by the Registered Office Agreement with the registered office provider, the Company Administration Agreement with the Company Administrator, the Preferred Share Paying Agency Agreement with the Share Registrar and any other agreement contemplated or permitted by the Loan Obligation Management Agreement or this Indenture.

(d) So long as any Note is Outstanding, the Co-Issuer shall ensure that all limited liability company or other formalities regarding its existence are followed, as well as correcting any known misunderstanding regarding its separate existence. The Co-Issuer shall not take any action or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. The Co-Issuer shall maintain and implement administrative and operating procedures reasonably necessary in the performance of the Co-Issuer's obligations hereunder, and the Co-Issuer shall at all times keep and maintain, or cause to be kept and maintained, books, records, accounts and other information customarily maintained for the performance of the Co-Issuer's obligations hereunder. Without limiting the foregoing, the Co-Issuer shall not (A) have any subsidiaries, (B) have any employees (other than its managers), (C) join in any transaction with any member that is not permitted under the terms of the Loan Obligation Management Agreement, (D) pay dividends other than in accordance with the terms of this Indenture, (E) commingle its funds or assets with those of any other Person, or (F) enter into any contract or agreement with any of its Affiliates, except upon terms and conditions that are commercially reasonable and substantially similar to those available in arm's-length transactions with an unrelated party.

Section 7.5 Protection of Assets.

(a) The Trustee, on behalf of the Issuer, pursuant to any Opinion of Counsel received pursuant to Section 7.5(d) shall execute and deliver all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders and to:

(i) Grant more effectively all or any portion of the Assets;

(ii) maintain or preserve the lien (and the priority thereof) of this Indenture or to carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Assets or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the rights of the Trustee, the Holders of the Notes in the Assets against the claims of all persons and parties; and

(vi) pursuant to Sections 11.1(a)(i)(1) and 11.1(a)(ii)(1), pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Trustee as its agent and attorney-in-fact to execute any Financing Statement, continuation statement or other instrument required pursuant to this Section 7.5. The Trustee agrees that it will from time to time execute and cause to be filed Financing Statements and continuation statements (it being understood that the Trustee shall be entitled to rely upon an Opinion of Counsel described in Section 7.5(d), at the expense of the Issuer, as to the need to file such Financing Statements and continuation statements, the dates by which such filings are required to be made and the jurisdictions in which such filings are required to be made).

(b) The Trustee shall not (except in accordance with Section 10.12(a), (b) or (c) and except for payments, deliveries and distributions otherwise expressly permitted under this Indenture) (i) remove any portion of the Assets that consists of Cash or is evidenced by an instrument, certificate or other writing (A) from the jurisdiction in which it was held at the date as described in the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(d) or (B) from the possession of the Person who held it on such date or (ii) cause or permit the Custodial Account or the Custodial Securities Intermediary to be located in a different jurisdiction from the jurisdiction in which such securities accounts and Custodial Securities Intermediary were located on the Closing Date, unless the Trustee shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall (i) pay or cause to be paid taxes, if any, levied on account of the beneficial ownership by the Issuer of any Assets that secure the Notes and timely file all tax returns and information statements as required, (ii) take all actions necessary or advisable to prevent the Issuer from becoming subject to any withholding or other taxes or assessments and to allow the Issuer to comply with FATCA or Cayman FATCA Legislation, and (iii) if required to prevent the withholding or imposition of United States income tax, deliver or cause to be delivered a United States Internal Revenue Service Form W-9 (or the applicable form W-8, if appropriate) or successor applicable form, to each borrower, counterparty or paying agent with respect to (as applicable) an item included in the Assets at the time such item is purchased or entered into and thereafter prior to the expiration or obsolescence of such form.

(d) For so long as the Notes are Outstanding, (i) on February 15, 2022 and (ii) every 60 months after such date, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall deliver to the Trustee for the benefit of the Trustee, the Loan Obligation Manager and the Rating Agencies, at the expense of the Issuer, an Opinion of Counsel stating what is required, in the opinion of such counsel, as of the date of such opinion, to maintain the lien and security interest created by this Indenture with respect to the Assets, and confirming the matters set forth in the Opinion of Counsel, furnished pursuant to Section 3.1(d), with regard to the perfection and priority of such security interest (and such Opinion of Counsel may likewise be subject to qualifications and assumptions similar to those set forth in the Opinion of Counsel delivered pursuant to Section 3.1(d)).

Section 7.6 Notice of Any Amendments.

Each of the Issuer and the Co-Issuer shall give notice to each Rating Agency of, and satisfy the Rating Agency Condition with respect to, any amendments to its Governing Documents.

Section 7.7 Performance of Obligations.

(a) Each of the Issuer and the Co-Issuer shall not take any action, and will use commercially reasonable efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and as otherwise required hereby.

(b) The Issuer or the Co-Issuer may, with the prior written consent of the Majority of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders), contract with other Persons, including the Loan Obligation Manager or the Trustee, for the performance of actions and obligations to be performed by the Issuer or the Co-Issuer, as the case may be, hereunder by such Persons and the performance of the actions and other obligations with respect to the Assets of the nature set forth in the Loan Obligation Management Agreement by the Loan Obligation Manager. Notwithstanding any such arrangement, the Issuer or the Co-Issuer, as the case may be, shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Issuer or the Co-Issuer; and the Issuer or the Co-Issuer shall punctually perform, and use commercially reasonable efforts to cause the Loan Obligation Manager or such other Person to perform, all of their obligations and agreements contained in the Loan Obligation Management Agreement or such other agreement.

(c) Unless the Rating Agency Condition is satisfied with respect thereto, the Issuer shall maintain the Servicing Agreement in full force and effect so long as any Notes remain Outstanding and shall not terminate the Servicing Agreement with respect to any Loan Obligation except upon the sale or other liquidation of such Loan Obligation in accordance with the terms and conditions of this Indenture.

(d) If the Co-Issuers receive a notice from the Rating Agencies stating that they are not in compliance with Rule 17g-5, the Co-Issuers shall take such action as mutually agreed between the Co-Issuers and the Rating Agencies in order to comply with Rule 17g-5.

Section 7.8 Negative Covenants.

(a) The Issuer and the Co-Issuer shall not:

(i) sell, assign, participate, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as otherwise expressly permitted by this Indenture or the Loan Obligation Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of, the payment of the principal or interest payable in respect of the Notes (other than amounts required to be paid, deducted or withheld in accordance with any applicable law or regulation of any governmental authority) or assert any claim against any present or future Noteholder by reason of the payment of any taxes levied or assessed upon any part of the Assets;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes and this Indenture and the transactions contemplated hereby; (B) issue any additional class of securities, other than the Notes, the Preferred Shares, the ordinary shares of the Issuer and the limited liability company membership interests of the Co-Issuer; or (C) issue any additional shares of stock, other than the ordinary shares of the Issuer and the Preferred Shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, except as may be expressly permitted hereby; (B) permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden the Assets or any part thereof, any interest therein or the proceeds thereof, except as may be expressly permitted hereby; or (C) take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets, except as may be expressly permitted hereby;

(v) amend the Loan Obligation Management Agreement, except pursuant to the terms thereof;

(vi) amend the Preferred Share Paying Agency Agreement, except pursuant to the terms thereof;

(vii) to the maximum extent permitted by applicable law, dissolve or liquidate in whole or in part, except as permitted hereunder;

(viii) make or incur any capital expenditures, except as reasonably required to perform its functions in accordance with the terms of this Indenture and, in the case of the Issuer, the Preferred Share Paying Agency Agreement;

(ix) become liable in any way, whether directly or by assignment or as a guarantor or other surety, for the obligations of the lessee under any lease, hire any employees or pay any dividends to its shareholders, except with respect to the Preferred Shares in accordance with the Priority of Payments;

(x) maintain any bank accounts other than the Accounts and the bank account in the Cayman Islands in which (*inter alia*) the proceeds of the Issuer's issued share capital and the transaction fees paid to the Issuer for agreeing to issue the Securities will be kept;

(xi) conduct business under an assumed name, or change its name without first delivering at least 30 days' prior written notice to the Trustee, the Noteholders and the Rating Agencies and an Opinion of Counsel to the effect that such name change will not adversely affect the security interest hereunder of the Trustee or the Secured Parties;

(xii) take any action that would result in it failing to qualify as a Qualified REIT Subsidiary of the Arbor Parent for U.S. federal income tax purposes (including, but not limited to, an election to treat the Issuer as a “taxable REIT subsidiary,” as defined in Section 856(l) of the Code), unless the Issuer receives (A) an Opinion of Counsel that the Issuer will be treated as a Qualified REIT Subsidiary or other disregarded entity of a REIT other than Arbor Parent, or (B) a No Trade or Business Opinion;

(xiii) except for any agreements involving the purchase and sale of Loan Obligations having customary purchase or sale terms and documented with customary loan trading documentation, enter into any agreements unless such agreements contain “non-petition” and “limited recourse” provisions;

(xiv) amend their respective organizational documents without satisfaction of the Rating Agency Condition in connection therewith;

(xv) with respect to any Loan Obligation that by its terms permits the conversion from a LIBOR-based interest rate to a fixed interest rate, convert such Loan Obligation from a LIBOR-based interest rate to a fixed interest rate; or

(xvi) acquire (whether directly or indirectly, in any Account or in any sub-account) any assets that do not consist of Loan Obligations, Eligible Investments or cash (or the proceeds with respect to the foregoing). The foregoing is not intended to limit the Issuer’s ability to enter into or enforce its rights under the Loan Obligation Management Agreement, each Loan Obligation Purchase Agreement (including any Loan Obligation Purchase Agreement entered into after the Closing Date) or the Servicing Agreement.

(b) Neither the Issuer nor the Trustee shall sell, transfer, exchange or otherwise dispose of Assets, or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted or required by this Indenture or the Loan Obligation Management Agreement.

(c) The Co-Issuer shall not invest any of its assets in “securities” (as such term is defined in the 1940 Act) and shall keep all of the Co-Issuer’s assets in Cash.

(d) For so long as any of the Notes are Outstanding, the Co-Issuer shall not issue or transfer any limited liability company membership interests of the Co-Issuer to any Person other than the Issuer Parent or an Issuer Parent Disregarded Entity.

(e) The Issuer shall not enter into any material new agreements (other than any Loan Obligation, Loan Obligation Purchase Agreement or other agreement (including, without limitation, in connection with the sale of Assets by the Issuer) contemplated by this Indenture) without the prior written consent of the Holders of a Majority of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders) and shall provide notice of all new agreements (other than any Loan Obligation or other agreement specifically contemplated by this Indenture) to the Holders of the Notes. The foregoing notwithstanding, the Issuer may agree to any material new agreements; provided that (i) the Issuer (or the Loan Obligation Manager on behalf of the Issuer) determines that such new agreements would not, upon or after becoming effective, adversely affect the rights or interests of any Class or Classes of Noteholders and (ii) subject to satisfaction of the Rating Agency Condition.

(f) As long as any Note is Outstanding, Issuer Parent or any Issuer Parent Disregarded Entity may not transfer (whether by means of actual transfer or transfer of beneficial ownership for U.S. federal income tax purposes), pledge or hypothecate any retained or repurchased Notes or Preferred Shares (whether issued on the Closing Date or reissued in a single or multiple classes on a later date) or ordinary shares of the Issuer to any other Person (except to Issuer Parent or any Issuer Parent Disregarded Entity) unless the Issuer receives a No Entity-Level Tax Opinion, or has previously received a No Trade or Business Opinion.

(g) Any financing arrangement pursuant to Section 7.8(f) shall prohibit any further transfer (whether by means of actual transfer or a transfer of beneficial ownership for U.S. federal income tax purposes) of the retained or repurchased Notes or Preferred Shares, including a transfer in connection with any exercise of remedies under such financing unless the Issuer receives a No Entity-Level Tax Opinion.

Section 7.9 Statement as to Compliance.

On or before January 31, in each calendar year, commencing in 2018 or immediately if there has been a Default in the fulfillment of an obligation under this Indenture, the Issuer shall deliver to the Trustee (which will deliver a copy to each Rating Agency) an Officer's Certificate given on behalf of the Issuer and without personal liability stating, as to each signer thereof, that, since the date of the last certificate or, in the case of the first certificate, the Closing Date, to the best of the knowledge, information and belief of such Officer, the Issuer has fulfilled all of its obligations under this Indenture or, if there has been a Default in the fulfillment of any such obligation, specifying each such Default known to them and the nature and status thereof.

Section 7.10 Issuer and Co-Issuer May Consolidate or Merge Only on Certain Terms.

(a) The Issuer shall not consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by the Governing Documents and Cayman Islands law and unless:

(i) the Issuer shall be the surviving entity, or the Person (if other than the Issuer) formed by such consolidation or into which the Issuer is merged or to which all or substantially all of the assets of the Issuer are transferred shall be an entity organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of each and every Class of the Notes (each voting as a separate Class), and a Majority of Preferred Shareholders; provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of registration pursuant to Section 7.4 hereof; and provided, further, that the surviving entity shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Noteholder, the due and punctual payment of the principal of and interest on all Notes and other amounts payable hereunder and under the

Loan Obligation Management Agreement and the performance and observance of every covenant of this Indenture and the Loan Obligation Management Agreement on the part of the Issuer to be performed or observed, all as provided herein;

(ii) the Rating Agency Condition shall be satisfied;

Section 7.11 Successor Substituted.

Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 hereof, the Person formed by or surviving such consolidation or merger (if other than the Issuer or the Co-Issuer), or the Person to which such consolidation, merger, transfer or conveyance is made, shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or the Co-Issuer, as the case may be, under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article 7 may be dissolved, wound-up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business.

The Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and any supplements thereto, issuing its ordinary shares and issuing and selling the Preferred Shares in accordance with its Governing Documents, the Loan Obligation Management Agreement, and acquiring, owning, holding, disposing of and pledging the Assets in connection with the Notes and such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and any supplements thereto and such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith.

Section 7.13 Reporting.

At any time when the Issuer and/or the Co-Issuer is not subject to Section 13 or 15(d) of the Exchange Act and is not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Issuer and/or the Co-Issuer shall promptly furnish or cause to be furnished "Rule 144A Information" (as defined below) to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note by such Holder or beneficial owner. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto). The Trustee shall reasonably cooperate with the Issuer and/or the Co-Issuer in mailing or otherwise distributing (at the Issuer's expense) to such Noteholders or prospective purchasers, at and pursuant to the Issuer's and/or the Co-Issuer's written direction the foregoing materials prepared by or on behalf of the Issuer and/or the Co-Issuer; provided, however, that the Trustee shall be entitled to prepare and affix thereto or enclose therewith reasonable disclaimers to the effect that such Rule 144A Information was not assembled by the Trustee, that the Trustee has not reviewed or verified the accuracy thereof, and that it makes no representation as to such accuracy or as to the sufficiency of such information under the requirements of Rule 144A or for any other purpose.

Section 7.14 Calculation Agent.

(a) The Issuer and the Co-Issuer hereby agree that for so long as any Notes remain Outstanding there shall at all times be an agent appointed to calculate LIBOR in respect of each Interest Accrual Period in accordance with the terms of Schedule B attached hereto (the "Calculation Agent"). The Issuer and the Co-Issuer initially have appointed the Trustee as Calculation Agent for purposes of determining LIBOR for each Interest Accrual Period. The Calculation Agent may be removed by the Issuer at any time. The Calculation Agent may resign at any time by giving written notice thereof to the Issuer, the Co-Issuer, the Loan Obligation

Manager, the Noteholders and the Rating Agencies. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer, or if the Calculation Agent fails to determine LIBOR or the Interest Distribution Amount for any Class of Notes for any Interest Accrual Period, the Issuer shall promptly appoint as a replacement Calculation Agent a leading bank which is engaged in transactions in Eurodollar deposits in the international Eurodollar market and which does not control or is not controlled by or under common control with the Issuer or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed. If no successor Calculation Agent shall have been appointed within 30 days after giving of a notice of resignation, the resigning Calculation Agent, a Majority of the Notes or any Holder of a Note, on behalf of himself and all others similarly situated, may petition a court of competent jurisdiction for the appointment of a successor Calculation Agent.

(b) The Calculation Agent shall be required to agree that, as soon as practicable after 11:00 a.m. (London time) on each LIBOR Determination Date (as defined in Schedule B attached hereto), but in no event later than 11:00 a.m. (New York time) on the London Banking Day immediately following each LIBOR Determination Date, the Calculation Agent shall calculate LIBOR for the next Interest Accrual Period and will communicate such rates to the Issuer, the Co-Issuer, the Trustee, the Loan Obligation Manager, the Paying Agent and, if any Note is in the form of a Regulation S Global Security, to Euroclear and Clearstream, Luxembourg. The Calculation Agent shall also specify to the Issuer and the Co-Issuer the quotations upon which LIBOR is based, and in any event the Calculation Agent shall notify the Issuer and the Co-Issuer before 5:00 p.m. (New York time) on each LIBOR Determination Date if it has not determined and is not in the process of determining LIBOR and the Interest Distribution Amounts for each Class of Notes, together with the reasons therefor. The determination of the Class A Rate, Class B Rate and Class C Rate and the related Class A Interest Distribution Amount, Class B Interest Distribution Amount and Class C Interest Distribution Amount, respectively, by the Calculation Agent shall, absent manifest error, be final and binding on all parties.

Section 7.15 REIT Status.

(a) The Issuer Parent shall not take any action that results in the Issuer failing to qualify as a Qualified REIT Subsidiary of the Issuer Parent for U.S. federal income tax purposes, unless the Issuer receives (A) an Opinion of Counsel that the Issuer will be treated as a Qualified REIT Subsidiary or other disregarded entity of a REIT other than Arbor Parent, or (B) a No Trade or Business Opinion.

(b) If the Issuer is no longer a Qualified REIT Subsidiary or other disregarded entity of a REIT, prior to the time that:

(i) any Loan Obligation would cause the Issuer to be treated as engaged in a trade or business in the United States or to become subject to U.S. federal tax on a net income basis,

(ii) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Loan Obligation that could cause the Issuer to be treated as engaged in a trade or business in the United States or to become subject to U.S. federal tax on a net income basis,

(iii) the Issuer would acquire the real property underlying any Loan Obligation pursuant to a foreclosure or deed-in-lieu of foreclosure, or

(iv) any Loan Obligation is modified in such a manner that could cause the Issuer to be treated as engaged in a trade or business in the United States or to become subject to U.S. federal tax on a net income basis,

the Issuer will either (x) organize one or more Permitted Subsidiaries and contribute the subject property to such Permitted Subsidiary, (y) contribute such Loan Obligation to an existing Permitted Subsidiary, or (z) sell such Loan Obligation in accordance with Section 12.1.

(c) At the direction of 100% of the Preferred Shareholders (including any party that will become the beneficial owner of 100% of the Preferred Shares because of a default under any financing arrangement for which the Preferred Shares are security), the Issuer may operate as a foreign corporation that is not engaged in a trade or business in the United States for U.S. federal income tax purposes, provided that (i) the Issuer receives a No Entity-Level Tax Opinion; (ii) this Indenture and the Servicing Agreement, as applicable, are revised (A) to adopt written tax guidelines governing the Issuer's origination, acquisition, disposition and modification of Mortgage Loans designed to prevent the Issuer from being treated as engaged in a trade or business in the United States for U.S. federal income tax purposes, (B) to form one or more "grantor trusts" to the hold Mortgage Loans and (C) to implement any other provisions deemed necessary (as determined by the tax counsel providing the opinion) to prevent the Issuer from being treated as a foreign corporation engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise becoming subject to U.S. federal withholding tax or U.S. federal income tax on a net income basis; (iii) the Preferred Shareholder shall pay the administrative and other costs related to the Issuer converting from a Qualified REIT Subsidiary to operating as a foreign corporation, including the costs of any opinions and amendments; and (iv) the Preferred Shareholder agrees to pay any ongoing expenses related to the Issuer's status as a foreign corporation not engaged in a trade or business in the United States for U.S. federal income tax purposes, including but not limited to U.S. federal income tax filings required by the Issuer, the "grantor trusts" or any taxable subsidiaries or required under FATCA.

Section 7.16 Permitted Subsidiaries.

Notwithstanding any other provision of this Indenture, the Loan Obligation Manager on behalf of the Issuer shall be permitted to sell to a Permitted Subsidiary at any time any Sensitive Asset for consideration consisting entirely of the equity interests of such Permitted Subsidiary (or for an increase in the value of equity interests already owned). The Trustee shall, upon receipt of an Issuer Order certifying that the sale of a Sensitive Asset is being made in accordance with satisfaction of all requirements of this Indenture, release such Sensitive Asset and shall deliver such Sensitive Asset as specified in such Issuer Order. The following provisions shall apply to all Sensitive Assets and Permitted Subsidiaries:

(a) For all purposes under this Indenture, any Sensitive Asset transferred to a Permitted Subsidiary shall be treated as if it were an asset owned directly by the Issuer.

(b) Any distribution of Cash by a Permitted Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer and each Permitted Subsidiary shall cause all proceeds of and collections on each Sensitive Asset owned by such Permitted Subsidiary to be deposited into the applicable Collection Account.

(c) To the extent applicable, the Issuer shall form one or more Securities Accounts with the Custodial Securities Intermediary for the benefit of each Permitted Subsidiary and shall, to the extent applicable, cause Sensitive Assets to be credited to such Securities Accounts.

(d) Notwithstanding the complete and absolute transfer of a Sensitive Asset to a Permitted Subsidiary, for purposes of measuring compliance with the Note Protection Tests, the ownership interests of the Issuer in a Permitted Subsidiary or any property distributed to the Issuer by a Permitted Subsidiary shall be treated as a continuation of its ownership of the Sensitive Asset that was transferred to such Permitted Subsidiary (and shall be treated as having the same characteristics as such Sensitive Asset).

(e) If the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of all or substantially all of the Assets, the Issuer or the Loan Obligation Manager on the Issuer's behalf shall cause each Permitted Subsidiary to sell each Sensitive Asset and all other assets held by such Permitted Subsidiary and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity interest in such Permitted Subsidiary held by the Issuer.

Section 7.17 Repurchase Requests.

If the Issuer, the Trustee or the Loan Obligation Manager receives or otherwise becomes aware of any request or demand whether oral or written that a Loan Obligation be repurchased or replaced arising from any breach of a representation or warranty made with respect to such Loan Obligation (any such request or demand, a "Repurchase Request") or a withdrawal of a Repurchase Request from any Person other than the CLO Servicer, then the Trustee or the Loan Obligation Manager on behalf of the Issuer, as applicable, shall promptly forward or otherwise provide written notice of such Repurchase Request or withdrawal of a Repurchase Request, as the case may be, to the CLO Servicer, and include the following statement in the related correspondence: "This is a "[Repurchase Request]/[withdrawal of a Repurchase Request]" under Section 3.01(c) of the Servicing Agreement relating to Arbor Realty Commercial Real Estate Notes 2017-FL1, Ltd. requiring action by you as the "Repurchase Request Recipient" thereunder." Upon receipt of such Repurchase Request or withdrawal of a Repurchase Request by the Trustee or Loan Obligation Manager pursuant to the prior sentence, the CLO Servicer shall be deemed to be the Repurchase Request Recipient in respect of such Repurchase Request or withdrawal of a Repurchase Request, as the case may be, and shall be responsible for complying with the procedures set forth in Section 3.01(c) of the Servicing Agreement with respect to such Repurchase Request. If the Trustee, the Issuer or the Loan Obligation Manager receives notice or has knowledge of a withdrawal of a Repurchase Request of which notice has been previously received or given, and such notice was not received from or copied to the CLO Servicer, then the Trustee or the Loan Obligation Manager on behalf of the Issuer, as applicable, shall promptly give notice of such withdrawal to the CLO Servicer.

Section 7.18 Purchase of Additional Loan Obligations.

The Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall, prior to the Portfolio Finalization Date, use commercially reasonable efforts to apply amounts on deposit in the Unused Proceeds Account to purchase Additional Loan Obligations in accordance with Section 10.4(d) (which shall be, and hereby are, Granted to the Trustee pursuant to the Granting Clause of this Indenture) for inclusion in the Assets upon receipt by the Trustee of an Issuer Order executed by the Issuer (or the Loan Obligation Manager on behalf of the Issuer) with respect thereto directing the Trustee to pay out the amount specified therein against delivery of the Additional Loan Obligation specified therein and a certificate of an Authorized Officer of the Issuer (or the Loan Obligation Manager), dated as of the trade date, and delivered to the Trustee on or prior to the date of such purchase and Grant, to the effect that after giving effect to such purchase and Grant of the Additional Loan Obligations, except for Closing Date Loan Obligations acquired during the Post-Closing Acquisition Period, the Eligibility Criteria are met with respect to the Additional Loan Obligations purchased. Each Additional Loan Obligation, except for Closing Date Loan Obligations acquired during the Post-Closing Acquisition Period, shall satisfy the applicable Eligibility Criteria.

Section 7.19 Portfolio Finalization Date Actions.

(a) The Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall cause to be delivered to the Trustee and the Rating Agencies on the Portfolio Finalization Date an amended Schedule A listing all Loan Obligations Granted to the Trustee pursuant to Section 7.18 on or before the Portfolio Finalization Date and included in the Assets on the Portfolio Finalization Date, which schedule shall supersede any prior Schedule A delivered to the Trustee.

(b) Within 30 Business Days after the Portfolio Finalization Date, the Issuer shall provide, or (at the Issuer's expense) cause the Loan Obligation Manager to provide, the following documents to the Trustee and the Rating Agencies: (A) a report of the Collateral Administrator (x) confirming the name of the borrower, the unpaid principal balance, coupon, maturity date and Moody's Rating with respect to each Additional Loan Obligation owned by the Issuer as of the Portfolio Finalization Date, and (y) confirming that, as of the Portfolio Finalization Date, the Note Protection Tests were satisfied (the "Portfolio Finalization Date Report") and (B) a certificate of the Loan Obligation Manager on behalf of the Issuer (x) certifying the satisfaction of the items set forth in clause (A) above, and the receipt of an accountants' report specifying the agreed-upon procedures performed, at the request of the Issuer, on the items set forth in the Portfolio Finalization Date Report and (y) certifying that each Additional Loan Obligation satisfied all of the Eligibility Criteria applicable to Additional Loan Obligations. If the Portfolio Finalization Date Report provided by the Collateral Administrator confirms that the immediately foregoing subclause (A) have been met, then a Moody's Portfolio Finalization Date Deemed Rating Confirmation shall occur. If, within such 30 Business Day period the Issuer, or the Loan Obligation Manager on behalf of the Issuer, fails to provide the items described in foregoing subclauses (A) and (B) or any rating assigned as of the Closing Date to any Class of Notes has been downgraded or withdrawn, a "Rating Confirmation Failure" shall occur; provided that Issuer Parent or an Issuer Parent Disregarded Entity may contribute additional Cash, Eligible Investments and/or Loan Obligations to the Issuer in accordance with Section 12.2(c) of this Agreement.

For the avoidance of doubt, the Loan Obligation Manager's certificate described in the foregoing clause (B) shall not include the Accountants' Report.

ARTICLE 8

(v) correct or amplify the description of any property at any time subject to the lien of this Indenture, or to better assure, convey and confirm unto the Trustee any property subject or required to be subject to the lien of this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations) or to subject any additional property to the lien of this Indenture;

(vi) modify the restrictions on and procedures for resales and other transfers of Notes to reflect any changes in applicable law or regulation (or the interpretation thereof) or to enable the Issuer and the Co-Issuer to rely upon any exemption from registration under the Securities Act, the Exchange Act or the 1940 Act or to remove restrictions on resale and transfer to the extent not required thereunder;

(vii) otherwise correct any inconsistency or cure any ambiguity, omission or mistake;

(viii) take any action commercially reasonably necessary or advisable for the Issuer to comply with FATCA or Cayman FATCA Legislation or to prevent the Issuer from failing to qualify as a Qualified REIT Subsidiary or other disregarded entity of a REIT for U.S. federal income tax purposes or from being treated as a foreign corporation engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis, or to prevent the Issuer, the Holders of the Notes, the Holders of the Preferred Shares or the Trustee from being subject to withholding or other taxes, fees or assessments or otherwise subject to U.S. federal, state, local or foreign income or franchise tax on a net income tax basis;

(ix) evidence any waiver or elimination by a Rating Agency of any requirement or condition of such Rating Agency set forth herein or to amend or supplement any provision of this Indenture to the extent necessary to maintain the then-current ratings assigned to the Notes;

(xi) authorize the appointment of any listing agent, transfer agent, paying agent or additional registrar for any Class of Notes required or advisable in connection with the listing of any Class of Notes on any stock exchange, and otherwise to amend this Indenture to incorporate any changes required or requested by any governmental authority, stock exchange authority, listing agent, transfer agent, paying agent or additional registrar for any Class of Notes in connection therewith;

(xii) evidence changes to applicable laws and regulations;

(xiii) to modify, eliminate or add to any of its provisions in the event the U.S. Credit Risk Retention Rules or any other regulations applicable to the risk retention requirements for this securitization transaction are amended or repealed, in order to modify or eliminate the risk retention requirements in the event of such amendment or repeal; provided that the Trustee has received an opinion of counsel to the effect the action is consistent with and will not cause a violation of the U.S. Credit Risk Retention Rules;

(xiv) reduce the minimum denominations required for transfer of the Notes (except as provided in Section 8.2(i));

(xv) modify the provisions of this Indenture with respect to reimbursement of Nonrecoverable Interest Advances if (a) the Loan Obligation Manager determines that the commercial mortgage securitization industry standard for such provisions has changed, in order to conform to such industry standard and (b) such modification does not adversely affect the status of Issuer for U.S. federal income tax purposes, as evidenced by an Opinion of Counsel;

(xvi) modify the procedures set forth in this Indenture relating to compliance with Rule 17g-5 of the Exchange Act; provided that the change would not materially increase the obligations of the Loan Obligation Manager, the Trustee, any paying agent, the servicer or the special servicer (in each case, without such party's consent) and would not adversely affect in any material respect the interests of any Noteholder or holder of the Preferred Shares; provided, further, that the Loan Obligation Manager must provide a copy of any such amendment to the Information Agent for posting to the Rule 17g-5 Website and provide notice of any such amendment to the Rating Agencies;

(xvii) at the direction of 100% of the holders of the Preferred Shares (including any party that will become the beneficial owner of 100% of the Preferred Shares because of a default under any financing arrangement for which the Preferred Shares are security), modify the provisions of this Indenture to adopt restrictions provided by tax counsel in order to prevent the Issuer from being treated as a foreign corporation that is engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise become subject to U.S. federal withholding tax or U.S. federal income tax on a net income basis;

(xviii) make any change to any other provisions with respect to matters or questions arising under this Indenture; provided that the required action will not adversely affect in any material respect the interests of any Noteholder not consenting thereto, as evidenced by (A) an Opinion of Counsel or (B) an Officer's Certificate of the Loan Obligation Manager; and

(xix) make any modification or amendment determined by the Issuer or the Loan Obligation Manager (in consultation with legal counsel of national reputation experienced in such matters and independent of the Issuer and any Affiliates thereof) as necessary or advisable (A) for any Class of Notes to not be considered an "ownership interest" as defined for purposes of the Volcker Rule or (B) (1) to enable the Issuer to rely upon the exemption or exclusion from registration as an investment company provided by Rule 3a-7 under the Investment Company Act or another exemption or exclusion from registration as an investment company under the Investment Company Act (other than Section 3(c)(1) or Section 3(c)(7) thereof) or (2) for the Issuer to not otherwise be considered a "covered fund" as defined for purposes of the Volcker Rule, in each case so long as any such modification or amendment would not have a material adverse effect on any Class of Notes.

The Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

If any Class of Notes is Outstanding and rated, the Trustee shall not enter into any such supplemental indenture unless the Rating Agency Condition has been satisfied, the notice of which may be in electronic form. At the cost of the Issuer, the Trustee shall provide to each Noteholder and each holder of Preferred Shares and, for so long as any Class of Notes shall remain Outstanding and is rated, the Trustee shall provide to the Rating Agencies a copy of any proposed supplemental indenture at least 15 Business Days prior to the execution thereof by the Trustee, and, for so long as such Notes are Outstanding and so rated, request written confirmation, which may be in electronic form, from each noteholder and holder of Preferred Shares, that such proposed supplemental indenture will not materially and adversely affect such Noteholder or holder of Preferred Shares, and, as soon as practicable after the execution by the Trustee, the Issuer and the Co-Issuer of any such supplemental indenture, provide to the Rating Agencies a copy of the executed supplemental indenture. Following such initial 15 Business Day period, the Trustee will provide an additional 15 Business Days' notice to any Noteholder or holder of Preferred Shares that did not respond to the initial notice and, unless the Trustee is notified (after giving such initial 15 Business Days' notice and second 15 Business Days' notice, as applicable) by such Noteholder or such holder of Preferred Shares that such Person will be materially and adversely affected by the proposed supplemental indenture, the interests of such Person will be deemed not to be materially and adversely affected by such proposed supplemental indenture.

The Trustee shall not enter into any such supplemental indenture if such action would adversely affect the tax treatment of the Holders of the Notes as described in the Offering Memorandum under the heading "Certain U.S. Federal Income Tax Considerations" to any material extent or otherwise cause any of the statements described in the Offering Memorandum under the heading "Certain U.S. Federal Income Tax Considerations" to be inaccurate or incorrect to any material extent. The Trustee shall be entitled to rely upon (i) the receipt of notice from the Rating Agencies or the Requesting Party, which may be in electronic form, that the Rating Agency Condition has been satisfied and (ii) receipt of an Officer's Certificate of the Loan Obligation Manager certifying that, following provision of notice of such supplemental indenture to the Noteholders and holders of the Preferred Shares and expiry of the time period set forth in the above paragraph, that the Holders of Securities would not be materially and adversely affected by such supplemental indenture. Such determination shall be conclusive and binding on all present and future Holders of Securities. The Trustee shall not be liable for any such determination made in good faith and in reliance upon such Officer's Certificate.

Furthermore, the Trustee shall not enter into any such supplemental indenture unless the Trustee has received an Opinion of Counsel from Cadwalader, Wickersham & Taft LLP or other nationally recognized U.S. tax counsel experienced in such matters that the proposed supplemental indenture will not cause the Issuer to (x) fail to be treated as a Qualified REIT Subsidiary or other disregarded entity of a REIT for U.S. federal income tax purposes or (y) be treated as a foreign corporation that is engaged in a trade or business in the United States for U.S. federal income tax purposes or to otherwise become subject to U.S. federal income tax on a net income basis.

(b) Notwithstanding Section 8.1(a) or any other provision of this Indenture, without the consent of the Holders of any Notes or any Preferred Shareholders, the Issuer, the Co-Issuer, when authorized by Board Resolutions of the Co-Issuers, and when authorized by the Trustee, the Trustee, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

(i) conform this Indenture to the provisions described in the Offering Memorandum (or any supplement thereto);

(ii) to correct any defect or ambiguity in this Indenture in order to address any manifest error in any provision of this Indenture; and

(iii) to conform this Indenture to any Moody's Test Modification in the manner set forth in Section 12.4 hereof.

Section 8.2 Supplemental Indentures with Consent of Securityholders.

Except as set forth below, the Trustee and the Co-Issuers may enter into one or more indentures supplemental hereto to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of any Class of Notes or the Preferred Shares under this Indenture only (x) with the written consent of the Holders of a Majority in Aggregate Outstanding Amount of the Notes of each Class materially and adversely affected thereby (excluding any Notes owned by the Loan Obligation Manager or any of its Affiliates or by any accounts managed by them) and the Holder of Preferred Shares if materially and adversely affected thereby, by Act of said Securityholders delivered to the Trustee and the Co-Issuers, and (y) subject to satisfaction of the Rating Agency Condition, notice of which may be in electronic form. Unless the Trustee is notified (after giving (x) 15 Business Days' notice of such change to the Holders of each Class of Notes and the Holder of the Preferred Shares requesting notification by such Noteholders and holders of the Preferred Shares if any such Noteholders or holders of the Preferred Shares would be materially and adversely affected by the proposed supplemental indenture and (y) following such initial 15 Business Day period, an additional 15 Business Days' notice to any holder of Notes or Preferred Shares that did not respond to the initial notice) by Holders of a Majority in Aggregate Outstanding Amount of the Notes of any Class that such Class of Notes will be materially and adversely affected by the proposed supplemental indenture (and upon receipt of an Officer's Certificate of the Loan Obligation Manager), the interests of such Class and the interests of the Preferred Shares will be deemed not to be materially and adversely affected by such proposed supplemental indenture and the Trustee will be permitted to enter into such supplemental indenture. Such determinations shall be conclusive and binding on all present and future Noteholders. The consent of the Holders of the Preferred Shares shall be binding on all present and future Holders of the Preferred Shares. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Officer's Certificate of the Loan Obligation Manager.

Without the consent of (x) all of the Holders of each Outstanding Class of Notes materially adversely affected and (y) all of the Holders of the Preferred Shares materially adversely affected thereby, no supplemental indenture may:

(a) change the Stated Maturity Date of the principal of or the due date of any installment of interest on any Note, reduce the principal amount thereof or the Note Interest Rate thereon or the Redemption Price with respect to any Note, change the date of any scheduled distribution on the Preferred Shares, or the Redemption Price with respect thereto, change the earliest date on which any Note may be redeemed at the option of the Issuer, change the provisions of this Indenture that apply proceeds of any Assets to the payment of principal of or interest on Notes or of distributions to the Preferred Shares Paying Agent for the payment of distributions in respect of the Preferred Shares or change any place where, or the coin or currency in which, any Note or the principal thereof or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity Date thereof (or, in the case of redemption, on or after the applicable Redemption Date);

(b) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class or the Notional Amount of Preferred Shares of the Holders thereof whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain Defaults hereunder or their consequences provided for in this Indenture;

(c) impair or adversely affect the Assets except as otherwise permitted in this Indenture;

(d) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Note, or the Holder of any Preferred Share as an indirect beneficiary, of the security afforded to such Holder by the lien of this Indenture;

(e) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required to request the Trustee to preserve the Assets or rescind the Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Section 5.4 or 5.5 hereof;

(f) modify any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Notes whose holders' consent is required for any such action or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note affected thereby;

(g) modify the definition of the term "Outstanding" or the provisions of Section 11.1 or Section 13.1 hereof;

(h) modify any of the provisions of this Indenture in such a manner as to affect the calculation of the amount of any payment of interest on or principal of any Note on any Payment Date or of distributions to the Preferred Shares Paying Agent for the payment of distributions in respect of the Preferred Shares on any Payment Date (or any other date) or to affect the rights of the Holders of Securities to the benefit of any provisions for the redemption of such Securities contained herein;

(i) reduce the permitted minimum denominations of the Notes below the minimum denomination necessary to maintain an exemption from the registration requirements of the Securities Act or the 1940 Act; or

(j) modify any provisions regarding non-recourse or non-petition covenants with respect to the Issuer and the Co-Issuer.

The Trustee shall be entitled to rely upon an Officer's Certificate of the Issuer or the Loan Obligation Manager on behalf of the Issuer in determining whether or not the Holders of Securities would be adversely affected by such change (after giving notice of such change to the Holders of Securities). Such determination shall be conclusive and binding on all present and future Holders of Securities. The Trustee shall not be liable for any such determination made in good faith and in reliance upon such Officer's Certificate of the Issuer or the Loan Obligation Manager on behalf of the Issuer, as described in Section 8.3 hereof.

It shall not be necessary for any Act of Securityholders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Promptly after the execution by the Issuer, the Co-Issuer and the Trustee of any supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Issuer, shall mail to the Securityholders, the Preferred Shares Paying Agent, the Loan Obligation Manager, and, so long as the Notes are Outstanding and so rated, the Rating Agencies a copy thereof based on an outstanding rating. Any failure of the Trustee to publish or mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 8.3 Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Officer's Certificate of the Issuer or the Loan Obligation Manager on behalf of the Issuer stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. The Loan Obligation Manager will be bound to follow any amendment or supplement to this Indenture of which it has received written notice at least ten Business Days prior to the execution and delivery of such amendment or supplement; provided, however, that with respect to any amendment or supplement to this Indenture which may, in the judgment of the Loan Obligation Manager adversely affect the Loan Obligation Manager, the Loan Obligation Manager shall not be bound (and the Issuer agrees that it will not permit any such amendment to become effective) unless the Loan Obligation Manager gives written consent to the Trustee and the Issuer to such amendment. The Issuer and the

Trustee shall give written notice to the Loan Obligation Manager of any amendment made to this Indenture pursuant to its terms. In addition, the Loan Obligation Manager's written consent shall be required prior to any amendment to this Indenture by which it is adversely affected.

Section 8.4 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, such supplemental indenture shall form a part of this Indenture for all purposes and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder, and every Holder of Preferred Shares, shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures.

Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article 8 may, and if required by the Trustee shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer and the Co-Issuer shall so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Issuer and the Co-Issuer to any such supplemental indenture, may be prepared and executed by the Issuer and the Co-Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes. Notwithstanding the foregoing, any Note authenticated and delivered hereunder shall be subject to the terms and provisions of this Indenture, and any supplemental indenture.

ARTICLE 9

REDEMPTION OF SECURITIES; REDEMPTION PROCEDURES

Section 9.1 Clean-up Call; Tax Redemption and Optional Redemption.

(a) The Notes may be redeemed by the Issuer at the option of and at the direction of the Loan Obligation Manager (such redemption, a "Clean-up Call"), in whole but not in part, at a price equal to the applicable Redemption Prices on any Payment Date (the "Clean-up Call Date") on or after the Payment Date on which the Aggregate Outstanding Amount of the Notes has been reduced to 10% or less of the Aggregate Outstanding Amount of the Notes on the Closing Date; provided that that the funds available to be used for such Clean-up Call will be sufficient to pay the Total Redemption Price.

(b) The Notes and the Preferred Shares shall be redeemable, in whole but not in part, by Act of a Majority of Preferred Shareholders delivered to the Trustee, on the Payment Date (the "Tax Redemption Date") following the occurrence of a Tax Event if the Tax Materiality Condition is satisfied at a price equal to the applicable Redemption Prices (such redemption, a "Tax Redemption"); provided that that the funds available to be used for such Tax Redemption will be sufficient to pay the Total Redemption Price. Upon the occurrence of a Tax Event, the Issuer and the Co-Issuer, at the direction of the Loan Obligation Manager shall provide written notice thereof to the Trustee and the Rating Agencies.

(c) The Notes and the Preferred Shares shall be redeemable, in whole but not in part, at a price equal to the applicable Redemption Prices, on any Payment Date after the end of the Non-call Period, at the direction of the Issuer (such redemption, an "Optional Redemption") by Act of a Majority of Preferred Shareholders delivered to the Trustee; provided, however, that the funds available to be used for such Optional Redemption will be sufficient to pay the Total Redemption Price. Notwithstanding anything herein to the contrary, the Issuer shall not sell any Asset to the Loan Obligation Manager or any Affiliate of the Loan Obligation Manager other than ARMS Equity in connection with an Optional Redemption.

(d) The election by the Loan Obligation Manager to redeem the Notes pursuant to a Clean-up Call shall be evidenced by an Officer's Certificate from the Loan Obligation Manager directing the Trustee to make the payment to the Paying Agent of the applicable Redemption Price of all of the Notes to be redeemed from funds in the Payment Account in accordance with the Priority of Payments. In connection with a Tax Redemption, the occurrence of a Tax Event and satisfaction of the Tax Materiality Condition shall be evidenced by an Issuer Order from the Issuer or from the Loan Obligation Manager on behalf of the Issuer certifying that such conditions for a Tax Redemption have occurred. The election by the Loan Obligation Manager to redeem the Notes pursuant to an Optional Redemption shall be evidenced by an Officer's Certificate from the Loan Obligation Manager on behalf of the Issuer certifying that the conditions for an Optional Redemption have occurred.

(e) A redemption pursuant to Section 9.1(a), 9.1(b) or 9.1(c) shall not occur unless (i) at least six Business Days before the scheduled Redemption Date, (A) the Loan Obligation Manager shall have certified to the Trustee that the Loan Obligation Manager, on behalf of the Issuer, has entered into a binding agreement or agreements with (1) one or more financial institutions whose long-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a Person other than such institution) have a credit rating from Moody's and DBRS (if rated by DBRS) at least equal to the highest rating of any Notes then Outstanding or whose short-term unsecured debt obligations have a credit rating of "P-1" by Moody's (as long as the term of such agreement is 90 days or less) and "A-1" by S&P or (2) one or more Affiliates of the Loan Obligation Manager, to sell all or part of the Assets not later than the Business Day immediately preceding the scheduled Redemption Date or (B) the Trustee shall have received written confirmation that the method of redemption satisfies the Rating Agency Condition and (ii) the related Sale Proceeds (in immediately available funds), together with all other available funds (including proceeds from the sale of the Assets, Eligible Investments maturing on or prior to the scheduled Redemption Date, all amounts in the Collection Accounts and available Cash), shall be an aggregate amount sufficient to pay all amounts, payments, fees and expenses in accordance with the Priority of Payments due and owing on such Redemption Date.

Section 9.2 Notice of Redemption.

(a) In connection with an Optional Redemption, a Clean-up Call or a Tax Redemption pursuant to Section 9.1, the Trustee on behalf of the Issuer and the Co-Issuer shall (i) set the applicable Record Date and (ii) at least 45 days prior to the proposed Redemption Date, notify the Loan Obligation Manager, the Rating Agencies, the Preferred Share Paying Agent and each Preferred Shareholder at such Preferred Shareholder's address in the register maintained by the Share Registrar, of such proposed Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the Redemption Price of such Notes in accordance with Section 9.1. The Redemption Price shall be determined no earlier than 60 days prior to the proposed Redemption Date.

(b) Any such notice of an Optional Redemption, a Clean-up Call or a Tax Redemption may be withdrawn by the Issuer and the Co-Issuer at the direction of the Loan Obligation Manager up to the fourth Business Day prior to the scheduled Redemption Date by written notice to the Trustee, the Preferred Share Paying Agent, to each Holder of Notes to be redeemed, and the Loan Obligation Manager only if the Loan Obligation Manager is unable to deliver the sale agreement or agreements or certifications referred to in Section 9.1(e), as the case may be.

Section 9.3 Notice of Redemption or Maturity by the Issuer.

Notice of redemption pursuant to Section 9.1 or the Maturity of any Notes shall be given by first class mail, postage prepaid, mailed not less than ten Business Days (or four Business Days where the notice of an Optional Redemption, a Clean-up Call or a Tax Redemption is withdrawn pursuant to Section 9.2(b)) prior to the applicable Redemption Date or Maturity, to each Holder of Notes to be redeemed, at its address in the Notes Register.

All notices of redemption shall state:

(a) the applicable Redemption Date;

(b) the applicable Redemption Price;

(c) that all the Notes are being paid in full and that interest on the Notes shall cease to accrue on the Redemption Date specified in the notice; and

(d) the place or places where such Notes to be redeemed in whole are to be surrendered for payment of the Redemption Price which shall be the office or agency of the Paying Agent as provided in Section 7.2.

Notice of redemption shall be given by the Issuer and Co-Issuer, or at their request, by the Trustee in their names, and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder of any Note shall not impair or affect the validity of the redemption of any other Notes.

Section 9.4 Notes Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall Default in the payment of the Redemption Price and accrued interest thereon) the Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided, however, that if there is delivered to the Issuer, the Co-

Issuer and the Trustee such security or indemnity as may be required by them to hold each of them harmless (an unsecured indemnity agreement delivered to the Issuer, the Co-Issuer and the Trustee by an institutional investor with a net worth of at least U.S.$200,000,000 being deemed to satisfy such security or indemnity requirement) and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuer, the Co-Issuer and the Trustee that the applicable Note has been acquired by a bona fide purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Notes of a Class so to be redeemed whose Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(g).

If any Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Note Interest Rate for each successive Interest Accrual Period the Note remains Outstanding.

Section 9.5 Mandatory Redemption.

On any Payment Date on which any of the Note Protection Tests applicable to any Class of Notes is not satisfied as of the most recent Measurement Date, the Notes shall be redeemed (a "Mandatory Redemption"), first from Interest Proceeds, net of amounts set forth in Section 11.1(a)(i)(1) through (7), and then from Principal Proceeds, as set forth in clause (1) of Section 11.1(a)(ii), in an amount necessary, and only to the extent necessary, to cause each of the Note Protection Tests to be satisfied). Such Principal Proceeds and Interest Proceeds shall be applied to each of the Outstanding Classes of Notes in accordance with its relative seniority in accordance with the Priority of Payments. On or promptly after such Mandatory Redemption, the Issuer and the Co-Issuer shall certify or cause to be certified to the Rating Agencies and the Trustee whether the Note Protection Tests have been met.

ARTICLE 10

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Amounts; Custodial Account.

(a) Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all amounts and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such amounts and property received by it in trust for the Secured Parties, and shall apply it as provided in this Indenture.

(b) The Trustee shall credit all Loan Obligations and Eligible Investments to an Eligible Account in the name of the Issuer for the benefit of the Secured Parties designated as the "Custodial Account."

Section 10.2 Collection Accounts.

(a) The Trustee shall, prior to the Closing Date, establish a Securities Account with the Custodial Securities Intermediary which shall be designated as the "Collection Account" (which may be a subaccount of the Custodial Account) and shall consist of two subaccounts, the "Interest Collection Account" and the "Principal Collection Account" (collectively, the "Collection Accounts"), which shall be held in trust in the name of the Trustee for the benefit of the Secured Parties, into which Collection Accounts, as applicable, the Trustee shall from time to time deposit (i) all Sale Proceeds (unless simultaneously reinvested in Replacement Loan Obligations in accordance with terms set forth in Section 12.2(a)) and (ii) all Interest Proceeds and all Principal Proceeds. In addition, the Issuer may, but under no circumstances shall, be required to, deposit from time to time such amounts in the Collection Accounts as it deems, in its sole discretion, to be advisable. All amounts deposited from time to time in the Collection Accounts pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. The Collection Accounts shall remain at all times with the Corporate Trust Office or a financial institution having a long-term debt rating at least equal to "Aa3" by Moody's and a short-term debt rating at least equal to "P-1" by Moody's.

(b) All distributions of principal or interest received in respect of the Assets, and any Sale Proceeds from the sale or disposition of a Loan Obligation or other Assets received by the Trustee shall be immediately credited to the Interest Collection Account or the Principal Collection Account, as Interest Proceeds or Principal Proceeds, respectively (unless, in the case of proceeds received from the sale or disposition of any Assets, such proceeds are simultaneously reinvested pursuant to Section 10.2(d) in Replacement Loan Obligations, in accordance with Section 12.2(a)). Subject to Sections 10.2(d), 10.2(e) and 11.2, all such property, together with any securities in which funds included in such property are or will be invested or reinvested during the term of this Indenture, and any income or other gain realized from such investments, shall be held by the Trustee in the Collection Accounts as part of the Assets subject to disbursement and withdrawal as provided in this Section 10.2. Subject to Section 10.2(e) by Issuer Order (which may be in the form of standing instructions), the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds received into the Collection Accounts during a Due Period, and amounts received in prior Due Periods and retained in the Collection Accounts, as so directed in Eligible Investments having stated maturities no later than the Business Day immediately preceding the next Payment Date. The Trustee, within one Business Day after receipt of any Scheduled Distribution or other proceeds in respect of the Assets which is not Cash, shall so notify the Issuer and the Loan Obligation Manager and the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall, within five Business Days of receipt of such notice from the Trustee, sell such Scheduled Distribution or other non-Cash proceeds for Cash in an arm's length transaction to a Person which is not an Affiliate of the Issuer or the Loan Obligation Manager and deposit the proceeds thereof in the applicable Collection Account for investment pursuant to this Section 10.2; provided, however, that the Issuer (or the Loan Obligation Manager on behalf of the Issuer) need not sell such Scheduled Distributions or other non-Cash proceeds if it delivers an Officer's Certificate to the Trustee certifying that such Scheduled Distributions or other proceeds constitute Loan Obligations or Eligible Investments.

(c) If prior to the occurrence of an Event of Default, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall not have given any investment directions pursuant to Section 10.2(b), the Trustee shall seek instructions from the Issuer (or the Loan Obligation Manager on behalf of the Issuer) within three Business Days after transfer of such funds to the applicable Collection Account. If the Trustee does not thereupon receive written instructions from the Issuer (or the Loan Obligation Manager on behalf of the Issuer) within five Business Days after transfer of such funds to the applicable Collection Account, it shall invest and reinvest the funds held in the applicable Collection Account in one or more Eligible Investments described in clause (ii) of the definition of Eligible Investments maturing no later than the Business Day immediately preceding the next Payment Date (unless such Eligible Investments are issued by the Trustee in its capacity as a banking institution, in which event such Eligible Investments may mature on such Payment Date). If after the occurrence of an Event of Default, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall not have given investment directions to the Trustee pursuant to Section 10.2(b) for three consecutive days, the Trustee shall invest and reinvest such amounts as fully as practicable in Eligible Investments described in clause (ii) of the definition of Eligible Investments with maturities of less than 30 days and that are sold by the Issuer not later than two Business Days immediately preceding the next Payment Date (unless such Eligible Investments are issued by the Trustee in its capacity as a banking institution, in which event such Eligible Investments may mature on such Payment Date). All interest and other income from such investments shall be deposited in the applicable Collection Account, any gain realized from such investments shall be credited to the applicable Collection Account, and any loss resulting from such investments shall be charged to the applicable Collection Account. The Trustee shall not in any way be held liable (except as a result of negligence, willful misconduct or bad faith) by reason of any insufficiency of such applicable Collection Account resulting from any loss relating to any such investment, except with respect to investments in obligations of the Trustee or any Affiliate thereof.

(d) During the Replacement Period (and up to 60 days thereafter to the extent necessary to acquire Loan Obligations pursuant to binding commitments entered into during the Replacement Period using Principal Proceeds received during or after the Replacement Period), the Loan Obligation Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, reinvest Principal Proceeds in Loan Obligations selected by the Loan Obligation Manager as permitted under and in accordance with the requirements of Article 12 and such Issuer Order. Any Principal Proceeds standing to the credit of the Principal Collection Account may be designated by the Loan Obligation Manager for application to reinvestment in Replacement Loan Obligations (such Principal Proceeds, "Designated Principal Proceeds") and, if and for so long as such Principal Proceeds are Designated Principal Proceeds, such Principal Proceeds shall remain in the Principal Collection Account (or invested in Eligible Investments) until the earlier of (i) the time the Loan Obligation Manager notifies the Trustee in writing that such Principal Proceeds are no longer so designated, (ii) the Loan Obligation Manager notifies the Trustee in writing that such Principal Proceeds are to be applied to the purchase of Replacement Loan Obligations in accordance with Section 12.2(a) and (iii) the later of (x) the first Business Day after the last day of the Replacement Period and (y) if after the last day of the Replacement Period, the last settlement date within 60 days of the last day of the Replacement Period with respect to the last Replacement Loan Obligation that the Issuer has entered into an irrevocable commitment to purchase. Any Principal Proceeds that are not Designated Principal Proceeds as of the Determination Date related to any Payment Date shall be applied pursuant to clauses (4) through (8) of Section 11.1(a)(ii) or pursuant to Section 11.1(a)(iii), as applicable.

(e) The Trustee shall transfer to the Payment Account for application pursuant to Section 11.1(a) and in accordance with the calculations and the instructions contained in the Monthly Report prepared by the Trustee on behalf of the Issuer pursuant to Section 10.11(e), on or prior to the Business Day prior to each Payment Date, any amounts then held in the Collection Accounts other than (i) Interest Proceeds or Principal Proceeds received after the end of the Due Period with respect to such Payment Date and (ii) amounts that the Issuer is entitled to reinvest in accordance with Section 12.2 and which the Issuer so elects to reinvest in accordance with the terms of this Indenture, except that, to the extent that Principal Proceeds in the Principal Collection Account as of such date are in excess of the amounts required to be applied pursuant to the Priority of Payments up to and including the next Payment Date as shown in the Monthly Report with respect to such Payment Date, the Issuer may direct the Trustee to retain such excess amounts in the Principal Collection Account and not to transfer such excess amounts to the Payment Account and the Trustee shall do so.

Section 10.3 Payment Account.

The Trustee shall, prior to the Closing Date, establish a Securities Account with the Custodial Securities Intermediary which shall be designated as the "Payment Account," which shall be held in trust for the benefit of the Secured Parties and over which the Trustee shall have exclusive control and the sole right of withdrawal. Any and all funds at any time on deposit in, or otherwise to the credit of, the Payment Account shall be held in trust by the Trustee for the benefit of the Secured Parties. Except as provided in Sections 11.1 and 11.2, the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be (i) to pay the interest on and the principal on the Notes and make other payments in respect of the Notes in accordance with their terms and the provisions of this Indenture, (ii) to pay the Preferred Shares Paying Agent for deposit into the Preferred Share Distribution Account for distributions to the Preferred Shareholders in accordance with the terms and the provisions of the Preferred Share Paying Agency Agreement, (iii) upon Issuer Order, to pay other amounts specified therein, and (iv) otherwise to pay amounts payable pursuant to and in accordance with the terms of this Indenture, each in accordance with the Priority of Payments. The Trustee agrees to give the Issuer and the Co-Issuer immediate notice if it becomes aware that the Payment Account or any funds on deposit therein, or otherwise to the credit of the Payment Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. Neither the Issuer nor the Co-Issuer shall have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Payments. The Payment Account shall remain at all times with the Corporate Trust Office or a financial institution having a long-term debt rating of at least "Aa3" by Moody's and "A (low)" by DBRS (or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)) or a short-term debt rating of at least "P-1" by Moody's and the equivalent by DBRS (if rated by DBRS) (or, in each case, such lower rating as the applicable Rating Agency shall approve). Amounts on deposit in the Payment Account shall remain uninvested.

Section 10.4 Unused Proceeds Account.

(a) The Trustee shall, on or prior to the Closing Date, establish a single, segregated trust account which shall be designated as the "Unused Proceeds Account" which shall be held in trust in the name of the Trustee for the benefit of the Secured Parties, into which the amount specified in Section 3.2(f) shall be deposited. All amounts credited from time to time to the Unused Proceeds Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided.

(b) The Trustee agrees to give the Issuer immediate notice if it becomes aware that the Unused Proceeds Account or any funds on deposit therein, or otherwise to the credit of the Unused Proceeds Account, becomes subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Unused Proceeds Account shall remain at all times with the Corporate Trust Office or a financial institution having a long-term debt rating of at least "Aa3" by Moody's or a short-term debt rating of at least "P-1" by Moody's.

(c) Amounts remaining in the Unused Proceeds Account shall, on the Business Day after the Portfolio Finalization Date, be transferred by the Trustee to the Principal Collection Account (for subsequent transfer to the Payment Account) and treated as Principal Proceeds and applied in accordance with the Priority of Payments on the next Payment Date after the Portfolio Finalization Date.

(d) During the Post-Closing Acquisition Period, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, apply amounts on deposit in the Unused Proceeds Account to acquire Additional Loan Obligations selected by the Loan Obligation Manager as permitted under and in accordance with the requirements of Section 7.18 and such Issuer Order.

(e) To the extent not applied pursuant to Section 7.18, the Loan Obligation Manager, on behalf of the Issuer, may direct the Trustee to, and upon such direction the Trustee shall, invest all funds in the Unused Proceeds Account in Eligible Investments designated by the Loan Obligation Manager. All interest and other income from such investments shall be deposited in the Unused Proceeds Account, any gain realized from such investments shall be credited to the Unused Proceeds Account, and any loss resulting from such investments shall be charged to the Unused Proceeds Account. The Trustee shall not in any way be held liable (except as a result of negligence, willful misconduct or bad faith) by reason of any insufficiency of the Unused Proceeds Account resulting from any loss relating to any such investment, except with respect to investments in obligations of the Trustee or any Affiliate thereof. If the Trustee does not receive investment instructions from an Authorized Officer of the Loan Obligation Manager, the Trustee may invest funds received in the Unused Proceeds Account in Eligible Investments of the type described in clause (ii) of the definition thereto.

Section 10.5 Reserved.

Section 10.6 RDD Funding Account.

(a) In the event any RDD Obligation is purchased by the Issuer, the Trustee will establish a Securities Account with the Custodial Securities Intermediary (the "RDD

Funding Account") which shall be held in trust for the benefit of the Secured Parties, into which the Issuer will be required to deposit the full amount of all funding amounts with respect to such RDD Obligation. All amounts in the RDD Funding Account shall be deposited in overnight funds in Eligible Investments and released to fulfill such commitments. If a RDD Obligation is sold or otherwise disposed before the full commitment thereunder has been drawn, or if excess funds remain following the termination of the funding obligation giving rise to the deposit of such funds in the RDD Funding Account, such Eligible Investments on deposit in the RDD Funding Account for the purpose of fulfilling such commitment shall be transferred to the Principal Collection Account, treated as Principal Proceeds and applied in accordance with the Priority of Payments. The RDD Funding Account shall remain at all times with the Corporate Trust Office or a financial institution having a long-term debt rating from Moody's at least equal to "A-" or "A2," as applicable, and "A" by DBRS (or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)) or a short-term debt rating at least equal to "A-1," "P-1" or "F1," as applicable, and "R-1(middle)" by DBRS (or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)) (or, in each case, such lower rating as the applicable Rating Agency shall approve).

(b) Except as provided in Section 10.6(c) below, funds in the RDD Funding Account shall be available solely to fund RDD Funding Advances under any RDD Obligations included in the Loan Obligations.

(c) The Loan Obligation Manager or the CLO Servicer, as applicable, shall direct the Trustee to withdraw funds from the RDD Funding Account to fund any required RDD Funding Advances for any RDD Obligation. Pursuant to an Issuer Order, all or a portion of the funds, as specified in such Issuer Order, on deposit in the RDD Funding Account in respect of amounts previously held on deposit in respect of unfunded commitments for RDD Obligations that have been sold or otherwise disposed of before such commitments thereunder have been drawn or as to which excess funds remain shall be transferred by the Trustee to the Collection Account as Principal Proceeds.

Section 10.7 Expense Account.

(a) The Trustee shall prior to the Closing Date establish a Securities Account with the Custodial Securities Intermediary which shall be designated as the "Expense Account" which shall be held in trust in the name of the Trustee for the benefit of the Secured Parties. The only permitted withdrawal from or application of funds on deposit in, or otherwise standing to the credit of, the Expense Account shall be to pay (on any day other than a Payment Date), accrued and unpaid Company Administrative Expenses (other than accrued and unpaid expenses and indemnities payable to the Loan Obligation Manager under the Loan Obligation Management Agreement); provided that the Trustee shall be entitled (but not required) without liability on its part, to refrain from making any such payment of a Company Administrative Expense on any day other than a Payment Date if, in its reasonable determination, taking into account the Priority of Payments, the payment of such amounts is likely to leave insufficient funds available to pay in full each of the items payable prior thereto in the Priority of Payments on the next succeeding Payment Date. On the Closing Date, Arbor Parent or its Affiliates shall deposit into the Expense Account an amount equal to U.S.$200,000. On or after the first

Payment Date, any amount remaining in the Expense Account may, at the election of the Loan Obligation Manager be designated as Interest Proceeds. On the date on which all or substantially all of the Issuer's assets have been sold or otherwise disposed of, the Issuer by Issuer Order executed by an Authorized Officer of the Loan Obligation Manager shall direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, transfer all amounts on deposit in the Expense Account to the Interest Collection Account for application pursuant to Section 11.1(a)(i) as Interest Proceeds. Amounts credited to the Expense Account may be applied on or prior to the Determination Date preceding the first Payment Date to pay amounts due in connection with the offering of the Notes.

(b) On each Payment Date, the Loan Obligation Manager may designate Interest Proceeds (in an amount not to exceed U.S.$100,000 on such Payment Date) after application of amounts payable pursuant to clauses (1) through (10) of Section 11.1(a)(i) for deposit into the Expense Account.

(c) The Trustee agrees to give the Issuer immediate notice if it becomes aware that the Expense Account or any funds on deposit therein, or otherwise to the credit of the Expense Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuer shall not have any legal, equitable or beneficial interest in the Expense Account. The Expense Account shall remain at all times with the Corporate Trust Office or a financial institution having capital and surplus of at least U.S.$200,000,000 and a long-term debt rating at least equal to "Baa1" by Moody's and "A" by DBRS (or, if not rated by DBRS, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)).

(d) The Loan Obligation Manager, on behalf of the Issuer, may direct the Trustee to, and upon such direction the Trustee shall, invest all funds in the Expense Account in Eligible Investments designated by the Loan Obligation Manager. All interest and other income from such investments shall be deposited in the Expense Account, any gain realized from such investments shall be credited to the Expense Account, and any loss resulting from such investments shall be charged to the Expense Account. The Trustee shall not in any way be held liable (except as a result of negligence, willful misconduct or bad faith) by reason of any insufficiency of such Expense Account resulting from any loss relating to any such investment, except with respect to investments in obligations of the Trustee or any Affiliate thereof. If the Trustee does not receive investment instructions from an Authorized Officer of the Loan Obligation Manager, the Trustee shall invest funds received in the Expense Account in Eligible Investments of the type described in clause (ii) of the definition thereto.

Section 10.8 Reserved.

Section 10.9 Interest Advances.

(a) With respect to each Determination Date for which the sum of Interest Proceeds and, if applicable, Principal Proceeds, collected during the related Due Period that are available to pay interest on the Notes in accordance with the Priority of Payments, are insufficient to remit the interest due and payable with respect to the Notes on the following Payment Date as a result of interest shortfalls on the Loan Obligations (the amount of such insufficiency, an "Interest Shortfall"), the Trustee shall provide the Advancing Agent with written notice of such Interest Shortfall no later than the close of business on the Business Day following such Determination Date. The Trustee shall provide the Advancing Agent with notice, prior to any funding of an Interest Advance by the Advancing Agent, of any additional interest remittances received by the Trustee after delivery of such initial notice that reduce such Interest Shortfall. No later than 5:00 p.m. (New York time) on the Business Day immediately preceding the related Payment Date (but in any event no earlier than one Business Day following the Advancing Agent's receipt of notice of such Interest Shortfall), the Advancing Agent shall advance the difference between such amounts (each such advance, an "Interest Advance") by deposit of an amount equal to such Interest Advance in the Payment Account, subject to a determination of recoverability by the Advancing Agent as described in Section 10.9(b), and subject in all events to a maximum limit in respect of any Payment Date equal to the lesser of (i) the aggregate of such Interest Shortfalls that would otherwise occur on the Notes and (ii) the aggregate of the interest payments not received in respect of Loan Obligations. Notwithstanding the foregoing, in no circumstance will the Advancing Agent be required to make an Interest Advance in respect of a Loan Obligation to the extent that the aggregate outstanding amount of all unreimbursed Interest Advances would exceed the aggregate outstanding principal amount of the Notes. Any Interest Advance made by the Advancing Agent with respect to a Payment Date that is in excess of the actual Interest Shortfall for such Payment Date shall be refunded to the Advancing Agent by the Trustee on the same Business Day that such Interest Advance was made (or, if such Interest Advance is made prior to final determination by the Trustee of such Interest Shortfall, on the Business Day of such final determination). The Advancing Agent shall provide the Trustee written notice of a determination by the Advancing Agent that a proposed Interest Advance would constitute a Nonrecoverable Interest Advance no later than the close of business on the Business Day immediately preceding the related Payment Date (or, in the event that the Advancing Agent did not receive notice of the related Interest Shortfall on the related Determination Date, no later than the close of business on the Business Day immediately following the Advancing Agent's receipt of notice of such Interest Shortfall). If the Advancing Agent shall fail to make any required Interest Advance at or prior to the time at which distributions are to be made pursuant to Section 11.1(a), the Backup Advancing Agent shall be required to make such Interest Advance, subject to a determination of recoverability by the Backup Advancing Agent as described in Section 10.9(b). The Backup Advancing Agent shall be entitled to conclusively rely on any affirmative determination by the Advancing Agent that an Interest Advance would constitute a Nonrecoverable Interest Advance. Based upon available information at the time, the Backup Advancing Agent, the Loan Obligation Manager or the Advancing Agent will provide 15 days prior notice to the Rating Agencies if recovery of a Nonrecoverable Interest Advance would result in an Interest Shortfall on the next succeeding Payment Date. No later than the close of business on the Determination Date related to a Payment Date on which the recovery of a Nonrecoverable Interest Advance would result in an Interest Shortfall, the Loan Obligation Manager will provide the Rating Agencies notice of such recovery.

(b) Notwithstanding anything herein to the contrary, neither the Advancing Agent nor the Backup Advancing Agent, as applicable, shall be required to make any Interest Advance unless such Person determines, in its sole discretion, exercised in good faith that such Interest Advance, or such proposed Interest Advance, plus interest expected to accrue thereon at the Reimbursement Rate, will be recoverable from subsequent payments or collections with respect to all Loan Obligations and has determined in its reasonable judgment that the recovery would not result in an Interest Shortfall. In determining whether any proposed Interest Advance will be, or whether any Interest Advance previously made is, a Nonrecoverable Interest Advance, the Advancing Agent or the Backup Advancing Agent, as applicable, will take into account:

(i) amounts that may be realized on each Underlying Mortgaged Property in its "as is" or then-current condition and occupancy;

(ii) the potential length of time before such Interest Advance may be reimbursed and the resulting degree of uncertainty with respect to such reimbursement; and

(iii) the possibility and effects of future adverse changes with respect to the Underlying Mortgaged Properties, and

(iv) the fact that Interest Advances are intended to provide liquidity only and not credit support to the Holders of the Class A Notes, the Class B Notes and the Class C Notes.

For purposes of any such determination of whether an Interest Advance constitutes or would constitute a Nonrecoverable Interest Advance, an Interest Advance will be deemed to be nonrecoverable if the Advancing Agent or the Backup Advancing Agent, as applicable, determines that future Interest Proceeds and Principal Proceeds may be ultimately insufficient to fully reimburse such Interest Advance, plus interest thereon at the Reimbursement Rate within a reasonable period of time. Absent bad faith, the determination by the Advancing Agent or the Backup Advancing Agent, as applicable, as to the nonrecoverability of any Interest Advance shall be conclusive and binding on the Holders of the Notes.

(c) Each of the Advancing Agent and the Backup Advancing Agent will be entitled to recover any previously unreimbursed Interest Advance made by it (including any Nonrecoverable Interest Advance to the extent made), together with interest thereon, *first*, from Interest Proceeds and *second* (to the extent that there are insufficient Interest Proceeds for such reimbursement), from Principal Proceeds to the extent that such reimbursement would not trigger an additional Interest Shortfall; provided that if at any time an Interest Advance is determined to be a Nonrecoverable Interest Advance, the Advancing Agent or the Backup Advancing Agent shall be entitled to recover all outstanding Interest Advances from the Collection Accounts on any Business Day during any Interest Accrual Period prior to the related Determination Date (or on a Payment Date prior to any payment of interest on or principal of the Notes in accordance with the Priority of Payments). The Advancing Agent shall be permitted (but not obligated) to defer or otherwise structure the timing of recoveries of Nonrecoverable Interest Advances in such manner as the Advancing Agent determines is in the best interest of the Class A Notes, the Class B Notes and the Class C Notes, as a collective whole, which may include being reimbursed for Nonrecoverable Interest Advances in installments.

(d) The Advancing Agent and the Backup Advancing Agent will each be entitled with respect to any Interest Advance made by it (including any Nonrecoverable Interest

Advance to the extent made) to interest accrued on the amount of such Interest Advance for so long as it is outstanding at the Reimbursement Rate.

(e) The obligations of the Advancing Agent and the Backup Advancing Agent to make Interest Advances in respect of the Loan Obligations will continue through the Stated Maturity Date, unless the Class A Notes, the Class B Notes and the Class C Notes are previously redeemed or repaid in full.

(f) In no event will the Advancing Agent, in its capacity as such hereunder or the Trustee, in its capacity as Backup Advancing Agent hereunder, be required to advance any amounts in respect of payments of principal of any Loan Obligation.

(g) In consideration of the performance of its obligations hereunder, the Advancing Agent shall be entitled to receive, at the times set forth herein and subject to the Priority of Payments, to the extent funds are available therefor, the Advancing Agent Fee. In consideration of the Backup Advancing Agent's obligations hereunder, the Backup Advancing Agent shall be entitled to receive, at the times set forth herein and subject to the Priority of Payments, to the extent funds are available therefor, the Backup Advancing Agent Fee. If the Backup Advancing Agent makes an Interest Advance that the Advancing Agent failed to make and did not determine to be nonrecoverable, the Backup Advancing Agent will be entitled to receive the Advancing Agent's Fee for so long as such Interest Advance is outstanding.

(h) The determination by the Advancing Agent or the Backup Advancing Agent, as applicable, (i) that it has made a Nonrecoverable Interest Advance or (ii) that any proposed Interest Advance, if made, would constitute a Nonrecoverable Interest Advance, shall be evidenced by an Officer's Certificate delivered promptly to the Trustee (or, if applicable, retained thereby), the Issuer and the Rating Agencies, setting forth the basis for such determination; provided that failure to give such notice, or any defect therein, shall not impair or affect the validity of, or the Advancing Agent or the Backup Advancing Agent, entitlement to reimbursement with respect to, any Interest Advance.

(i) If a Scheduled Distribution on any Loan Obligation is not paid to the Trustee on the Due Date therefor, the Trustee shall provide the Advancing Agent with notice of such default on the Business Day immediately following such default. In addition, upon request, the Trustee shall provide the Advancing Agent (either electronically or in hard-copy format), with copies of all reports received from any trustee, trust administrator, master servicer or similar administrative entity with respect to the Loan Obligations and the Trustee shall promptly make available to the Advancing Agent any other information reasonably available to the Trustee by reason of its acting as Trustee hereunder to permit the Advancing Agent to make a determination of recoverability with respect to any Interest Advance and to otherwise perform its advancing functions under this Indenture.

Section 10.10 Reports by Parties.

(a) The Trustee shall supply, in a timely fashion, to the Issuer, the Co-Issuer, the Preferred Shares Paying Agent and the Loan Obligation Manager any information regularly maintained by the Trustee that the Issuer, the Co-Issuer, the Preferred Shares Paying Agent or the Loan Obligation Manager may from time to time request with respect to the Assets or the Accounts and provide any other information reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.11 or to permit the Loan Obligation Manager to perform its obligations under the Loan Obligation Management Agreement. ARTICLE 12

SALE OF LOAN OBLIGATIONS

Section 12.1 Sales of Loan Obligations.

(a) Except as otherwise expressly permitted or required by this Indenture, the Issuer shall not sell or otherwise dispose of any Loan Obligation. The Loan Obligation Manager, on behalf of the Issuer, acting pursuant to the Loan Obligation Management Agreement may direct the Trustee in writing to sell:

(i) any Defaulted Obligation at any time;

(ii) a Buy/Sell Interest at any time; and

(iii) any Credit Risk Obligation on or prior to the last day of the Replacement Period unless (x) either of the Note Protection Tests were not satisfied as of the immediately preceding Determination Date and have not been cured as of the proposed sale date or (y) the Trustee, upon written direction of a majority of the Controlling Class, has provided written notice to the Loan Obligation Manager that no further sales of Credit Risk Obligations shall be permitted. The Trustee shall sell any Loan Obligation in any sale permitted pursuant to this Section 12.1(a), as directed by the Loan Obligation Manager.

(b) In addition with respect to any Defaulted Obligation or Credit Risk Obligation permitted to be sold pursuant to Section 12.1(a), the Loan Obligation Manager may, on behalf of the Issuer, instruct the Trustee to dispose of such Defaulted Obligation or Credit Risk Obligation in one of the following additional manners:

(i) by purchasing or causing its affiliate to purchase (x) such Credit Risk Obligation or Defaulted Obligation from the Issuer for a cash purchase price that will be equal to the sum of (i) the Principal Balance thereof plus (ii) all accrued and unpaid interest thereon (such purchase, a "Credit Risk/Defaulted Obligation Cash Purchase") (and no Advisory Committee consent will be required in connection with a Credit Risk/Defaulted Obligation Cash Purchase); or

(ii) upon disclosure to, and with the prior consent of, the Advisory Committee, directing the Issuer to exchange such Defaulted Obligation for (1) a substitute Loan Obligation owned by an affiliate of the Loan Obligation Manager that satisfies the Eligibility Criteria (such Replacement Loan Obligation, an "Exchange Obligation") or (2) a combination of an Exchange Obligation and cash (such exchange, a "Defaulted Obligation Exchange"); provided that:

(1) the sum of (1) the Principal Balance of such Exchange Obligation plus (2) all accrued and unpaid interest thereon plus (3) the Cash amount (if any) to be paid to the Issuer in respect of such exchange by such affiliate of the Loan Obligation Manager, is equal to or greater than:

(2) the sum of (1) the Principal Balance of the Defaulted Obligation sought to be exchanged plus (2) all accrued and unpaid interest thereon.

If a Loan Obligation that is a Defaulted Obligation is not sold by the Issuer (at the direction of the Loan Obligation Manager) within three years of such Loan Obligation becoming a Defaulted Obligation, the Loan Obligation Manager, on behalf of the Issuer, will use its commercially reasonable efforts to sell such Loan Obligation as soon as commercially practicable thereafter.

(c) After the Issuer has notified the Trustee of an Optional Redemption, a Clean-Up Call or a Tax Redemption in accordance with Section 9.1, the Loan Obligation Manager, on behalf of the Issuer, and acting pursuant to the Loan Obligation Management Agreement, may at any time direct the Trustee in writing to sell, and the Trustee shall sell in the manner directed by the Loan Obligation Manager in writing, any Loan Obligation without regard to the foregoing limitations in Section 12.1(a); provided that:

(i) the Sale Proceeds therefrom must be used to pay certain expenses and redeem all of the Notes in whole but not in part pursuant to Section 9.1, and upon any such sale the Trustee shall release such Loan Obligation pursuant to Section 10.12;

(ii) the Issuer may not direct the Trustee to sell (and the Trustee shall not be required to release) a Loan Obligation pursuant to this Section 12.1(b) unless:

(1) the Loan Obligation Manager certifies to the Trustee that, in the Loan Obligation Manager's reasonable business judgment based on calculations included in the certification (which shall include the sales prices of the Loan Obligations), the Sale Proceeds from the sale of one or more of the Loan Obligations and all Cash and proceeds from Eligible Investments will be at least equal to the Total Redemption Price; and

(2) the Independent accountants appointed by the Issuer pursuant to Section 10.13 shall recalculate the calculations made in clause (1) above and prepare an agreed-upon procedures report.

(iii) in connection with an Optional Redemption, a Clean-up Call or a Tax Redemption, all the Loan Obligations to be sold pursuant to this Section 12.1(b) must be sold in accordance with the requirements set forth in Section 9.1(e).

(d) In the event that any Notes remain Outstanding as of the Payment Date occurring six months prior to the Stated Maturity Date of the Notes, the Loan Obligation Manager will be required to determine whether the proceeds expected to be received on the Assets prior to the Stated Maturity Date of the Notes will be sufficient to pay in full the principal amount of (and accrued interest on) the Notes on the Stated Maturity Date. If the Loan Obligation Manager determines, in its sole discretion, that such proceeds will not be sufficient to pay the outstanding principal amount of and accrued interest on the Notes (a "Note Liquidation Event") on the Stated Maturity Date of the Notes, the Issuer will, at the direction of the Loan Obligation Manager, be obligated to liquidate the portion of Loan Obligations sufficient to pay the remaining principal amount of and interest on the Notes on or before the Stated Maturity

Date. The Loan Obligations to be liquidated by the Issuer will be selected by the Loan Obligation Manager.

(e) Notwithstanding anything herein to the contrary, (a) in the event that a "buy/sell" arrangement has been initiated with respect to a Buy/Sell Interest, or (b) a Loan Obligation is subject to a workout and, in either case, the Loan Obligation Manager determines in accordance with the Loan Obligation Manager Standard that the sale of any such Loan Obligation is in the best interest of the Noteholders, the Loan Obligation Manager may, on behalf of the Issuer, direct the Trustee to sell such Loan Obligation in accordance with the terms of the related Underlying Instruments; provided that, in the event any such sale is to be made to an Affiliate of the Issuer or the Loan Obligation Manager, such sale may be made only upon disclosure to, and with the prior consent of, the Advisory Committee.

(f) Notwithstanding anything herein to the contrary, the Loan Obligation Manager on behalf of the Issuer shall be permitted to sell to a Permitted Subsidiary any Sensitive Asset for consideration consisting of equity interests in such Permitted Subsidiary (or an increase in the value of equity interests already owned).

(g) Notwithstanding anything herein to the contrary, to the extent the Loan Obligation Manager deems necessary or advisable in accordance with the Loan Obligation Manager Standard, the Issuer may, at the direction of the Loan Obligation Manager (but only upon disclosure to, and with the prior consent of, the Advisory Committee), assign its right to purchase under a "buy/sell" arrangement in respect of a Loan Obligation to the Holder of the Preferred Shares or any Affiliate thereof.

Section 12.2 Replacement Loan Obligations.

(a) Except as provided in Section 12.3(c), during the Replacement Period (or within 60 days after the end of the Replacement Period with respect to reinvestments made pursuant to binding commitments to purchase entered into during the Replacement Period), Principal Proceeds received may, but are not required to, be reinvested in Replacement Loan Obligations (which shall be, and hereby are upon acquisition by the Issuer, Granted to the Trustee pursuant to the Granting Clause of this Indenture) that satisfy the applicable Eligibility Criteria and the following additional criteria (the "Replacement Criteria"), as evidenced by an Officer's Certificate of the Loan Obligation Manager on behalf of the Issuer delivered to the Trustee, delivered as of the date of the commitment to purchase such Replacement Loan Obligations:

(i) the Note Protection Tests are satisfied; and

(ii) no Event of Default has occurred and is continuing.

(b) Notwithstanding the foregoing provisions, (i) Cash on deposit in the Collection Accounts may be invested in Eligible Investments, pending investment in Replacement Loan Obligations and (ii) if an Event of Default shall have occurred and be continuing, no Replacement Loan Obligation may be acquired unless it was the subject of a commitment entered into by the Issuer prior to the occurrence of such Event of Default.

(c) Notwithstanding the foregoing provisions, at any time when ARMS Equity or an Affiliate that is wholly-owned by the Arbor Parent and is a disregarded entity for U.S. federal income tax purposes holds 100% of the Preferred Shares, it may contribute additional Cash, Eligible Investments and/or Loan Obligations to the Issuer so long as any such contributions satisfy the Eligibility Criteria at the time of such contribution, including, but not limited to, for purposes of avoiding a Rating Confirmation Failure and effecting any cure rights reserved for the holder of the Senior Participations, pursuant to and in accordance with the terms of the related participation agreement. Cash contributed to the Issuer by ARMS Equity (during the Replacement Period) may be reinvested by the Issuer in Replacement Loan Obligations so long as no Event of Default has occurred and is continuing.

Section 12.3 Conditions Applicable to all Transactions Involving Sale or Grant.

(a) Any transaction effected after the Closing Date under this Article 12 or Section 10.12 shall be conducted in accordance with the requirements of the Loan Obligation Management Agreement; provided that (1) the Loan Obligation Manager shall not direct the Trustee to acquire any Replacement Loan Obligation for inclusion in the Assets from the Loan Obligation Manager or any of its Affiliates as principal or to sell any Loan Obligation from the Assets to the Loan Obligation Manager or any of its Affiliates as principal unless the transaction is effected in accordance with the Loan Obligation Management Agreement and (2) the Loan Obligation Manager shall not direct the Trustee to acquire any Replacement Loan Obligation for inclusion in the Assets from any account or portfolio for which the Loan Obligation Manager serves as investment adviser or direct the Trustee to sell any Loan Obligation to any account or portfolio for which the Loan Obligation Manager serves as investment adviser unless such transactions comply with the Loan Obligation Management Agreement and Section 206(3) of the Advisers Act. The Trustee shall have no responsibility to oversee compliance with this clause by the other parties.

(b) Upon any Grant pursuant to this Article 12, all of the Issuer's right, title and interest to the Asset or Securities shall be Granted to the Trustee pursuant to this Indenture, such Asset or Securities shall be registered in the name of the Trustee, and, if applicable, the Trustee shall receive such Pledged Loan Obligation or Securities. The Trustee also shall receive, not later than the date of delivery of any Loan Obligation delivered after the Closing Date, an Officer's Certificate of the Loan Obligation Manager certifying that, as of the date of such Grant, such Grant complies with the applicable conditions of and is permitted by this Article 12 (and setting forth, to the extent appropriate, calculations in reasonable detail necessary to determine such compliance).

(c) Notwithstanding anything contained in this Article 12 to the contrary, the Issuer shall, subject to this Section 12.3(c), have the right to effect any transaction which has been consented to by the Holders of Notes evidencing 100% of the Aggregate Outstanding Amount of each and every Class of Notes (or if there are no Notes Outstanding, 100% of the Preferred Shares).

Section 12.4 Modifications to Moody's Tests.

In the event Moody's modifies the definitions or calculations relating to any of the Eligibility Criteria or either of the Note Protection Tests (each, a "Moody's Test Modification"), in any case in order to correspond with published changes in the guidelines, methodology or standards established by Moody's, the Issuer may, but is under no obligation solely as a result of this Section 12.4 to, incorporate corresponding changes into this Indenture by an amendment or supplement hereto without the consent of the Holders of the Notes (except as provided below) (but with written notice to the Noteholders) or the Preferred Shares if (x) the Rating Agency Condition is satisfied and (y) written notice of such modification is delivered by the Loan Obligation Manager to the Trustee and the Holders of the Notes and Preferred Shares (which notice may be included in the next regularly scheduled report to Noteholders). Any such Moody's Test Modification shall be effected without execution of a supplemental indenture; provided, however, that such amendment shall be (i) evidenced by a written instrument executed and delivered by each of the Co-Issuers and the Loan Obligation Manager and delivered to the Trustee, (ii) accompanied by delivery by the Issuer to the Trustee of an Officer's Certificate of the Issuer (or the Loan Obligation Manager on behalf of the Issuer) certifying that such amendment has been made pursuant to and in compliance with this Section 12.4.

ARTICLE 13

(b) Anything in this Indenture or the Notes to the contrary notwithstanding, the Issuer and the Holders agree that, for the benefit of the Holders of the Class B Notes that the rights of the Holders of the Class C Notes shall be subordinate and junior to the Class B Notes to the extent and in the manner set forth in Article XI of this Indenture. On each Redemption Date and each Payment Date as a result of the occurrence and continuation of the acceleration of the Notes following the occurrence of an Event of Default, all accrued and unpaid interest on and outstanding principal on the Class B Notes shall be paid pursuant to Section 11.1(a)(iii) in full in Cash or, to the extent 100% of Holders of the Class B Notes consent, other than in Cash, before any further payment or distribution is made on account of the Class C Notes, to the extent and in the manner provided in Section 11.1(a)(iii).

(c) In the event that notwithstanding the provisions of this Indenture, any Holders of any Class of Notes shall have received any payment or distribution in respect of such

Class contrary to the provisions of this Indenture, then, unless and until all accrued and unpaid interest on and outstanding principal of all more senior Classes of Notes has been paid in full in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the more senior Class of Notes in accordance with this Indenture.

(d) Each Holder of Class A Notes agrees with the Trustee on behalf of the Secured Parties that such Holder shall not demand, accept, or receive any payment or distribution in respect of the Class A Notes in violation of the provisions of this Indenture including Section 11.1(a) and this Section 13.1. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of the Class A Notes any amounts due and payable hereunder.

(e) Each Holder of Class B Notes agrees with the Trustee on behalf of the Secured Parties that such Holder shall not demand, accept, or receive any payment or distribution in respect of the Class B Notes in violation of the provisions of this Indenture including Section 11.1(a) and this Section 13.1; provided, however, that after all accrued and unpaid interest on, and principal of, the Class A Notes have been paid in full, the Holders of the Class B Notes shall be fully subrogated to the rights of the Holders the Class A Notes. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of the Class B Notes any amounts due and payable hereunder.

(f) Each Holder of Class C Notes agrees with the Trustee on behalf of the Secured Parties that such Holder shall not demand, accept, or receive any payment or distribution in respect of the Class C Notes in violation of the provisions of this Indenture including Section 11.1(a) and this Section 13.1; provided, however, that after all accrued and unpaid interest on, and principal of, the Class A Notes and the Class B Notes have been paid in full, the Holders of the Class C Notes shall be fully subrogated to the rights of the Holders the Class A Notes and the Class B Notes. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of the Class C Notes any amounts due and payable hereunder.

(g) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Permitted Subsidiary until the payment in full of the Notes and not before one year and a day, or if longer, the applicable preference period then in effect, has elapsed since such payment.

Section 13.2 Standard of Conduct.

In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Securityholder under this Indenture, a Securityholder or Securityholders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Securityholder, the Issuer, or any other Person, except for any liability to which such Securityholder may be subject to the extent the same results from such Securityholder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE 14

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to the Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Authorized Officer of the Issuer or the Co-Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Authorized Officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer of the Issuer or the Co-Issuer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Loan Obligation Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Loan Obligation Manager or such other Person, unless such Authorized Officer of the Issuer or the Co-Issuer or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel also may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Authorized Officer of the Issuer or the Co-Issuer, or the Loan Obligation Manager on behalf of the Issuer, certifying as to the factual matters that form a basis for such Opinion of Counsel and stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer or the Loan Obligation Manager on behalf of the Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Issuer or the Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's or the Co-Issuer's rights to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(e).

Section 14.2 Acts of Securityholders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Securityholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Securityholders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer and/or the Co-Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Securityholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee, the Issuer and the Co-Issuer, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount and registered numbers of Notes held by any Person, and the date of his holding the same, shall be proved by the Notes Register. The Notional Amount and registered numbers of the Preferred Shares held by any Person, and the date of his holding the same, shall be proved by the register maintained with respect to the Preferred Shares.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Securityholder shall bind such Securityholder (and any transferee thereof) of such Security and of every Security issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Preferred Shares Paying Agent, the Share Registrar, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Security.

Section 14.4 Notices to Noteholders; Waiver.

Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of Notes of any event,

(a) such notice shall be sufficiently given to Holders of Notes if in writing and mailed, first class postage prepaid, to each Holder of a Note affected by such event, at the address of such Holder as it appears in the Notes Register, not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice;

(b) such notice shall be in the English language; and

(c) all reports or notices to Preferred Shareholders shall be sufficiently given if provided in writing and mailed, first class postage prepaid, to the Preferred Shares Paying Agent.

Notwithstanding clause (a) above, a Holder of Notes may give the Trustee written notice that it is requesting that notices to it be given by facsimile transmissions and stating the facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by facsimile transmission; provided that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

The Trustee shall deliver to the Holders of the Notes any information or notice related to this Indenture in the possession of the Trustee requested to be so delivered by at least 25% of the Holders of any Class of Notes. The Trustee shall have no liability for such disclosure or, subject to its duties herein, the accuracy thereof.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder of a Note shall affect the sufficiency of such notice with respect to other Holders of Notes. In case by reason of the suspension of regular mail service or by reason of any other cause, it shall be impracticable to give such notice by mail, then such notification to Holders of Notes shall be made with the approval of the Trustee and shall constitute sufficient notification to such Holders of Notes for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In the event that, by reason of the suspension of the regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice.

Section 14.5 Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns.

All covenants and agreements in this Indenture by the Issuer and the Co-Issuer shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability.

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8 Benefits of Indenture.

Nothing in this Indenture or in the Securities, expressed or implied, shall give to any Person, other than (i) the parties hereto and their successors hereunder and (ii) the Loan Obligation Manager, the Preferred Shareholders, the Preferred Shares Paying Agent, the Share Registrar and the Noteholders (each of whom, in the case of this clause (ii), shall be an express third party beneficiary hereunder), any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 Governing Law.

THIS INDENTURE AND EACH NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES.

Section 14.10 Submission to Jurisdiction.

Each of the Issuer and the Co-Issuer hereby irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Notes or this Indenture, and each of the Issuer and the Co-Issuer hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New

York State or federal court. Each of the Issuer and the Co-Issuer hereby irrevocably waives, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. Each of the Issuer and the Co-Issuer irrevocably consents to the service of any and all process in any action or proceeding by the mailing or delivery of copies of such process to it at the office of the Issuer's and the Co-Issuer's agent set forth in Section 7.2. Each of the Issuer and the Co-Issuer agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.11 Counterparts.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

Section 14.12 Liability of Co-Issuers.

Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alios*, the Issuer and the Co-Issuer or otherwise, neither the Issuer nor the Co-Issuer shall have any liability whatsoever to the Co-Issuer or the Issuer, respectively, under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither the Issuer nor the Co-Issuer shall be entitled to take any steps to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other Co-Issuer or the Issuer, respectively. In particular, neither the Issuer nor the Co-Issuer shall be entitled to petition or take any other steps for the winding up or bankruptcy of the Co-Issuer or the Issuer, respectively or shall have any claim in respect of any assets of the Co-Issuer or the Issuer, respectively.

Section 14.13 17g-5 Information.

(a) The parties hereto agree that all 17g-5 Information provided to the Rating Agencies, or any of its officers, directors or employees, to be given or provided to the Rating Agencies pursuant to, in connection with or related, directly or indirectly, to this Indenture, any other Transaction Document, the Assets or the Notes, shall be in each case furnished directly to the Rating Agencies at the address set forth in clause Section 14.3(h) with a prior electronic copy to the Issuer or the Information Agent, as provided in Section 2A of the Collateral Administration Agreement (for forwarding to the 17g-5 Website in accordance with the Collateral Administration Agreement). The Co-Issuers also shall furnish such other information regarding the Co-Issuers or the Assets as may be reasonably requested by the Rating Agencies to the extent such party has or can obtain such information without unreasonable effort or expense. Notwithstanding the foregoing, the failure to deliver such notices or copies shall not constitute an Event of Default under this Indenture. Any confirmation of the rating by the Rating Agencies required hereunder shall be in writing. For the avoidance of doubt, such information under this Section 14.13 (except as set forth under clause (f)) shall not include any Accountants' Reports.

(b) The Co-Issuers shall comply with their obligations under Rule 17g-5 promulgated under the Exchange Act ("Rule 17g-5"), by their or their agent's posting on the

17g-5 Website, no later than the time such information is provided to the Rating Agencies, all 17g-5 Information. At all times while any Notes are rated by the Rating Agencies or any other NRSRO, the Co-Issuers shall engage a third-party to post 17g-5 Information to the 17g-5 Website, which shall initially be the Collateral Administrator (in such capacity, the "Information Agent").

(c) To the extent any of the Co-Issuers, the Trustee or the Loan Obligation Manager are engaged in oral communications with the Rating Agencies, for the purposes of determining the initial credit rating of the Notes or credit rating surveillance of the Notes, the party communicating with the Rating Agencies shall cause such oral communication to either be (x) recorded and an audio file containing the recording to be promptly delivered to the Information Agent for posting to the 17g-5 Website or (y) summarized in writing and the summary to be promptly delivered to the Information Agent for posting to the 17g-5 Website.

(d) Notwithstanding the requirements herein, the Trustee shall have no obligation to engage in or respond to any oral communications, for the purposes of determining the initial credit rating of the Notes or undertaking credit rating surveillance of the Notes, with the Rating Agencies or any of their respective officers, directors or employees.

(e) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.13 shall not constitute a Default or Event of Default.

(f) If any of the parties to this Indenture receives a Form ABS Due Diligence-15E from any party in connection with any third-party due diligence services such party may have provided with respect to the Loan Obligations ("Due Diligence Service Provider"), such receiving party shall promptly forward such Form ABS Due Diligence-15E to the 17g-5 Information Provider for posting on the 17g-5 Information Provider's Website. The 17g-5 Information Provider shall post on the 17g-5 Information Provider's Website any Form ABS Due Diligence-15E it receives directly from a Due Diligence Service Provider or from another party to this Indenture, promptly upon receipt thereof.

Section 14.14 Rating Agency Condition.

Any request for satisfaction of the Rating Agency Condition made by the Issuer, Co-Issuer or Trustee, as applicable, pursuant to this Indenture, shall be made in writing, which writing shall contain a cover page indicating the nature of the request for satisfaction of the Rating Agency Condition, and shall contain all back-up material necessary for the Rating Agencies to process such request. Such written request for satisfaction of the Rating Agency Condition shall be provided in electronic format to the Information Agent for posting on the 17g-5 Website in accordance with Section 14.13 hereof and after receiving actual knowledge of such posting (which may be in the form of an automatic email notification of posting delivered by the 17g-5 Website to such party), the Requesting Party shall send the request for satisfaction of such Condition to the Rating Agencies in accordance with the instructions for notices set forth in Section 14.3(h) hereof.

ARTICLE 15

Section 15.1 Assignment of Loan Obligation Purchase Agreements and the Loan Obligation Management Agreement.

(a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Notes and amounts payable to the Secured Parties hereunder and the performance and observance of the provisions hereof, hereby collaterally assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Noteholders, all of the Issuer's estate, right, title and interest in, to and under each Loan Obligation Purchase Agreement (now or hereafter entered into) and the Loan Obligation Management Agreement (each, an "Article 15 Agreement"), including, without limitation, (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of a Seller or the Loan Obligation Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, however, that the Trustee hereby grants the Issuer a license to exercise all of the Issuer's rights pursuant to the Article 15 Agreements without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture, including, without limitation, as set forth in Section 15.1(f)) which license shall be and is hereby deemed to be automatically revoked upon the occurrence of an Event of Default hereunder until such time, if any, that such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of each of the Article 15 Agreements, nor shall any of the obligations contained in each of the Article 15 Agreements be imposed on the Trustee.

(c) Upon the retirement of the Notes and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Noteholders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under each of the Article 15 Agreements shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that it has not executed any assignment of any of the Article 15 Agreements other than this collateral assignment.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may specify.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Sellers and the Loan Obligation Manager, as applicable, in the Loan

Obligation Purchase Agreements and the Loan Obligation Management Agreement, as applicable, to the following:

(i) each of the Sellers and the Loan Obligation Manager consents to the provisions of this collateral assignment and agrees to perform any provisions of this Indenture made expressly applicable to each of the Sellers and the Loan Obligation Manager pursuant to the applicable Article 15 Agreement;

(ii) each of the Sellers and the Loan Obligation Manager, as applicable, acknowledges that the Issuer is collaterally assigning all of its right, title and interest in, to and under the Loan Obligation Purchase Agreements and the Loan Obligation Management Agreement, as applicable, to the Trustee for the benefit of the Noteholders, and each of the Sellers and the Loan Obligation Manager, as applicable, agrees that all of the representations, covenants and agreements made by each of the Sellers and the Loan Obligation Manager, as applicable, in the applicable Article 15 Agreement are also for the benefit of, and enforceable by, the Trustee and the Noteholders;

(iii) each of the Sellers and the Loan Obligation Manager, as applicable, shall deliver to the Trustee duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Issuer pursuant to the applicable Article 15 Agreement;

(iv) none of the Issuer, the Sellers or the Loan Obligation Manager shall enter into any agreement amending, modifying or terminating the applicable Article 15 Agreement, (other than in respect of an amendment or modification to cure any inconsistency, ambiguity or manifest error) or selecting or consenting to a successor Loan Obligation Manager, as applicable, without notifying the Rating Agencies and without the prior written consent and written confirmation of the Rating Agencies that such amendment, modification or termination will not cause its then-current ratings of the Notes to be downgraded or withdrawn;

(v) except as otherwise set forth herein and therein (including, without limitation, pursuant to Section 12 of the Loan Obligation Management Agreement), the Loan Obligation Manager shall continue to serve as Loan Obligation Manager under the Loan Obligation Management Agreement, notwithstanding that the Loan Obligation Manager shall not have received amounts due it under the Loan Obligation Management Agreement because sufficient funds were not then available hereunder to pay such amounts pursuant to the Priority of Payments. The Loan Obligation Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable to the Loan Obligation Manager under the Loan Obligation Management Agreement until the payment in full of all Notes issued under this Indenture and the expiration of a period equal to the applicable preference period under the Bankruptcy Code plus ten days following such payment; and

(vi) the Loan Obligation Manager irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the

Notes or this Indenture, and the Loan Obligation Manager irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State or federal court. The Loan Obligation Manager irrevocably waives, to the fullest extent it may legally do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. The Loan Obligation Manager irrevocably consents to the service of any and all process in any action or Proceeding by the mailing by certified mail, return receipt requested, or delivery requiring signature and proof of delivery of copies of such initial process to it at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, 9th Floor, Uniondale, New York 11553, Attention: Executive Vice President—Structured Securitization. CURE RIGHTS; PURCHASE RIGHTS; REPLACEMENT LOAN OBLIGATIONS

Section 16.1 Reserved.

Section 16.2 Loan Obligation Purchase Agreements.

Following the Closing Date, unless a Loan Obligation Purchase Agreement is necessary to comply with the provisions of this Indenture, the Issuer may acquire Loan Obligations in accordance with customary settlement procedures in the relevant markets. In any event, the Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall obtain from any seller of a Loan Obligation, all Underlying Instruments with respect to each Loan Obligation that govern, directly or indirectly, the rights and obligations of the owner of the Loan Obligation with respect to the Loan Obligation and any certificate evidencing the Loan Obligation.

Section 16.3 Representations and Warranties Related to Replacement Loan Obligations.

(a) Upon the acquisition of a Replacement Loan Obligation by the Issuer, the related seller shall be required to make representations and warranties substantially in the form attached as Exhibit I hereto.

(b) The representations and warranties in Section 16.3(a) with respect to the acquisition of a Replacement Loan Obligation may be subject to any modification, limitation or qualification that the Loan Obligation Manager determines to be reasonably acceptable in accordance with the Loan Obligation Manager Standard; provided that the Loan Obligation Manager will provide the Rating Agencies with a report attached to each Monthly Report identifying each such affected representation or warranty and the modification, exception, limitation or qualification received with respect to the acquisition of any Replacement Loan Obligation during the period covered by the Monthly Report, which report may contain explanations by the Loan Obligation Manager as to its determinations.

(c) The Issuer (or the Loan Obligation Manager on behalf of the Issuer) shall obtain a covenant from the Person making any representation or warranty to the Issuer pursuant to Section 16.3(a) that such Person shall repurchase the related Loan Obligation if any such representation or warranty is breached (but only after the expiration of any permitted cure periods and failure to cure such breach). The purchase price for any Loan Obligation repurchased (the "Repurchase Price") shall be a price equal to the sum of the following (in each case, without duplication) as of the date of such repurchase: (i) the then outstanding Principal Balance of such Loan Obligation, discounted based on the percentage amount of any discount that was applied when such Loan Obligation was purchased by the Issuer, *plus* (ii) accrued and unpaid interest on such Loan Obligation, *plus* (iii) any unreimbursed advances, *plus* (iv) accrued and unpaid interest on advances on the Loan Obligation, *plus* (v) any reasonable costs and expenses (including, but not limited to, the cost of any enforcement action, incurred by the Issuer or the Trustee in connection with any such purchase by a seller).

Section 16.4 Operating Advisor.

If the Issuer, as holder of a Senior Participation has the right pursuant to the related Underlying Instruments to appoint the operating advisor, directing holder or Person serving a similar function under the Underlying Instruments, each of the Issuer, the Trustee and the Loan Obligation Manager shall take such actions as are reasonably necessary to appoint the Loan Obligation Manager to such position.

Section 16.5 Purchase Right; Holder of a Majority of the Preferred Shares.

If the Issuer, as holder of a Senior Participation, has the right pursuant to the related Underlying Instruments to purchase any other interest in the same Underlying Whole Loan as the Senior Participation (an "Other Tranche"), the Issuer shall, if directed by the Holder of a Majority of the Preferred Shares, exercise such right, if the Loan Obligation Manager determines, in accordance with the Loan Obligation Management Standard, that the exercise of the option would be in the best interest of the Noteholders, but shall not exercise such right if the Loan Obligation Manager determines otherwise. The Loan Obligation Manager shall deliver to the Trustee an Officer's Certificate certifying such determination, accompanied by an Act of the Holder of a Majority of the Preferred Shares directing the Issuer to exercise such right. In connection with the purchase of any such Other Tranche(s), the Issuer shall assign to the Holder of a Majority of the Preferred Shares or its designee all of its right, title and interest in such Other Tranche(s) in exchange for a purchase price (such price and any other associated expense of such exercise to be paid by the Holder of a Majority of the Preferred Shares) of the Other Tranche(s) (or, if the Underlying Instruments permit, the Issuer may assign the purchase right to the Holder of a Majority of the Preferred Shares or its designee; otherwise the Holder of a Majority of the Preferred Shares or its designee shall fund the purchase by the Issuer, which shall then assign the Other Tranche(s) to the Holder of a Majority of the Preferred Shares or its designee) (the "Purchase Option Purchase Price"), which amount shall be delivered by such Holder or its designee from its own funds to or upon the instruction of the Loan Obligation Manager in accordance with terms of the Underlying Instruments related to the acquisition of such Other Tranche(s). The Issuer shall execute and deliver at the direction of such Holder of a Majority of the Preferred Shares such instruments of transfer or assignment prepared by such Holder, in each case without recourse, as shall be necessary to transfer title to such Holder of the Majority of

Preferred Shares or its designee of the Other Tranche(s) and the Trustee shall have no responsibility with regard to such Other Tranche(s). Notwithstanding anything to the contrary herein, any Other Tranche purchased hereunder by the Issuer shall not be subject to the Grant to the Trustee under the Granting Clauses.

Section 17.1 Liability of the Advancing Agent.

The Advancing Agent shall be liable in accordance herewith only to the extent of the obligations specifically imposed upon and undertaken by the Advancing Agent.

Section 17.2 Merger or Consolidation of the Advancing Agent.

(a) The Advancing Agent will keep in full effect its existence, rights and franchises as a corporation under the laws of the jurisdiction in which it was formed, and will obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture to perform its duties under this Indenture.

(b) Any Person into which the Advancing Agent may be merged or consolidated, or any corporation resulting from any merger or consolidation to which the Advancing Agent shall be a party, or any Person succeeding to the business of the Advancing Agent shall be the successor of the Advancing Agent, hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding (it being understood and agreed by the parties hereto that the consummation of any such transaction by the Advancing Agent shall have no effect on the Trustee's obligations under Section 10.9, which obligations shall continue pursuant to the terms of Section 10.9).

Section 17.3 Limitation on Liability of the Advancing Agent and Others.

None of the Advancing Agent or any of its affiliates, directors, officers, employees or agents shall be under any liability for any action taken or for refraining from the taking of any action in good faith pursuant to this Indenture, or for errors in judgment; provided, however, that this provision shall not protect the Advancing Agent against liability to the Issuer or Noteholders for any breach of warranties or representations made herein or any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or negligence in the performance of duties or by reason of negligent disregard of obligations and duties hereunder. The Advancing Agent and any director, officer, employee or agent of the Advancing Agent may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising hereunder. The Advancing Agent and any director, officer, employee or agent of the Advancing Agent shall be indemnified by the Issuer pursuant to the priorities set forth in Section 11.1(a) and held harmless against any loss, liability or expense incurred in connection with any legal action relating to this Indenture or the Notes, other than any loss, liability or expense (i) specifically required to be borne by the Advancing Agent pursuant to the terms hereof or otherwise incidental to the performance of obligations and duties hereunder (except as any such loss, liability or expense shall be otherwise reimbursable pursuant to this Indenture); or (ii) incurred by reason of any breach of a representation, warranty or covenant made herein, any misfeasance, bad faith or negligence by the Advancing Agent in the performance of or negligent disregard of, obligations or duties hereunder or any violation of any state or federal securities law.

Section 17.4 Representations and Warranties of the Advancing Agent.

The Advancing Agent represents and warrants that:

(a) the Advancing Agent (i) has been duly organized, is validly existing and is in good standing under the laws of the State of Maryland, (ii) has full power and authority to own the Advancing Agent's assets and to transact the business in which it is currently engaged, and (iii) is duly qualified and in good standing under the laws of each jurisdiction where the Advancing Agent's ownership or lease of property or the conduct of the Advancing Agent's business requires, or the performance of this Indenture would require, such qualification, except for failures to be so qualified that would not in the aggregate have a material adverse effect on the business, operations, assets or financial condition of the Advancing Agent or the ability of the Advancing Agent to perform its obligations under, or on the validity or enforceability of, the provisions of this Indenture applicable to the Advancing Agent;

(b) the Advancing Agent has full power and authority to execute, deliver and perform this Indenture; this Indenture has been duly authorized, executed and delivered by the Advancing Agent and constitutes a legal, valid and binding agreement of the Advancing Agent, enforceable against it in accordance with the terms hereof, except that the enforceability hereof may be subject to (i) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights and (ii) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law);

(c) neither the execution and delivery of this Indenture nor the performance by the Advancing Agent of its duties hereunder conflicts with or will violate or result in a breach or violation of any of the terms or provisions of, or constitutes a default under: (i) the charter and bylaws of the Advancing Agent, (ii) the terms of any indenture, contract, lease, mortgage, deed of trust, note agreement or other evidence of indebtedness or other agreement, obligation, condition, covenant or instrument to which the Advancing Agent is a party or is bound, (iii) any law, decree, order, rule or regulation applicable to the Advancing Agent of any court or regulatory, administrative or governmental agency, body or authority or arbitrator having jurisdiction over the Advancing Agent or its properties, and which would have, in the case of any of (i), (ii) or (iii) of this Section 17.4(c), either individually or in the aggregate, a material adverse effect on the business, operations, assets or financial condition of the Advancing Agent or the ability of the Advancing Agent to perform its obligations under this Indenture;

(d) no litigation is pending or, to the best of the Advancing Agent's knowledge, threatened, against the Advancing Agent that would materially and adversely affect the execution, delivery or enforceability of this Indenture or the ability of the Advancing Agent to perform any of its obligations under this Indenture in accordance with the terms hereof; and

(e) no consent, approval, authorization or order of or declaration or filing with any government, governmental instrumentality or court or other Person is required for the performance by the Advancing Agent of its duties hereunder, except such as have been duly made or obtained.

Section 17.5 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Advancing Agent and no appointment of a successor Advancing Agent pursuant to this Article 17 shall become effective until the acceptance of appointment by the successor Advancing Agent under Section 17.6.

(b) The Advancing Agent may resign at any time by giving written notice thereof to the Issuer, the Co-Issuer, the Trustee, the Loan Obligation Manager, the Noteholders and the Rating Agencies.

(c) The Advancing Agent may be removed at any time by Act of at least 66-$^{2}/_{3}$% of the Preferred Shares upon written notice delivered to the Trustee and to the Issuer and the Co-Issuer.

(d) If the Advancing Agent fails to make an Interest Advance required by this Indenture with respect to a Payment Date, the Backup Advancing Agent shall be required to make such Interest Advance and shall be entitled to receive, in consideration thereof, the Advancing Agent Fee (in lieu of the Backup Advancing Agent Fee) in accordance with the Priority of Payments. If the Advancing Agent fails to make a required Interest Advance and it has not determined such Interest Advance to be a Nonrecoverable Interest Advance, the Loan Obligation Manager may, and at the direction of the Controlling Class shall, terminate such Advancing Agent and replace such Advancing Agent with a successor advancing agent, subject to the satisfaction of the Rating Agency Condition. In the event that the Loan Obligation Manager has not terminated and replaced such Advancing Agent within 30 days of such Advancing Agent's failure to make a required Interest Advance, the Trustee may terminate such Advancing Agent and appoint a successor Advancing Agent.

(e) Subject to Section 17.5(d), if the Advancing Agent shall resign or be removed, upon receiving such notice of resignation or removal, the Issuer and the Co-Issuer shall promptly appoint a successor advancing agent by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Advancing Agent so resigning and one copy to the successor Advancing Agent, together with a copy to each Noteholder, the Trustee and the Loan Obligation Manager; provided that such successor Advancing Agent shall be appointed only subject to satisfaction of the Rating Agency Condition, upon the written consent of a Majority of Preferred Shareholders. If no successor Advancing Agent shall have been appointed and an instrument of acceptance by a successor Advancing Agent shall not have been delivered to the Advancing Agent within 30 days after the giving of such notice of resignation, the resigning Advancing Agent, the Trustee or any Preferred Shareholder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Advancing Agent.

(f) The Issuer and the Co-Issuer shall give prompt notice of each resignation and each removal of the Advancing Agent and each appointment of a successor Advancing Agent by mailing written notice of such event by first class mail, postage prepaid, to the Rating Agencies and to the Holders of the Notes as their names and addresses appear in the Notes Register.

Section 17.6 Acceptance of Appointment by Successor Advancing Agent.

(a) Every successor Advancing Agent appointed hereunder shall execute, acknowledge and deliver to the Issuer, the Co-Issuer, the Loan Obligation Manager, the Trustee and the retiring Advancing Agent an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Advancing Agent shall become effective and such successor Advancing Agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Advancing Agent.

(b) No appointment of a successor Advancing Agent shall become effective unless the Rating Agencies have confirmed in writing that the employment of such successor would not adversely affect the rating on the Notes.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Indenture as of the day and year first above written.

(i) On or prior to the Closing Date, the Seller shall deliver the Underlying Instruments to the Issuer or, at the direction of the Issuer, to the Trustee, with respect to each Loan Obligation sold to the Issuer hereunder. The Seller hereby covenants and agrees, as required by Section 15.1(f)(iii) of the Indenture, that it shall deliver to the Trustee duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Issuer by each party pursuant to this Agreement.

(j) The Seller hereby covenants and agrees, as required by Section 15.1(f)(iv) of the Indenture, that it shall not enter into any agreement amending, modifying or terminating this Agreement (other than in respect of an amendment or modification to cure any inconsistency, ambiguity or manifest error), without notifying the Rating Agencies.

5. Sale.

It is the intention of the parties hereto that the transfer and assignment contemplated by this Agreement shall constitute a sale of the Loan Obligations from the Seller to the Issuer and the beneficial interest in and title to the Loan Obligations shall not be part of the Seller's estate in the event of the filing of a bankruptcy petition by or against the Seller under any bankruptcy law. In the event that, notwithstanding the intent of the parties hereto, the transfer and assignment contemplated hereby is held not to be a sale (for non-tax purposes), this Agreement shall constitute a security agreement under applicable law, and, in such event, the Seller shall be deemed to have granted, and the Seller hereby grants, to the Issuer a security interest in the Loan Obligations for the benefit of the Secured Parties and its assignees as security for the Seller's obligations hereunder and the Seller consents to the pledge of the Loan Obligations to the Trustee.

This Section 6 shall survive the termination of this Agreement for any reason whatsoever.

7. Amendments.

This Agreement may not be modified, amended, altered or supplemented, except upon the execution and delivery of a written agreement by the parties hereto and receipt by the parties hereto of prior written confirmation of each Rating Agency that such amendment or modification shall not cause the rating of the Notes to be reduced.

or to such other address, telephone number or facsimile number as either party may notify to the other in accordance with the terms hereof from time to time. Any communications hereunder shall be effective upon receipt.

9. Governing Law and Consent to Jurisdiction.

(a) THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICTS OF LAW PROVISIONS THEREOF (OTHER THAN TITLE 14 OF ARTICLE 5 OF THE NEW YORK GENERAL OBLIGATIONS LAW).

(b) The parties hereto hereby irrevocably submit to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York and any court in the State of New York located in the City and County of New York, and any appellate court hearing appeals from the Courts mentioned above, in any action, suit or proceeding brought against it and to or in connection with this Agreement or the transaction contemplated hereunder or for recognition or enforcement of any judgment, and the parties hereto hereby irrevocably and unconditionally agree that all claims in respect of any such action or proceeding may be heard or determined in such New York State court or, to the extent permitted by law, in such federal court. The parties hereto agree that a final judgment in any such action, suit or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. To the extent permitted by applicable law, the parties hereto hereby waive and agree not to assert by way of motion, as a defense or otherwise in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such courts, that the suit, action or proceeding is brought in any inconvenient forum, that the venue of the suit, action or proceeding is improper or that the subject matter thereof may not be litigated in or by such courts.

(c) To the extent permitted by applicable law, the parties hereto shall not seek and hereby waive the right to any review of the judgment of any such court by any court of any other nation or jurisdiction which may be called upon to grant an enforcement of such judgment.

(d) The Issuer appoints CT Corporation System, 111 8th Avenue, 13th Floor, New York, New York 10011, as its agent for service of process in New York in respect of any such suit, action or proceeding. The Issuer agrees that service of such process upon such agent shall constitute personal service of such process upon it.

(e) The Seller irrevocably consents to the service of any and all process in any action or proceeding by the mailing by certified mail, return receipt requested, or delivery requiring proof of delivery of copies of such process to it at the address set forth in Section 8 hereof.

10. Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one and the same agreement.

11. Limited Recourse Agreement.

All obligations of the Issuer arising hereunder or in connection herewith are limited in recourse to the Pledged Obligations and to the extent the proceeds of the Pledged Obligations, when applied in accordance with the Priority of Payments, are insufficient to meet the obligations of the Issuer hereunder in full, the Issuer shall have no further liability in respect of any such outstanding obligations and any obligations of, and claims against, the Issuer, arising hereunder or in connection herewith, shall be extinguished and shall not thereafter revive. The obligations of the Issuer hereunder or in connection herewith will be solely the corporate obligations of the Issuer and the Seller will not have recourse to any of the directors, officers, employees, shareholders or affiliates of the Issuer with respect to any claims, losses, damages, liabilities, indemnities or other obligations in connection with any transactions contemplated hereby or in connection herewith. This Section 11 shall survive the termination of this Agreement for any reason whatsoever.

12. Assignment and Assumption

With respect to the Loan Obligations that are subject to a Participation Agreement, the parties hereto intend that the provisions of this Section 12 serve as an assignment and assumption agreement between the Seller, as the assignor, and the Issuer, as the assignee. Accordingly, the Seller hereby (and in accordance with and subject to all other applicable provisions of this Agreement) assigns, grants, sells, transfers, delivers, sets over, and conveys to the Issuer all right, title and interest of the Seller in, to and arising out of the related Participation Agreement and the Issuer hereby accepts (subject to applicable provisions of this Agreement) the foregoing assignment and assumes all of the rights and obligations of the Seller with respect to related Participation Agreement from and after the Closing Date.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Loan Obligations Purchase Agreement as of the day and year first above written.

SCHEDULE 1(a)

REPRESENTATIONS AND WARRANTIES RE:
LOAN OBLIGATIONS

(1) Whole Loan; Ownership of Loan Obligations. Except for the Loan Obligations identified that are Senior Participations, each Closing Date Loan Obligation is a whole loan and not a participation interest in a Mortgage Loan. Each Additional Loan Obligation and Replacement Loan Obligation that is a Senior Participation is a senior portion (or a pari passu interest in a senior portion) of a whole mortgage loan. At the time of the sale, transfer and assignment to Purchaser, no Note, Mortgage or Senior Participation was subject to any assignment (other than assignments to the Seller), participation (other than with respect to the Senior Participations) or pledge, and the Seller had good title to, and was the sole owner of, each Loan Obligation free and clear of any and all liens, charges, pledges, encumbrances, participations (other than with respect to the Senior Participations), any other ownership interests on, in or to such Loan Obligation other than any servicing rights appointment or similar agreement. Seller has full right and authority to sell, assign and transfer each Loan Obligation, and the assignment to Purchaser constitutes a legal, valid and binding assignment of such Loan Obligation free and clear of any and all liens, pledges, charges or security interests of any nature encumbering such Loan Obligation.

(2) Loan Document Status. Each related Note, Mortgage, Assignment of Leases, Rents and Profits (if a separate instrument), guaranty and other agreement executed by or on behalf of the related Borrower, guarantor or other obligor in connection with such Mortgage Loan is the legal, valid and binding obligation of the related Borrower, guarantor or other obligor (subject to any non-recourse provisions contained in any of the foregoing agreements and any applicable state anti-deficiency or market value limit deficiency legislation), as applicable, and is enforceable in accordance with its terms, except (i) as such enforcement may be limited by (a) bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law) and (ii) that certain provisions in such Loan Documents (including, without limitation, provisions requiring the payment of default interest, late fees or prepayment/yield maintenance or prepayment fees, charges and/or premiums) are, or may be, further limited or rendered unenforceable by or under applicable law, but (subject to the limitations set forth in clause (i) above) such limitations or unenforceability will not render such Loan Documents invalid as a whole or materially interfere with the mortgagee's realization of the principal benefits and/or security provided thereby (clauses (i) and (ii) collectively, the "Standard Qualifications").

Except as set forth in the immediately preceding sentences, there is no valid offset, defense, counterclaim or right of rescission available to the related Borrower with respect to any of the related Notes, Mortgages or other Loan Documents, including, without limitation, any such valid offset, defense, counterclaim or right based on intentional fraud by Seller in connection with the origination of the Mortgage Loan, that would deny the mortgagee the principal benefits intended to be provided by the Note, Mortgage or other Loan Documents.

(3) Mortgage Provisions. The Loan Documents for each Mortgage Loan contain provisions that render the rights and remedies of the holder thereof adequate for the practical realization against the Mortgaged Property of the principal benefits of the security intended to be provided thereby, including realization by judicial or, if applicable, nonjudicial foreclosure subject to the limitations set forth in the Standard Qualifications.

(4) Mortgage Status; Waivers and Modifications. Since origination and except prior to the Cut-off Date by written instruments set forth in the related Mortgage File (a) the material terms of such Mortgage, Note, Mortgage Loan guaranty, participation agreement, if applicable, and related Loan Documents have not been waived, impaired, modified, altered, satisfied, canceled, subordinated or rescinded in any respect which materially interferes with the security intended to be provided by such Mortgage; (b) no related

Mortgaged Property or any portion thereof has been released from the lien of the related Mortgage in any manner which materially interferes with the security intended to be provided by such Mortgage or the use or operation of the remaining portion of such Mortgaged Property; and (c) neither the related Borrower nor the related guarantor nor the related Participating Institution has been released from its material obligations under the Mortgage Loan or participation agreement, if applicable.

(5) Lien; Valid Assignment. Subject to the Standard Qualifications, each assignment of Mortgage and assignment of Assignment of Leases, Rents and Profits from the Seller constitutes a legal, valid and binding assignment from the Seller. Each related Mortgage is a legal, valid and enforceable first lien on the related Borrower's fee or leasehold interest in the Mortgaged Property in the principal amount of such Mortgage Loan or allocated loan amount subject to the Title Exceptions, Permitted Encumbrances and Standard Qualifications (each as defined herein). Each related Assignment of Mortgage and Assignment of Leases, Rents and Profits from the Seller to the Purchaser constitutes the legal, valid and binding first priority assignment from the Seller, except as such enforcement may be limited by the Standard Qualifications, any Permitted Encumbrances and any Title Exceptions (as defined herein). Each Mortgage and Assignment of Leases, Rents and Profits is freely assignable. Notwithstanding anything herein to the contrary, no representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of Uniform Commercial Code ("UCC") financing statements is required in order to effect such perfection.

(6) Permitted Liens; Title Insurance. Each Mortgaged Property securing a Mortgage Loan is covered by an American Land Title Association loan title insurance policy or a comparable form of loan title insurance policy approved for use in the applicable jurisdiction (or, if such policy is yet to be issued, by a pro forma policy, a preliminary title policy with escrow instructions or a "marked up" commitment, in each case binding on the title insurer) (the "Title Policy") in the original principal amount of such Mortgage Loan (or with respect to a Mortgage Loan secured by multiple properties, an amount equal to at least the allocated loan amount with respect to the Title Policy for each such property) after all advances of principal (including any advances held in escrow or reserves), that insures for the benefit of the owner of the indebtedness secured by the Mortgage, the first priority lien of the Mortgage, which lien is subject only to the following title exceptions (each such title exception, including any exceptions set forth on Schedule 1(a) hereto, a "Title Exception" and collectively, the "Title Exceptions"): (a) the lien of current real property taxes, water charges, sewer rents and assessments not yet due and payable; (b) covenants, conditions and restrictions, rights of way, easements and other matters of public record; (c) the exceptions (general and specific) and exclusions set forth in such Title Policy; (d) other matters to which like properties are commonly subject; (e) the rights of tenants (as tenants only) under leases (including subleases) pertaining to the related Mortgaged Property and condominium declarations; and (f) if the related Mortgage Loan is cross-collateralized and cross-defaulted with another Mortgage Loan (each a "Crossed Mortgage Loan"), the lien of the Mortgage for another Mortgage Loan that is cross-collateralized and cross-defaulted with such Crossed Mortgage Loan, provided that none of which items (a) through (f), individually or in the aggregate, materially and adversely interferes with the value or current use of the Mortgaged Property or the security intended to be provided by such Mortgage or the Borrower's ability to pay its obligations when they become due (collectively, the "Permitted Encumbrances"). Except as contemplated by clause (f) of the preceding sentence, none of the Permitted Encumbrances are mortgage liens that are senior to or coordinate and co-equal with the lien of the related Mortgage. Such Title Policy (or, if it has yet to be issued, the coverage to be provided thereby) is in full force and effect, all premiums thereon have been paid and no claims have been made by the Seller thereunder and no claims have been paid thereunder. Neither the Seller, nor to the Seller's knowledge, any other holder of the Mortgage Loan, has done, by act or omission, anything that would materially impair the coverage under such Title Policy.

(7) Junior Liens. It being understood that B notes and junior participation interests secured by the same Mortgage as a Mortgage Loan are not subordinate mortgages or junior liens, except for any Crossed Mortgage Loan, there are, as of origination, and to the Seller's knowledge, as of the Cut-off Date, no subordinate mortgages or junior liens securing the payment of money encumbering the related Mortgaged Property (other than Permitted Encumbrances and the Title Exceptions, taxes and assessments, mechanics and materialmens liens (which are the subject of the representation in paragraph (5) above), and equipment

and other personal property financing). Except as set forth in Schedule 1(b), the Seller has no knowledge of any mezzanine debt secured directly by interests in the related Borrower.

(8) Assignment of Leases, Rents and Profits. There exists as part of the related Mortgage File an Assignment of Leases, Rents and Profits (either as a separate instrument or incorporated into the related Mortgage). Subject to the Permitted Encumbrances and the Title Exceptions, each related Assignment of Leases, Rents and Profits creates a valid first-priority collateral assignment of, or a valid first-priority lien or security interest in, rents and certain rights under the related lease or leases, subject only to a license granted to the related Borrower to exercise certain rights and to perform certain obligations of the lessor under such lease or leases, including the right to operate the related leased property, except as the enforcement thereof may be limited by the Standard Qualifications. The related Mortgage or related Assignment of Leases, Rents and Profits, subject to applicable law, provides that, upon an event of default under the Mortgage Loan, a receiver is permitted to be appointed for the collection of rents or for the related mortgagee to enter into possession to collect the rents or for rents to be paid directly to the mortgagee.

(9) UCC Filings. The Seller has filed and/or recorded or caused to be filed and/or recorded (or, if not filed and/or recorded, have been submitted in proper form for filing and/or recording), UCC financing statements in the appropriate public filing and/or recording offices necessary at the time of the origination of the Mortgage Loan to perfect a valid security interest in all items of physical personal property reasonably necessary to operate such Mortgaged Property owned by such Borrower and located on the related Mortgaged Property (other than any non-material personal property, any personal property subject to a purchase money security interest, a sale and leaseback financing arrangement as permitted under the terms of the related Mortgage Loan documents or any other personal property leases applicable to such personal property), to the extent perfection may be effected pursuant to applicable law by recording or filing, as the case may be. Subject to the Standard Qualifications, each related Mortgage (or equivalent document) creates a valid and enforceable lien and security interest on the items of personalty described above. No representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of UCC financing statements are required in order to effect such perfection.

(10) Condition of Property. Seller or the originator of the Mortgage Loan (i) inspected or caused to be inspected each related Mortgaged Property at least six months prior to origination of the Mortgage Loan and, (ii) if the term of the Mortgage Loan has already continued for at least twelve months, inspected or caused to be inspected each related Mortgaged Property at least once during the past twelve months.

An engineering report or property condition assessment was prepared in connection with the origination of each Mortgage Loan not more than twelve months prior to the origination of such Mortgage Loan. To the Seller's knowledge, based solely upon due diligence customarily performed in connection with the origination of comparable mortgage loans, as of the Closing Date, each related Mortgaged Property was free and clear of any material damage (other than (i) deferred maintenance or repairs for which escrows were established at origination and (ii) any damage fully covered by insurance) that would affect materially and adversely the use or value of such Mortgaged Property as security for the Mortgage Loan.

(11) Taxes and Assessments. All taxes, governmental assessments and other outstanding governmental charges (including, without limitation, water and sewage charges), or installments thereof, that could be a lien on the related Mortgaged Property that would be of equal or superior priority to the lien of the Mortgage and that prior to the Cut-off Date have become delinquent in respect of each related Mortgaged Property have been paid, or an escrow of funds has been established in an amount sufficient to cover such payments and reasonably estimated interest and penalties, if any, thereon. For purposes of this representation and warranty, real estate taxes and governmental assessments and other outstanding governmental charges and installments thereof shall not be considered delinquent until the earlier of (a) the date on which interest and/or penalties would first be payable thereon and (b) the date on which enforcement action is entitled to be taken by the related taxing authority.

(12) Condemnation. As of the date of origination and to the Seller's knowledge as of the Cut-off Date, there is no proceeding pending, and, to the Seller's knowledge as of the date of origination and as of the Cut-off

Date, there is no proceeding threatened, for the total or partial condemnation of such Mortgaged Property that would have a material adverse effect on the value, use or operation of the Mortgaged Property.

(13) Actions Concerning Mortgage Loan. As of the date of origination and to the Seller's knowledge as of the Cut-off Date, there was no pending or filed action, suit or proceeding, arbitration or governmental investigation involving any Borrower, guarantor, or Borrower's interest in the Mortgaged Property that would materially and adversely affect (a) such Borrower's title to the Mortgaged Property, (b) the validity or enforceability of the Mortgage, (c) such Borrower's ability to perform under the related Mortgage Loan, (d) such guarantor's ability to perform under the related guaranty, (e) the principal benefit of the security intended to be provided by the Mortgage Loan documents or (f) the current principal use of the Mortgaged Property.

(14) Escrow Deposits. All escrow deposits and payments required to be escrowed with lender pursuant to each Mortgage Loan are in the possession, or under the control, of the Seller or its servicer, and there are no deficiencies (subject to any applicable grace or cure periods) in connection therewith, and all such escrows and deposits (or the right thereto) that are required to be escrowed with lender under the related Loan Documents are being conveyed by the Seller to Purchaser or its servicer.

(15) No Holdbacks. The Stated Principal Balance as of the Cut-off Date of the Mortgage Loan set forth on the mortgage loan schedule attached as Exhibit A to this Agreement has been fully disbursed as of the Closing Date and there is no requirement for future advances thereunder (except in those cases where the full amount of the Mortgage Loan has been disbursed but a portion thereof is being held in escrow or reserve accounts pending the satisfaction of certain conditions relating to leasing, repairs or other matters with respect to the related Mortgaged Property, the Borrower or other considerations determined by Seller to merit such holdback).

(16) Insurance. Each related Mortgaged Property is, and is required pursuant to the related Mortgage to be, insured by a property insurance policy providing coverage for loss in accordance with coverage found under a "special cause of loss form" or "all risk form" that includes replacement cost valuation issued by an insurer meeting the requirements of the related Loan Documents and having a claims-paying or financial strength rating of at least A or better and a financial class of VIII or better by A.M. Best Company, Inc. (collectively the "Insurance Rating Requirements"), in an amount (subject to a customary deductible) not less than the lesser of (1) the original principal balance of the Mortgage Loan and (2) the full insurable value on a replacement cost basis of the improvements, furniture, furnishings, fixtures and equipment owned by the Borrower and included in the Mortgaged Property (with no deduction for physical depreciation), but, in any event, not less than the amount necessary or containing such endorsements as are necessary to avoid the operation of any coinsurance provisions with respect to the related Mortgaged Property.

Each related Mortgaged Property is also covered, and required to be covered pursuant to the related Loan Documents, by business interruption or rental loss insurance which (subject to a customary deductible) covers a period of not less than 12 months (or with respect to each Mortgage Loan on a single asset with a principal balance of $50 million or more, 18 months).

If any material part of the improvements, exclusive of a parking lot, located on a Mortgaged Property is in an area identified in the Federal Register by the Federal Emergency Management Agency as having special flood hazards, the related Borrower is required to maintain insurance in the maximum amount available under the National Flood Insurance Program.

If the Mortgaged Property is located within 25 miles of the coast of the Gulf of Mexico or the Atlantic coast of Florida, Georgia, South Carolina or North Carolina, the related Borrower is required to maintain coverage for windstorm and/or windstorm related perils and/or "named storms" issued by an insurer meeting the Insurance Rating Requirements or endorsement covering damage from windstorm and/or windstorm related perils and/or named storms.

The Mortgaged Property is covered, and required to be covered pursuant to the related Loan Documents, by a commercial general liability insurance policy issued by an insurer meeting the Insurance Rating Requirements including coverage for property damage, contractual damage and personal injury (including bodily injury and death) in amounts as are generally required by the Seller for loans originated for securitization, and in any event not less than $1 million per occurrence and $1 million in the aggregate.

An architectural or engineering consultant has performed an analysis of each of the Mortgaged Properties located in seismic zones 3 or 4 in order to evaluate the structural and seismic condition of such property, for the sole purpose of assessing the scenario expected limit ("SEL") for the Mortgaged Property in the event of an earthquake. In such instance, the SEL was based on a 475-year return period, an exposure period of 50 years and a 10% probability of exceedance. If the resulting report concluded that the SEL would exceed 20% of the amount of the replacement costs of the improvements, earthquake insurance on such Mortgaged Property was obtained by an insurer rated least "A:VIII" by A.M. Best Company or "A3" (or the equivalent) from Moody's Investors Service, Inc. or "A-" by Standard & Poor's Ratings Service in an amount not less than 100% of the SEL.

The Loan Documents provide that if a specified percentage (which is in no event greater than 20%) of the reasonably estimated aggregate fair market value of the Mortgaged Property is damaged or destroyed, the lender shall have the option, in its sole discretion, to apply the net casualty insurance proceeds received to the payment of the Mortgage Loan or to allow such proceeds to be used for the repair or restoration of the Mortgaged Property.

All premiums on all insurance policies referred to in this section required to be paid as of the Cut-off Date have been paid, and such insurance policies name the lender under the Mortgage Loan and its successors and assigns as a loss payee under a mortgagee endorsement clause or, in the case of the general liability insurance policy, as named or additional insured. Such insurance policies will inure to the benefit of the Trustee. Each related Mortgage Loan obligates the related Borrower to maintain all such insurance and, at such Borrower's failure to do so, authorizes the lender to maintain such insurance at the Borrower's cost and expense and to charge such Borrower for related premiums. All such insurance policies (other than commercial liability policies) require at least 30 days prior notice to the lender of termination or cancellation (or such lesser period, not less than 10 days, as may be required by applicable law) arising for any reason other than non-payment of a premium and no such notice has been received by Seller.

(17) Access; Utilities; Separate Tax Lots. Each Mortgaged Property (a) is located on or adjacent to a public road and has direct legal access to such road, or has access via an irrevocable easement or irrevocable right of way permitting ingress and egress to/from a public road, (b) is served by or has uninhibited access rights to public or private water and sewer (or well and septic) and all required utilities, all of which are appropriate for the current use of the Mortgaged Property, and (c) constitutes one or more separate tax parcels which do not include any property which is not part of the Mortgaged Property or is subject to an endorsement under the related Title Policy insuring the Mortgaged Property, or in certain cases, an application has been, or will be, made to the applicable governing authority for creation of separate tax lots, in which case the Mortgage Loan requires the Borrower to escrow an amount sufficient to pay taxes for the existing tax parcel of which the Mortgaged Property is a part until the separate tax lots are created.

(18) No Encroachments. To Seller's knowledge based solely on surveys obtained in connection with origination and the lender's Title Policy (or, if such policy is not yet issued, a pro forma title policy, a preliminary title policy with escrow instructions or a "marked up" commitment) obtained in connection with the origination of each Mortgage Loan, all material improvements that were included for the purpose of determining the appraised value of the related Mortgaged Property at the time of the origination of such Mortgage Loan are within the boundaries of the related Mortgaged Property, except encroachments that do not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements were obtained under the Title Policy. No improvements on adjoining parcels encroach onto the related Mortgaged Property except for encroachments that do not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements were obtained under the Title Policy. No improvements encroach upon any easements except for encroachments the

removal of which would not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements obtained with respect to the Title Policy.

(19) No Contingent Interest or Equity Participation. No Mortgage Loan has a shared appreciation feature, any other contingent interest feature or a negative amortization feature or an equity participation by Seller.

(20) Compliance with Usury Laws. The Mortgage Rate (exclusive of any default interest, late charges, yield maintenance charge, or prepayment premiums) of such Mortgage Loan complied as of the date of origination with, or was exempt from, applicable state or federal laws, regulations and other requirements pertaining to usury.

(21) Authorized to Do Business. To the extent required under applicable law, as of the Cut-off Date or as of the date that such entity held the Note, each holder of the Note was authorized to transact and do business in the jurisdiction in which each related Mortgaged Property is located, or the failure to be so authorized does not materially and adversely affect the enforceability of such Mortgage Loan.

(22) Trustee under Deed of Trust. With respect to each Mortgage which is a deed of trust, as of the date of origination and, to the Seller's knowledge, as of the Closing Date, a trustee, duly qualified under applicable law to serve as such, currently so serves and is named in the deed of trust or has been substituted in accordance with the Mortgage and applicable law or may be substituted in accordance with the Mortgage and applicable law by the related mortgagee.

(23) Local Law Compliance. To the Seller's knowledge, based upon any of a letter from any governmental authorities, a legal opinion, an architect's letter, a zoning consultant's report, an endorsement to the related Title Policy, or other affirmative investigation of local law compliance consistent with the investigation conducted by the Seller for similar commercial and multi-family mortgage loans intended for securitization, with respect to the improvements located on or forming part of each Mortgaged Property securing a Mortgage Loan as of the date of origination of such Mortgage Loan and as of the Cut-off Date, there are no material violations of applicable zoning ordinances, building codes and land laws (collectively "Zoning Regulations") other than those which (i) are insured by the Title Policy or a law and ordinance or other insurance policy or (ii) would not have a material adverse effect on the Mortgage Loan. The terms of the Loan Documents require the Borrower to comply in all material respects with all applicable governmental regulations, zoning and building laws.

(24) Licenses and Permits. Each Borrower covenants in the Loan Documents that it shall keep all material licenses, permits and applicable governmental authorizations necessary for its operation of the Mortgaged Property in full force and effect, and to the Seller's knowledge based upon a letter from any government authorities or other affirmative investigation of local law compliance consistent with the investigation conducted by the Seller for similar commercial and multi-family mortgage loans intended for securitization, all such material licenses, permits and applicable governmental authorizations are in effect. The Mortgage Loan requires the related Borrower to be qualified to do business in the jurisdiction in which the related Mortgaged Property is located.

(25) Recourse Obligations. The Loan Documents for each Mortgage Loan provide that such Mortgage Loan is non-recourse to the related parties thereto except for certain carve-outs, including but not limited to the following: (a) the related Borrower and at least one individual or entity shall be fully liable for actual losses, liabilities, costs and damages arising from certain acts of the related Borrower and/or its principals specified in the related Loan Documents, which acts generally include the following: (i) acts of fraud or intentional material misrepresentation, (ii) misapplication or misappropriation of rents, insurance proceeds or condemnation awards, (iii) intentional material physical waste of the Mortgaged Property, and (iv) any breach of the environmental covenants contained in the related Loan Documents, and (b) the Mortgage Loan shall become full recourse to the related Borrower and at least one individual or entity, if the related Borrower files a voluntary petition under federal or state bankruptcy or insolvency law.

(26) Mortgage Releases. The terms of the related Mortgage or related Loan Documents do not provide for release of any material portion of the Mortgaged Property from the lien of the Mortgage except (a) a partial release, accompanied by principal repayment of not less than a specified percentage at least equal to the lesser of (i) 110% of the related allocated loan amount of such portion of the Mortgaged Property and (ii) the outstanding principal balance of the Mortgage Loan, (b) upon payment in full of such Mortgage Loan, (c) releases of out-parcels that are unimproved or other portions of the Mortgaged Property which will not have a material adverse effect on the underwritten value of the Mortgaged Property and which were not afforded any value in the appraisal obtained at the origination of the Mortgage Loan and are not necessary for physical access to the Mortgaged Property or compliance with zoning requirements, or (d) as required pursuant to an order of condemnation.

(27) Financial Reporting and Rent Rolls. Each Mortgage requires the Borrower to provide the owner or holder of the Mortgage with quarterly and annual operating statements, and quarterly rent rolls for properties and annual financial statements, which annual financial statements with respect to each Mortgage Loan with more than one Borrower are in the form of an annual combined balance sheet of the Borrower entities (and no other entities), together with the related combined statements of operations, members' capital and cash flows, including a combining balance sheet and statement of income for the Mortgaged Properties on a combined basis.

(28) Acts of Terrorism Exclusion. With respect to each Mortgage Loan over $20 million, the related special-form all-risk insurance policy and business interruption policy (issued by an insurer meeting the Insurance Rating Requirements) do not specifically exclude Acts of Terrorism, as defined in the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 and further amended by the Terrorism Risk Insurance Program Reauthorization Act of 2015 (collectively referred to as "TRIA"), from coverage, or if such coverage is excluded, it is covered by a separate terrorism insurance policy. With respect to each other Mortgage Loan, the related special-form all-risk insurance policy and business interruption policy (issued by an insurer meeting the Insurance Rating Requirements) did not, as of the date of origination of the Mortgage Loan, and, to Seller's knowledge, do not, as of the Cut-off Date, specifically exclude Acts of Terrorism, as defined in TRIA, from coverage, or if such coverage is excluded, it is covered by a separate terrorism insurance policy. With respect to each Mortgage Loan, the related Loan Documents do not expressly waive or prohibit the mortgagee from requiring coverage for Acts of Terrorism, as defined in TRIA, or damages related thereto except to the extent that any right to require such coverage may be limited by commercial availability on commercially reasonable terms, or as otherwise indicated in Schedule 1(a); provided, however, that if TRIA or a similar or subsequent statute is not in effect, then, provided that terrorism insurance is commercially available, the Borrower under each Mortgage Loan is required to carry terrorism insurance, but in such event the Borrower shall not be required to spend on terrorism insurance coverage more than two times the amount of the insurance premium that is payable in respect of the property and business interruption/rental loss insurance required under the related Loan Documents (without giving effect to the cost of terrorism and earthquake components of such casualty and business interruption/rental loss insurance) at the time of the origination of the Mortgage Loan, and if the cost of terrorism insurance exceeds such amount, the Borrower is required to purchase the maximum amount of terrorism insurance available with funds equal to such amount.

(29) Due on Sale or Encumbrance. Subject to specific exceptions set forth below, each Mortgage Loan contains a "due on sale" or other such provision for the acceleration of the payment of the unpaid principal balance of such Mortgage Loan if, without the consent of the holder of the Mortgage (which consent, in some cases, may not be unreasonably withheld) and/or complying with the requirements of the related Loan Documents (which provide for transfers without the consent of the lender which are customarily acceptable to the Seller lending on the security of property comparable to the related Mortgaged Property, including, without limitation, transfers of worn-out or obsolete furnishings, fixtures, or equipment promptly replaced with property of equivalent value and functionality and transfers by leases entered into in accordance with the Loan Documents), (a) the related Mortgaged Property, or any equity interest of greater than 50% in the related Borrower, is directly or indirectly pledged, transferred or sold, other than as related to (i) family and estate planning transfers or transfers upon death or legal incapacity, (ii) transfers to certain affiliates as defined in the related Loan Documents, (iii) transfers of less than, or other than, a controlling interest in the

related Borrower, (iv) transfers to another holder of direct or indirect equity in the Borrower, a specific Person designated in the related Loan Documents or a Person satisfying specific criteria identified in the related Loan Documents, such as a qualified equityholder, (v) transfers of stock or similar equity units in publicly traded companies or (vi) a substitution or release of collateral within the parameters of paragraph (26) herein or the exceptions thereto set forth in Schedule 1(a), or (vii) as set forth on Schedule 1(b) hereto by reason of any mezzanine debt that existed at the origination of the related Mortgage Loan, or future permitted mezzanine debt as set forth on Schedule 1(c) hereto or (b) the related Mortgaged Property is encumbered with a subordinate lien or security interest against the related Mortgaged Property, other than (i) any Companion Loan or any subordinate debt that existed at origination and is permitted under the related Loan Documents, (ii) purchase money security interests, (iii) any Crossed Mortgage Loan as set forth on Schedule 1(d) hereto, or (iv) Permitted Encumbrances. The Mortgage or other Loan Documents provide that to the extent any Rating Agency fees are incurred in connection with the review of and consent to any transfer or encumbrance, the Borrower is responsible for such payment along with all other reasonable fees and expenses incurred by the Mortgagee relative to such transfer or encumbrance.

(30) Single-Purpose Entity. Each Mortgage Loan requires the Borrower to be a Single-Purpose Entity for at least as long as the Mortgage Loan is outstanding. Both the Loan Documents and the organizational documents of the Borrower with respect to each Mortgage Loan with a Cut-off Date Stated Principal Balance in excess of $5 million provide that the Borrower is a Single-Purpose Entity, and each Mortgage Loan with a Cut-off Date Stated Principal Balance of $20 million or more has a counsel's opinion regarding non-consolidation of the Borrower. For this purpose, a "Single-Purpose Entity" shall mean an entity, other than an individual, whose organizational documents (or if the Mortgage Loan has a Cut-off Date Stated Principal Balance equal to $5 million or less, its organizational documents or the related Loan Documents) provide substantially to the effect that it was formed or organized solely for the purpose of owning and operating one or more of the Mortgaged Properties securing the Mortgage Loans and prohibit it from engaging in any business unrelated to such Mortgaged Property or Properties, and whose organizational documents further provide, or which entity represented in the related Loan Documents, substantially to the effect that it does not have any assets other than those related to its interest in and operation of such Mortgaged Property or Properties, or any indebtedness other than as permitted by the related Mortgage(s) or the other related Loan Documents, that it has its own books and records and accounts separate and apart from those of any other person (other than a Borrower for a Crossed Mortgage Loan), and that it holds itself out as a legal entity, separate and apart from any other person or entity.

(31) Ground Leases. For purposes of this Agreement, a "Ground Lease" shall mean a lease creating a leasehold estate in real property where the fee owner as the ground lessor conveys for a term or terms of years its entire interest in the land and buildings and other improvements, if any, comprising the premises demised under such lease to the ground lessee (who may, in certain circumstances, own the building and improvements on the land), subject to the reversionary interest of the ground lessor as fee owner and does not include industrial development agency (IDA) or similar leases for purposes of conferring a tax abatement or other benefit.

With respect to any Mortgage Loan where the Mortgage Loan is secured by a leasehold estate under a Ground Lease in whole or in part, and the related Mortgage does not also encumber the related lessor's fee interest in such Mortgaged Property, based upon the terms of the Ground Lease and any estoppel or other agreement received from the ground lessor in favor of Seller, its successors and assigns, Seller represents and warrants that:

(a) The Ground Lease or a memorandum regarding such Ground Lease has been duly recorded or submitted for recordation in a form that is acceptable for recording in the applicable jurisdiction. The Ground Lease or an estoppel or other agreement received from the ground lessor permits the interest of the lessee to be encumbered by the related Mortgage and does not restrict the use of the related Mortgaged Property by such lessee, its successors or assigns in a manner that would materially adversely affect the security provided by the related Mortgage;

(b) The lessor under such Ground Lease has agreed in a writing included in the related Mortgage File (or in such Ground Lease) that the Ground Lease may not be amended or modified, or canceled or terminated by agreement of lessor and lessee, without the prior written consent of the lender, and no such consent has been granted by the Seller since the origination of the Mortgage Loan except as reflected in any written instruments which are included in the related Mortgage File;

(c) The Ground Lease has an original term (or an original term plus one or more optional renewal terms, which, under all circumstances, may be exercised, and will be enforceable, by either Borrower or the mortgagee) that extends not less than 20 years beyond the stated maturity of the related Mortgage Loan, or 10 years past the stated maturity if such Mortgage Loan fully amortizes by the stated maturity (or with respect to a Mortgage Loan that accrues on an actual 360 basis, substantially amortizes);

(d) The Ground Lease either (i) is not subject to any liens or encumbrances superior to, or of equal priority with, the Mortgage, except for the related fee interest of the ground lessor and the Permitted Encumbrances, or (ii) is subject to a subordination, non-disturbance and attornment agreement to which the mortgagee on the lessor's fee interest in the Mortgaged Property is subject;

(e) The Ground Lease does not place commercially unreasonable restrictions on the identity of the Mortgagee and the Ground Lease is assignable to the holder of the Mortgage Loan and its successors and assigns without the consent of the lessor thereunder, and in the event it is so assigned, it is further assignable by the holder of the Mortgage Loan and its successors and assigns without the consent of the lessor;

(f) The Seller has not received any written notice of material default under or notice of termination of such Ground Lease. To the Seller's knowledge, there is no material default under such Ground Lease and no condition that, but for the passage of time or giving of notice, would result in a material default under the terms of such Ground Lease and to the Seller's knowledge, such Ground Lease is in full force and effect as of the Closing Date;

(g) The Ground Lease or ancillary agreement between the lessor and the lessee requires the lessor to give to the lender written notice of any default, and provides that no notice of default or termination is effective against the lender unless such notice is given to the lender;

(h) A lender is permitted a reasonable opportunity (including, where necessary, sufficient time to gain possession of the interest of the lessee under the Ground Lease through legal proceedings) to cure any default under the Ground Lease which is curable after the lender's receipt of notice of any default before the lessor may terminate the Ground Lease;

(i) The Ground Lease does not impose any restrictions on subletting that would be viewed as commercially unreasonable by the Seller in connection with loans originated for securitization;

(j) Under the terms of the Ground Lease, an estoppel or other agreement received from the ground lessor and the related Mortgage (taken together), any related insurance proceeds or the portion of the condemnation award allocable to the ground lessee's interest (other than (i) de minimis amounts for minor casualties or (ii) in respect of a total or substantially total loss or taking as addressed in clause (k) below) will be applied either to the repair or to restoration of all or part of the related Mortgaged Property with (so long as such proceeds are in excess of the threshold amount specified in the related Loan Documents) the lender or a trustee appointed by it having the right to hold and disburse such proceeds as repair or restoration progresses, or to the payment of the outstanding principal balance of the Mortgage Loan, together with any accrued interest;

(k) In the case of a total or substantially total taking or loss, under the terms of the Ground Lease, an estoppel or other agreement and the related Mortgage (taken together), any related insurance proceeds, or portion of the condemnation award allocable to ground lessee's interest in respect of a total or substantially total loss or taking of the related Mortgaged Property to the extent not applied to restoration, will be applied first to the payment of the outstanding principal balance of the Mortgage Loan, together with any accrued interest; and

(l) Provided that the lender cures any defaults which are susceptible to being cured, the ground lessor has agreed to enter into a new lease with the lender upon termination of the Ground Lease for any reason, including rejection of the Ground Lease in a bankruptcy proceeding.

(32) Servicing. The servicing and collection practices used by the Seller with respect to the Mortgage Loan have been, in all respects, legal and have met customary industry standards for servicing of commercial loans for conduit loan programs.

(33) Origination and Underwriting. The origination practices of the Seller (or the related originator if the Seller was not the originator) with respect to each Mortgage Loan have been, in all material respects, legal and as of the date of its origination, such Mortgage Loan and the origination thereof complied in all material respects with, or was exempt from, all requirements of federal, state or local law relating to the origination of such Mortgage Loan; provided that such representation and warranty does not address or otherwise cover any matters with respect to federal, state or local law otherwise covered in this Schedule 1(a).

(34) No Material Default; Payment Record. No Mortgage Loan has been more than 30 days delinquent, without giving effect to any grace or cure period, in making required payments since origination, and as of the date hereof, no Mortgage Loan is more than 30 days delinquent (beyond any applicable grace or cure period) in making required payments as of the Closing Date. To the Seller's knowledge, there is (a) no material default, breach, violation or event of acceleration existing under the related Mortgage Loan or participation agreement, if applicable, or (b) no event (other than payments due but not yet delinquent) which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default, breach, violation or event of acceleration, which default, breach, violation or event of acceleration, in the case of either clause (a) or clause (b), materially and adversely affects the value of the Mortgage Loan or participation agreement, if applicable, or the value, use or operation of the related Mortgaged Property, provided, however, that this representation and warranty does not cover any default, breach, violation or event of acceleration that specifically pertains to or arises out of an exception scheduled to any other representation and warranty made by the Seller in this Schedule 1(a). No person other than the holder of such Mortgage Loan may declare any event of default under the Mortgage Loan or accelerate any indebtedness under the Loan Documents.

(35) Bankruptcy. As of the date of origination of the related Mortgage Loan and to the Seller's knowledge as of the Cut-off Date, no Borrower, guarantor or tenant occupying a single-tenant property is a debtor in state or federal bankruptcy, insolvency or similar proceeding.

(36) Organization of Borrower. With respect to each Mortgage Loan, in reliance on certified copies of the organizational documents of the Borrower delivered by the Borrower in connection with the origination of such Mortgage Loan, the Borrower is an entity organized under the laws of a state of the United States of America, the District of Columbia or the Commonwealth of Puerto Rico. Except with respect to any Crossed Mortgage Loan, no Mortgage Loan has a Borrower that is an Affiliate of another Borrower. (An "Affiliate" for purposes of this paragraph (36) means, a Borrower that is under direct or indirect common ownership and control with another Borrower.)

(37) Environmental Conditions. A Phase I environmental site assessment (or update of a previous Phase I and or Phase II site assessment) and, with respect to certain Mortgage Loans, a Phase II environmental site assessment (collectively, an "ESA") meeting ASTM requirements conducted by a reputable environmental consultant in connection with such Mortgage Loan was delivered to seller within 12 months prior to the origination date of each Mortgage Loan (or an update of a previous ESA was prepared), and such ESA (i) did not identify the existence of recognized environmental conditions (as such term is defined in ASTM

E1527-05 or its successor, hereinafter "Environmental Condition") at the related Mortgaged Property or the need for further investigation, or (ii) if the existence of an Environmental Condition or need for further investigation was indicated in any such ESA, then at least one of the following statements is true: (A) an amount reasonably estimated by a reputable environmental consultant to be sufficient to cover the estimated cost to cure any material noncompliance with applicable environmental laws or the Environmental Condition has been escrowed by the related Borrower and is held or controlled by the related lender; (B) if the only Environmental Condition relates to the presence of asbestos-containing materials, radon in indoor air, lead based paint or lead in drinking water, and the only recommended action in the ESA is the institution of such a plan, an operations or maintenance plan has been required to be instituted by the related Borrower that can reasonably be expected to mitigate the identified risk; (C) the Environmental Condition identified in the related environmental report was remediated or abated in all material respects prior to the date hereof, and, if and as appropriate, a no further action or closure letter was obtained from the applicable governmental regulatory authority (or the Environmental Condition affecting the related Mortgaged Property was otherwise listed by such governmental authority as "closed" or a reputable environmental consultant has concluded that no further action is required); (D) a secured creditor environmental policy or a pollution legal liability insurance policy that covers liability for the Environmental Condition was obtained from an insurer rated no less than A- (or the equivalent) by Moody's, S&P and/or Fitch; (E) a party not related to the Borrower was identified as the responsible party for such Environmental Condition and such responsible party has financial resources reasonably estimated to be adequate to address the situation; or (F) a party related to the Borrower having financial resources reasonably estimated to be adequate to address the situation is required to take action. To Seller's knowledge, except as set forth in the ESA, there is no Environmental Condition (as such term is defined in ASTM E1527-05 or its successor) at the related Mortgaged Property.

(38) Appraisal. The Servicing File contains an appraisal of the related Mortgaged Property with an appraisal date within six months of the Mortgage Loan origination date. The appraisal is signed by an appraiser who is either a Member of the Appraisal Institute ("MAI") and/or has been licensed and certified to prepare appraisals in the state where the Mortgaged Property is located. Each appraiser has represented in such appraisal or in a supplemental letter that the appraisal satisfies the requirements of the "Uniform Standards of Professional Appraisal Practice" as adopted by the Appraisal Standards Board of the Appraisal Foundation and has certified that such appraiser had no interest, direct or indirect, in the Mortgaged Property or the Borrower or in any loan made on the security thereof, and its compensation is not affected by the approval or disapproval of the Mortgage Loan.

(39) Loan Obligation Schedule. The information pertaining to each Loan Obligation that is set forth in the schedule attached as Exhibit A to this Agreement is true and correct in all material respects as of the Cut-off Date and contains all information required by this Agreement to be contained therein.

(40) Cross-Collateralization. No Mortgage Loan is cross-collateralized or cross-defaulted with any mortgage loan that is not owned by the Issuer, except as set forth in Schedule 1(d).

(41) Advance of Funds by the Seller. After origination, no advance of funds has been made by Seller to the related Borrower other than in accordance with the Loan Documents, and, to Seller's knowledge, no funds have been received from any person other than the related Borrower or an affiliate for, or on account of, payments due on the Mortgage Loan (other than as contemplated by the Loan Documents, such as, by way of example and not in limitation of the foregoing, amounts paid by the tenant(s) into a lender-controlled lockbox if required or contemplated under the related lease or Loan Documents). Neither Seller nor any affiliate thereof has any obligation to make any capital contribution to any Borrower under a Mortgage Loan, other than contributions made on or prior to the date hereof.

(42) Compliance with Anti-Money Laundering Laws. Seller (or the related originator if the Seller was not the originator) has complied in all material respects with all applicable anti-money laundering laws and regulations, including without limitation the USA Patriot Act of 2001 with respect to the origination of the Mortgage Loan, the failure to comply with which would have a material adverse effect on the Mortgage Loan.

(43) Floating Interest Rates. Each Mortgage Loan bears interest at a floating rate based on LIBOR.

(44) Participations. With respect to each Loan Obligation that is a Participation:

(i) Either (A) the Participation is treated as a real estate asset for purposes of Section 856(c) of the Code, and the interest payable pursuant to such Participation is treated as interest on an obligation secured by a mortgage on real property or on an interest in real property for purposes of Section 856(c) of the Code, or (B) the Participation qualifies as a security that would not otherwise cause ARMS Equity to fail to qualify as a REIT under the Code (including after the sale, transfer and assignment to the Issuer of such Senior Participation);

(ii) To the actual knowledge of the Seller, as of the Closing Date, the related Participating Institution was not a debtor in any outstanding proceeding pursuant to the federal bankruptcy code;

(iii) The Seller has not received written notice of any outstanding liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind for which the holder of such Participation is or may become obligated;

(iv) The participation agreement is legal, valid and enforceable as between its parties , and provides that (other than any Non-Controlling Participations) the lead and control participant or participants (the "Lead Participant") have full power, authority and discretion to service the Loan Obligation, modify and amend the terms thereof, pursue remedies and enforcement actions, including foreclosure or other legal action, without consent or approval of any other participant (each, a "Third Party Participant");

(v) Each Third Party Participant is required to pay its pro rata share of any expenses, costs and fees associated with servicing and enforcing rights and remedies under the related Loan Obligation upon request therefor by the related servicer or Lead Participant;

(vi) Each participation agreement is effective to convey the participation interest to the related participants and is not intended to be or effective as a loan or other financing secured by the Loan Obligation or the underlying Whole Loan. If the Issuer will be the Lead Participant, the Lead Participant owes no fiduciary duty or obligation to any third party participant pursuant to the participation agreement;

(vii) All amounts due and owing to any Third Party Participant pursuant to each participation agreement have been duly and timely paid. There is no default by the Lead Participant, or to the Seller's knowledge, by any Third Party Participant under any participation agreement;

(viii) The participation interest and, if being transferred to the Issuer, the Lead Participant role, rights and responsibilities are assignable by the Seller without consent or approval other than those that have been obtained;

(ix) If the Issuer will be the Lead Participant, the terms of the participation agreement do not require or obligate the Lead Participant or its successor or assigns to repurchase the participation interest under any circumstances; and

(x) The Seller, in selling any other participation interest to a Third Party Participant, made no misrepresentation, fraud or omission of information necessary for such Third Party Participant to make an informed decision to purchase its participation interest.

For purposes of these representations and warranties, the phrases "the Seller's knowledge" or "the Seller's belief" and other words and phrases of like import shall mean, except where otherwise expressly set forth herein, the actual state of knowledge or belief of the Seller, its officers and employees directly responsible for the underwriting, origination, servicing or sale of the Mortgage Loans regarding the matters expressly set forth herein.

The Co-Issuers have engaged J.P. Morgan Securities LLC (the "Placement Agent") to act as placement agent in conjunction with the offer and sale of the Notes pursuant to this Placement Agreement (this "Agreement").

The Notes shall be issued pursuant to an Indenture, to be dated as of April 11, 2017 (the "Indenture"), among the Co-Issuers, Arbor Realty SR, Inc. On the Closing Date, the Issuer will purchase the Loan Obligations described and listed in Annex A to the Offering Memorandum (collectively, the "Loan Obligations" and, with all other assets pledged to the Trustee on behalf of the Secured Parties pursuant to the Indenture, the "Collateral") from the Arbor Parent.

The Co-Issuers, the Arbor Parent and the Placement Agent agree as follows:

1. Appointment of Placement Agent; Offer and Sale of Notes.

(a) The Co-Issuers and the Arbor Parent hereby appoint the Placement Agent to act as placement agent in connection with the offer and sale of the Notes in accordance with the terms hereof, and the Placement Agent hereby accepts such appointment in accordance with the terms hereof. In connection with acting as placement agent hereunder, the Placement Agent shall have the right (but not the obligation) to purchase the Notes and resell the Notes pursuant to the terms of this Agreement. Each of the Co-Issuers, the Arbor Parent and the Placement Agent agrees that, as to any and all of the Notes with respect to which the Placement Agent arranges the sale pursuant to this Agreement, such Notes shall be offered and sold in reliance on, among other things, the agreements, representations, warranties and covenants of the Co-Issuers and the Arbor Parent contained herein and on the terms and conditions and in the manner provided for herein; provided, however, that the Placement Agent shall have no liability to the Co-Issuers, the Arbor Parent or any of their respective affiliates in the event that any purchase or sale is not consummated for any reason. The Co-Issuers and the Arbor Parent shall have the sole right to accept or reject any or all offers presented by the Placement Agent in the sole and absolute discretion of the Co-Issuers and the Arbor Parent. The Co-Issuers shall direct the Placement Agent to remit the aggregate purchase price for the Notes (net of the advisory, structuring and placement agent fee (the "Advisory, Structuring and Placement Agent Fee") set forth on Schedule I, which shall be retained by the Placement Agent) placed pursuant hereto to an account specified by the Issuer.

(b) The Placement Agent hereby represents, warrants and agrees that:

(iv) (x) it has not provided, as of the date of this Agreement, and covenants with the Co-Issuers that it will not provide, on or prior to the Closing Date, to any Rating Agency or other "nationally recognized statistical rating organization" (within the meaning of the Exchange Act), any information, written or oral, relating to the Notes, the Collateral, the transactions contemplated by this Agreement or the Indenture or any other information, that could be reasonably determined to be relevant to determining an initial credit rating for the Notes (as contemplated by Rule 17g-5(a)(3)(iii)(C) of the Exchange Act), without the prior consent of the Co-Issuers, and (y) covenants with the Co-Issuers that it will not provide to any Rating Agency or other "nationally recognized statistical rating organization" (within the meaning of the Exchange Act), any information, written or oral, relating to the Notes, the Collateral, the transactions contemplated by this Agreement or the Indenture or any other information, that could be reasonably determined to be relevant to undertaking credit rating surveillance for the Notes (as contemplated by Rule 17g-5(a)(iii)(3)(D) under the Exchange Act), without the prior consent of the Co-Issuers; provided, in the case of both (x) and (y), the Co-Issuers acknowledge that they have requested that the Placement Agent participate in or initiate communications with the Rating Agencies with respect to information posted on the website established pursuant to Rule 17g-5 of the Exchange Act ("Rule 17g-5") throughout the transactions contemplated hereby or by the Indenture and to provide for posting to such website any information relayed in such communications to the extent not already posted on such website without requesting the Co-Issuers' specific prior consent and without the Co-Issuers' participation, and any and all such communication shall be deemed to have been consented to by the Co-Issuers; and

(v) other than the Time of Sale Information, the Indenture, the Offering Memorandum and the other Basic Documents, neither it nor any of its affiliates (including its agents and representatives) has furnished or made available, or will furnish or make available, to potential investors in the Notes, without the prior consent of the Co-Issuers and the Arbor Parent, any written communication that constitutes an offer to sell or solicitation of an offer to buy the Notes.

(c) In connection with the issuance of the Notes, the Co-Issuers and the Arbor Parent have prepared an Offering Memorandum, dated March 28, 2017 (including any exhibits and annexes thereto and any accompanying electronic media, the "Offering Memorandum"), in form and substance acceptable to the Placement Agent. Copies of the Offering Memorandum will be delivered by the Co-Issuers and the Arbor Parent to the Placement Agent pursuant to the terms of this Agreement. At or prior to the time when sales of the Notes were first made, which was approximately 12:54 PM (prevailing Eastern time) on March 28, 2017 (the "Time of Sale"), the Co-Issuers and the Arbor Parent have prepared the following documents: a Preliminary Offering Memorandum, dated March 27, 2017 (including any exhibits and annexes thereto and any accompanying electronic media, the "Preliminary Offering Memorandum" and, together with any Additional Disclosure Materials (as defined below), the "Time of Sale Information"). If, subsequent to the date of this Agreement, (x) the Co-Issuers, the Arbor Parent and the Placement Agent determine that, as to any investors in the Notes, the Time of Sale Information as of the Time of Sale included an untrue statement of material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading and the Placement Agent terminates its old purchase contracts and enters into new purchase contracts with investors in the Notes, then "Time of Sale Information" shall also include such additional information conveyed to investors as of the time of entry into the new purchase contracts, including any information that corrects such material misstatements or omissions and "Time of Sale" shall refer to the time and date on which such new purchase contracts were entered into. Any Time of Sale Information furnished to the Placement Agent subsequent to the date of this Agreement shall be in form and substance satisfactory to the Placement Agent and shall be listed on Annex B hereto.

(d) Except as otherwise set forth in paragraph (e) below, the Notes to be placed by the Placement Agent shall be represented by one or more definitive global notes in book-entry form, which shall be deposited by or on behalf of the Co-Issuers with the Depository Trust Company (the "DTC") or its designated custodian. The Co-Issuers shall deliver the applicable Notes to the Placement Agent, acting on behalf of the purchasers of the applicable Notes, by causing DTC to credit such Notes to the account of the Placement Agent (or its designee) at DTC. The Notes shall be registered in such names and such authorized denominations as the Placement Agent may request in writing not less than forty-eight (48) hours prior to the Closing Date. The Co-Issuers shall cause the Notes to be made available to the Placement Agent for inspection at least twenty-four (24) hours prior to the Closing Date at the offices of Cadwalader, Wickersham & Taft LLP at 200 Liberty Street, New York, New York 10281 (the "Closing Location"). The time and date of delivery of the Notes shall be 10:00 a.m., New York City time, on April 11, 2017, or such other time and date as the Placement Agent and the Co-Issuers may agree upon in writing. The time and date of such payment and delivery is referred to herein as the "Closing Date". On the Closing Date, the Co-Issuers and the Arbor Parent (jointly and severally) agree to pay to the Placement Agent the Advisory, Structuring and Placement Agent Fee as set forth on Schedule I hereto.

(e) The Notes sold to Institutional Accredited Investors that are not QIBs, as specified by the Placement Agent upon at least forty-eight (48) hours' prior notice to the Co-Issuers (such request to include the authorized denominations and the names in which they are to be registered), shall be delivered in definitive certificated form to or upon the instructions of the Placement Agent, acting on behalf of the applicable purchasers of the Notes, against payment of the purchase price therefor by wire transfer of immediately available funds. The Notes shall be made available for inspection and packaging in New York, New York, not later than 1:00 p.m. on the business day prior to the Closing Date at the Closing Location.

(f) The documents to be delivered at the Closing Date by or on behalf of the parties hereto pursuant to Section 5 hereof and the Notes shall be delivered at the Closing Location on the Closing Date. A meeting shall be held at the Closing Location at 5:00 p.m., New York City time, on the New York Business Day next preceding the Closing Date, or such other time agreed to by the parties hereto, at which meeting the final drafts of the documents to be delivered pursuant to the preceding sentence shall be available for review by the parties hereto. For the purposes of this Section 1(f), "New York Business Day" shall mean each Monday, Tuesday, Wednesday, Thursday and Friday that is not a day on which banking institutions in New York City are generally authorized or obligated by law or executive order to close.

(g) The Placement Agent acknowledges and agrees that the Co-Issuers and, for purposes of the opinions to be delivered to the Placement Agent pursuant to Sections 5(h) and 5(i) hereof, counsel for the Co-Issuers and counsel for the Placement Agent, respectively, may rely upon the accuracy of the representations and warranties of the Placement Agent, and compliance by the Placement Agent with its agreements contained in Section 1(b) (including Annex A hereto), and the Placement Agent hereby consents to such reliance.

(h) The Co-Issuers and the Arbor Parent acknowledge and agree that the Placement Agent is acting solely in the capacity of an arm's-length contractual counterparty to the Co-Issuers and the Arbor Parent with respect to the offering and sale of the Notes if and to the extent contemplated hereby (including in connection with determining the terms of the offering) and not as a financial advisor or fiduciary to, or agent of, the Co-Issuers, the Arbor Parent or any other person in connection with each transaction contemplated hereby and the process leading to such transaction. Additionally, the Placement Agent is not advising the Co-Issuers, the Arbor Parent or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Co-Issuers and the Arbor Parent shall consult with their own advisors concerning such matters and shall be responsible for making their own independent investigation and appraisal of the transactions contemplated hereby, and the Placement Agent shall not have any responsibility or liability to the Co-Issuers, the Arbor Parent or any other person with respect thereto. Any review by the Placement Agent of the Co-Issuers and the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Placement Agent, and shall not be on behalf of the Co-Issuers, the Arbor Parent or any other person. Each of the Co-Issuers and the Arbor Parent agree that it will not claim that the Placement Agent has rendered financial advisory services of any nature or respect, or owes a fiduciary or similar duty to the Co-Issuers, the Arbor Parent or any other person in connection with such transaction or the process leading thereto.

(i) The Placement Agent may provide to prospective investors Additional Disclosure Materials (as defined below), subject to the following conditions: (i) the Placement Agent shall provide to the Issuer any Additional Disclosure Materials that the Placement Agent has prepared prior to providing such materials to investors; and (ii) in the event that the Issuer or the Placement Agent discovers an error in the Additional Disclosure Materials, the Issuer, if it has discovered such error, shall notify the Placement Agent in writing and, in either case, the

Placement Agent shall correct such error prior to providing such materials to any prospective investors. "Additional Disclosure Materials" shall mean any "flip" book or similar marketing materials or any term sheet or similar marketing materials and any and all other summaries, reports, documents, in written or electronic form, (i) provided to the Placement Agent by or on behalf of the Issuer or any of its affiliates or (ii) prepared by the Placement Agent and provided to the Issuer prior to distribution to prospective investors in accordance with the preceding sentence.

(j) Except for the Accountants' Due Diligence Report (as defined in Section 3.1(a) below), it has not obtained any Due Diligence Report (as defined in Section 3.1(a) below) in connection with the offering contemplated hereby.

2. Representations and Warranties of the Co-Issuers. The Co-Issuers represent and warrant to the Placement Agent that:

The Time of Sale Information, as of the Time of Sale, did not, and as of the Closing Date, will not, and the Offering Memorandum, as of the date thereof, did not, and as of the Closing Date, will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Co-Issuers do not make any representation or warranty with respect to any statements or omissions made in reliance upon and in conformity with information relating to the Placement Agent furnished to the Co-Issuers in writing by the Placement Agent expressly for use in the Time of Sale Information and the Offering Memorandum and any amendment or supplement thereto (such information, as identified in Section 12, the "Placement Agent Information").

(b) Additional Written Communications. Other than the Time of Sale Information and the Offering Memorandum, neither the Co-Issuers nor any of their affiliates (including their agents and representatives) have made, used, prepared, authorized, approved or referred to or will prepare, make, use, authorize, approve or refer to any written communication that constitutes an offer to sell or solicitation of an offer to buy the Notes.

(c) No Material Adverse Change. Other than as set forth in the Time of Sale Information, since the Time of Sale and other than as set forth in the Offering Memorandum, since the date thereof, there has not been any material adverse change or any development involving a prospective material adverse change, in or affecting the business, properties, management, financial position, stockholders' equity or results of operations of the Co-Issuers or the Arbor Parent.

(d) Organization and Good Standing. Each of the Co-Issuers, the Arbor Parent and their respective affiliates that will be a party to a Basic Document has been duly incorporated or organized, as the case may be, and is a validly existing company or organization, as the case may be, in good standing under the laws of its jurisdiction of organization, is duly qualified to do business and is in good standing as a foreign entity in each jurisdiction in which the conduct of its business requires such qualification, and has all power and authority necessary to enter into and perform its obligations under each of the Basic Documents (as defined in

(e) Due Authorization. Each of the Co-Issuers, the Arbor Parent and their respective affiliates that will be a party to a Basic Document has full right, power and authority to execute and deliver each of the Basic Documents to which it is a party, and to perform its obligations hereunder and thereunder; and all action required to be taken for the due and proper authorization, execution and delivery of each of the Basic Documents to which it is a party and the consummation of the transactions contemplated thereby have been duly and validly taken.

(f) The Notes. The Notes have been duly authorized and, when duly executed, authenticated, issued and delivered as provided in the Indenture and paid for as provided herein, will be duly and validly issued and outstanding and will be entitled to the benefits and security afforded by the Indenture.

(g) Indenture and the other Basic Documents; Description of Basic Documents. Each Basic Document to which the Issuer, the Co-Issuer the Arbor Parent or any affiliate thereof is a party has been duly authorized by such entity, as applicable, and when duly executed and delivered in accordance with its terms by each of the parties thereto (other than such entity, as applicable), will constitute a valid and legally binding agreement of such entity, as applicable, enforceable against such entity, as applicable, in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability. The Basic Documents described in the Time of Sale Information or the Offering Memorandum will conform in all material respects to the descriptions thereof contained in the Time of Sale Information and in the Offering Memorandum.

(i) No Conflicts with Existing Instruments. The execution, delivery and performance by the Issuer, the Co-Issuer, the Arbor Parent or any of their respective affiliates of any Basic Document to which it is a party, the issuance and sale of the Notes and compliance by it with the terms thereof and the consummation of the transactions contemplated by such Basic

Documents will not (A) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or, except as contemplated by the Basic Documents, result in the creation or imposition of any lien, charge or encumbrance upon any of its property or assets pursuant to any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which it is a party or by which it is bound or to which any of its property or assets are subject; (B) result in any violation of the provisions of the charter, by-laws, memorandum and articles of association or similar organizational documents of the Issuer, the Co-Issuer, the Arbor Parent or any of their respective affiliates; or (C) result in the violation of any law or statute or any judgment, order or regulation of any Governmental Authority.

(j) No Consents Required. Assuming compliance by the Placement Agent with its agreement in Section 1(b) hereof, no consent, approval, authorization, order, registration or qualification of or with any Governmental Authority is required for the execution, delivery and performance by the Issuer, the Co-Issuer, the Arbor Parent or any of their respective affiliates of each of the Basic Documents to which it is a party, the issuance and sale of the Securities and compliance by such Issuer, Co-Issuer, Arbor Parent and their respective affiliates with the terms thereof and the consummation of the transactions contemplated by the Basic Documents, except for such consents, approvals, authorizations, orders and registrations or qualifications as have already been obtained, or as of the Closing Date will have been obtained or as may be required under applicable state securities laws in connection with the placement of the Notes by the Placement Agent or any purchase and resale of the Notes by the Placement Agent.

(k) Legal Proceedings. Except as described in the Time of Sale Information and the Offering Memorandum, there are no legal, governmental or regulatory investigations, actions, suits or proceedings pending to which the Issuer, the Co-Issuer or the Arbor Parent is a party or to which any property of the Issuer, the Co-Issuer or the Arbor Parent is the subject that, individually or in the aggregate, if determined adversely to such person, could reasonably be expected to have a material adverse effect on (A) the ability of any of the Issuer, the Co-Issuer or the Arbor Parent to perform its obligations under any Basic Document to which it is a party or (B) the transactions contemplated herein or in the Basic Documents; and to the knowledge after due inquiry of the Co-Issuers and the Arbor Parent, no such investigations, actions, suits or proceedings are threatened or contemplated by any Governmental Authority or threatened by others.

(l) Title to Assets. The Arbor Parent will, at the Closing Date, own and transfer the Loan Obligations, free and clear of any lien, mortgage, pledge, charge, security interest or other encumbrance, and, at the Closing Date, the Arbor Parent will have full power and authority to sell the Loan Obligations to the Issuer under the Loan Obligations Purchase Agreement and deliver the Loan Obligations to the Issuer thereunder, and at the Closing Date will have duly authorized such sale and delivery to the Issuer by all necessary action; and (C) the Issuer will, at the Closing Date, own the related Collateral, free and clear of any lien, mortgage, pledge, charge, security interest or other encumbrance, and will have full power and authority to pledge such Collateral to the Trustee pursuant to the terms of the Indenture.

The Issuer and the Co-Issuer are relying on an exclusion or exemption from the definition of "investment company" under the Investment Company Act contained in Section 3(c)(5)(C) thereof or Rule 3a-7 thereunder.

(n) Integration. None of the Issuer, the Co-Issuer, the Arbor Parent or any of their respective affiliates (as defined in Rule 501(b) of Regulation D) has directly, or through any agent, sold, offered for sale, solicited offers to buy or otherwise negotiated in respect of, any security (as defined in the Securities Act) that is or will be integrated with the sale of the Notes in a manner that would require registration of the Securities under the Securities Act.

(o) No General Solicitation or Directed Selling Efforts. None of the Issuer, the Co-Issuer, the Arbor Parent or any of their respective affiliates or any other person acting on its or their behalf (other than, in the case of the Notes, the Placement Agent, as to which no representation or warranty is made) has (A) solicited offers for, or offered or sold any of the Securities by means of any form of general solicitation or general advertising within the meaning of Rule 502(c) of Regulation D or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Securities Act or (B) engaged in any directed selling efforts within the meaning of Regulation S, and all such persons have complied with the offering restrictions requirement of Regulation S.

(p) Securities Law Exemptions. Assuming the accuracy of the representations and warranties of the Placement Agent contained in Section l(b) hereof (including Annex A hereto) and its compliance with the agreements set forth therein, it is not necessary in connection with the offer, sale, resale and delivery of the Notes in the manner contemplated by this Agreement, the Time of Sale Information or the Offering Memorandum to register the Notes under the Securities Act or to qualify the Indenture under the Trust Indenture Act of 1939, as amended.

(q) Taxes and Fees. Any taxes, fees and other governmental charges in connection with the execution, delivery and performance of each Basic Document and the Securities (other than such federal, state and local taxes as may be payable on the income or gain recognized therefrom), in all cases to the extent material to any of the Issuer, the Co-Issuer or the Arbor Parent, have been or will be paid at or prior to the Closing Date.

(r) Rule 144A Eligibility. When the Securities are executed, authenticated and delivered pursuant to the Indenture, the Securities will not be (and will not be convertible or exchangeable into securities that are) of the same class as securities listed on a national securities exchange registered under Section 6 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or quoted in an automated inter-dealer quotation system; and the Offering Memorandum, as of its date, contains or, as of the Closing Date, will contain, or the Co-Issuers will otherwise provide or cause to be provided, all the information that, if requested by a prospective purchaser of the Notes, would be required to be provided to such prospective purchaser pursuant to Rule 144A(d)(4) under the Securities Act.

(s) Representations in Basic Documents. The representations and warranties of the Co-Issuers, the Arbor Parent and their respective affiliates contained in the Basic Documents, respectively, shall be true and correct as of the Closing Date in all material respects.

(t) 17g-5 Compliance. Arbor Realty Trust, Inc. ("ART") or one or more of its affiliates has executed and delivered a written representation to Moody's Investors Service, Inc. ("Moody's") and DBRS, Inc. ("DBRS" and, together with Moody's, the "Rating Agencies") that it will take the actions specified in paragraphs (a)(3)(iii)(A) through (D) of Rule 17g-5, and such entity has complied with each such representation in all material respects. In connection therewith, ART has entered into a 17g-5 Website Posting Agreement, dated March 13, 2017, with J.P. Morgan Securities LLC.

3.1 Representations and Warranties of the Arbor Parent. The Arbor Parent represents and warrants to the Placement Agent that:

(a) The Issuer, the Co-Issuer and the Arbor Parent have not obtained any third-party due diligence report contemplated by Rule 15Ga-2 under the Exchange Act ("Rule 15Ga-2") (each, a "Due Diligence Report") in connection with the transactions contemplated by this Agreement and the Offering Memorandum other than the agreed-upon procedures report (the "Accountants' Due Diligence Report"), in form and substance reasonably satisfactory to the Placement Agent, obtained from the accounting firm (the "Accountants") engaged to provide procedures involving a comparison of information in the loan files for the loans backing the Notes (the "Loans") to information on a data tape relating to the Loans ("Due Diligence Services"), a copy of which has been furnished to the Placement Agent, at the request of the Arbor Parent, and addressed to the Placement Agent. The Accountants have consented to the use of the Accountants' Due Diligence Report in the preparation of a Form 15G (as defined below) furnished on EDGAR as required by Rule 15Ga-2.

(b) Any certification on Form ABS Due Diligence-15E received by the Issuer, the Co-Issuer or the Arbor Parent from the Accountants in connection with the Due Diligence Services provided by the Accountants was promptly posted, after receipt, on the Rule 17g-5 website established by or on behalf of the Arbor Parent as required by Rule 17g-5.

(c) The Issuer, the Co-Issuer or the Arbor Parent (A) prepared, or caused to be prepared, one or more reports on Form ABS-15G (each, a "Form 15G") containing the findings and conclusions of the Accountants' Due Diligence Report and meeting all other requirements of Rule 15Ga-2, any other rules and regulations of the SEC and the Exchange Act; (B) provided, or caused to be provided, a copy of the final draft of each Form 15G to the Placement Agent at least seven Business Days before the Time of Sale; and (C) furnished, or caused to be furnished, each Form 15G to the SEC on EDGAR at least five Business Days before the Time of Sale as required by Rules 15Ga-2.

(d) No portion of any Form 15G contains any names, addresses, other personal identifiers or zip codes with respect to any individuals, or any other personally identifiable or other information that would be associated with an individual, including without limitation any "nonpublic personal information" within the meaning of Title V of the Gramm-Leach-Bliley Financial Services Modernization Act of 1999.

3.2 Representations, Warranties, Covenants and Agreements of the Arbor Parent. The Arbor Parent represents, warrants, covenants, undertakes and agrees to and with the Placement Agent that:

(a) Arbor Parent has organized and initiated an asset-backed securities transaction by committing to sell and selling, directly or through an affiliate, the Closing Date Loan Obligations to the Issuer and, accordingly, Arbor Parent satisfies the definition of "sponsor", and is the "sponsor of the securitization", as set forth in the U.S. Credit Risk Retention Rules. It is hereby acknowledged and agreed by the parties hereto that the Placement Agent does not accept any liability or responsibility for such designation of Arbor Parent (or for the non-designation of any other entity) as a "sponsor";

(b) Arbor Parent is an entity having the capability to comply, and agrees that it will comply, with all legal requirements imposed on the "sponsor" of a "securitization transaction" in accordance with the U.S. Credit Risk Retention Rules;

(c) Arbor Parent has determined the fair value of the Retained Interest and each Class of Notes and the Preferred Shares in accordance with the fair value assessment described in Accounting Standards Codification 820, "Fair Value Measurements and Disclosures", under U.S. generally accepted accounting principles ("GAAP");

(d) Arbor Parent, directly or through a majority-owned affiliate, will retain an "eligible horizontal residual interest" in Preferred Shares of the Issuer in compliance with the U.S. Credit Risk Retention Rules for the duration required in the U.S. Credit Risk Retention Rules, the fair value of which interest will be at least 5% of the aggregate fair value of the Notes and the Preferred Shares, as of the Closing Date (the "Retained Interest"), as determined in accordance with the fair value assessment framework under GAAP;

(e) Arbor Parent is and will be solely responsible for compliance with the disclosure requirements of U.S. Credit Risk Retention Rules which include, without limitation, the material terms of the Retained Interest, and the timing of cash flows and determination of fair value. Without limiting any liability that Arbor Parent or any of its affiliates may have hereunder, (i) Arbor Parent is and will be solely responsible for ensuring that the disclosure required by U.S. Credit Risk Retention Rules is contained in each of the Preliminary Offering Memorandum and the Offering Memorandum, (ii) Arbor Parent is and will be solely responsible for the content of that disclosure and, as of the date hereof, has met applicable disclosure requirements under the U.S. Credit Risk Retention Rules, and (iii) if any disclosure is required after the Closing Date pursuant to U.S. Credit Risk Retention Rules, Arbor Parent will be solely responsible for making and delivering such disclosure in a medium that does not involve any action or participation by the Placement Agent (other than timely delivery by the Placement Agent of the Preliminary Offering Memorandum and the Offering Memorandum to the investors). For the avoidance of doubt, it is hereby acknowledged and agreed by the parties hereto that the Placement Agent does not accept any liability or responsibility whatsoever in respect of Arbor Parent's determination of the fair value of the Retained Interest or Arbor Parent's valuation methodology, inputs and assumptions. The Preliminary Offering Memorandum contains, and the Offering Memorandum will contain, all of the disclosures that are required under Rule 4(c)(1)(i) of the U.S. Credit Risk Retention Rules; and

(f) Arbor Parent or its affiliates, as relevant, has not engaged in any hedging or financing of the Retained Interest as of the date hereof and will not engage in any activities that would constitute impermissible hedging, transfer or financing of the Retained Interest as prohibited by the U.S. Credit Risk Retention Rules for the duration required in the U.S. Credit Risk Retention Rules.

If the U.S. Credit Risk Retention Rules are modified to reduce the obligations of the sponsor thereunder or repealed, Arbor Parent may, notwithstanding the foregoing, choose to comply with the U.S. Credit Risk Retention Rules as are then in effect, and such compliance shall not be a breach or violation of any of the foregoing.

4. Further Agreements of the Co-Issuers and the Arbor Parent. Each of the Co-Issuers and the Arbor Parent jointly and severally covenants and agrees with the Placement Agent that:

(a) Delivery of Copies. It will deliver to the Placement Agent as many printed copies of the Preliminary Offering Memorandum, any other Time of Sale Information and the Offering Memorandum (including all amendments and supplements thereto) as the Placement Agent may reasonably request.

(b) Amendments or Supplements. Before making or distributing any amendment or supplement to any Time of Sale Information or the Offering Memorandum, the Co-Issuers and the Arbor Parent will furnish to the Placement Agent and counsel for the Placement Agent a copy of the proposed amendment or supplement for review and will not distribute any such proposed amendment or supplement to which the Placement Agent reasonably objects.

(c) Notice to the Placement Agent. The Co-Issuers and the Arbor Parent will advise the Placement Agent promptly, and confirm such advice in writing: (i) of the issuance by any governmental or regulatory authority of any order preventing or suspending the use of either any Time of Sale Information or the Offering Memorandum or the initiation or threatening of any proceeding for that purpose; (ii) of the occurrence of any event at any time prior to the completion of the initial offering of the Notes as a result of which any Time of Sale Information or the Offering Memorandum as then amended or supplemented would include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Time of Sale Information and the Offering Memorandum are delivered to a purchaser, not misleading; and (iii) of the receipt by any of the Co-Issuers or the Arbor Parent or any of their affiliates of any notice with respect to any suspension of the qualification of the Notes for offer and sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, and the Co-Issuers and the Arbor Parent will use their commercially reasonable efforts to prevent the issuance of any such order preventing or suspending the use of any Time of Sale Information or the Offering Memorandum or suspending any such qualification of the Notes and, if any such order is issued, will obtain as soon as possible the withdrawal thereof.

(d) Ongoing Compliance. If, at any time prior to the Time of Sale, (i) any event shall occur or condition shall exist as a result of which any of the Time of Sale Information would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading or (ii) it is necessary to amend or supplement any of the Time of Sale Information so that any of the Time of Sale Information will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, the Co-Issuers and the Arbor Parent will promptly notify the Placement Agent thereof and forthwith prepare (in a form reasonably acceptable to the Placement Agent) and, subject to paragraph (b) above in this Section 4, furnish to the Placement Agent such amendments or supplements to any of the Time of Sale Information as may be necessary so that the statements in any of the Time of Sale Information as so amended or supplemented will not, in light of the circumstances under which they were made, be misleading. If at any time prior to the Closing Date, (x) any event shall occur or condition shall exist as a result of which the Offering Memorandum as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances existing (A) when the Offering Memorandum is delivered to a purchaser and (B) at the Closing Date, not misleading or (y) it is necessary to amend or supplement the Offering Memorandum to comply with applicable law, the Co-Issuer and the Arbor Parent will promptly notify the Placement Agent thereof and forthwith prepare (in a form reasonably acceptable to the Placement Agent) and, subject to paragraph (b) above in this Section 4, furnish to the Placement Agent such amendments or supplements to the Offering Memorandum as may be necessary so that the statements in the Offering Memorandum as so amended or supplemented will not, in the light of the circumstances existing when the Offering Memorandum as so amended or supplemented is delivered to a purchaser and at the Closing Date, be misleading or so that the Offering Memorandum will comply with applicable law.

(e) Blue Sky Compliance. The Co-Issuers and the Arbor Parent will use commercially reasonable efforts to qualify the Notes for offer and sale under the securities or "blue sky" laws of such jurisdictions in the United States as the Placement Agent shall reasonably request and will continue such qualifications in effect so long as required for the initial offering and sale of the Notes; provided that none of the Co-Issuers and the Arbor Parent shall be required to: (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify; (ii) file any general consent to or take any action that would subject itself to service of process in such jurisdiction; or (iii) subject itself to taxation in any such jurisdiction. Prior to the Time of Sale, the Placement Agent shall notify the Co-Issuers and the Arbor Parent of any jurisdictions that would require qualifications or legends or disclaimers in the Preliminary Offering Memorandum.

(f) Copies of Reports. So long as the Notes are outstanding, the Co-Issuers shall furnish, or cause to be furnished, to the Placement Agent copies of all reports or other communications (financial or other) furnished to holders of the Notes.

(g) Use of Proceeds. The Co-Issuers shall apply the net proceeds from the sale of the Securities as described in the Time of Sale Information and the Offering Memorandum under the heading "Use of Proceeds".

(h) Rating Agencies. The Notes shall have been assigned ratings no lower than those set forth on Schedule I hereto by the Rating Agencies. To the extent, if any, that the ratings provided with respect to the Notes by the Rating Agencies are conditional upon the furnishing of documents or the taking of any other action by the Co-Issuers, the Arbor Parent or any of their respective affiliates, the Co-Issuers and the Arbor Parent shall use their commercially reasonable efforts to furnish, or cause to have furnished, such documents and take, or cause to have taken, any such other action.

(i) No Integration. None of the Co-Issuers, the Arbor Parent or any of their respective affiliates (as defined in Rule 501(b) of Regulation D) will, directly or through any agent, sell, offer for sale, solicit offers to buy or otherwise negotiate in respect of, any security (as defined in the Securities Act), that is or will be integrated with the sale of the Notes in a manner that would require registration of any of the Securities under the Securities Act.

(j) No Solicitation or Directed Selling Efforts. None of the Co-Issuers, the Arbor Parent or any of their respective affiliates or any person acting on its or their behalf (other than, with respect to the Notes, the Placement Agent, as to which no covenant is given) will (i) solicit offers for, or sell, the Securities by means of any form of general solicitation or general advertising within the meaning of Rule 502(c) of Regulation D or in any manner involving a public offering within the meaning of Section 4(a)(2) of the Securities Act or (ii) engage in any directed selling efforts within the meaning of Regulation S, and all such persons will comply with the offering restrictions requirement of Regulation S.

(k) Supplying Information. While the Notes remain outstanding and are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Co-Issuers and the Arbor Parent will, during any period in which they are not subject to and in compliance with Section 13 or 15(d) under the Exchange Act, furnish to holders of the Notes and prospective purchasers of the Notes designated by such holders, in each case upon request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(l) DTC. The Co-Issuers will assist the Placement Agent in arranging for the Notes to be eligible for clearance and settlement through DTC.

(m) Sale Treatment. The Arbor Parent agrees that its transfer of the Loan Obligations shall be reflected on its balance sheet and other financial statements as a sale and/or contribution of the Loan Obligations to the Issuer and not as a financing. Issuer agrees that the transfer to the Issuer of the Loan Obligations shall be reflected on Issuer’s balance sheet and other financial statements as the purchase and/or acquisition of such Loan Obligations by Issuer from the Arbor Parent and not as a loan to the Issuer from the Arbor Parent. The Arbor Parent is not selling the Loan Obligations and the Co-Issuers are not selling the Notes with any intent to hinder, delay or defraud any of the creditors of the Arbor Parent, the Co-Issuers or any of their respective affiliates.

(n) Rule 17g-5 Compliance. The Co-Issuers, ART and the Arbor Parent shall take reasonable efforts to cause the Trustee (pursuant to the Trustee’s related obligations under the Basic Documents) to comply with each representation made by it to the Rating Agencies with respect to the Notes pursuant to paragraph (a)(3)(iii) of Rule 17g-5.

5. Conditions to Placement Agent's Obligations. The obligations of the Placement Agent hereunder are subject to the performance by the Co-Issuers and the Arbor Parent of their respective covenants and other obligations hereunder and to the following additional conditions:

The representations and warranties of the Co-Issuers and the Arbor Parent contained herein shall be true and correct on the date hereof, on and as of the date of the Time of Sale and on and as of the Closing Date; and the statements of the Co-Issuers and the Arbor Parent and their respective officers made in any certificates delivered pursuant to this Agreement shall be true and correct in all material respects on and as of the date of the Time of Sale and on and as of the Closing Date.

(b) No Material Adverse Change. Subsequent to the execution and delivery of this Agreement, no event or condition of a type described in Section 2(c) hereof shall have occurred or shall exist, which event or condition is not described in the Time of Sale Information and the Offering Memorandum (excluding any amendment or supplement thereto) and the effect of which, in the judgment of the Placement Agent, makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Notes on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Offering Memorandum.

(f) Officer's Certificate of the Seller. The Placement Agent shall have received on and as of the Closing Date a certificate of authorized officers of the Seller, dated as of the Closing Date, substantially in the form attached hereto as Exhibit B.

(g) Comfort Letters. On the date of the Preliminary Offering Memorandum and on the date of this Agreement, Ernst & Young LLP shall have furnished to the Co-Issuers and the Placement Agent, at the request of the Co-Issuers, letters dated the respective dates of delivery thereof and addressed to the Placement Agent, in form and substance reasonably satisfactory to the Placement Agent.

(h) Opinion of Counsel for the Co-Issuers and the Arbor Parent. Cadwalader, Wickersham & Taft LLP, special counsel to the Co-Issuers and the Arbor Parent, Richards, Layton & Finger, P.A., counsel to the Co-Issuer, Maples and Calder, Cayman Islands counsel to the Issuer, and other applicable counsel to the Arbor Parent shall have furnished to the Placement Agent their respective written opinions with respect to such matters as the Placement Agent may reasonably request, each dated the Closing Date and addressed to the Placement Agent and in form and substance reasonably satisfactory to the Placement Agent. Except with respect to any negative assurance letter relating to the Time of Sale Information or the Offering Memorandum, each such opinion (a) may express counsel's reliance as to factual matters on certificates of government and agency officials and the representations and warranties made by, and on certificates or other documents furnished by officers of, the parties to the Basic Documents and (b) may be qualified as an opinion only on the law of the State of New York, the laws of the Cayman Islands, the Delaware Limited Liability Company Act and/or the federal law of the United States of America.

(i) Opinion of Counsel for the Placement Agent. The Placement Agent shall have received on and as of the Closing Date an opinion of Clifford Chance US LLP, counsel for the Placement Agent, with respect to such matters as the Placement Agent may reasonably request, and such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters.

(j) Opinion of Counsel for the Trustee, the Preferred Shares Paying Agent, the Loan Obligation Manager, the CLO Servicer, Arbor Realty SR, Inc. and ARMS Equity. Prior to the placement of the Notes hereunder, the Placement Agent shall have received the opinions, dated as of the Closing Date, of the respective counsel to the Trustee, the Preferred Shares Paying Agent, the Loan Obligation Manager, the CLO Servicer, the Seller and ARMS Equity, each in form and substance reasonably satisfactory to the Placement Agent.

(k) Rating Agency Opinions. The Placement Agent shall be addressed in any opinion from any counsel delivering any written opinion to the Rating Agencies in connection with the transaction described herein which is not otherwise described in this Agreement.

(l) Rating Agency Letters. The Placement Agent shall have received copies of letters from the Rating Agencies stating that the Notes are rated as set forth on Schedule I hereto by the Rating Agencies.

(n) Good Standing. The Placement Agent shall have received on and as of the Closing Date satisfactory evidence of the good standing of each of the Issuer, Co-Issuer, and the Arbor Parent in its jurisdiction of organization, dated not earlier than 30 days prior to the Closing Date, in each case, in writing or any standard form of telecommunication from the appropriate Governmental Authorities of such jurisdiction.

(o) DTC. All the Notes shall be eligible for clearance and settlement through DTC.

(p) Additional Documents. On or prior to the Closing Date, the Co-Issuers and the Arbor Parent shall have furnished to the Placement Agent such other certificates and documents as the Placement Agent may reasonably request.

(r) Compliance with U.S. Credit Risk Retention Rules. The Retention Holder and the Arbor Parent (as sponsor) shall have acted to comply with the requirements of the U.S. Credit Risk Retention Rules to the satisfaction of the Placement Agent, who shall have been provided an opinion or memorandum of counsel to the Arbor Parent as to such compliance, in form and substance satisfactory to the Placement Agent.

6. Indemnification and Contribution.

(a) Indemnification of the Placement Agent by Co-Issuers and ART Each of the Co-Issuers and ART (jointly and severally) agree to indemnify and hold harmless the Placement Agent, its affiliates, directors and officers and each person, if any, who controls the Placement Agent within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each a "Placement Agent Indemnitee"), from and against any and all losses, claims, damages and liabilities (including, without limitation, out-of-pocket legal fees and other out-of-pocket expenses incurred in connection with any suit, action, investigations or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in the Time of Sale Information or the Offering Memorandum (or any amendment or supplement thereto), or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with information with respect to which the Placement Agent has agreed to indemnify each of the Issuer, Co-Issuer and ART pursuant to Section 6(b) hereof; provided that with respect to any such untrue statement in or omission from the Time of Sale Information, the indemnity agreement contained in this paragraph (a) with respect to the Time of Sale Information shall not inure to the benefit of a Placement Agent Indemnitee, to the extent that the sale to the person asserting any such loss, claim, damage or liability was an initial sale by the Placement Agent and any such loss, claim, damage or liability of or with respect to the Placement Agent results from the fact that (i) prior to the occurrence of the events described in clause (ii) below, and prior to the Time of Sale, the Co-Issuers or ART shall have notified the Placement Agent that the Time of Sale Information contains an untrue statement of material fact or omits to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, (ii) such untrue statement or omission of a material fact was corrected in an amended or supplemented Time of Sale Information and such corrected Time of Sale Information was provided to the Placement Agent far enough in advance of the Time of Sale (but not less than one (1) Business Day) so that such corrected Time of Sale Information could have been provided (electronically or otherwise) to such person asserting any such loss, claim, damage or liability prior to the Time of Sale and (iii) the Placement Agent did not send or give such corrected Time of Sale Information to such person at or prior to the Time of Sale.

(b) Indemnification of the Co-Issuers and ART by Placement Agent. The Placement Agent agrees to indemnify and hold harmless the Co-Issuers and ART and their respective affiliates, directors and officers and each person, if any, who controls any of the Co-Issuers or ART within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, to the same extent as the indemnity set forth in subsection (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with the Placement Agent Information provided by the Placement Agent.

(c) [Reserved]

(d) Notice and Procedures. If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to paragraph (a) or (b) above, such person (the "Indemnified Person") shall promptly notify the person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under this Section 6 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure (in which case the Indemnifying Person shall be relieved of its indemnification obligation only to the extent of any loss caused by the Indemnified Person's failure to provide notice); and provided further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under this Section 6. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 6 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; or (iii) the use of counsel chosen by the Indemnifying Person to represent the Indemnified Person would present such counsel with a conflict of interest. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm for the Placement Agent, its affiliates, directors, officers and any control persons of the Placement Agent shall be designated in writing by the Placement Agent and any such separate firm for the Co-Issuers and ART, their respective directors and officers and any person who controls the Co-Issuers or ART, as applicable, within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall be designated in writing by the Co-Issuers and ART. Upon receipt of notice from the Indemnifying Person to such Indemnified Person of its election to assume the defense of such action and approval by the Indemnified Person of counsel, the Indemnifying Person will not be liable to such Indemnified Person under this Section 6 for any legal or other expenses subsequently incurred by such Indemnified Person in connection with the defense thereof unless the Indemnified Person shall have employed separate counsel in accordance with the third immediately preceding sentence (it being understood, however, that the Indemnifying Person shall not be liable for the expenses of more than one separate counsel (in addition to local counsel). The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there is a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than forty-five (45) days after receipt by the Indemnifying Person of such request, (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement and (iii) such settlement does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of the Indemnifying Person. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(e) Contribution. If the indemnification provided for in subsections (a) or (b) above is unavailable to an Indemnified Person or is insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Co-Issuers and ART on the one hand and the Placement Agent on the other from the offering of the Notes or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Co-Issuers or ART on the one hand and the Placement Agent on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Co-Issuers and ART on the one hand and the Placement Agent on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Co-Issuers and/or ART from the sale of the Notes and the total fees, discounts and commissions received by the Placement Agent in connection therewith bear to the aggregate offering price of the Notes. The relative fault of the Co-Issuers and ART on the one hand and the Placement Agent on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Co-Issuers or ART or by the Placement Agent and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission, and any other equitable considerations appropriate in the circumstances.

(f) Limitation on Liability. Each of the Co-Issuers, ART and the Placement Agent agrees that it would not be just and equitable if contribution pursuant to this Section 6 were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (e) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (e) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 6, in no event shall the Placement Agent be required to contribute any amount in excess of the amount by which the total fees, discounts and commissions received by it with respect to the offering of the Notes exceeds the amount of any damages that the Placement Agent has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. Further, ART and the Co-Issuers each acknowledge and agree that the Placement Agent has no responsibility and shall not assume any liability for (i) any information that is posted to the internet website established and maintained by ART, the Arbor Parent, the Co-Issuers or any other party pursuant to Rule 17g-5 of the Exchange Act (such internet website, the "17g-5 Website"), or (ii) the failure of any information to be posted to the 17g-5 Website by any party.

(g) Non-Exclusive Remedies. The remedies provided for in this Section 6 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity.

7. Effectiveness of Agreement. This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

8. Termination. This Agreement may be terminated in the absolute discretion of the Placement Agent solely with respect to its role in this transaction, by notice to the Co-Issuers and the Arbor Parent if, after the execution and delivery of this Agreement and prior to the Closing Date (a) trading generally shall have been suspended or materially limited on or by any of the New York Stock Exchange or the over-the-counter market; (b) a general moratorium on commercial banking activities shall have been declared by federal or New York State authorities or there is a material disruption in commercial banking or securities settlement or clearance services in the United States generally; or (c) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that in the judgment of the Placement Agent is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Notes on the terms and in the manner contemplated by this Agreement, the Time of Sale Information or the Offering Memorandum.

9. Payment of Expenses.

(a) Regardless of whether the transactions contemplated by this Agreement are consummated or whether this Agreement is terminated, the Co-Issuers and the Arbor Parent shall pay or cause to be paid all costs and expenses incident to the performance of their obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Notes and any taxes payable in connection therewith; (ii) the costs and expenses incident to the preparation and printing of the Time of Sale Information and the Offering Memorandum (including all exhibits, attachments, amendments and supplements thereto) and the distribution thereof in connection with the offering, purchase, sale, resale and delivery of the Notes; (iii) the costs of reproducing and distributing each of the Basic Documents; (iv) the reasonable costs and expenses of the Placement Agent, including the fees and expenses of its counsel, transfer taxes on resale of any of the Notes by the Placement Agent, any advertising expenses and other expenses incurred by the Placement Agent in connection with offering or reoffering the Notes and/or entering into purchase contracts with investors in the Notes; (v) the fees and expenses of the counsel to the Co-Issuers, the Arbor Parent and independent accountants; (vi) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Notes under the laws of such jurisdictions as the Placement Agent may designate and the preparation, printing and distribution of any "blue sky" memorandum (including the related reasonable fees and expenses of counsel for the Placement Agent); (vii) any fees charged by the Rating Agencies for rating and surveillance of the Notes; (viii) the fees and expenses of the Trustee and the CLO Servicer (including related reasonable fees and expenses of any counsel to such parties), except to the extent otherwise set forth in the Basic Documents; (ix) all expenses and application fees incurred in connection with the application for the approval of all the Notes for book-entry transfer by DTC; (x) all reasonable expenses incurred in connection with any "road show" presentation to potential investors; (xi) the costs and expenses of the Co-Issuers in connection with the purchase of the Loan Obligations; and (xii) all other costs and expenses incident to the performance of the obligations of the Co-Issuers and the Arbor Parent hereunder that are not otherwise specifically provided for in this Section 9(a).

(b) If (i) this Agreement is terminated pursuant to Section 8 hereof, (ii) the Co-Issuers for any reason fail to tender the Notes for delivery to the Placement Agent, (iii) the

Issuer, the Co-Issuer, or the Arbor Parent fail or refuse to comply with this Agreement, or (iv) the Placement Agent fails to place the Notes, each of the Issuer, the Co-Issuer, and the Arbor Parent (jointly and severally) agrees to reimburse the Placement Agent for all out-of-pocket costs and expenses (including the fees and expenses of its counsel) reasonably incurred by the Placement Agent in connection with this Agreement and the offer and sale of the Notes contemplated hereby.

10. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors. Nothing in this Agreement is intended or shall be construed to give any other person, other than the affiliates, officers, directors and controlling persons referred to in Section 6 hereof and their respective heirs and legal representatives any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Notes from the Placement Agent shall be deemed to be a successor merely by reason of such purchase.

11. Survival. The respective indemnities, rights of contribution, representations, warranties and agreements of the Co-Issuers, the Arbor Parent and the Placement Agent contained in this Agreement or made by or on behalf of the Co-Issuers, the Arbor Parent or the Placement Agent pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Notes and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Co-Issuers and the Arbor Parent or the Placement Agent.

12. Placement Agent Information. The parties hereto acknowledge and agree that the Placement Agent Information shall consist solely of the fourth and fifth sentences of the first paragraph under the heading "*Placement of the Notes*" in the Offering Memorandum.

13. Certain Defined Terms. For purposes of this Agreement, except where otherwise expressly provided, the term "affiliate" has the meaning set forth in Rule 405 under the Securities Act.

Delivery of an executed counterpart of a signature page of this Agreement in Portable Document

Format (PDF) or by facsimile transmission shall be as effective as delivery of a manually executed original counterpart of this Agreement.

(e) Amendments or Waivers. No amendment or waiver of any provision of this Agreement, nor any consent or approval to any departure therefrom, shall in any event be effective unless the same shall be in writing and signed by the parties hereto.

(f) Headings. The headings herein are included for convenience of reference only and are not intended to be part of, or to affect the meaning or interpretation of, this Agreement.

(g) No Bankruptcy Petition/Limited Recourse. The Placement Agent agrees that, prior to the date which is one year and one day (or, if longer, the applicable preference period then in effect plus one day) after the payment in full of all of the Notes issued by the Co-Issuers, it will not institute against, or join any other person in instituting against, any of the Co-Issuers any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or other proceedings under any bankruptcy, insolvency, reorganization or similar law in any jurisdiction. Notwithstanding any other provision of this Agreement, the obligations of the Issuer hereunder are limited-recourse obligations and the obligations of the Co-Issuer hereunder are non-recourse obligations, in each case, payable solely from the Collateral in accordance with the terms of the Indenture and following realization thereof and reduction thereof to zero, all obligations of and all claims against the Co-Issuers hereunder or arising in connection herewith shall be extinguished and shall not thereafter revive. No recourse may be had under this Agreement against any employee, agent, officer, partner, member, shareholder or director of any party hereto (collectively, the "Associated Persons"), in respect of the transactions contemplated by this Agreement, it being expressly agreed and understood that this Agreement is solely an obligation of each of the parties hereto and that no personal liability whatever shall attach to or be incurred by any Associated Person under or by reason of the obligations, representations and agreements of the parties contained in this Agreement, or implied therefrom. This Section 14(g) shall survive the termination or expiration of this Agreement.

EXHIBIT 10.4

AMENDED AND RESTATED ANNUAL INCENTIVE AGREEMENT

THIS AMENDED AND RESTATED ANNUAL INCENTIVE AGREEMENT (this "Agreement") by and between Arbor Realty Trust, Inc., a Maryland corporation (the "Company"), and Ivan Kaufman (the "Executive"), is entered into as of March 31, 2017.

W I T N E S S E T H:

WHEREAS, the Executive currently serves as the Chief Executive Officer of the Company; and

WHEREAS, the Compensation Committee (the "Committee") of the Company's Board of Directors (the "Board") has consulted with its independent compensation consultant regarding the appropriate type and level of base and incentive compensation to be provided to the Executive in order to motivate his performance, retain his services and further align his interests with those of the Company's shareholders; and

WHEREAS, the Executive and the Company had previously entered into the Annual Incentive Agreement, dated January 1, 2015 (the "Prior Annual Incentive Agreement"); and

WHEREAS, in light of the closing of the transactions described in that certain Asset Purchase Agreement dated as of February 25, 2016 among Arbor Realty Trust, Inc., Arbor Realty Limited Partnership, ARSR Acquisition Company, LLC, Arbor Commercial Mortgage, LLC and Arbor Commercial Funding, LLC (the "Asset Purchase Agreement"), which have closed on July 14, 2016 (the "Acquisition"), and in recognition of the increased complexity of the Company and the importance of successfully integrating the operations and businesses that were acquired in the Acquisition, the Committee has determined that it is in the best interests of the Company to amend and restate the Prior Annual Incentive Agreement; and

WHEREAS, the Executive has agreed to such amendment and restatement.

NOW, THEREFORE, it is hereby agreed as follows:

1. TERM. This Agreement shall be effective commencing with the Executive's incentive compensation for calendar year 2017 and shall remain in effect (subject to Section 3 hereof) during the Executive's service as Chief Executive Officer of the Company (the "Term").

2. COMPENSATION.

(a) BASE SALARY. During the Term, the Company shall pay the Executive an annual base salary ("Annual Base Salary") of $1,000,000, payable in accordance with the Company's regular payroll practices for its senior executives, as in effect from time to time.

(b) ANNUAL CASH BONUS. During the Term, the Executive shall participate in an annual cash incentive compensation plan. Subject to adjustment as provided in Section 2(e), the Executive's target bonus opportunity (the "Target Bonus") pursuant to such plan for each year during the Term shall be two hundred and twenty percent (220%) of the Annual

Base Salary, with an annual bonus upon achievement of threshold performance equal to one hundred and ten percent (110%) of the Annual Base Salary and a maximum annual bonus equal to three hundred and thirty percent (330%) of the Annual Base Salary (subject to the provisions of the second paragraph of Exhibit A hereto). Any cash bonuses payable to the Executive will be paid at the time the Company normally pays such bonuses to its senior executives (subject to Section 4 hereof). The goals and weightings for the annual cash bonus shall be as follows, and the metrics for the 2017 annual cash bonus shall be those set forth on Exhibit A hereto:

(i) Thirty five percent (35%) of the annual cash bonus shall be based on the achievement of AFFO/SHARE goals.

(ii) Fifteen percent (15%) of the annual cash bonus shall be based on the achievement of corporate capital growth goals.

(iii) Fifteen percent (15%) of the annual cash bonus shall be based on the achievement of balance sheet-management and efficiency goals.

(iv) Seven and one half percent (7.5%) of the annual cash bonus shall be based on the achievement of goals with respect to the relative risk of the portfolio as measured by the average (over the four quarters of the applicable year) First Dollar LTV, and the average (over the four quarters of the applicable year) Last Dollar LTV, each measured by the loan to value ratio at the time, as applicable, of the original investment, investment maturity extension, investment modification or time of foreclosure/deed in lieu.

(v) Seven and one half percent (7.5%) of the annual cash bonus shall be based on the achievement of goals with respect to the growth in the Agency Servicing Portfolio.

(vi) Twenty percent (20%) of the annual cash bonus shall be based on the Committee's assessment of the Executive's leadership and achievement of subjective goals during the calendar year.

(c) PERFORMANCE METRICS; BONUS DETERMINATION. For years after 2017, the applicable performance metrics for each of the categories described in Section 2(b) and Section 2(d)(iii) below shall be set by the Committee in its reasonable discretion (following consultation with the Executive), subject to the provisions of this Agreement. The amount of the aggregate annual cash bonus for any calendar year shall be determined by measuring performance in each of the categories in Section 2(b) separately, then aggregating the amount payable with respect to all such categories. For instance, performance at the target level under Section 2(b)(i) shall result in the amount of $770,000 (subject to adjustment as provided in Section 2(e)) being included in the applicable year's annual bonus with respect to that category. Performance below the threshold for any category set forth in section 2(b) will result in no award being paid for the period being measured with respect to that category. Performance above the maximum for any category set forth in section 2(b) will result in an award being paid for the period being measured at the maximum amount with respect to that category (subject to the provisions of the second paragraph of Exhibit A hereto). Performance for any category set forth in section 2(b) at levels between threshold and target or between target and maximum will result in an award reflecting proportionate increases between threshold and actual performance or between target and actual performance, as applicable.

(d) LONG-TERM EQUITY AWARDS. During the Term, the Board, upon the recommendation of the Committee, shall from time to time grant the Executive (i) a Time-Based Graded Vesting Equity Award (as more particularly described in, and subject to, the provisions of clause (i) below), (ii) a Performance-Based Cliff Vesting Equity Award (as more particularly described in, and subject to, the provisions of clause (ii) below) and (iii) a Performance-Based TSR Equity Award (as more particularly described in, and subject to, the provisions of clause (iii) below).

(i) Annually during the Term, the Executive shall be granted a time-based award of restricted stock (the "Time-Based Graded Vesting Equity Award") with respect to a number of shares of Common Stock with a fair market value (measured based on the average closing price of the Common Stock for the last ten (10) completed trading days of the immediately preceding year) of $550,000 (rounded down to the nearest whole share). Such Time-Based Graded Vesting Equity Award shall vest in four equal annual installments with 25% of the award vesting on the date of grant and an additional 25% vesting on the first day of the first, second and third anniversaries of the date of grant, subject to the Executive's continued employment with the Company on such anniversary date. Shares of common stock subject to each grant described in this Section 2(d)(i) may not be disposed of by the Executive (except to satisfy minimum tax withholding requirements and transfers to charitable organizations) during the one-year period immediately following the vesting date. The Time-Based Graded Vesting Equity Award shall be approved by the Committee and granted by the Board no later than at the first regularly scheduled Board meeting of each year.

(ii) The Company and the Executive have agreed to measure certain performance based goals relating to the integration of the Acquisition, as set forth in Section A of Exhibit B hereto. If the Company meets or surpasses such goals, then for each of the five calendar years commencing with the 2017 calendar year, the Executive shall be granted (subject to (i) the Executive's continued employment with the Company on the date of each grant and (ii) the satisfaction of the conditions set forth in Section B of Exhibit B) a performance-based award of restricted stock (the "Performance-Based Cliff Vesting Equity Award") with respect to a number of shares of Common Stock with a fair market value (measured in the manner set forth below) of $3,000,000 (rounded down to the nearest whole share). Each such annual Performance-Based Cliff Vesting Equity Award shall vest in full on the third anniversary of the date of grant, subject to the Executive's continued employment with the Company on such anniversary date. Shares of common stock subject to each grant described in this Section 2(d)(ii) may not be disposed of by the Executive (except to satisfy minimum tax withholding requirements and transfers to charitable organizations) during the one-year period immediately following the vesting date. With respect to the first grant of the Performance-Based Cliff Vesting Equity Award following achievement of the goals set forth on Exhibit B, the grant of the shares of Common Stock resulting from such first Performance-Based Cliff Vesting Equity Award shall be made within thirty (30) days of the final determination by the Committee of the Executive's entitlement to the award, and the number of shares of Common Stock to be awarded will be based on the average closing price of the Common Stock for the last ten (10) completed trading days of the immediately preceding quarter. The remaining four (4) annual grants of the Performance-Based Cliff Vesting Equity Award shall be made (subject to the achievement of the goals set forth on Exhibit B) on the first, second, third and fourth anniversaries of the first such grant, and the number of shares of Common Stock to be awarded will be based on the average closing price of the Common Stock for the last ten (10) completed trading days of the immediately preceding quarter.

(iii) Annually during the Term, the Executive shall be granted a performance-based award of restricted stock units (the "Performance-Based TSR Equity Award") with respect to a number of shares of the Common Stock with a fair market value (measured based on the average closing price of the Common Stock for the last ten (10) completed trading days of the immediately preceding year) of $3,300,000 (rounded down to the nearest whole share). Such Performance-Based TSR Equity Award shall vest at the end of the performance period based upon the Company's achievement of the four-year total shareholder return objectives (consisting of dividends paid and changes in the share price of the Common Stock, hereinafter ("TSR")) set forth in Exhibit C hereto, and subject to the Executive's continued employment with the Company on the completion of the four-year performance period, except as provided in Section 3 hereof. The vesting of each award made under this Section 2(d)(iii) shall be determined as set forth in Exhibit C hereto. The Performance-Based TSR Equity Award shall be approved by the Committee and granted by the Board no later than at the first regularly scheduled Board meeting of each year.

(iv) Equity awards described in this Section 2(d) shall be subject to the terms of the applicable equity compensation plan of the Company under which they are granted and shall be subject to the terms and conditions of such plan and the applicable award agreement (which shall not conflict with the provisions of this Section 2(d)). Restricted stock granted under Section 2(d)(i) and (ii) shall receive payment of dividends paid with respect to shares of the Common Stock subject to the restricted stock grants, which shall be paid to the Executive at the same time dividends are paid to stockholders generally. Restricted stock units granted under Section 2(d)(iii) shall not be credited with dividend equivalents.

(e) AUTOMATIC ADJUSTMENT. The amounts of the awards described in Section 2(b) and 2(d)(i) and (iii) above shall be subject to automatic increase as set forth in this Section 2(e). To the extent that the Company has grown its GAAP equity capitalization including all forms of common equity, preferred equity and retained earnings, by 25% from December 31, 2016 through the 1st day of any calendar year (commencing with the 2018 calendar year and measured as of the first day of such year and the first day of subsequent calendar years) (such 25% increase, the "New Base"), the value of the awards described in Section 2(b) and 2(d)(i) and

(iii) which are granted in such calendar year shall be increased by 10% and shall continue to be granted at such increased levels annually. Additional 10% increases in the value of such awards shall become effective upon each further increase of GAAP equity capitalization by 25%, measured from the immediately preceding New Base.

(f) EQUITABLE ADJUSTMENT. The Committee shall have the authority to equitably and in good faith adjust the amounts, goals and other terms of the awards set forth herein in the event of corporate transactions such as mergers, acquisitions, stock splits, recapitalizations, reorganizations, sales of assets and any other similar corporate transaction in order to prevent the enlargement or dilution of the rights of the parties hereto.

3. TERMINATION OF EMPLOYMENT.

(a) BY THE COMPANY WITHOUT CAUSE; DEATH; DISABILITY; BY THE EXECUTIVE FOR GOOD REASON. Notwithstanding anything in this Agreement to the contrary, in the event of the Executive's death, the Executive's resignation for Good Reason (as defined below), or in the event that the Executive's employment is terminated by the Company without Cause (as defined below) or is terminated by the Company due to the Executive's Disability (as defined below), then, in addition to unpaid awards for which the performance period has been completed at the time of termination being paid out (if applicable) in accordance with their terms based upon actual performance:

(i) the annual cash bonus payable for the year the termination takes place described in Section 2(b) shall be paid out at the target level of performance (within 30 days of such termination of employment); and

(ii) at the date of termination of employment, to the extent that any restricted stock unit award described in Section 2(d)(i) and (ii) are unvested, such award shall become fully vested upon such termination; and

(iii) with respect to any Performance-Based TSR Equity Award described in Section 2(d)(iii), the Executive shall become eligible to receive immediate vesting of a pro-rata portion of the award (with such pro-rata portion based upon the portion of the four year performance period that has elapsed as of the date of termination), with the vesting level to which such pro-ration is applied being determined by (A) measuring the TSR achieved for the portion of the performance period occurring prior to the date of termination, (B) determining the TSR which would have had to have been attained on the date of termination in order to achieve each of the Threshold, Target and Maximum performance levels over the full four year performance period (assuming a consistent level of achievement over such full four year performance period) and basing the vesting level on whether the TSR achieved prior to the date of termination achieved any of the levels described in clause (B) above (with any portion of the award that does not vest pursuant to the foregoing being forfeited upon such date).

(b) OTHER TERMINATIONS OF EMPLOYMENT. In the event of a termination of employment under circumstances other than those described in Section 3(a), all awards described in this Agreement for which there is an ongoing performance or vesting period shall be forfeited upon such termination. Unpaid awards for which the performance period has been completed at the time of termination shall be paid out (if applicable) in accordance with their terms based upon actual performance.

4. SECTION 409A; WITHHOLDING. All amounts payable hereunder are intended to constitute short term deferrals exempt from the application of Section 409A of the Internal Revenue Code of 1986, as amended, and shall be administered and construed in accordance with such intention. All payments hereunder shall be subject to required tax withholding.

5. BINDING NATURE OF AGREEMENT; SUCCESSORS AND ASSIGNS. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and permitted assigns as provided in this Agreement.

6. ENTIRE AGREEMENT. This Agreement contains the entire agreement and understanding among the parties hereto with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, understandings, inducements and conditions, express or implied, oral or written, of any nature whatsoever with respect to the subject matter of this Agreement including, without limitation, the Prior Agreement. The express terms of this Agreement control and supersede any course of performance and/or usage of the trade inconsistent with any of the terms of this Agreement. This Agreement may not be modified or amended other than by an agreement in writing signed by the parties hereto. Notwithstanding the forgoing, nothing herein shall be deemed an amendment, modification or any other change to, or waiver of, any provision of the Third Amended and Restated Management and Advisory Agreement among the Company, Arbor Realty Limited Partnership, Arbor Realty SR, Inc. and Arbor Commercial Mortgage, LLC", dated July 14, 2016, as it may be amended from time to time.

7. GOVERNING LAW. This Agreement and all questions relating to its validity, interpretation, performance and enforcement shall be governed by and construed, interpreted and enforced in accordance with the laws of the State of New York, notwithstanding any New York or other conflict-of-law provisions to the contrary.

8. NO WAIVER. Neither the failure nor any delay on the part of a party to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

9. TITLES. The titles of sections, paragraphs and subparagraphs contained in this Agreement are for convenience only, and they neither form a part of this Agreement nor are they to be used in the construction or interpretation of this Agreement.

10. NOTICES.
